Subject: Vista Lindenhurst Emergency Center Application (Project 10-018): Correction to Application

Mike,

The captioned application, as supplemented, indicates that the Grayslake Freestanding Emergency Center does not have an FAA-approved helipad. However, it has now come to our attention that the Grayslake site does appear to have such an FAA-approved helipad.

Accordingly, I would like to correct the application to eliminate references to the lack of such a helipad at the Grayslake Freestanding Emergency Center. You have advised that this email is a sufficient record of this correction.

Thank you for your assistance, and for your attention to this matter.

--Anne Murphy
