RE: **TYPE A MODIFICATION**
Health Facilities Planning Act
Project #10-057 Central Illinois Endoscopy Center, LLC
APPLICANT(S): Central Illinois Endoscopy Center, LLC
IGI Enterprises, LLC

Dear Mr. Underwood:

The State Agency is in receipt of your letter dated September 29, 2010. Pursuant to 77 IAC 1130.650(a), this letter constitutes a Type A modification of the above project.

77 IAC 1130.650(a) indicates that if an applicant modifies an application, the State Agency shall have up to 60 days to review the modification, and to hold a public hearing if one is requested. The State Agency shall then submit its findings to the State Board at the **December 14, 2010** meeting.

Type A modifications are subject to the public hearing requirements of 77 IAC 1140. Therefore, the State Agency will be publishing another opportunity for public hearing. In the event that a hearing is requested, one will be held within the 60-day period allocated for the State Agency's review. Per 77 IAC 1130.650 (f) if a modification results in the need for an additional notification of opportunity for public hearing, then an additional fee of \$2,000 will be assessed.

The modification increases the project cost for this project to \$270,000. Because this is an increase in the project cost from the original submission, it is necessary to recalculate the application fee.

Based upon the revised project cost of \$270,000, the total application fee is \$2,594.00, and **payment must be made to the Illinois Department of Public Health within thirty (30) days of your receipt of this notice.**

This fee was calculated using the difference between the original and modified project cost (\$270,000), multiplied by .22% (\$594.00), and the \$2,000 fee assessed for processing a Type A modification needing additional notification. You are reminded that the State Board cannot take action on any application until the entire application fee has been paid.

If you should have any questions, please contact our office at (217) 782-3516 (TTY # 800-547-0466 for hearing impaired only).

Sincerely,
