RE: Project #10-078 – Discontinuation of Oak Forest Hospital

Dear Ms. Murphy:

We have had an opportunity to review the transcripts from the March 21, 2011 State Board Meeting and as a result we are requesting the following information:

1. Additional detail regarding the Cook County Hospitals and Health System's strategic plan, including additional information regarding (1) how the proposed action at Oak Forest Hospital fits into that plan, and (2) how that plan aligns with enhanced access and public policy.
2. Additional detail regarding the scope of services, staffing and implementation timetable for the Regional Outpatient Center the System intends to establish on the Oak Forest Hospital campus.
3. Documentation regarding System budget, and funds availability, for implementation of the proposed Regional Outpatient Center.

If you should have any questions please contact me at 217-782-3516. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Mike Constantino".
