ANNUAL LONG-TERM CARE QUESTIONNAIRE FOR 2024
FOR HOSPITALS WITH LONG-TERM CARE BEDS

This is a formal request by the Illinois Department of Public Health for full, complete and accurate information as stated herein. This request is made under the authority of the Illinois Health Facilities Planning Act [20 ILCS 3960/]. Failure to respond may result in sanctions including the following:

"A person subject to this act who fails to provide information requested by the State Board or State Agency within 30 days of a formal, written request shall be fined an amount not to exceed $1,000 for each 30-day period, or fraction thereof, that the information is not received by the State Board or State Agency". [20 ILCS 3960/14.1(b)(6)}.

This questionnaire is divided into the following sections:

SECTION I
Information on your facility and facility utilization during Calendar Year 2024.

SECTION II
Financial and Capital Expenditure information for your facility for your Most Recent Available Fiscal Year

SECTION III
Patient and Staff Influenza and Pneumonia Immunization
Covid-19 Pandemic Challenges and Responses

This questionnaire must be completed and submitted by April 30, 2024.
There will be no exceptions or extensions.

Facilities failing to submit the completed questionnaire within the required time frame will be reported to the Illinois Health Facilities and Services Review Board for its consideration of the imposition of sanctions as mandated by the Act.

FACILITY LONG-TERM CARE STAFFING

Please report the number of Full-Time Equivalent (FTE) staff employed directly by your facility for long-term care during the first pay period of December, 2024. DO NOT REPORT NUMBER OF HOURS WORKED. A Full-Time Equivalent of a staff member's employment is calculated by dividing the number of hours that person worked by the typical hours worked by a full-time staff member in that position. For example, if a staff member worked 16 hours in the pay period, and a full-time employee would typically work 40 hours, that staff person accounted for 0.4 Full-Time Equivalent (FTE).

Due to the wide range of services provided in long-term care facilities, we have included 2 aggregated employment categories: Other Healthcare Personnel, for health-related staff not listed separately, and Other Non-Health Personnel, for staff not directly involved in the provision of health care to patients.

EMPLOYMENT CATEGORIES	FULL-TIME EQUIVALENTS (FTEs)
Administrators	2.00
Physicians	0.00
Director of Nursing	1.00
Registered Nurses	20.00
LPNs	34.00
Certified Aides	73.00
Other Healthcare Personnel	3.00
Other Non-Health Personnel	53.00
TOTALS	**186.00**

Please indicate the typical number of hours in a work week for a full-time employee: 40.00

FACILITY LONG-TERM CARE ADMISSIONS AND DISCHARGES DURING CALENDAR YEAR 2021

Please report the number of long-term care admissions to and discharges from your facility during Calendar Year 2024.

Count only new LTC admissions to and permanent LTC discharges from the facility. Short-term discharges for Acute or Sub-Acute hospital care, or temporary releases to visit friends or relatives for patients expected to return to the facility are not to be counted as discharges and re-admissions. If a person has been discharged from care, but later in the year is re-admitted, please count both the discharge and the re-admission. The calculated number in the yellow box must equal the totals in the yellow boxes on the following pages.

Indicate the number of LTC patients in your facility on January 1, 2024	187
Indicate the number of initial LTC admissions to your facility during 2024	76
Indicate the number of permanent LTC discharges from your facility during 2024	52
