For some reason, the totals for #s of patients that you had in the table you sent me were incorrect – I think your sum range may have included the year as a number by mistake (e.g., 2007 + 430 + 1248 = 3,685).

Sara can you fill in the missing boxes.....our IT people have not downloaded the 2009 information yet. They yelled at me when I asked for it...IT is a woman..

I took the information from the 2007 and 2008 profiles. Thanks Sara.
