This *Application for Permit* addresses the resultant change of ownership of Lincoln Prairie Behavioral Health Center, an 80-bed behavioral health hospital, which provides acute mental illness (AMI) services, exclusively, and is located in Springfield. Certificate of Need applications have also been filed with the Illinois Health Facilities and Services review Board for the change of ownership of the other two Illinois hospitals owned by PSI: Riveredge Hospital in Forest Park and Streamwood Behavioral Health Hospital in Streamwood.

No changes in IDPH-designated "categories of services" at Lincoln Prairie Behavioral Health Center are anticipated.

This is a "non-substantive" project, pursuant to the definition of a "non-substantive" project provided in Section 1110.40.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, Parent, Merger Sub and the Company hereby agree as follows:

ARTICLE I

THE MERGER

SECTION 1.01 The Merger. Upon the terms and subject to the conditions set forth in Article VII, and in accordance with the DGCL, at the Effective Time, Merger Sub shall be merged with and into the Company. At the Effective Time, the separate corporate existence of Merger Sub shall cease and the Company shall continue as the surviving corporation of the Merger (the "Surviving Corporation").

SECTION 1.02 Closing. Unless this Agreement shall have been terminated in accordance with Section 8.01, the closing of the Merger (the "Closing") will take place at 9:00 a.m., New York time, on the second business day after the later to be satisfied of the condition set forth in Section 7.01(a) or Section 7.01(c) (subject to the satisfaction or waiver (where permissible) of the other conditions to Closing set forth in Article VII, other than those that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver (where permissible) of such conditions at the Closing), at the offices of Shearman & Sterling LLP, 599 Lexington Avenue, New York, New York 10022, unless another time, date and/or place is agreed to in writing by Parent and the Company.

SECTION 1.03 Effective Time. Immediately following the Closing, the parties hereto shall cause the Merger to be consummated by filing with the Secretary of State of the State of Delaware a certificate of merger (the "Certificate of Merger") in such form as is required by, and executed and acknowledged in accordance with, the relevant provisions of the DGCL. The Merger shall become effective at such date and time as the Certificate of Merger is duly filed with the Secretary of State of the State of Delaware or at such subsequent date and time as Parent and the Company shall agree and specify in the Certificate of Merger. The date and time at which the Merger becomes effective is referred to in this Agreement as the "Effective Time."

SECTION 1.04 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the DGCL.

SECTION 1.05 Certificate of Incorporation; By-Laws. (a) At the Effective Time, the Amended and Restated Certificate of Incorporation of the Company, as amended, as in effect immediately prior to the Effective Time, shall be amended to read in its entirety as set forth in Exhibit A attached hereto and, as so amended, shall be the Certificate of Incorporation of the Surviving Corporation until thereafter amended in accordance with the provisions thereof and as provided by Law.

(b) At the Effective Time, the By-Laws of the Company, as in effect immediately prior to the Effective Time, shall be amended and restated to read in their entirety as set forth in Exhibit B attached hereto and, as so amended and restated, shall be the By-Laws of the Surviving Corporation until thereafter amended as provided by Law, the Certificate of Incorporation of the Surviving Corporation and such By-Laws.

SECTION 1.06 Directors and Officers. The directors of Merger Sub immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and By-Laws of the Surviving Corporation, and the officers of the Company immediately prior to the Effective Time shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed and qualified or until the earlier of their death, resignation or removal.

ARTICLE II

CONVERSION OF SECURITIES; EXCHANGE OF CERTIFICATES

SECTION 2.01 Conversion of Securities. At the Effective Time, by virtue of the Merger and without any action on the part of Merger Sub, the Company or the holders of any of the following securities:

(a) Conversion of Company Common Stock. Each share of Company Common Stock (all issued and outstanding shares of Company Common Stock being hereinafter collectively referred to as the "Shares") issued and outstanding immediately prior to the Effective Time (except as set forth in Section 2.01(b) and any Dissenting Shares) shall be canceled and shall be converted automatically into the right to receive \$33.75 in cash, without interest (the "Merger Consideration"). The Merger Consideration is payable in accordance with Section 2.02(b).

(b) Cancellation of Treasury Stock and Parent-Owned Stock. Each Share held in the treasury of the Company and each Share owned by Merger Sub or Parent immediately prior to the Effective Time shall automatically be canceled without any conversion thereof and no payment or distribution shall be made with respect thereto.

(c) Capital Stock of Merger Sub. Each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one validly issued, fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation.

SECTION 2.02 Exchange of Certificates. (a) Paying Agent. Prior to the Effective Time, Parent shall (i) appoint a bank or trust company reasonably acceptable to the Company (the "Paying Agent"), and (ii) enter into a paying agent agreement, in form and substance reasonably acceptable to the Company, with such Paying Agent for the payment of the Merger Consideration in accordance with this Article II. At the Effective Time, Parent shall deposit, or cause the Surviving Corporation to deposit, with the Paying Agent, for the benefit of the holders of Shares, cash in an amount sufficient to pay the aggregate Merger Consideration required to be paid pursuant to Section 2.01(a) (such cash being hereinafter referred to as the "Exchange Fund"). The Exchange Fund shall not be used for any other purpose. The Exchange Fund shall be invested by the Paying Agent as directed by Parent; *provided, however*, that such investments shall be in obligations of or guaranteed by the United States of America or any agency or instrumentality thereof and backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$1 billion (based on the most recent financial statements of such bank which are then publicly available). Any net profit resulting from, or interest or income produced by, such investments shall be payable to the Surviving Corporation.

(b) Exchange Procedures. Promptly after the Effective Time, Parent shall cause to be mailed to each person who was, at the Effective Time, a holder of record of Shares

entitled to receive the Merger Consideration pursuant to Section 2.01(a): (i) a letter of transmittal (which shall be in customary form and shall specify that delivery shall be effected, and risk of loss and title to the Shares shall pass, only upon proper delivery of the Shares to the Paying Agent) and (ii) instructions for use in effecting the surrender of the certificates evidencing such Shares (the "Certificates") or the non-certificated Shares represented by book-entry ("Book-Entry Shares") in exchange for the Merger Consideration. Upon (A) surrender of a Certificate to the Paying Agent for cancellation, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, or (B) receipt by the Paying Agent of an "agent's message" in the case of Book-Entry Shares, and, in each case, such other documents as may be required pursuant to such instructions, the holder of such Shares shall be entitled to receive in exchange therefor the Merger Consideration which such holder has the right to receive pursuant to the provisions of this Article II, and the Certificate or Book-Entry Shares so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, payment of the Merger Consideration may be made to a person other than the person in whose name the Certificate or Book-Entry Shares so surrendered are registered if the Certificate or Book-Entry Shares representing such Shares shall be presented to the Paying Agent, accompanied by all documents required to evidence and effect such transfer or otherwise be in proper form for transfer, and the person requesting such payment shall pay any fiduciary or surety bonds or any transfer or other Taxes required solely by reason of the payment of the Merger Consideration to a person other than the registered holder of such Certificate or Book-Entry Shares or establish to the reasonable satisfaction of Parent that such Tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.02, each Certificate or Book-Entry Share shall be deemed at all times after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration to which the holder of such Certificate or Book-Entry Share is entitled pursuant to this Article II. No interest shall be paid or will accrue on any cash payable to holders of Certificates or Book-Entry Shares pursuant to the provisions of this Article II.

(c) No Further Rights. From and after the Effective Time, holders of Shares shall cease to have any rights as stockholders of the Company, except as provided herein or by Law.

(d) Termination of Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of Shares one year after the Effective Time shall be delivered to the Surviving Corporation, upon demand, and any holders of Shares who have not theretofore complied with this Article II shall thereafter look only to Parent or the Surviving Corporation for, and Parent and the Surviving Corporation shall remain liable for, payment of their claim for the Merger Consideration. Any portion of the Exchange Fund remaining unclaimed by holders of Shares as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the extent permitted by applicable Law, become the property of Parent free and clear of any claims or interest of any person previously entitled thereto.

(e) No Liability. None of the Paying Agent, Parent, Merger Sub or the Surviving Corporation shall be liable to any holder of Shares for any cash (including any

dividends or distributions with respect to such Shares) delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(f) Withholding Rights. Each of the Paying Agent, the Surviving Corporation and Parent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of Shares or Company Stock Options such amounts as it is required to deduct and withhold with respect to such payment under all applicable federal, state or local Tax Laws and pay such withholding amount over to the appropriate taxing authority. To the extent that amounts are so properly withheld by the Paying Agent, the Surviving Corporation or Parent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the Shares or Company Stock Options in respect of which such deduction and withholding was made by the Paying Agent, the Surviving Corporation or Parent, as the case may be.

(g) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, then upon (i) the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed, and (ii) if required by the Surviving Corporation, the posting by such person of an indemnity bond in form and substance and with surety reasonably satisfactory to the Surviving Corporation, the Paying Agent shall pay in respect of such lost, stolen or destroyed Certificate the Merger Consideration to which the holder thereof is entitled pursuant to Section 2.01(a).

SECTION 2.03 Stock Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers of Shares that were outstanding immediately prior to the Effective Time on the records of the Company. From and after the Effective Time, the holders of Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares, except as otherwise provided in this Agreement or by Law. On or after the Effective Time, any Certificates or Book-Entry Shares presented to the Paying Agent or Parent for any reason shall be canceled against delivery of the Merger Consideration to which the holders thereof are entitled pursuant to Section 2.01(a).

SECTION 2.04 Company Stock Options and Restricted Stock. (a) Between the date of this Agreement and the Effective Time, the Company shall take all necessary action (which action shall be effective as of the Effective Time), to (i) terminate the Psychiatric Solutions, Inc. Equity Incentive Plan, the Psychiatric Solutions, Inc. Outside Directors' Stock Incentive Plan and the 2010 Long-Term Equity Compensation Plan (collectively, the "Company Stock Plans"), (ii) provide that each outstanding option to purchase shares of Company Common Stock granted under the Company Stock Plans (each, a "Company Stock Option") that is outstanding and unexercised as of immediately prior to the Effective Time, whether or not vested or exercisable, shall become fully vested and exercisable as of the Effective Time, (iii) cancel, as of the Effective Time, each Company Stock Option that is outstanding and unexercised, as of the Effective Time (in each case, without the creation of additional liability to the Company or any Subsidiaries), subject, if applicable, to the payment pursuant to Section 2.04(b) and (iv) provide that each share of restricted Company Common Stock granted under the Company Stock Plans that is outstanding as of immediately prior to the Effective Time shall become fully vested and transferable and that all restrictions on such

restricted Company Common Stock shall lapse as of the Effective Time and accordingly will be eligible to receive the per share Merger Consideration pursuant to Section 2.01(a).

(b) Each holder of a Company Stock Option that is outstanding and unexercised as of immediately prior to the Effective Time and has an exercise price per Share that is less than the per share Merger Consideration shall (subject to the provisions of this Section 2.04) be paid by the Surviving Corporation promptly after the Effective Time, in exchange for the cancellation of such Company Stock Option, an amount in cash equal to the product of (i) the difference between the per share Merger Consideration and the applicable exercise price of such Company Stock Option, and (ii) the aggregate number of Shares that remain issuable upon exercise of such Company Stock Option. Any such payments shall be subject to all applicable federal, state and local Tax withholding requirements. In the event that the exercise price per share of a Company Stock Option is greater than or equal to the per share Merger Consideration, such Company Stock Option shall be canceled without consideration and have no further force or effect.

(c) Prior to the Effective Time, the Company shall take all steps reasonably necessary to cause the Transactions and any other dispositions of Company Common Stock or other equity securities of the Company (including derivative securities) in connection with this Agreement by each person who is a director or officer of the Company to be exempt under Rule 16b-3 promulgated under the Exchange Act, as amended.

SECTION 2.05 Dissenting Shares. (a) Notwithstanding any provision of this Agreement to the contrary and to the extent available under the DGCL, Shares that are outstanding immediately prior to the Effective Time and that are held by any stockholder who is entitled to demand and properly demands the appraisal for such Shares (the "Dissenting Shares") pursuant to, and who complies in all respects with, the provisions of Section 262 of the DGCL ("Section 262") shall not be converted into, or represent the right to receive, the Merger Consideration. Any such stockholder shall instead be entitled to receive payment of the fair value of such stockholder's Dissenting Shares in accordance with the provisions of Section 262; *provided, however*, that all Dissenting Shares held by any stockholder who shall have failed to perfect or who otherwise shall have withdrawn or lost such stockholder's rights to appraisal of such Shares under Section 262 shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the Merger Consideration, without any interest thereon, upon surrender in the manner provided in Section 2.02 of any Certificate or the Book-Entry Shares that formerly evidenced such Shares.

(b) The Company shall give Parent (i) prompt notice of any demands received by the Company for appraisal of any Shares, withdrawals of such demands and any other instruments served pursuant to the DGCL and received by the Company and (ii) the opportunity to participate in and direct all negotiations and proceedings with respect to demands for appraisal under the DGCL. The Company shall not, except with the prior written consent of Parent, make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as set forth in the disclosure schedule delivered by the Company to Parent and Merger Sub concurrently with the execution and delivery of this Agreement (the "Company Disclosure Schedule") (*provided* that, disclosure of any fact or item in any section of the Company Disclosure Schedule shall, should the existence of such fact or item be relevant to any other section, be deemed to be disclosed with respect to that other section so long as the relevance of such disclosure to such other section is reasonably apparent on its face), or as disclosed in the SEC Reports (but excluding any disclosures set forth in any risk factor section, any disclosures in any section relating to forward looking statements and any other disclosures included therein to the extent they are predictive or forward-looking in nature) filed prior to the date of this Agreement, and in each case subject to Section 3.09(a), the Company hereby represents and warrants to Parent and Merger Sub as follows:

SECTION 3.01 Organization and Qualification; Subsidiaries. (a) Each of the Company and each Subsidiary of the Company is a corporation, limited liability company, general partnership, or limited partnership duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and has the requisite power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted, except where the failure to be so organized, validly existing and in good standing would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Each of the Company and each Subsidiary of the Company is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of its business makes such qualification or licensing necessary, except for such failures to be so qualified or licensed and in good standing that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. The term "Company Material Adverse Effect" means (i) any event, circumstance, state of facts, change or effect that is materially adverse to the business, financial condition or results of operations of the Company and its Subsidiaries, taken as a whole, or (ii) any event, circumstance, state of facts, change or effect that would prevent or materially delay the consummation of the Merger or otherwise prevent the Company from performing its obligations under this Agreement; *provided, however*, that in no event shall any of the following, alone or in combination, be deemed to constitute, nor shall any of the following be taken into account in determining whether there has been or would reasonably be expected to be, a Company Material Adverse Effect (except, in the case of clauses (A)(1), (A)(2) or (A)(4) below, to the extent any of the matters referred to therein has had or would reasonably be expected to have a disproportionate adverse effect on the Company and its Subsidiaries, taken as a whole, as compared to other for-profit and comparable or similar companies operating in the industries in which the Company and its Subsidiaries operate, after taking into account the size of the Company relative to such other for-profit companies): (A) any event, circumstance, state of facts, change or effect resulting from or relating to (1) a change in general economic, political or financial market conditions, including interest or exchange rates, (2) a change generally affecting the industries in which the Company and its Subsidiaries operate (including seasonal fluctuations) or general economic conditions that generally affect the industries in which the Company and its Subsidiaries conduct their business, (3) any change in accounting requirements

or principles required by GAAP (or any interpretations thereof) or required by any change in applicable Laws (or any interpretations thereof), (4) any adoption, implementation, promulgation, repeal, modification, reinterpreted or proposal of any Law after the date hereof, (5) any Action, investigation, review or examination undertaken by a Governmental Authority, or any sanction, fine, operating restriction or other similar penalty arising as a result thereof, with respect to any Company Health Care Business or Company Health Care Facility (a "Regulatory Condition"), that is currently pending or arises after the date of this Agreement, in each case to the extent such Regulatory Condition is consistent in nature, scope and impact on the Company and its Subsidiaries, taken as a whole, with Regulatory Conditions arising and fully resolved from time to time in the conduct of the business of the Company and its Subsidiaries on or before December 31, 2009, (6) any acts of terrorism or war or any weather related event, fire or natural disaster or any escalation thereof, (7) the announcement of the execution of this Agreement or the pendency or consummation of the Merger and the other transactions contemplated by this Agreement (collectively, the "Transactions"), including any Actions, challenges or investigations to the extent relating to this Agreement or the Transactions made or brought by any of the current or former stockholders of the Company (on their own behalf or on behalf of the Company), (8) the identity of Parent or any of its affiliates as the acquiror of the Company or any facts or circumstances concerning Parent or any of its affiliates, or (9) compliance with the terms of, the taking of any action required or the failure to take any action prohibited by, this Agreement or the taking of any action consented to or requested by Parent or (B) any failure, in and of itself, to meet internal or published projections, forecasts, performance measures, operating statistics or revenue or earnings predictions for any period or a decline in the price or trading volume of the Company Common Stock (*provided that, except as otherwise provided in this definition, the underlying causes of such failure or decline may be taken into account in determining whether there is a Company Material Adverse Effect*).

(b) A true and complete list of all the Subsidiaries of the Company, together with the jurisdiction of organization of each such Subsidiary and the percentage of the outstanding capital stock or other equity interests of each such Subsidiary owned by the Company, each other Subsidiary of the Company and any other person, is set forth in Section 3.01(b) of the Company Disclosure Schedule. None of the Company or any of its Subsidiaries directly or indirectly owns any material equity or similar interest in, or any interest convertible into or exchangeable or exercisable for any equity or similar interest in, any corporation, partnership, joint venture or other business association or entity (other than the Subsidiaries of the Company).

SECTION 3.02 Certificate of Incorporation and By-Laws. The Company has made available to Parent a complete and correct copy of the Certificate of Incorporation and the By-Laws (or similar organizational documents), each as amended to date, of the Company and each of its Subsidiaries. Such Certificates of Incorporation and By-Laws or similar organizational documents are in full force and effect. Neither the Company nor any of its Subsidiaries is in violation of any of the provisions of its Certificate of Incorporation or By-Laws or similar organizational documents, except, in the case of any Subsidiary of the Company, for violations that, individually or in the aggregate, would not reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.03 Capitalization. (a) The authorized capital stock of the Company consists of (i) 125,000,000 shares of Company Common Stock and (ii) 1,186,530 shares of preferred stock, par value \$0.01 per share ("Company Preferred Stock").

(b) As of May 6, 2010, (i) 57,169,871 shares of Company Common Stock (including 1,302,327 shares of restricted Company Common Stock granted under the Company Stock Plans) were issued and outstanding, all of which are validly issued, fully paid and nonassessable and were issued free of preemptive (or similar) rights, (ii) no shares of Company Common Stock were held in the treasury of the Company, (iii) no shares of Company Common Stock were held by the Subsidiaries of the Company, (iv) 7,037,405 shares of Company Common Stock were reserved for future issuance in connection with the Company Stock Plans (including 6,509,150 shares reserved pursuant to outstanding Company Stock Options. Since May 6, 2010, through the date of this Agreement, other than in connection with the issuance of Shares pursuant to the exercise of Company Stock Options outstanding as of May 6, 2010, there has been no change in the number of shares of outstanding capital stock of the Company or the number of outstanding Company Stock Options. As of the date of this Agreement, no shares of Company Preferred Stock are issued and outstanding. Except as set forth in this Section 3.03, there are no options, warrants or other rights, agreements, arrangements or commitments of any character relating to the issued or unissued capital stock of the Company or any Subsidiary or obligating the Company or any of its Subsidiaries to issue or sell any shares of capital stock of, or other equity interests in, the Company or any of its Subsidiaries. All shares of Company Common Stock subject to issuance as aforesaid, upon issuance on the terms and conditions specified in the instruments pursuant to which they are issuable, will be duly authorized, validly issued, fully paid and nonassessable and free of preemptive (or similar) rights. There are no material outstanding contractual obligations of the Company or any of its Subsidiaries to repurchase, redeem or otherwise acquire any shares of capital stock or options, warrants or other rights to acquire shares of capital stock of the Company or of any Subsidiary of the Company, or to provide funds to or make any investment (in the form of a loan, capital contribution or otherwise) in any such Subsidiary or any other person. There are no bonds, debentures, notes or other indebtedness of the Company or any of its Subsidiaries having the right to vote (or convertible into, or exchangeable for, securities having the right to vote) on any matters on which holders of Company Common Stock may vote ("Voting Company Debt"). Except for any obligations pursuant to this Agreement, the Company Stock Plans, or as otherwise set forth above, there are no options, warrants, rights, convertible or exchangeable securities, stock-based performance units, Contracts or undertakings of any kind to which the Company or any of its Subsidiaries is a party or by which any of them is bound (1) obligating the Company or any such Subsidiary to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of capital stock or other equity interests in, or any security convertible or exchangeable for any capital stock of or other equity interest in, the Company or any of its Subsidiaries or any Voting Company Debt, (2) obligating the Company or any such Subsidiary to issue, grant or enter into any such option, warrant, right, security, unit, Contract or undertaking or (3) that give any person the right to receive any economic interest of a nature accruing to the holders of any Company Common Stock. Section 3.03(b) of the Company Disclosure Schedule sets forth a true and complete list, as of the date of this Agreement, of all outstanding indebtedness for borrowed money of the Company and its Subsidiaries (other than any such indebtedness owed to the Company or any of its Subsidiaries, letters of credit and any other indebtedness with an aggregate principal amount not in excess of \$1.0 million individually). None of the Company or

any of its Subsidiaries is a party to any stockholders' agreement, voting trust agreement or registration rights agreement relating to any equity securities of the Company or any of its Subsidiaries or any other Contract relating to disposition, voting or dividends with respect to any equity securities of the Company or of any of its Subsidiaries. Section 3.03(b) of the Company Disclosure Schedule sets forth, as of the date of this Agreement, a complete and correct list of all outstanding Company Stock Options, and all shares of restricted Company Common Stock granted under the Company Stock Plans, and the number of unpurchased Shares subject to each such Company Stock Option and the grant date, exercise price, and expiration date of each such Company Stock Option.

(c) Each outstanding share of capital stock, each limited liability company membership interest and each partnership interest of each Subsidiary of the Company is duly authorized, validly issued, fully paid and nonassessable and was issued free of preemptive (or similar) rights, and each such share or interest is owned by the Company or another Subsidiary of the Company free and clear of all options, rights of first refusal, agreements, limitations on the Company's or any of its Subsidiaries' voting, dividend or transfer rights, charges and other encumbrances or Liens of any nature whatsoever.

SECTION 3.04 Authority Relative to This Agreement. The Company has all necessary corporate power and authority to execute and deliver this Agreement, and, subject to the receipt of the Stockholder Approval, to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the Transactions (other than, with respect to the Merger, the receipt of the Stockholder Approval with respect to the adoption of this Agreement and the filing and recordation of appropriate merger documents as required by the DGCL). This Agreement has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Parent and Merger Sub, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency (including all Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

SECTION 3.05 No Conflict; Required Filings and Consents. (a) The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company and the consummation by the Company of the Transactions will not, (i) conflict with or violate the Certificate of Incorporation or By-Laws (or similar organizational documents) of the Company or any of its Subsidiaries, (ii) assuming that all consents, approvals and other authorizations described in Section 3.05(b) have been obtained, that all filings and other actions described in Section 3.05(b) have been made or taken and the Stockholder Approval has been obtained, conflict with or violate any federal, state, local or foreign law, statute, ordinance or common law, or any rule, regulation, standard, judgment, order, writ, injunction or decree of any Governmental Authority, including Health Care Laws (collectively, "Law"), applicable to the Company or any of its Subsidiaries or by which any property or asset

of the Company or any such Subsidiary is bound or affected, or (iii) result in any breach or violation of or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any right of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any property or asset of the Company or any such Subsidiary pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Company or any such Subsidiary is a party or by which the Company or any such Subsidiary or any property or asset of the Company or any such Subsidiary is bound or affected, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect or materially delay the consummation of the Transactions.

(b) The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company and the consummation by the Company of the Transactions will not, require any consent, approval, authorization or permit of, or filing with or notification to, any federal, state, local or foreign government, regulatory or administrative authority, or any court, tribunal, or judicial or arbitral body (a "Governmental Authority"), except for (i) applicable requirements, if any, of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), (ii) the filing with the Securities and Exchange Commission (the "SEC") of a proxy statement (as amended or supplemented from time to time, the "Proxy Statement") relating to the adoption of this Agreement by the Company's stockholders, (iii) any filings required under the rules and regulations of the NASDAQ Stock Market, (iv) the filing and recordation of appropriate merger documents as required by the DGCL and appropriate documents with the relevant authorities of other states in which the Company or any Subsidiary is qualified to do business, (v) the premerger notification and waiting period requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations promulgated thereunder (the "HSR Act"), (vi) applicable requirements, if any, of Health Care Laws; (vii) applicable requirements, if any, of Medicare, Medicaid, or any other similar state or federal health care program (each, a "Government Program") in which the Company or any of its Subsidiaries participates; and (viii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.06 Permits; Compliance. Each of the Company and each Subsidiary of the Company is in possession of all licenses, interim licenses, qualifications, exemptions, registrations, permits, approvals, accreditations, certificates of occupancy and other certificates, franchises and other authorizations of any Governmental Authority necessary for each such entity to own, lease and operate its properties or to carry on its business as it is now being conducted (the "Company Permits"), except where the failure to have, or the suspension or cancellation of, any of the Company Permits would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. As of the date of this Agreement, no suspension or cancellation of any of the Company Permits is pending or, to the knowledge of the Company, threatened in writing, except where the failure to have, or the suspension or cancellation of, any of the Company Permits would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Neither the Company nor any Subsidiary is in conflict with, or in default, breach or violation of, (i) any Law

applicable to such entity or by which any property or asset of such entity is bound or affected, or (ii) any contract or Company Permit to which such entity is a party or by which such entity or any property or asset of such entity is bound, except, with respect to clauses (i) and (ii), for any such conflicts, defaults, breaches or violations that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect. Without limiting the generality of the foregoing, (x) each Company Healthcare Facility is in compliance with the requirements of and conditions for participating in the Government Programs such facility participates in as of the date of this Agreement and (y) all claims for payment or cost reports filed or required to be filed by each Company Healthcare Facility under any Government Program or any private payor program have been prepared and filed in accordance with all applicable Laws, except, in the case of clauses (x) and (y), for any such noncompliance that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.07 SEC Filings; Financial Statements; Undisclosed Liabilities.

(a) The Company has filed all forms, reports, statements, schedules and other documents required to be filed by it with the SEC since January 1, 2009 (collectively, the "SEC Reports"). The SEC Reports (i) were prepared, in all material respects, in accordance with the applicable requirements of the Securities Act of 1933, as amended (the "Securities Act"), the Exchange Act, and, in each case, the rules and regulations promulgated thereunder, and (ii) did not, at the time they were filed, or, if amended, as of the date of such amendment, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(b) Each of the consolidated financial statements (including, in each case, any notes thereto) contained in the SEC Reports was prepared in accordance with United States generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods indicated (except as may be indicated in the notes thereto or, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) and each fairly presents, in all material respects, the consolidated financial position, results of operations and cash flows of the Company and its consolidated Subsidiaries as at the respective dates thereof and for the respective periods indicated therein, except as otherwise noted therein (subject, in the case of unaudited statements, to the absence of notes and normal and recurring year-end adjustments).

(c) Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, the management of the Company (i) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including its consolidated Subsidiaries, is in all material respects made known to the principal executive officer and the principal financial and accounting officer of the Company by others within those entities, and (ii) has disclosed, based on its most recent evaluation prior to the date of this Agreement, to the Company's outside auditors and the audit committee of the Company Board (x) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect the Company's ability to record, process, summarize and

report financial information, and (y) any material fraud, within the knowledge of the Company, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting.

(d) Neither the Company nor any Subsidiary of the Company has any material liability or obligation of a nature required to be reflected on a balance sheet prepared in accordance with GAAP, except for material liabilities and obligations (i) reflected or reserved against on the consolidated balance sheet of the Company and the consolidated Subsidiaries as at December 31, 2009 (including the notes thereto) included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009, or subsequent SEC Reports, (ii) incurred in connection with the Transactions, or (iii) incurred in the ordinary course of business since December 31, 2009 that would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.08 Information Supplied. None of the information included or incorporated by reference in the Proxy Statement will, at the date it is filed with the SEC or first mailed to the Company's stockholders or at the time of the Company Stockholders' Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading, except that no representation is made by the Company with respect to statements made or incorporated by reference therein based on information supplied by Parent or Merger Sub in connection with the preparation of the Proxy Statement for inclusion or incorporation by reference therein. The Proxy Statement will comply as to form in all material respects with the requirements of the Exchange Act and the rules and regulations promulgated thereunder.

SECTION 3.09 Absence of Certain Changes or Events. Since December 31, 2009, (a) there has not been any event, circumstance, state of facts, change or effect that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect (without any regard to the Company Disclosure Schedule or any disclosures in the SEC Reports), (b) except in connection with the Transactions, the Company and its Subsidiaries have conducted their businesses in the ordinary course of business and (c) none of the Company or any of its Subsidiaries has taken any action that, if taken after the date of this Agreement, would constitute a breach of the covenants set forth in Sections 5.01(d), (f), (j) or (l) (only with regard to the foregoing subsections of Sections 5.01).

SECTION 3.10 Absence of Litigation. There is no litigation, suit, action or proceeding before any Governmental Authority (an "Action") pending or, to the knowledge of the Company, threatened in writing against the Company or any of its Subsidiaries, or any property or asset of the Company or any of its Subsidiaries that, individually or in the aggregate, would reasonably be expected to have a Company Material Adverse Effect. Neither the Company nor any Subsidiary of the Company nor any property or asset of the Company or any Subsidiary of the Company is subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, any Governmental Authority, or any order, judgment, injunction or decree of any Governmental Authority that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

SECTION 3.11 Employee Benefit Plans. (a) Section 3.11(a) of the Company Disclosure Schedule lists all employee benefit plans (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA")) and all bonus, stock option, stock purchase, restricted stock, incentive, deferred compensation, retiree medical or life insurance, supplemental retirement, severance, change in control, retention or termination or other material benefit plans, programs, policies or arrangements, and all bonus, incentive, deferred compensation, equity or equity-based compensation, employment, termination, severance, change in control, retention or other material contracts or agreements to which the Company, any Subsidiary of the Company or Company Controlled Entity (as defined below) is a party, with respect to which the Company, any Subsidiary of the Company or any Company Controlled Entity has any obligation or which are maintained, contributed to or sponsored by the Company, any Subsidiary of the Company or any Company Controlled Entity for the benefit of any current or former employee, consultant, officer or director of the Company or any Subsidiary (collectively, the "Plans"). For purposes hereof, "Company Controlled Entity" means any person or entity, other than the Company and its Subsidiaries, that, together with the Company, is treated as a single employer under Section 414 of the Code. There are no other employee benefit plans, programs, arrangements or agreements, whether formal or informal, whether in writing or not, to which the Company or any Subsidiary is a party, with respect to which the Company or any Subsidiary has any obligation or which are maintained, contributed to or sponsored by the Company or any Subsidiary for the benefit of any current or former employee, officer or director of the Company or any Subsidiary.

(b) With respect to each material Plan, the Company has made available to Parent complete and accurate copies, as applicable, of (A) such Plan, including any material amendment thereto, (B) each trust, insurance, annuity or other funding contract related thereto, (C) the most recent audited financial statements and actuarial or other valuation reports prepared with respect thereto and (D) the two most recent annual reports on Form 5500 required to be filed with the IRS with respect thereto.

(c) Each Plan that is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter or prototype opinion letter from the Internal Revenue Service of the United States (the "IRS") that the Plan is so qualified, or an application for such a letter is currently being processed by the IRS, and, to the knowledge of the Company, no circumstance exists that could reasonably be expected to adversely affect the qualified status of any Plan.

(d) Each Plan has been established and administered in accordance with its terms, and in compliance with the applicable provisions of ERISA, the Code and other applicable Laws, except to the extent such noncompliance would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, and no Plan provides retiree welfare benefits, and neither the Company nor any Subsidiary has any obligation to provide any retiree welfare benefits other than as required by Section 4980B of the Code.

(e) With respect to any Plan, as of the date of this Agreement (i) no Actions (other than routine claims for benefits in the ordinary course) are pending or, to the knowledge of the Company, threatened in writing, that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect and (ii) no administrative investigation,

audit or other administrative proceeding by the Department of Labor, the IRS or other Governmental Authority is pending, in progress or, to the knowledge of the Company, threatened in writing that would, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(f) Neither the Company, any Subsidiary of the Company nor any Company Controlled Entity has sponsored, maintained, contributed to or been required to maintain or contribute to, or has any actual or contingent liability under, any Plan that is subject to Section 302 or Title IV of ERISA or Section 412 of the Code or is otherwise a defined benefit plan (including any such plan maintained outside the United States).

(g) None of the execution and delivery of this Agreement, the performance by any party of its obligations hereunder or the consummation of the Transactions (alone or in conjunction with any other event, including any termination of employment on or following the Effective Time) will (A) entitle any employee to any material compensation or benefit, (B) accelerate the time of payment or vesting, or trigger any payment or funding, of any material compensation or benefit or trigger any other material obligation under any Plan or (C) result in any breach or violation of, or default under, or limit the Company's right to amend, modify or terminate any Plan.

(h) No amount or other entitlement that could be received as a result of the Transactions (alone or in conjunction with any other event) by any "disqualified individual" (as defined in Section 280G(c) of the Code) with respect to the Company will constitute an "excess parachute payment" (as defined in Section 280G(b)(1) of the Code). No director, officer, employee or independent contractor of the Company or any of its Subsidiaries is entitled to receive any gross-up or additional payment by reason of the tax required by Sections 409A or 4999 of the Code being imposed on such person.

SECTION 3.12 Labor and Employment Matters. Neither the Company nor any Subsidiary is a party to any collective bargaining agreement or other labor union contract applicable to persons employed by the Company or any of its Subsidiaries, nor, to the knowledge of the Company, are there any activities or proceedings of any labor union to organize any such employees. To the knowledge of the Company, as of the date of this Agreement, there are no unfair labor practice complaints pending against the Company or any of its Subsidiaries before the National Labor Relations Board or any other Governmental Authority or any current union representation questions involving employees of the Company or any of its Subsidiaries. The Company and its Subsidiaries have timely paid or will timely pay all amounts of Taxes shown as due and payable on such Tax Returns by the Company and its Subsidiaries except to the extent that such Taxes are being contested in good faith and for which the Company or the appropriate Subsidiary has set aside adequate reserves in accordance with GAAP. To the knowledge of the Company, the federal income Tax Returns of the Company and each of its Subsidiaries have been audited by the IRS or are closed by the applicable statute of limitations for all taxable years through December 31, 2005. There are no pending or, to the knowledge of the Company, threatened in writing audits, examinations, investigations or other proceedings in respect of any material Tax of the Company or any of its Subsidiaries. (d) To the knowledge of the Company, no claim is pending by a taxing authority in a jurisdiction where the Company or any of its Subsidiaries does not file a Tax Return that the Company or such Subsidiary is or may be subject to Tax by such jurisdiction.

(e) Neither the Company nor any Subsidiary of the Company will be required to include any item of income in, or exclude any item of deduction from, taxable income for a taxable period beginning after the Closing as a result of any (1) adjustment pursuant to Section 481 of the Code, the regulations thereunder or any similar provision under state or local Law, for a taxable period ending on or before the Closing, (2) "closing agreement" as described in Section 7121 of the Code (or any corresponding or similar provision of state, local or foreign income Tax Law) executed on or prior to the Closing, or (3) installment sale or open transaction disposition made on or prior to the Closing.

(f) The Company has not been a "controlled corporation" or a "distributing corporation" in any distribution occurring during a three-year period ending on the date hereof

(h) Neither the Company nor any Subsidiary of the Company has participated in any "listed transactions" within the meaning of Treasury Regulation Section 1.6011-4(b)(2).

(i) For purposes of this Agreement:

(i) "Tax" or "Taxes" shall mean any and all federal, state, local and foreign income, gross receipts, license, payroll, employment, excise, severance, stamp, occupation, premium, windfall profits, environmental, customs duties, capital stock, franchise, profits, withholding, social security, unemployment, disability, real property, personal property, sales, use, transfer, registration, value added, alternative or add-on minimum, estimated, or other similar taxes (together with any and all interest, penalties and additions to tax imposed with respect thereto) imposed by any governmental or Tax authority.

(ii) "Tax Returns" means any and all returns, declarations, claims for refund, or information returns or statements, reports and forms relating to Taxes filed with any Tax authority (including any schedule or attachment thereto) with respect to the Company or its Subsidiaries, including any amendment thereof.

SECTION 3.15 Material Contracts. The Company has filed with the SEC copies of all material contracts that were required to be filed with the SEC during the three-year period ending on the date hereof (such filed contracts being "Material Contracts"). Except as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect, (a) none of the Company or any of its Subsidiaries has received any written claim of material default under or cancellation of any Material Contract and none of the Company or any such Subsidiary is in material breach or material violation of, or material default under, any Material Contract and (b) to the Company's knowledge, no other party is in material breach or material violation of, or material default under, any Material Contract.

With respect to each such insurance policy: (i) each policy with respect to the Company and its Subsidiaries is legal, valid, binding and enforceable in accordance with its terms and, except for policies that have expired under their terms in the ordinary course, is in full

force and effect; (ii) neither the Company nor any Subsidiary of the Company is in material breach or default (including any such breach or default with respect to the payment of premiums or the giving of notice), and, to the Company's knowledge, no event has occurred which, with notice or the lapse of time, would constitute such a breach or default, or permit termination or modification, under any such policy; and (iii) no notice of cancellation or termination has been received.

SECTION 3.17 Environmental Matters. Except, in the case of clauses (a) through (e) below, as would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect: (a) the Company and each Subsidiary of the Company is and has been in compliance with all applicable Laws relating to the protection of human health and the environment or to occupational health and safety ("Environmental Laws"); (b) the Company and its Subsidiaries possess all permits and approvals issued pursuant to any Environmental Law that are required to conduct the business of the Company and its Subsidiaries as it is currently conducted, and are and have been in compliance with all such permits and approvals; (c) to the knowledge of the Company, no releases of (i) any petroleum products or byproducts, radioactive materials, friable asbestos or polychlorinated biphenyls or (ii) any waste, material or substance defined as a "hazardous substance," "hazardous material," "hazardous waste," "pollutant" or any analogous terminology under any applicable Environmental Law have occurred at, on, from or under any real property currently or formerly owned, operated or occupied by the Company or any of its Subsidiaries, for which releases the Company or any such Subsidiary may have incurred liability under any Environmental Law; (d) neither the Company nor any Subsidiary of the Company has received any written claim or notice from any Governmental Authority alleging that the Company or any such Subsidiary is or may be in violation of, or has any liability under, any Environmental Law, and (e) neither the Company nor any Subsidiary of the Company has entered into any agreement or is subject to any legal requirement that may require it to pay for, guarantee, defend or indemnify or hold harmless any person from or against any liabilities arising under Environmental Laws.

SECTION 3.18 Board Approval; Vote Required. (a) The Company Board, by resolutions duly adopted at a meeting duly called and held, has as of the date of this Agreement duly (i) determined that this Agreement and the Merger are fair to and in the best interests of the Company's stockholders, (ii) approved this Agreement and declared its advisability, and (iii) recommended that the stockholders of the Company adopt this Agreement and directed that this Agreement be submitted for consideration by the Company's stockholders at the Company Stockholders' Meeting (collectively, the "Company Board Recommendation"). The approval by the Company Board of this Agreement and the Merger represents all the action necessary to render inapplicable to this Agreement and the Merger the provisions of Section 203 of the DGCL to the extent, if any, such Section would otherwise be applicable to this Agreement and the Merger, and, to the knowledge of the Company, no other state takeover statute applies to this Agreement or the Merger.

(b) The only vote of the holders of any class or series of capital stock of the Company necessary to adopt this Agreement is the adoption of this Agreement by holders of a majority of the outstanding shares of Company Common Stock entitled to vote thereon (the "Stockholder Approval").

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

Parent and Merger Sub hereby, jointly and severally, represent and warrant to the Company that:

SECTION 4.01 Corporate Organization. Each of Parent and Merger Sub is a corporation, in each case, duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and has the requisite power and authority to own, lease and operate its properties and to carry on its business as it is now being conducted, except where the failure to be so organized, validly existing or in good standing or to have such power and authority would not, individually or in the aggregate, prevent or materially delay consummation of any of the Transactions or otherwise prevent or materially delay Parent or Merger Sub from performing its obligations under this Agreement.

SECTION 4.02 Certificate of Incorporation and By-Laws. Parent has heretofore furnished to the Company a complete and correct copy of the Certificate of Incorporation and By-Laws of Merger Sub, each as amended to date. Such Certificates of Incorporation and By-Laws are in full force and effect. Parent is not in violation of any of the provisions of its Certificate of Incorporation or By-Laws except for any such violations which would not prevent or materially delay consummation of any of the Transactions or otherwise prevent or materially delay Parent from performing its obligations under this Agreement, and Merger Sub is not in violation of any of the provisions of its Certificate of Incorporation or By-Laws.

SECTION 4.03 Authority Relative to This Agreement. Each of Parent and Merger Sub has all necessary corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the Transactions have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of Parent or Merger Sub are necessary to authorize this Agreement or to consummate the Transactions. This Agreement has been duly and validly executed and delivered by Parent and Merger Sub and, assuming due authorization, execution and delivery by the Company, constitutes a legal, valid and binding obligation of each of Parent and Merger Sub, enforceable against each of Parent and Merger Sub in accordance with its terms, subject to the effect of any

applicable bankruptcy, insolvency (including all Laws relating to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (regardless of whether considered in a proceeding at law or in equity).

SECTION 4.04 No Conflict: Required Filings and Consents; Agreements.

(a) The execution and delivery of this Agreement by Parent and Merger Sub do not, and the performance of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the Transactions will not, (i) conflict with or violate the Certificate of Incorporation or By-Laws of Parent or Merger Sub, (ii) assuming that all consents, approvals and other authorizations described in Section 4.04(b) have been obtained and that all filings and other actions described in Section 4.04(b) have been made or taken, conflict with or violate any Law applicable to Parent or Merger Sub or by which any property or asset of either of them is bound or affected, or (iii) result in any breach or violation of, or constitute a default (or an event which, with notice or lapse of time or both, would become a default) under, or give to others any right of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any property or asset of Parent or Merger Sub pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Parent or Merger Sub is a party or by which Parent or Merger Sub or any property or asset of either of them is bound or affected, except, with respect to clauses (ii) and (iii), for any such conflicts, violations, breaches, defaults or other occurrences which would not prevent or materially delay consummation of any of the Transactions or otherwise prevent or materially delay Parent and Merger Sub from performing their obligations under this Agreement.

(b) The execution and delivery of this Agreement by Parent and Merger Sub do not, and the performance of this Agreement by Parent and Merger Sub and the consummation by Parent and Merger Sub of the Transactions will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Authority, except for (i) applicable requirements, if any, of the Exchange Act, (ii) the filing and recordation of appropriate merger documents as required by the DGCL and appropriate documents with the relevant authorities of other states in which the Company or any of its Subsidiaries is qualified to do business, (iii) the premerger notification and waiting period requirements of the HSR Act; (iv) applicable requirements, if any, of Health Care Laws; (v) applicable requirements, if any, of any Government Program in which the Company or any of its Subsidiaries participates; and (vi) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or materially delay consummation of any of the Transactions or otherwise prevent or materially delay Parent or Merger Sub from performing their obligations under this Agreement.

SECTION 4.05 Information Supplied. None of the information supplied by Parent or Merger Sub for inclusion in the Proxy Statement will, at the date it is filed with the SEC or first mailed to the Company's stockholders or at the time of the Company Stockholders' Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

SECTION 4.06 Absence of Litigation. As of the date of this Agreement, there is no Action pending or, to the knowledge of the officers of Parent, threatened in writing, against Parent or any of its affiliates before any Governmental Authority that would or seeks to prevent or materially delay the consummation of any of the Transactions or otherwise prevent or materially delay Parent or Merger Sub from performing their obligations hereunder. Neither Parent nor any of its affiliates is subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, any Governmental Authority, or any order, judgment, injunction or decree of any Governmental Authority that would or seeks to prevent or materially delay the consummation of any of the Transactions or otherwise prevent or materially delay Parent or Merger Sub from performing their obligations hereunder.

SECTION 4.07 Operations of Merger Sub. Merger Sub is a direct, wholly owned Subsidiary of Parent, was formed solely for the purpose of engaging in the Transactions, has engaged in no other business activities and has conducted its operations only as contemplated by this Agreement.

SECTION 4.08 Financing. Parent has delivered to the Company true and complete copies of an executed commitment letter, including excerpts of those portions of each fee letter and engagement letter associated therewith that contain any conditions to funding or "flex" provisions or other substantive provisions (excluding only those provisions related solely to fees and economic terms agreed to by the parties) regarding the terms and conditions of the financing to be provided thereby (together, the "Commitment Letter"), pursuant to which JPMorgan Chase Bank, N.A. has committed to provide Parent and Merger Sub with financing in an aggregate amount of \$4,150.0 million. The Commitment Letter, in the form so delivered, is in full force and effect and is a legal, valid and binding obligation of Parent and, to the knowledge of Parent as of the date of this Agreement, the other parties thereto. No event has occurred which, with or without notice, lapse of time or both, would constitute a default or breach on the part of Parent under the Commitment Letter. Parent has fully paid any and all commitment fees or other fees required by the Commitment Letter to be paid as of the date hereof. Parent shall have at the Closing and at the Effective Time immediately available funds in an amount sufficient to consummate the Transactions upon the terms contemplated by this Agreement and to pay all related fees and expenses associated therewith. The financing contemplated by the Commitment Letter is subject to no contingency or conditions other than those set forth in the copies of the Commitment Letter delivered to the Company. As of the date of this Agreement, Parent has no reason to believe that any of the conditions to the financing contemplated by the Commitment Letter will not be satisfied or that such financing will not be available to Merger Sub on the date of the Closing. For the avoidance of doubt, it shall not be a condition to Closing for Parent to obtain any financing.

SECTION 4.09 Brokers. The Company will not be responsible for any brokerage, finder's or other fee or commission to any broker, finder or investment banker in connection with the Transactions based upon arrangements made by or on behalf of Parent or Merger Sub.

ADDITIONAL AGREEMENTS

SECTION 6.01 Proxy Statement; Company Stockholders' Meeting. (a) As promptly as reasonably practicable following the date of this Agreement, the Company shall prepare and file with the SEC the preliminary Proxy Statement. Each of the Company and Parent shall use its reasonable best efforts to respond as promptly as reasonably practicable to any comments of the SEC with respect to the Proxy Statement, and the Company shall use its reasonable best efforts to cause the definitive Proxy Statement to be mailed to the Company's stockholders as promptly as reasonably practicable after the date on which the Proxy Statement is cleared by the SEC. The Company shall promptly notify Parent upon the receipt of any comments from the SEC or its staff or any request from the SEC or its staff for amendments or

supplements to the Proxy Statement. If, at any time prior to the Company Stockholders' Meeting, any information relating to the Company, Parent or any of their respective affiliates, officers or directors should be discovered by the Company or Parent which should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading, the party which discovers such information shall promptly notify the other parties, and an appropriate amendment or supplement describing such information shall be filed with the SEC and, to the extent required by applicable Law, disseminated to the stockholders of the Company.

(b) The Company shall establish a record date for, duly call, give notice of, convene and hold a meeting of its stockholders (the "Company Stockholders' Meeting"), for the purpose of obtaining the Stockholder Approval, and, if there is present at such Company Stockholders' Meeting, in person or by proxy, sufficient favorable voting power to secure the vote of the stockholders of the Company necessary to satisfy the condition set forth in Section 7.01(a), shall not postpone or adjourn such meeting except to the extent required by Law. Subject to Section 6.03(b), the Company Board shall (i) recommend to holders of the Shares that they adopt this Agreement, (ii) include such recommendation in the Proxy Statement and (iii) use its reasonable best efforts to solicit and obtain the Stockholder Approval. For clarity, the Company acknowledges that its obligations pursuant to the first sentence of this Section 6.01(b) shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Acquisition Proposal.

SECTION 6.02 Access to Information; Confidentiality. (a) Except as otherwise prohibited by applicable Law or the terms of any contract entered into prior to the date hereof or as would be reasonably expected to violate any attorney-client privilege, from the date of this Agreement until the Effective Time, the Company shall (and shall cause its Subsidiaries to), at Parent's expense: (i) provide to Parent and to the officers, directors, employees, accountants, consultants, legal counsel, financing sources, agents and other representatives (collectively, with respect to any person, its "Representatives") of Parent reasonable access, during normal business hours and upon reasonable prior notice to the Company by Parent, to the officers, employees, agents, properties, offices and other facilities of the Company and its Subsidiaries and to the books and records thereof, and (ii) furnish as promptly as practicable to Parent such information concerning the business, properties, Contracts, assets, liabilities, personnel and other aspects of the Company and its Subsidiaries as Parent or its Representatives may reasonably request.

(b) All information obtained by Parent, Merger Sub or its or their Representatives pursuant to this Section 6.02 shall be kept confidential in accordance with the confidentiality agreement, dated April 18, 2010 (the "Confidentiality Agreement"), between Parent and the Company.

(c) No investigation pursuant to this Section 6.02 shall affect any representation or warranty in this Agreement of any party hereto or any condition to the obligations of the parties hereto.

SECTION 6.03 Solicitation. (a) Except as permitted by this Section 6.03, from the date of this Agreement until the Effective Time or, if earlier, the termination of the Agreement in accordance with Article VIII, the Company agrees that neither it nor any of its Subsidiaries shall, nor shall it authorize or permit its Subsidiaries and Representatives to, directly or indirectly, (i) solicit, initiate or knowingly encourage any inquiries or the implementation or submission of any Acquisition Proposal, or (ii) participate in discussions or negotiations regarding, or furnish to any person any non-public information in connection with, any Acquisition Proposal except to notify such person of the existence of this Section 6.03(a) (including, in each case, with respect to any person that has previously been invited into a process to make, or participate in any discussions regarding, an Acquisition Proposal); *provided, however,* that, prior to the adoption of this Agreement by the Company's stockholders at the Company Stockholders' Meeting, nothing contained in this Agreement shall prevent the Company or the Company Board (acting through the Special Committee or otherwise) from furnishing information to, or engaging in negotiations or discussions with, any person that shall have submitted after the date hereof a written Acquisition Proposal that is not a result of a breach of this Section 6.03(a), if prior to taking such action (A) the Company Board (acting through the Special Committee or otherwise) determines in good faith (after consultation with its advisors) that such Acquisition Proposal is, or could reasonably be expected to result in, a Superior Proposal, and the Company Board (acting through the Special Committee or otherwise) determines in good faith (after consultation with its outside legal counsel) that its failure to take such actions would be inconsistent with its fiduciary duties under applicable Law, and (B) the Company receives from such person an executed confidentiality agreement with terms no less favorable with regard to confidentiality than the Confidentiality Agreement. The Company shall provide to Parent, in accordance with the terms of the Confidentiality Agreement and on a prompt basis, any material non-public information concerning the Company or its Subsidiaries provided to such person which was not previously provided to Parent. The Company shall as promptly as practicable (and in any event within two business days) notify Parent, in the event that the Company or any of its Subsidiaries or Representatives receives any Acquisition Proposal, of the material terms and conditions of any such Acquisition Proposal and the identity of the person making such Acquisition Proposal, and the Company shall keep Parent reasonably informed of any material developments with respect to any such Acquisition Proposal (including any material changes thereto). Except as set forth in this Section 6.03, neither the Company nor any Subsidiary of the Company shall enter into any Acquisition Agreement.

(b) Except as set forth in this Section 6.03, the Company Board (or any committee thereof) shall not, and shall not publicly propose to: (i) withhold, withdraw or modify, in a manner adverse to Parent or Merger Sub, the Company Board Recommendation; (ii) approve or recommend any Acquisition Proposal; or (iii) approve or recommend, or cause or permit the Company or any of its Subsidiaries to enter into, any letter of intent, merger agreement, acquisition agreement or similar agreement with respect to any Acquisition Proposal, other than a confidentiality agreement in accordance with Section 6.03(a) (any such letter or agreement, an "Acquisition Agreement" and the actions described above in each of clauses (i), (ii) and (iii), collectively, the "Specified Board Actions"). Notwithstanding the foregoing, prior to the adoption of this Agreement by the Company's stockholders at the Company Stockholders' Meeting, (x) in response to the receipt of a written Acquisition Proposal that is not a result of a breach of Section 6.03(a), if the Company Board (acting through the Special Committee or otherwise) (A) determines in good faith (after consultation with its advisors) that such

Acquisition Proposal is a Superior Proposal and (B) determines in good faith (after consultation with its outside legal counsel) that its failure to take such actions would be inconsistent with its fiduciary duties under applicable Law, then the Company Board (acting through the Special Committee or otherwise) may approve and recommend such Superior Proposal (or any Acquisition Agreement with respect to such Superior Proposal) and, in connection with the approval or recommendation of such Superior Proposal, withdraw or modify the Company Board Recommendation and/or cause the Company to terminate this Agreement (in each case subject to compliance with Section 8.03) or (y) other than in connection with an Acquisition Proposal, if the Company Board (acting through the Special Committee or otherwise) determines in good faith (after consultation with its outside legal counsel) that its failure to take such actions would be inconsistent with its fiduciary duties under applicable Law, then the Company Board (acting through the Special Committee or otherwise) may withdraw or modify the Company Board Recommendation (any action by or on behalf of the Company Board permitted by the foregoing clause (x) or (y), a "Specified Acquisition Action"); *provided, however*, that no Specified Acquisition Action may be taken until after the fifth business day (or such subsequent business days as provided for by clause (2) of this sentence) (the period inclusive of all such days, the "Notice Period") following Parent's receipt of written notice from the Company advising Parent that the Company Board intends to take such Specified Acquisition Action (a "Notice of Adverse Action") and specifying the reasons therefor, including, if the basis of the proposed action by the Company Board is a Superior Proposal, the material terms and conditions of any such Superior Proposal (it being understood and agreed that (1) during the Notice Period the Company shall, and shall cause its financial advisors and outside legal counsel to, negotiate with Parent in good faith (to the extent Parent desires to negotiate) and (2) any amendment to the terms of such Superior Proposal shall require a new Notice of Adverse Action and a two-business day extension of the Notice Period then applicable). In determining whether to take a Specified Acquisition Action, the Company Board shall take into account any changes to the terms of this Agreement proposed by Parent to the Company in response to a Notice of Adverse Action or otherwise.

(c) Nothing contained in this Agreement shall prohibit the Company from taking and disclosing to its stockholders a position contemplated by Rules 14d-9 and 14e-2(a) promulgated under the Exchange Act or from making any disclosure to the Company's stockholders if the Company Board (or any committee thereof) determines in good faith (after consultation with its outside legal counsel) that it is required to do so under applicable Law; *provided, however*, that neither the Company nor the Company Board (nor any committee thereof) shall (i) recommend that the stockholders of the Company tender their Shares in connection with any such tender or exchange offer (or otherwise approve or recommend any Acquisition Proposal) or (ii) withdraw or modify the Company Board Recommendation, unless in the case of each of clause (c)(i) and (c)(ii) hereof, the requirements of Section 6.03(b) shall have been satisfied.

(d) Except as set forth in Section 8.03(d) with respect to an Acquisition Proposal, for purposes of this Agreement:

(i) "Acquisition Proposal" means any bona fide proposal or offer (including any proposal from or to the Company's stockholders) from any person other than Parent or Merger Sub relating to (A) any direct or indirect acquisition of (1) more

than 15% of the assets of the Company and its consolidated Subsidiaries, taken as a whole, or (2) more than 15% of any class of equity securities of the Company; (B) any tender offer or exchange offer, as defined pursuant to the Exchange Act, that if consummated would result in any person beneficially owning, directly or indirectly, 15% or more of any class of equity securities of the Company; or (C) any merger, consolidation, business combination, recapitalization, liquidation, dissolution or other similar transaction involving the Company.

(ii) “Superior Proposal” means any bona fide written Acquisition Proposal that (A) relates to more than 50% of the outstanding Shares or more than 50% of the assets of the Company and its Subsidiaries, taken as a whole, (B) is on terms that the Company Board determines in good faith (after receiving the advice of its financial advisor and outside counsel and after taking into account all financial, legal, regulatory and other aspects of such proposal and of this Agreement (including the relative risks of non-consummation and any changes to the terms of this Agreement proposed by Parent to the Company, prior to the expiration of the Notice Period, in response to such proposal or otherwise)) are more favorable to the Company’s stockholders than this Agreement and (C) the Company Board determines is reasonably capable of being consummated.

(e) The Company shall (i) promptly request each person that has executed a confidentiality agreement with the Company prior to the date of this Agreement in connection with a process relating to an Acquisition Proposal to return or destroy all confidential information heretofore furnished to such person or its Representatives by or on behalf of the Company or any of its Subsidiaries, (ii) not amend or waive, and shall enforce, the provisions of each such confidentiality agreement, except that, without limiting any other provision of this Agreement, this clause (ii) shall not apply to any standstill provision contained therein to the extent compliance herewith would be inconsistent with the fiduciary duties of the Company Board under applicable Law and (iii) prohibit any access to any third party to any such physical or electronic data room, except as permitted herein.

SECTION 6.04 Directors’ and Officers’ Indemnification and Insurance. (a)

The Surviving Corporation and its Subsidiaries shall, and Parent shall cause the Surviving Corporation to, honor and fulfill in all respects the obligations of the Company and its Subsidiaries under any and all indemnification agreements between the Company or any of its Subsidiaries and any of their respective present or former directors and officers (collectively, the “Indemnified Parties”). In addition, the Certificate of Incorporation and By-Laws of the Surviving Corporation shall contain provisions no less favorable with respect to exculpation and indemnification than are set forth in Articles VII and VIII of the Amended and Restated Certificate of Incorporation of the Company, as amended, and Article VII of the By-Laws of the Company, respectively, which provisions shall not be amended, repealed or otherwise modified for a period of six years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Effective Time, were directors, officers, employees, fiduciaries or agents of the Company or any of its Subsidiaries.

(b) For a period of six years after the Effective Time, Parent and the Surviving Corporation shall, jointly and severally, to the fullest extent permitted under applicable Law, indemnify and hold harmless, each Indemnified Party against all costs and expenses (including

attorneys' fees), judgments, fines, losses, claims, damages, liabilities and settlement amounts paid in connection with any claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), whether civil, criminal, administrative or investigative, arising out of or pertaining to any action or omission in their capacity as an officer, director, employee, fiduciary or agent, whether occurring on or before the Effective Time. In the event of any such claim, action, suit, proceeding or investigation, (i) Parent or the Surviving Corporation shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties, which counsel shall be reasonably satisfactory to the Surviving Corporation, promptly after statements therefor are received, (ii) neither Parent nor the Surviving Corporation shall settle, compromise or consent to the entry of any judgment in any pending or threatened Action to which an Indemnified Party is a party (and in respect of which indemnification could be sought by such Indemnified Party hereunder), unless such settlement, compromise or consent includes an unconditional release of such Indemnified Party from all liability arising out of such Action or such Indemnified Party otherwise consents, and (iii) the Surviving Corporation shall cooperate in the defense of any such matter; *provided, however*, that neither Parent nor the Surviving Corporation shall be liable for any settlement effected without the Surviving Corporation's written consent (which consent shall not be unreasonably withheld or delayed); and *provided, further*, that, in the event that any claim for indemnification is asserted or made within such six-year period, all rights to indemnification in respect of such claim shall continue until the disposition of such claim. The rights of each Indemnified Person under this Section 6.04(b) shall be in addition to any rights such person may have under the Certificate of Incorporation or the By-Laws or similar organizational documents of the Company and the Surviving Corporation or any of their Subsidiaries, or under any Law or under any agreement of any Indemnified Person with the Company or any of its Subsidiaries.

(c) The Surviving Corporation shall either (i) cause to be obtained at the Effective Time "tail" insurance policies with a claims period of at least six years from the Effective Time with respect to directors' and officers' liability insurance in amount and scope at least as favorable as the Company's existing policies for claims arising from facts or events that occurred on or prior to the Effective Time; or (ii) maintain in effect for six years from the Effective Time, if available, the current directors' and officers' liability insurance policies maintained by the Company (*provided* that the Surviving Corporation may substitute therefor policies of at least the same coverage containing terms and conditions that are not less favorable) with respect to matters occurring prior to the Effective Time; *provided, however*, that in no event shall the Surviving Corporation be required to expend pursuant to this Section 6.04(c) more than an amount per year equal to 300% of current annual premiums paid by the Company for such insurance; *provided, however*, that in the event of an expiration, termination or cancellation of such current policies, Parent or the Surviving Corporation shall be required to obtain as much coverage as is possible under substantially similar policies for such maximum annual amount in aggregate annual premiums.

(d) In the event Parent or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall succeed to the obligations set forth in this Section 6.04.

(e) Parent shall cause the Surviving Corporation to perform all of the obligations of the Surviving Corporation under this Section 6.04.

SECTION 6.05 Employee Benefits Matters. (a) Parent hereby agrees that, for a period of eighteen months immediately following the Effective Time, it shall, or it shall cause the Surviving Corporation and its Subsidiaries to, provide each employee of the Company and of each of the Company's Subsidiaries as of the Effective Time (each, an "Employee") with a base salary, employee benefits, incentive compensation and other variable compensation (other than, in each case, equity-based compensation) that, taken as a whole, is no less favorable to the base salary, employee benefits, incentive compensation and other variable compensation (other than, in each case, equity-based compensation), taken as a whole, provided to each such Employee immediately prior to the Effective Time. From and after the Effective Time, Parent shall cause the Surviving Corporation and its Subsidiaries to honor in accordance with their terms, all contracts, agreements, arrangements, policies, plans and commitments of the Company and its Subsidiaries as in effect immediately prior to the Effective Time that are applicable to any current or former employees or directors of the Company or any of its Subsidiaries, including all severance agreements listed on Section 3.11(a) of the Company Disclosure Schedule and excluding any of the foregoing to the extent related to equity-based compensation. Parent hereby agrees that, for a period of eighteen months immediately following the Effective Time, it shall, or it shall cause the Surviving Corporation and its Subsidiaries to, provide each Employee with equity-based compensation that is no less favorable than the equity-based compensation then provided to other similarly situated employees of Parent and its Subsidiaries.

(b) Employees shall receive credit for all purposes (including, for purposes of eligibility to participate, vesting, benefit accrual and eligibility to receive benefits, but excluding benefit accruals under any defined benefit pension plan) under any employee benefit plan, program or arrangement established or maintained by Parent, the Surviving Corporation or any of their respective Subsidiaries under which each Employee may be eligible to participate on or after the Effective Time to the same extent recognized by the Company or any of its Subsidiaries under comparable Plans immediately prior to the Effective Time; *provided, however*, credit need not be recognized to the extent that such recognition would result in any duplication of benefits. Such plan, program or arrangement shall credit each such Employee for service accrued or deemed accrued on or prior to the Effective Time with the Company, any Subsidiary of the Company and all affiliates where service with the affiliate was credited under a comparable Plan of the Company prior to the Effective Time; *provided, however*, service need not be recognized to the extent that such recognition would result in any duplication of benefits.

(c) With respect to the welfare benefit plans, programs and arrangements maintained, sponsored or contributed to by Parent or its Subsidiaries (other than the Surviving Corporation and its Subsidiaries) after the Effective Time (collectively, "Purchaser Welfare Benefit Plans") and in which an Employee may be eligible to participate on or after the Effective Time, Parent shall (i) waive, or cause its insurance carrier to waive, all limitations as to preexisting and at-work conditions, if any, with respect to participation and coverage requirements applicable to each participating Employee under any Purchaser Welfare Benefit Plan (other than any dependent life insurance plan) to the same extent waived under a comparable Plan, and (ii) provide credit to each Employee for any co-payments, deductibles and

out-of-pocket expenses paid by such Employee under the Plans during the relevant plan year up to and including the Effective Time.

(d) As of the Closing, Parent shall, or shall cause its affiliates (including the Surviving Corporation) to, satisfy all obligations of the Company and all of its Subsidiaries in respect of any accrued but unpaid vacation, holiday, sick leave, paid time off or similar liability as of the Closing.

(e) Nothing contained herein shall be construed as requiring Parent to continue the employment of any specific person. Furthermore, no provision of this Agreement shall be construed as prohibiting or limiting the ability of Parent to amend, modify or terminate any plans, programs, policies, arrangements, agreements or understandings of Parent or the Company or any of their respective Subsidiaries in accordance with their terms. Nothing in this Section 6.05 shall confer any rights or remedies of any kind upon any Employee or any other person other than the parties hereto and their respective successors and assigns.

(f) Prior to the Closing, the Company shall take all steps necessary to ensure that no holder of any options, warrants, rights or other instruments prior to the Closing shall have any right to acquire following the Closing any capital stock of the Company or any of its Subsidiaries or any other equity interest therein (including "phantom" stock or stock appreciation rights).

SECTION 6.06 Financing. (a) The Company agrees to provide, and shall cause its Subsidiaries and its and their Representatives to provide, all reasonable cooperation in connection with the arrangement of any financing necessary to consummate the Transactions (the "Financing") as may be reasonably requested by Parent and that is necessary or customary in connection with Parent's efforts to obtain the Financing (*provided* that such requested cooperation does not unreasonably interfere with the ongoing operations of the Company and its Subsidiaries), including (i) participation in meetings, road shows, drafting sessions, rating agency presentations and due diligence sessions, (ii) furnishing Parent and its Representatives with real estate and other pertinent information regarding the Company and its Subsidiaries as is necessary or customary in connection with the Financing and any security required therefor, including (A) the financial statements and financial data described in Schedule 6.06(a) and (B) the historical financial statements, information reasonably necessary for the preparation of pro forma financial statements, business and other financial data of the Company and of the type required by Regulation S-X (other than Rule 3-10 thereof) and Regulation S-K under the Securities Act and, in all cases, of the type and form customarily included in offering documents for securities offerings by the Company under Rule 144A under the Securities Act (all information required to be delivered pursuant to this clause (ii) being referred to as the "Required Information"), (iii) executing and delivering any pledge and security documents, currency or interest rate hedging arrangements or other definitive financing documents or other certificates (including a certificate of the chief accounting officer of the Company with respect to solvency matters relating to the Company) and documents as may be reasonably requested by Parent, (iv) using reasonable best efforts to obtain accountants' comfort letters, accountants' consent letters, legal opinions, appraisals, lien searches, surveys and title insurance as reasonably requested by Parent and (v) assisting Parent and its financing sources in the preparation of (A) customary offering documents, bank information memoranda (including the execution of

customary representation letters reasonably satisfactory to the Company in connection with such bank information memoranda) and similar documents for any of the Financing; *provided* that any such offering document, bank information memoranda or similar documents contains disclosure and financial statements with respect to the Company or the Surviving Corporation reflecting the Surviving Corporation and/or its Subsidiaries as primary obligors or guarantors; and (B) materials for rating agency presentations; *provided* that none of the Company or any of its Subsidiaries shall be required to pay any commitment or any other fee or incur any other liability in connection with the Financing prior to the Effective Time; *provided, further*, that the effectiveness of any documentation executed by the Company or any of its Subsidiaries shall be subject to the consummation of the Closing. Parent shall, promptly upon termination of this Agreement, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company or its Subsidiaries in connection with such cooperation or any actions contemplated by this Section 6.06(a). The Company agrees to provide, and shall cause its Subsidiaries and its and their Representatives to provide, all information and documents requested under this Section 6.06(a) promptly and, in any event, at least 20 days prior to the date of the Closing.

(b) All information regarding the Company obtained by Parent or Merger Sub or its or their Representatives pursuant to Section 6.06(a) shall be kept confidential as and to the extent required by the Confidentiality Agreement; *provided* that the Company and Parent shall agree to amend or waive the Confidentiality Agreement to the extent such information is required under the federal securities Laws to be included in an offering document in connection with the Financing. Parent acknowledges and agrees that the Company shall not incur any liability to any person prior to the Effective Time in connection with any Financing. Parent and Merger Sub shall, on a joint and several basis, indemnify and hold harmless the Company, its Subsidiaries and their respective Representatives for and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them in connection with the arrangement of the Financing and any information utilized in connection therewith.

(c) The Company shall commence as soon as reasonably practicable after the receipt of a written request from Parent to do so, offers to purchase and related consent solicitations with respect to any or all of the outstanding debt securities of the Company specified by Parent and permitted by applicable Law (collectively, the "Notes") on the terms and subject to conditions reasonably requested by Parent (collectively, the "Debt Offers"). Parent shall prepare all necessary documentation in connection with the Debt Offer, subject to review by the Company. Notwithstanding the foregoing, the closing of the Debt Offers shall be conditioned on the consummation of the Merger. Parent shall, promptly upon termination of this Agreement, reimburse the Company for all reasonable out-of-pocket costs incurred by the Company and its Subsidiaries in connection with the actions contemplated by this Section 6.06(c). Parent acknowledges and agrees that the Company and its Subsidiaries shall not incur any liability to any person prior to the Effective Time with respect to any Debt Offer or any actions contemplated by this Section 6.06(c), and Parent agrees to indemnify and hold harmless the Company, its Subsidiaries and their respective Representatives for and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them in connection with the Debt Offers, the arrangement of the Debt Offers, information utilized in connection therewith and any actions contemplated by this Section 6.06(c).

SECTION 6.07 Further Action. (a) Each party shall use reasonable best efforts to (i) promptly obtain all authorizations, consents, orders and approvals of all Governmental Authorities and officials that may be or become necessary for its execution and delivery of, and the performance of its obligations pursuant to, this Agreement, (ii) cooperate fully with the other parties in promptly seeking to obtain all such authorizations, consents, orders, approvals, licenses, permits and waivers, (iii) provide such other information to any Governmental Authority as such Governmental Authority may reasonably request in connection herewith, (iv) obtain all necessary consents, approvals or waivers from third parties and (v) execute and deliver any additional instruments necessary to consummate the Transactions and to fully carry out the purposes of this Agreement. Each party hereto agrees to make as promptly as practicable after the date of this Agreement its respective filing, if necessary, pursuant to the HSR Act with respect to the Transactions and to supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested pursuant to the HSR Act. Each party hereto agrees to make as promptly as practicable after the date of this Agreement its respective filings and notifications, if any, under any other applicable antitrust, competition, or trade regulation Law, and to supply as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested pursuant to the applicable antitrust, competition, or trade regulation Law.

(b) Without limiting the generality of the undertaking of Parent pursuant to Section 6.07(a), Parent agrees to take any and all steps necessary to avoid or eliminate each and every impediment under any antitrust, competition or trade regulation Law that may be asserted by any Governmental Authority or any other party so as to enable the parties hereto to consummate the Transactions, and in any event prior to the Termination Date, including proposing, negotiating, committing to and effecting, by consent decree, hold separate orders, or otherwise, the sale, divestiture or disposition of such of its assets, properties or businesses or of the assets, properties or businesses to be acquired by it pursuant hereto; *provided, however*, that any such sale, divestiture, disposition or other arrangement shall be conditioned upon the consummation of the Transactions. In addition, Parent shall defend through litigation on the merits any claim asserted in court by any party in order to avoid entry of, or to have vacated or terminated, any decree, order or judgment (whether preliminary or permanent) that would prevent the Closing prior to the Termination Date. Notwithstanding anything in this Agreement to the contrary, no provision of this Agreement shall require, or be construed to require, Parent or any of its Subsidiaries to agree to or take any action that, individually or in the aggregate, would result in a Burdensome Condition. For purposes of this Agreement, a "Burdensome Condition" shall mean making proposals, executing or carrying out agreements (including consent decrees) or submitting to Laws (i) providing for the license, sale or other disposition or holding separate (through the establishment of a trust or otherwise) of any assets or categories of assets of Parent, the Company or any of their respective Subsidiaries or the holding separate of the capital stock of the Company or any such Subsidiary or (ii) imposing or seeking to impose any limitation on the ability of Parent, the Company or any of their respective Subsidiaries to conduct their respective businesses (including with respect to market practices and structure) or to own such assets or to acquire, hold or exercise full rights of ownership of the business of the Company or its Subsidiaries or of Parent or its Subsidiaries, that, in the case of clause (i) and (ii), would, individually or in the aggregate, reasonably be expected to result in a Behavioral Health Business Material Adverse Effect .

(c) Each party shall promptly notify the other party hereto of any material communication it or any of its affiliates receives from any Governmental Authority relating to the matters that are the subject of this Agreement. Each party shall be entitled to review in advance any proposed substantive communication by any other party to any Governmental Authority in connection with the Transactions, and each party shall make any revisions thereto reasonably requested by the other party. None of the parties to this Agreement shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation (including any settlement of the investigation), litigation or other inquiry relating to the matters that are the subject of this Agreement unless it consults with the other party in advance and, to the extent not prohibited by such Governmental Authority, gives the other party the opportunity to attend and participate at such meeting. The parties to this Agreement will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other party may reasonably request in connection with the foregoing. The parties to this Agreement will provide each other with copies of all material correspondence, filings or communications between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated by this Agreement; *provided, however*, that materials may be redacted (i) to remove references concerning the valuation of the Company, (ii) as necessary to comply with contractual arrangements, and (iii) as necessary to address reasonable attorney-client or other privilege concerns. In furtherance of the foregoing, all information exchanged between or among the parties under this Section 6.07 shall be subject to appropriate confidentiality arrangements. Notwithstanding anything to the contrary, the parties agree that, except as otherwise provided by Law, any and all proceedings, hearings and other dealings with Governmental Authorities relating to antitrust matters shall be led by Parent and its Representatives; *provided*, that Parent may make all final strategic decisions after consulting in good faith with the Company.

(d) Neither Parent nor Merger Sub shall enter into any agreement, transaction, or any agreement to effect any transaction (including any merger or acquisition) that might reasonably be expected to make it materially more difficult, or to materially increase the time required, to: (i) obtain the expiration or termination of the waiting period under the HSR Act, or any other applicable antitrust, competition, or trade regulation Law, applicable to the Transactions, (ii) avoid the entry of, the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order that would materially delay or prevent the consummation of the Transactions, or (iii) obtain all authorizations, consents, orders and approvals of Governmental Authorities necessary for the consummation of the Transactions, including any authorizations, consents, orders or approvals required by any Health Care Law or Government Program.

(e) With respect to any stockholder litigation against the Company and/or its directors relating to the Transactions, Company shall (i) promptly notify Parent of the initiation of any such litigation, (ii) promptly notify Parent of any material communication or development with respect to such litigation and (iii) consult in good faith with Parent with respect to any material decisions and the Company's general strategy regarding such litigation.

SECTION 6.08 Obligations of Parent and Merger Sub. Parent shall take all action necessary to cause Merger Sub to perform its obligations under this Agreement and to

consummate the Transactions on the terms and subject to the conditions set forth in this Agreement.

SECTION 6.09 Public Announcements. The initial press release relating to this Agreement shall be a joint press release the text of which has been agreed to by each of Parent and the Company. Thereafter, each of Parent and the Company shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or any of the Transactions, except to the extent public disclosure is required by applicable Law or the requirements of the Nasdaq Stock Market, in which case the issuing party shall use its reasonable best efforts to consult with the other party before issuing any press release or making any such public statements, and except with respect to the matters described in Sections 6.03, 8.01 and 8.03.

SECTION 6.10 Transfer Taxes. The Company and Parent shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications or other documents regarding any sales, transfer, stamp, stock transfer, value added, use, real property transfer or gains and any similar Taxes which become payable in connection with the Transactions. Notwithstanding anything to the contrary herein, each of Parent and the Surviving Corporation agrees to assume liability for and pay any sales, transfer, stamp, stock transfer, value added, use, real property transfer or gains and any similar Taxes of the Company or any of its Subsidiaries, as well as any transfer, recording, registration and other fees that may be imposed upon, payable by or incurred by the Company or any of its Subsidiaries in connection with this Agreement and the Transactions.

ARTICLE VII

CONDITIONS TO THE MERGER

SECTION 7.01 Conditions to the Obligations of Each Party. The obligations of the Company, Parent and Merger Sub to consummate the Merger are subject to the satisfaction or waiver (where permissible) of the following conditions:

- (a) Company Stockholder Approval. The Company shall have obtained the Stockholder Approval.
- (b) No Order. No Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or taken any other action after the date of this Agreement which is in effect and has the effect of restraining, enjoining or otherwise prohibiting the consummation of the Merger.
- (c) U.S. Antitrust Approvals and Waiting Periods. Any waiting period (and any extension thereof) applicable to the consummation of the Merger under the HSR Act shall have expired or been terminated.

SECTION 7.02 Conditions to the Obligations of Parent and Merger Sub. The obligations of Parent and Merger Sub to consummate the Merger are subject to the satisfaction or waiver (where permissible) of the following additional conditions:

(a) Representations and Warranties. The representations and warranties of the Company set forth in subsections (a) and (b) of Section 3.03 (Capitalization), in Section 3.04 (Authority Relative to This Agreement) and in Section 3.18 (Board Approval; Vote Required) shall be true and correct in all respects (except for de minimis failures to be true and correct), and the representation and warranty of the Company set forth in subsection (a) of Section 3.09 (Absence of Certain Changes or Events) shall be true and correct in all respects, in each case as though made as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such earlier date). All other representations and warranties of the Company set forth in this Agreement shall be true and correct (disregarding all qualifications or limitations as to "materiality" and "Company Material Adverse Effect" set forth therein) as of the Closing as though made as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such other representations and warranties to be so true and correct would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

(b) Agreements and Covenants. The Company shall have performed or complied in all material respects with all material agreements and material covenants required by this Agreement to be performed or complied with by it on or prior to the Closing.

SECTION 7.03 Conditions to the Obligations of the Company. The obligations of the Company to consummate the Merger are subject to the satisfaction or waiver (where permissible) of the following additional conditions:

(a) Representations and Warranties. The representations and warranties of Parent and Merger Sub that are qualified by materiality shall be true and correct in all respects, and the representations and warranties of Parent and Merger Sub contained in this Agreement that are not so qualified shall be true and correct in all respects, in each case as of the Closing, as though made as of the Closing (except to the extent expressly made as of an earlier date, in which case as of such earlier date), except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, prevent or materially delay consummation of any of the Transactions or otherwise prevent or materially delay Parent or Merger Sub from performing its obligations under this Agreement.

(b) Agreements and Covenants. Parent and Merger Sub shall have performed or complied in all material respects with all material agreements and material covenants required by this Agreement to be performed or complied with by it on or prior to the Closing.

ARTICLE VIII

TERMINATION, AMENDMENT AND WAIVER

SECTION 8.01 Termination. This Agreement may be terminated and the Merger and the other Transactions may be abandoned at any time prior to the Effective Time by

action taken or authorized by the Board of Directors of the terminating party or parties, notwithstanding any prior adoption of this Agreement by the stockholders of the Company, as follows (the date of any such termination, the "Termination Date"):

- (a) by mutual written consent of Parent and the Company;
- (b) by either Parent or the Company if the Effective Time shall not have occurred on or before December 31, 2010 (the "End Date"); *provided, however*, that the right to terminate this Agreement under this Section 8.01(b) shall not be available to any party whose failure to fulfill any material obligation under this Agreement has been the cause of, or resulted in, the failure of the Effective Time to occur on or before such date;
- (c) by either Parent or the Company if any Governmental Authority shall have enacted, issued, promulgated, enforced or entered any Law or taken any other action after the date of this Agreement permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger, and such Law or action shall have become final and nonappealable; *provided, however*, that the right to terminate under this Section 8.01(c) shall not be available to any party whose failure to fulfill any material obligation under this Agreement has been the principal cause of such action;
- (d) by either Parent or the Company if this Agreement shall fail to receive the Stockholder Approval at the Company Stockholders' Meeting or any adjournment or postponement thereof;
- (e) by Parent if (i) any Specified Board Action shall have been taken by or on behalf of the Company Board or (ii) the Company shall have materially breached its agreements and covenants set forth in Section 6.03;
- (f) by the Company at any time prior to the adoption of this Agreement by the Company's stockholders in accordance with Section 6.03(b); *provided, however*, that any such purported termination pursuant to this Section 8.01(f) shall be void and of no force or effect unless the Company concurrently with such termination pays to Parent the Company Termination Fee in accordance with Section 8.03; *provided* that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.01(f) if the Company is then in material breach of its agreements and covenants set forth in Section 6.03;
- (g) by Parent, if the Company shall have breached any of its representations or warranties, or failed to perform any of its agreements or covenants set forth in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in Section 7.02(a) or 7.02(b) and (ii) is incapable of being cured prior to the End Date; *provided* that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.01(g) if either Parent or Merger Sub is then in material breach of any of its representations, warranties, agreements or covenants hereunder; or

SECTION 8.02 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 8.01, this Agreement shall forthwith become void, and there shall be no liability under this Agreement on the part of any party hereto (except that the provisions of Section 6.02(b), Section 6.06, this Section 8.02, Section 8.03 and Article IX shall survive any such termination); *provided* that nothing in Section 8.01 or this Section 8.02 shall be deemed to release any party from any liability for any breach by such party of any representation, warranty or covenant set forth in this Agreement, or impair the right of any party to compel specific performance by another party of its obligations under this Agreement.

SECTION 8.03 Fees and Expenses. (a) All Expenses incurred in connection with this Agreement, the Transactions, the solicitation of stockholder approvals and all other matters related to the closing of the Merger shall be paid by the party incurring such Expenses, whether or not the Merger or any other Transaction is consummated, except as otherwise set forth in this Agreement. Notwithstanding the foregoing, one-half of all filing fees payable in connection with the filings made pursuant to the HSR Act with respect to the Transactions, and one-half of all Expenses incurred in connection with the printing, filing and mailing of the Proxy Statement, shall be paid by each of the Company and Parent. "Expenses," as used in this Agreement, shall include all reasonable out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, financing sources, hedging counterparties, experts and consultants to a party hereto and its affiliates) incurred by a party or on its behalf in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement. All payments required to be made by a party pursuant to this Section 8.03 shall be made by such party and no third party shall directly or indirectly make all or any portion of such payments. Each of the Company and Parent acknowledges that the agreements contained in this Section 8.03 are an integral part of the Transactions.

(b) If this Agreement shall be terminated:

(i) by Parent or the Company pursuant to Section 8.01(b), then, if (A) at or prior to the Termination Date an Acquisition Proposal shall have been publicly announced and not publicly withdrawn or shall have otherwise become publicly known (any person that shall have made such a proposal at or prior to the Termination Date, together with its affiliates, a "Competing Bidder") and (B) within twelve months of the Termination Date the Company enters into, or submits to the stockholders of the Company for adoption, an agreement with respect to, or consummates, any Acquisition Proposal, then the Company shall pay Parent the amount of \$71.5 million (the "Company Termination Fee");

(ii) by Parent or the Company pursuant to Section 8.01(d), then (A) the Company shall pay Parent all of its Expenses incurred in connection with the

Transactions on or prior to the Termination Date (the "Expense Reimbursement") and (B) if (1) at or prior to the date of the Company Stockholders' Meeting, an Acquisition Proposal shall have been publicly announced and not publicly withdrawn or shall have otherwise become publicly known and (2) within twelve months of the Termination Date the Company enters into, or submits to the stockholders of the Company for adoption, an agreement with respect to, or consummates, any Acquisition Proposal, then the Company shall pay Parent the Company Termination Fee *minus* any Expense Reimbursement previously paid to Parent;

(iii) by Parent pursuant to Section 8.01(e), then, the Company shall pay Parent the Company Termination Fee;

(iv) by the Company pursuant to Section 8.01(f), then the Company shall pay to Parent the Company Termination Fee; or

(v) by Parent pursuant to Section 8.01(g), then, if (A) at or prior to the date of the Company Stockholders' Meeting, an Acquisition Proposal shall have been publicly announced and not publicly withdrawn or shall have otherwise become publicly known and (B) within twelve months of the Termination Date the Company enters into, or submits to the stockholders of the Company for adoption, an agreement with respect to, or consummates, any Acquisition Proposal, then the Company shall pay Parent the Company Termination Fee.

(c) The Company Termination Fee and/or Expense Reimbursement payable by the Company under this Section 8.03 shall be paid to Parent or its designee by the Company in immediately available funds as follows:

(i) in the case of Section 8.03(b)(iv), the applicable payment shall be made concurrently with and as a condition to the effectiveness of a termination of this Agreement by the Company pursuant to Section 8.01(f);

(ii) in the case of Section 8.03(b)(ii)(A) or Section 8.03(b)(iii), the applicable payment shall be made on or prior to the date of the event giving rise to the obligation to make such payment; and

(iii) in the case of Section 8.03(b)(i), Section 8.03(b)(ii)(B) or Section 8.03(b)(v), (x) if the event giving rise to the obligation to make such payment is the Company entering into, or submitting to the stockholders of the Company for adoption, an agreement with respect to, or consummating, any Acquisition Proposal with a Competing Bidder, the applicable payment shall be made on or prior to the date of such event or (y) if the event giving rise to the obligation to make such payment is the Company entering into, or submitting to the stockholders of the Company for adoption, an agreement with respect to, or consummating, any Acquisition Proposal with any person other than a Competing Bidder, the applicable payment shall be made on or prior to the consummation of any Acquisition Proposal.

Notwithstanding anything to the contrary in this Agreement, the payment to Parent or its designees of the Company Termination Fee and/or the Expense Reimbursement shall be the sole

and exclusive remedy of Parent for any loss suffered by Parent or Merger Sub as a result of the failure of the Merger and the other Transactions to be consummated and upon such payment in accordance with this Section 8.03, the Company shall not have any further liability or obligation relating to or arising out of this Agreement or the Transactions (except in the case of fraud or a breach by the Company of this Agreement).

(d) The Company acknowledges and agrees that the agreements contained in subsections (b) and (c) of this Section 8.03 are an integral part of the Transactions, and that, without these agreements, Parent would not have entered into this Agreement; accordingly, if the Company fails to pay any amounts due and payable pursuant to subsections (b) and (c) of this Section 8.03, and, in order to obtain such payment, Parent commence a suit that results in a judgment against the Company for the Company Termination Fee or the Expense Reimbursement, the Company shall pay to Parent their costs and expenses (including attorneys' fees and expenses) in connection with such suit, together with interest on the amount of the Company Termination Fee or Expense Reimbursement, as the case may be, from the date such payment was required to be made until the date of payment at the prime rate of JPMorgan Chase Bank, N.A. in effect on the date such payment was required to be made.

(e) For purposes of this Section 8.03, Acquisition Proposal shall have the meaning assigned to such term in Section 6.03(d), except that references to 15% in clauses (1) and (2) of the definition thereof shall be deemed to be references to 50% and clause (3) of the definition thereof shall be deemed amended and replaced in its entirety by the following language: "(3) any merger, consolidation, business combination, recapitalization or other similar transaction involving the Company pursuant to which stockholders of the Company immediately prior to the consummation of such transaction would cease to own directly or indirectly at least 50% of the voting power of the outstanding securities of the Company (or of another person that directly or indirectly would own all or substantially all the assets of the Company) immediately following such transaction in the same proportion as they owned prior to the consummation of such transaction."

(c) When a reference is made in this Agreement to Sections, Schedules or Exhibits, such reference shall be to a Section, Schedule or Exhibit of this Agreement, respectively, unless otherwise indicated. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation." The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not any particular provision of this Agreement. The term "or" is not exclusive. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. References to a person are also to its permitted successors and assigns. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms.

SECTION 9.04 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law, or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

SECTION 9.05 Disclaimer of Other Representations and Warranties. Parent, Merger Sub and the Company each acknowledges and agrees that, except for the representations and warranties expressly set forth in this Agreement (a) no party makes, and has not made, any representations or warranties relating to itself or its businesses or otherwise in connection with the Transactions, (b) no person has been authorized by any party to make any representation or warranty relating to such party or its businesses or otherwise in connection with the Transactions and, if made, such representation or warranty must not be relied upon as having been authorized by such party, and (c) any estimates, projections, predictions, data, financial information, memoranda, presentations or any other materials or information provided or addressed to any party or any of its Representatives are not and shall not be deemed to be or to include representations or warranties unless any such materials or information is the subject of any representation or warranty set forth in this Agreement.

SECTION 9.06 Entire Agreement; Assignment. This Agreement and the Confidentiality Agreement constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the parties hereto, or any of them, with respect to the subject matter hereof and thereof. This Agreement shall not be assigned (whether pursuant to a merger, by operation of law or otherwise), except that Parent and Merger Sub may assign all or any of their

rights and obligations hereunder to any direct or indirect wholly owned Subsidiary of Parent; *provided, however*, that no such assignment shall relieve the assigning party of its obligations hereunder if such assignee does not perform such obligations.

SECTION 9.07 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, other than Section 6.04 (which is intended to be for the benefit of the persons covered thereby and may be enforced by such persons) and except for the right of (i) the Company, on behalf of the holders of equity interests in the Company, to pursue damages (which the parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, and may include claims for damages based on the consideration that would have otherwise been payable to the stockholders of the Company and other relevant matters, including other combination opportunities and the time value of money), which shall be deemed in such event to be damages of holders of equity interests in the Company, in the event of a failure by Parent or Merger Sub to consummate the Merger as required by this Agreement, which right is hereby acknowledged and agreed by Parent and Merger Sub and (ii) Parent to pursue damages (which the parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, and may include claims for damages based on the synergies and other benefits that would have otherwise accrued to Parent and other relevant matters), which shall be deemed in such event to be damages of holders of equity interests in Parent, in the event of a failure by the Company to consummate the Merger as required by this Agreement, which right is hereby acknowledged and agreed by the Company. For purposes of this Agreement, any action of the Special Committee shall be binding upon and shall constitute an act of the Company.

SECTION 9.08 Remedies; Specific Performance; Expenses. The parties hereto acknowledge and agree that the parties would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any non-performance or breach of this Agreement by any party hereto could not be adequately compensated by monetary damages alone and that the parties hereto would not have any adequate remedy at law. Accordingly, in addition to any other right or remedy to which each party may be entitled, at law or in equity (including monetary damages), such party shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking. Notwithstanding anything to the contrary in this Agreement, all Expenses of the Company, Parent and Merger Sub incurred in connection with any Action brought by the Company, Parent or Merger Sub relating to the terms and provisions of this Agreement provided for in the foregoing sentence shall be paid by the Company in the event that Parent is successful on the merits in such Action and shall be paid by Parent in the event that the Company is successful on the merits in such Action.

SECTION 9.09 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed in that State. All Actions arising out of or relating to this Agreement shall be heard and determined exclusively in the Delaware Court of Chancery (or any

proper appellate court thereof). The parties hereto hereby (a) submit to the exclusive jurisdiction of the Delaware Court of Chancery for the purpose of any Action arising out of or relating to this Agreement brought by any party hereto, and (b) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such Action, any claim that it is not subject personally to the jurisdiction of the courts described above, that its property is exempt or immune from attachment or execution, that the Action is brought in an inconvenient forum, that the venue of the Action is improper, or that this Agreement or the Transactions may not be enforced in or by the courts described above.

SECTION 9.10 Waiver of Jury Trial. Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the Transactions. Each of the parties hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the Transactions, as applicable, by, among other things, the mutual waivers and certifications in this Section 9.10.

SECTION 9.11 Amendment. This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; *provided, however*, that, after the adoption of this Agreement and the Transactions by the stockholders of the Company, no amendment shall be made except as allowed under applicable Law. This Agreement may not be amended except by an instrument in writing signed by each of the parties hereto.

SECTION 9.12 Waiver. At any time prior to the Effective Time, any party hereto may (a) extend the time for the performance of any obligation or other act of any other party hereto, (b) waive any inaccuracy in the representations and warranties of any other party contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any agreement of any other party or any condition to its own obligations contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

SECTION 9.13 Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 9.14 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission) in two or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

FOURTH: The aggregate number of shares which the Corporation shall have authority to issue is 1,000 shares of Common Stock, par value \$0.01 per share.

FIFTH: In furtherance and not in limitation of the powers conferred upon it by law, the Board of Directors of the Corporation is expressly authorized to adopt, amend or repeal the By-laws of the Corporation.

SIXTH: To the fullest extent permitted by the General Corporation Law of the State of Delaware as it now exists and as it may hereafter be amended, no director or officer of the Corporation or any predecessor corporation of the Corporation shall be personally liable to the Corporation or any predecessor corporation of the Corporation or any of their respective stockholders for monetary damages for breach of fiduciary duty as a director or officer; provided, however, that nothing contained in this Article SIXTH shall eliminate or limit the liability of a director or officer (i) for any breach of the director's or officer's duty of loyalty to the Corporation or any predecessor corporation of the Corporation or their respective stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the General Corporation Law of the State of Delaware or (iv) for any transaction from which the director or officer derived an improper personal benefit. No amendment to or repeal of this Article SIXTH shall apply to or have any effect on the rights or liability or alleged liability of any director or officer of the Corporation or any predecessor corporation of the Corporation for or with respect to any acts or omissions of such director or officer occurring prior to such amendment or repeal.

SEVENTH: The Corporation shall, to the fullest extent permitted by Section 145 of the General Corporation Law of the State of Delaware, as the same may be amended and supplemented, indemnify any and all persons whom it shall have power

to indemnify under said section from and against any and all of the expenses, liabilities or other matters referred to in or covered by said section. Such indemnification shall be mandatory and not discretionary. The indemnification provided for herein pursuant to Article SIXTH and this Article SEVENTH shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any By-laws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person. Any repeal or modification of this Article SEVENTH shall not adversely affect any right to indemnification of any persons existing at the time of the alleged occurrence of any act or omission to act giving rise to liability or indemnification.

The Corporation shall to the fullest extent permitted by the General Corporation Law of the State of Delaware advance all costs and expenses (including without limitation, attorneys' fees and expenses) incurred by any director or officer within 15 days of the presentation of same to the Corporation, with respect to any one or more actions, suits or proceedings, whether civil, criminal, administrative or investigative, so long as the Corporation receives from the director or officer an unsecured undertaking to repay such expenses if it shall ultimately be determined that such director or officer is not entitled to be indemnified by the Corporation under the General Corporation Law of the State of Delaware. Such obligation to advance costs and expenses shall be mandatory, and not discretionary, and shall include, without limitation, costs and expenses incurred in asserting affirmative defenses, counterclaims and cross claims. Such undertaking to repay may, if first requested in writing by the applicable director or officer, be on behalf of (rather than by) such director or officer.

EIGHTH: Unless and except to the extent that the By-laws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

Meetings of Stockholders; Stockholders'
Consent in Lieu of Meeting

SECTION 1.01. Annual Meeting. The annual meeting of the stockholders for the election of directors, and for the transaction of such other business as may properly come before the meeting, shall be held at such place, date and hour as shall be fixed by the Board of Directors and designated in the notice or waiver of notice thereof; except that no annual meeting need be held if all actions, including the election of directors, required by the General Corporation Law of the State of Delaware to be taken at a stockholders' annual meeting are taken by written consent in lieu of meeting pursuant to Section 1.03.

SECTION 1.02. Special Meetings. A special meeting of the stockholders for any purpose or purposes may be called by the Board of Directors, the Chairman of the Board of Directors, the President or the Secretary of the Corporation or a stockholder or stockholders holding of record at least a majority of the shares of common stock, par value \$0.01 per share, of the Corporation ("Common Stock") issued and outstanding, such meeting to be held at such place, date and hour as shall be designated in the notice or waiver of notice thereof.

SECTION 1.03. Stockholders' Consent in Lieu of Meeting. Any action required by the laws of the State of Delaware to be taken at any annual or special meeting of the stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by all the stockholders.

SECTION 1.04. Quorum and Adjournment. Except as otherwise provided by law, by the Certificate of Incorporation of the Corporation or by these By-laws, the presence, in person or by proxy, of the holders of a majority of the aggregate voting power of the stock issued and outstanding, entitled to vote thereat, shall be requisite and shall constitute a quorum for the transaction of business at all meetings of stockholders. If, however, such a quorum shall not be present or represented at any meeting of stockholders, the stockholders present, although less than a quorum, shall have the power to adjourn the meeting.

SECTION 1.05. Majority Vote Required. When a quorum is present at any meeting of stockholders, the affirmative vote of the majority of the aggregate voting power of the shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall constitute the act of the stockholders, unless by express provision of law, the Certificate of Incorporation or these By-laws a different vote is required, in which case such express provision shall govern and control.

SECTION 1.06. Manner of Voting. At each meeting of stockholders, each stockholder having the right to vote shall be entitled to vote in person or by proxy. Proxies need not be filed with the Secretary of the Corporation until the meeting is called

to order, but shall be filed before being voted. Each stockholder shall be entitled to vote each share of stock having voting power registered in his or her name on the books of the Corporation on the record date fixed, as provided in Section 6.07 of these By-laws, for the determination of stockholders entitled to vote at such meeting. No election of directors need be by written ballot.

ARTICLE II

Board of Directors

SECTION 2.01. General Powers. The management of the affairs of the Corporation shall be vested in the Board of Directors, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by law or by the Certificate of Incorporation directed or required to be exercised or done by the stockholders.

SECTION 2.02. Number and Term of Office. The number of directors which shall constitute the whole Board of Directors shall be fixed from time to time by a vote of a majority of the whole Board of Directors. The term "whole Board of Directors" is used herein to refer to the total number of directors which the Corporation would have if there were no vacancies. Directors need not be stockholders. Each director shall hold office until his or her successor is elected and qualified, or until his or her earlier death or resignation or removal in the manner hereinafter provided.

SECTION 2.03. Resignation, Removal and Vacancies. Any director may resign at any time by giving written notice of his or her resignation to the Board of Directors, the Chairman of the Board of Directors, the President or the Secretary of the Corporation. Such resignation shall take effect at the time specified therein or, if the time

be not specified, upon receipt thereof; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Any director or the entire Board of Directors may be removed, with or without cause, at any time by the holders of a majority of the shares then entitled to vote at an election of directors or by written consent of the stockholders pursuant to Section 1.03.

Vacancies in the Board of Directors and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director.

SECTION 2.04. Meetings. (a) Annual Meeting. As soon as practicable after each annual election of directors, the Board of Directors shall meet for the purpose of organization and the transaction of other business, unless it shall have transacted all such business by written consent pursuant to Section 2.05.

(b) Other Meetings. Other meetings of the Board of Directors shall be held at such times and places as the Board of Directors, the Chairman of the Board of Directors or the President shall from time to time determine.

(c) Notice of Meetings. The Secretary of the Corporation shall give notice to each director of each meeting, including the time, place and purpose of such meeting. Notice of each such meeting shall be mailed to each director, addressed to such director at his or her residence or usual place of business, at least two days before the day on which such meeting is to be held, or shall be sent to such director at such place by telegraph, cable, wireless or other form of recorded communication, or be delivered

personally or by telephone not later than the day before the day on which such meeting is to be held, but notice need not be given to any director who shall attend such meeting. A written waiver of notice, signed by the person entitled thereto, whether before or after the time of the meeting stated therein, shall be deemed equivalent to notice.

(d) Place of Meetings. The Board of Directors may hold its meetings at such place or places within or without the State of Delaware as the Board of Directors may from time to time determine, or as shall be designated in the respective notices or waivers of notice thereof.

(e) Quorum and Manner of Acting. One third of the total number of directors then in office (but not less than two) shall be present in person at any meeting of the Board of Directors in order to constitute a quorum for the transaction of business at such meeting, and the vote of a majority of those directors present at any such meeting at which a quorum is present shall be necessary for the passage of any resolution or act of the Board of Directors, except as otherwise expressly required by law or these By-laws. In the absence of a quorum for any such meeting, a majority of the directors present thereat may adjourn such meeting from time to time until a quorum shall be present.

(f) Organization. At each meeting of the Board of Directors, one of the following shall act as chairman of the meeting and preside, in the following order of precedence:

- (i) the Chairman of the Board of Directors;
- (ii) the President (if the President shall be a member of the Board of Directors at such time); and
- (iii) any director chosen by a majority of the directors present.

The Secretary of the Corporation or, in the case of his or her absence, any person (who shall be an Assistant Secretary of the Corporation, if an Assistant Secretary of the Corporation is present) whom the Chairman of the Board of Directors shall appoint shall act as secretary of such meeting and keep the minutes thereof.

SECTION 2.05. Directors' Consent in Lieu of Meeting. Action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or committee, as the case may be, consent thereto in writing and the writing or writings are filed with the minutes or the proceedings of the Board of Directors or committee.

SECTION 2.06. Action by Means of Conference Telephone or Similar Communications Equipment. Any one or more members of the Board of Directors, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or any such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

ARTICLE III

The Executive Committee shall keep regular minutes of its proceedings, and all action by the Executive Committee shall be reported promptly to the Board of Directors. Such action shall be subject to review by the Board of Directors, provided that no rights of third parties shall be affected by such review.

SECTION 3.05. Other Committees. The Board of Directors, by resolution adopted by a majority of the whole Board of Directors, may designate from among its members one or more other committees, each of which shall have such authority of the Board of Directors as may be specified in the resolution of the Board of Directors designating such committee; provided, however, that any such committee so designated shall not have any powers not allowed to the Executive Committee under Section 3.03. The Board of Directors shall have power at any time to change the members of any such committee, designate alternate members of any such committee and

fill vacancies therein; and any such committee shall serve at the pleasure of the Board of Directors.

she, his or her testator or intestate is or was a director, officer, employee or agent of the Corporation or any corporation which consolidated or merged or consolidates or merges with or into the Corporation and which if its separate existence had continued would have had power and authority to indemnify such person (a "Predecessor"), shall be indemnified by the Corporation to the fullest extent by applicable law and (ii) any person made, or threatened to be made, a party to such an action, suit or proceeding, by reason of the fact that he or she, his or her testator or intestate is or was serving as a director, officer, employee or agent at the request of the Corporation or a Predecessor, of any other corporation or any partnership, joint venture, trust or other enterprise (an "Affiliate"), shall, be indemnified by the Corporation to the fullest extent by applicable law, in each case, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, or in connection with any appeal therein; provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, Predecessor or Affiliate, as the case may be, or with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct unlawful; except, in the case of an action, suit or proceeding by or in the right of the Corporation or a Predecessor in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such director, officer, employee or agent is liable for negligence or misconduct in the performance of his or her duties, unless a court of competent jurisdiction shall determine that, despite such adjudication, such person is fairly and reasonably entitled to indemnification.

(b) Without limitation of any right conferred by paragraph (a) of this Section 8.01, (i) any person made, or threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she, his or her testator or intestate is or was a director, officer, employee or agent of the Corporation or a Predecessor and is or was serving as a fiduciary of, or otherwise rendering services to, any employee benefit plan of, or relating to the Corporation or a Predecessor, shall be indemnified by the Corporation to the fullest extent by applicable law, and (ii) any person made, or threatened to be made, a party to such an action, suit or proceeding, by reason of the fact that he or she, his or her testator or intestate is or was serving as a director, officer, employee or agent at the request of the Corporation or an Affiliate, and is or was serving as a fiduciary of, or otherwise rendering services to, any employee benefit plan of, or relating to such Affiliate, shall be indemnified by the Corporation to the fullest extent by applicable law, in each case, against expenses (including attorneys' fees), judgments, fines, excise taxes and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, or in connection with any appeal therein; provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, Predecessor or Affiliate, as the case may be, or with respect to a criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful; except in the case of an action, suit or proceeding by or in the right of the Corporation or a Predecessor in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such director, officer, employee or agent is liable for negligence or

misconduct in the performance of his or her duties, unless a court of competent jurisdiction shall determine that, despite such adjudication, such person is fairly and reasonably entitled to indemnification.

SECTION 8.02. Insurance for Indemnification. The Corporation may purchase and maintain insurance for the indemnification of the Corporation, a Predecessor or an Affiliate, and the directors, officers, employees and agents of the Corporation, a Predecessor or an Affiliate, to the full extent and in the manner permitted by the applicable laws of the United States and the State of Delaware from time to time in effect.

In Re: Universal Health Services, Inc. acquisition of
Streamwood Hospital, Riveredge Hospital and Lincoln Prairie Hospital

To Whom It May Concern:

Universal Health Services, Inc. has provided historical financial statements and historical financial ratios, as required by Illinois' Certificate of Need program. Estimated ratios, based on performance experienced in past years have also been provided for 2011.

UHS is a publicly-traded company, and as such, the providing of pro forma statements is viewed by management as being inappropriate. Rather, and as noted above, estimated ratios are being provided. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of the Company or industry to be materially different from projections.

The requested forward-looking statements could be subject to misinterpretation by individuals having an interest in the Company, and subject the company to financial risk.

Sincerely,

Steve G. Filton
Sr. Vice President and
Chief Financial Officer

X. 1120.140 - Economic Feasibility

This section is applicable to all projects subject to Part 1120.

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

- 1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
- 2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or
 - B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

- 1) That the selected form of debt financing for the project will be at the lowest net cost available;
- 2) That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
- 3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

1. Identify each department or area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

COST AND GROSS SQUARE FEET BY DEPARTMENT OR SERVICE									
Department (list below)	A	B	C	D	E	F	G	H	Total Cost (G + H)
	Cost/Square Foot New	Mod.	Gross Sq. Ft. New	Circ.*	Gross Sq. Ft. Mod.	Circ.*	Const. \$ (A x C)	Mod. \$ (B x E)	
Contingency									
TOTALS									

* Include the percentage (%) of space for circulation

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

APPEND DOCUMENTATION AS ATTACHMENT -42, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

XI. Safety Net Impact Statement

not applicable

SAFETY NET IMPACT STATEMENT that describes all of the following must be submitted for ALL SUBSTANTIVE AND DISCONTINUATION PROJECTS:

1. The project's material impact, if any, on essential safety net services in the community, to the extent that it is feasible for an applicant to have such knowledge.
2. The project's impact on the ability of another provider or health care system to cross-subsidize safety net services, if reasonably known to the applicant.
3. How the discontinuation of a facility or service might impact the remaining safety net providers in a given community, if reasonably known by the applicant.

Safety Net Impact Statements shall also include all of the following:

1. For the 3 fiscal years prior to the application, a certification describing the amount of charity care provided by the applicant. The amount calculated by hospital applicants shall be in accordance with the reporting requirements for charity care reporting in the Illinois Community Benefits Act. Non-hospital applicants shall report charity care, at cost, in accordance with an appropriate methodology specified by the Board.
2. For the 3 fiscal years prior to the application, a certification of the amount of care provided to Medicaid patients. Hospital and non-hospital applicants shall provide Medicaid information in a manner consistent with the information reported each year to the Illinois Department of Public Health regarding "Inpatients and Outpatients Served by Payor Source" and "Inpatient and Outpatient Net Revenue by Payor Source" as required by the Board under Section 13 of this Act and published in the Annual Hospital Profile.
3. Any information the applicant believes is directly relevant to safety net services, including information regarding teaching, research, and any other service.

PURPOSE OF PROJECT

The project addressed in this application is limited to a change of ownership, and does not propose either changes in the services provided at the hospital or changes to the hospital's bed complement. Lincoln Prairie Behavioral Health Center ("Lincoln Prairie") will continue to provide acute mental illness services for the benefit of the communities traditionally served by the hospital.

The table below identifies each ZIP Code/ community that contributed 0.5% or more of Lincoln Prairie's 1,260 admissions during 2009. As documented in the table, the ZIP Code distribution of patients admitted to Lincoln Prairie is quite broad, generally extending 50-60 miles. The three ZIP Code areas contributing the largest number of patients—cumulatively approximately 21.5% of the admissions—are all located in Springfield, attesting to the important role that Lincoln Prairie plays in the provision of AMI services in the immediate community. Alternatively, the fact that communities such as Jacksonville, Bloomington, Litchfield, Mason City and Mt. Vernon demonstrate the regional nature of the hospital, and the role it plays in the delivery of needed services beyond the immediate community.

The proposed change of ownership will address the health care status of the population groups that have traditionally looked to Lincoln Prairie for care, by continuing to provide the AMI programming currently provided, and with the continued high utilization levels experienced by the hospital serving as a measurement of success.

ALTERNATIVES

Section 1110.230(c) requests that an applicant document that the project is the most effective or least costly alternative for meeting the health care needs of the population to be served by the project.

In order to best respond to this Section, given the particular circumstances that apply to this proposed transaction, the applicant conducted a technical assistance conference with the State Agency staff on July 12, 2010. That technical assistance conference was documented according to the agency's practice. Through the technical assistance process the applicants were directed by State Agency staff to set forth the following factual background in response to Section 1110.230(c): Beginning in 2009, Psychiatric Solutions, Inc. ("PSI") began considering various strategic options available to the company, including remaining an independent company, pursuing a leveraged buyout transaction with a private equity firm, or pursuing a sale or merger with another company within the health care industry. On May 16, 2010, PSI's board of directors voted to enter into a Merger Agreement with Universal Health Services ("UHS") whereby, upon consummation of the Merger Agreement, UHS will acquire 100% of PSI's common stock. The sale of PSI's stock to UHS will include the transfer of PSI's three Illinois hospitals to UHS. To effectuate that end, three Certificate of Need applications for the changes of ownership of Riveredge Hospital in Forest Park, Streamwood Behavioral Health Hospital in Streamwood, and Lincoln Prairie Behavioral

Health Center in Springfield have been filed pursuant to the Illinois Health Facilities and Services Review Board's Rules.

IMPACT STATEMENT

UHS owns three acute mental illness facilities in Illinois, and has developed relationships with the many organizations, agencies and clinical teams that work together to develop the best clinical approach toward each patient in need of care. The relationships and approaches that have been developed at Lincoln Prairie will be enhanced by the expertise developed by UHS at Hartgrove Hospital and The Pavilion.

Consistent with IHFSRB rules, this impact statement covers the two-year period following the proposed change of ownership.

Anticipated Changes to the Number of Beds or Services Currently Offered

UHS is committed to retain the current programmatic complement and number of beds (80), consistent with IHFSRB requirements. UHS expects to begin a comprehensive assessment of all outpatient and inpatient services that will commence shortly after the change of ownership occurs. It is UHS' expectation that that assessment will yield constructive planning to affect better clinical outcomes and operational efficiencies.

Operating Entity

The hospital's current operating entity/licensee, Springfield Hospital, Inc., will continue to be the operating entity/licensee following the change of ownership.

Reason for the Transaction

The proposed change of ownership results from PSI's decision to merge with UHS.

Additions or Reductions in Staff

UHS does not anticipate any additions or reductions in staff, aside from those typically associated with the operating of hospitals.

Cost/Benefit Analysis of the Transaction

1. Cost

The costs associated with the transaction are limited to those identified in Section I and discussed in ATTACHMENT 7. They include payment to the seller, and ancillary costs identified in ATTACHMENT 7 as "Consulting and Other Fees". The "Consulting and Other Fees" include all transaction-related costs, CON application preparation costs, CON review fees, outside legal and accounting fees, and miscellaneous acquisition-related costs. No major capital costs for construction, modernization or equipment acquisition are anticipated during the first two years following the change of ownership.

2. Benefit

The future of Lincoln Prairie is significant to the patient populations that are particularly fragile because of economic hardship. Last year, the hospital provided in excess of 15,000 inpatient days of care, and provided nearly 2,300 outpatient encounters; and 73.1% of the patients admitted to the hospital were Medicaid recipients. UHS intends that Lincoln Prairie will continue to play a key role in the provision of care to Medicaid eligible patients.

Finally, with approximately 110 full and part-time employees, Lincoln Prairie is a major area employer, and, as noted above, UHS has committed to retain all of the hospital's current employees, at their current positions and wages or salaries.

ACCESS

Attached are the admissions-related policies currently used at Lincoln Prairie Behavioral Health Center. It is UHS' intent to continue using these policies, and therefore no reductions in access to care will result from the proposed change of ownership.

A letter, consistent with Section 1110.240(c), confirming that the admissions policies following the change of ownership will not be more restrictive than those currently in place at the hospital, is also attached.

To Whom It May Concern:

Please be advised that upon the proposed change of ownership of Riveredge Hospital, Streamwood Behavioral Health Hospital and Lincoln Prairie Behavioral Health Center, there will be no policies adopted that will result in admissions to any of those hospitals becoming more restrictive.

It is intended that the admissions policies in place at the three hospitals at the time of the change of ownership will be retained.

As a result, upon acquisition, the admissions policies will not become more restrictive.

Sincerely,

2.2.3.1 Assessment and Referral Department Therapist makes appropriate referral based on outcome of initial assessment.

3.0 There are factors that would exclude a prospective patient from being admitted to the facility. They are:

3.1 No beds available

3.2 Patient is under the age of 3

3.3 Patient is an adult 18 years of age or older

Initial Assessment and Referral

Last Review Date: 06/09

Policy Approval: 04/08; 06/25/09

POLICY STATEMENT:

Lincoln Prairie Behavioral Health Center will provide access to 24 hour assessment services for those individuals in need of mental health services.

PROCEDURE:

- 1.0 Masters level mental health professionals will provide 24 hour assessment and referral services for anyone seeking assistance. Referrals for assessment can come via the following ways:
- 1.1 Telephone Inquiry: Incoming phone calls which result in a request for or clear need for an assessment will be scheduled in a timely fashion after completion of the Initial Call Screen (Form LPBHC 1126). An assessment will be offered within 24 hours, but may also be scheduled at the caller's convenience beyond the 24 hour period.
 - 1.2. Walk-Ins: Persons may walk in to LPBHC without a scheduled assessment and will be greeted by Assessment and Referral staff who will complete an Initial Assessment. Assessment and Referral staff will be conscientious of the need for prompt response times.
 - 1.2.1 Assessment and Referral staff are available 24 hours a day, 7 days a week. Some after hours coverage is done by Assessment and Referral Staff on-call. Persons presenting in the A&R department after hours are directed by signage outside of the department to contact the nurse's station on the Adolescent Unit for assistance via posted telephone numbers as well as via available call box. Unit staff will respond to the walk-in by letting the person in the A&R lobby, and then will contact the after hours A&R on-call worker, who will then respond to the request for assessment.

- 1.3. Emergency Detentions: Individuals may be brought in by the Police Department or by ambulance for an initial assessment. Often but not always, these individuals have been identified as involuntary admissions and LPBHC is aware of the admission prior to arrival. The Police Officer or other interested adult may sign the minor in if unable to locate the minor's guardian or parent in loco parentis.
- 1.4. Pre-arranged or Direct Admissions: Direct admission to the facility may be arranged (pending acceptance by an Attending LPBHC Psychiatrist) by:
 - 1.4.1 A Physician
 - 1.4.2 Clinical Psychologist
 - 1.4.3 A Qualified Examiner (defined by the Illinois Mental Health and Developmental Disabilities Code as: a Clinical Social Worker; a master's prepared Registered Nurse with 3 years of clinical training and experience in evaluation and treatment of mental illness; or a Licensed Clinical Professional Counselor).
 - 1.4.4 A community SASS worker who has completed a SASS screening.
 - 1.4.5 Psychiatrists who have admitting privileges to the facility may also make direct admissions.

- 2.0 Assessment and Referral staff will perform the Initial Assessment prior to admission regardless of payor source. Information will be obtained from available sources and will be documented on the Initial Assessment and Referral (Form LPBHC – 57), the Suicide Risk Assessment (Form LBBHC – 21) and the Initial Risk Assessment (Form LPBHC – 43). Information gathered will include, but is not restricted to:
 - 2.1 Psychiatric history
 - 2.2 Medical history and screen
 - 2.3 Demographic information
 - 2.4 Mental status exam
 - 2.5 A complete risk assessment

- 3.0 As part of the Initial Assessment, Assessment and Referral staff will assess for medical conditions which may require immediate attention, and will consult with nursing and medical staff if warranted, for additional assessment. If emergency medical care is needed, staff will call 911 for immediate assistance (**See PC 100 Triage System and Exclusion Criteria**).
 - 2.1 All Assessment and Referral staff members will be trained in CPR and in performing vital sign duties to ensure adequate preparation for provision of emergency care.
 - 2.2 Emergency and rescue telephone numbers will be posted for easy reference.
 - 2.3 Nursing staff will address any acute medical problems with stabilization as necessary for any Priority 1 or 2 emergencies prior to the assessment process, if possible.

- 4.0 Assessment and Referral staff will consult with an Attending LPBHC Psychiatrist if inpatient or PHP services are indicated to:
 - 4.1 Provide clinical information
 - 4.2 Determine appropriate level of care
 - 4.3 Obtain approval for admission (Attending Psychiatrist will then be forwarded to the appropriate nursing unit to give admission orders to the Unit Nurse).

- 5.0 If outpatient treatment is recommended, arrangements will then be made for the individual to be seen in the outpatient unit. (See **PC 165 Referral to Outpatient Services**).

- 6.0 If LPBHC does not have the recommended level of service at the time of the assessment, or the patient/family chose not to seek services at LPBHC, appropriate referral to alternate services in the community will be offered to the patient and/or family. Assistance to obtain services will be offered to the patient and/or family. Assessment and Referral staff will assist in making the initial contact if family desires.

- 7.0 If inpatient admission is deemed necessary by Assessment and Referral Staff and by the Attending Psychiatrist on-call, and the patient cannot be admitted to the facility based on exclusionary criteria outlined in PC 100 Triage System, or based on unit capacity, Assessment and Referral Staff will arrange with the consent of the parent/guardian to transfer the patient to a facility offering inpatient psychiatric services based on the guidelines outlined in PC 125 EMTALA Compliance and Transfers.

- 8.0 Assessment and Referral staff will complete the necessary admission paperwork to forward to the unit or program recommended. If inpatient, the patient will be accompanied to the unit by A&R staff and the appropriate information, both paperwork and verbal, will be given to the unit staff (See **PC 135 Admission of Patients to Inpatient Units**). If outpatient, the appropriate paperwork will be forwarded to the Outpatient Department, and communication will occur between programs that allows discussion of clinical information as needed.

- 9.0 In the event an Assessment and Referral staff member is unavailable to receive a phone call from the receptionist, the receptionist will forward the call to a designated "back up" staff member. That staff will complete the Initial Call Screening and arrange for a scheduled assessment.

Level of Care Determination

POLICY STATEMENT:

Lincoln Prairie Behavioral Health Center will complete an Initial Assessment to determine the appropriate level of care for everyone entering services.

PROCEDURE:

- 1.0 Assessment and Referral Staff, after completing the Initial Assessment and determining that inpatient or partial hospitalization services are indicated (**See PC 105 Initial Assessment and Referral**), or after receiving a request from the community for a direct admission, will consult with the Attending Psychiatrist on-call to determine the least restrictive setting appropriate to provide effective care. This consultation will be documented, including Attending Psychiatrist consulted, on the Initial Assessment and Referral (Form LPBHC 57) and the Initial Call Screen (Form LPBHC 1126).
- 2.0 Assessment and Referral Staff will make a referral to the appropriate program based on the following criteria:
- 2.1 Inpatient Units: Assessment and Referral Staff will admit patients to an inpatient unit if:
- 2.1.1 The patient exhibits psychiatric symptoms, behavioral problems, and/or developmental delays of sufficient severity causing significant or profound impairment in daily functioning.
- 2.1.2 The patient is actively suicidal or homicidal or otherwise places self in imminent danger of harming self or others.
- 2.2 Partial Hospitalization Program: Assessment and Referral Staff will admit patients to the Partial Hospitalization Program if:
- 2.2.1 The patient exhibits psychiatric symptoms, behavioral problems, and/or developmental delays of sufficient severity causing significant or profound impairment in daily functioning, and
- 2.2.2 The patient is not actively suicidal, homicidal or otherwise in imminent danger of harming self or others, and

- 2.2.3 Psychiatric symptoms require a structured environment and support to stabilize symptoms to reduce need for more intensive level of care.
- 2.3 Intensive Outpatient Program: Assessment and Referral Staff will admit patients to the Intensive Outpatient Program if:
 - 2.3.1 The patient exhibits psychiatric symptoms of sufficient severity causing moderate impairment of daily functioning.
 - 2.3.2 The patient is not actively suicidal, homicidal, or otherwise places self in imminent danger of harming self or others.
 - 2.3.3 Psychiatric symptoms require a structured environment and support to stabilize symptoms to reduce need for more intensive level of care.
 - 2.3.4 The patient is unable to benefit from a traditional outpatient setting and exhibits moderate control of their behaviors.
- 2.4 Outpatient Program: Assessment and Referral Staff will admit patient to the Outpatient Program if:
 - 2.4.1 The patient exhibits psychiatric symptoms of sufficient severity causing limited to mild impairment of daily functioning.
 - 2.4.2 The patient is not actively suicidal, homicidal or otherwise places self in imminent danger of harming self or others.
 - 2.4.3 The patient has a mental illness and is experiencing an increase in symptoms and requires support and assistance to avoid continual increase in symptoms and/or possible need for a more restrictive level of care.
- 3.0 When the appropriate level of care is determined, the corresponding protocol for admission to the identified program will be followed. (Please refer to individual program admission policies)

Accessing CARES/SASS for SASS
Screening Services

Policy Approval: 04/08; 06/25/09

POLICY STATEMENT:

Lincoln Prairie Behavioral Health Center adheres to the rules and regulations set forth by Department of Children and Family Services (DCFS), the State of Illinois and the Mental Health Code regarding admission of minors.

PROCEDURE:

- 1.0 All inpatient admissions of minors that have Medicaid (either primary or secondary), no funding or are a DCFS wards must have a SASS (Screening and Support Services) screening completed before admission to an inpatient psychiatric unit.
- 2.0 If the SASS assessment is completed by a SASS worker in the community, and the worker has determined that in their opinion the patient meets criteria for inpatient hospitalization, the worker will then contact this facility to arrange for direct admission of the patient. The patient will be admitted directly upon the order of the Attending Psychiatrist on-call.
- 3.0 If the patient presents for an emergency assessment without a SASS screening having been completed first:
 - 3.1 The Assessment and Referral staff will conduct the initial assessment.
 - 3.2 If inpatient hospitalization is deemed necessary, Assessment and Referral staff will contact the CARES Hotline (1-800-345-9049) to request the initiation of the SASS screening process. If a SASS screening is determined by the CARES Hotline to be clinically appropriate based on their criteria, the CARES Hotline worker will then call the local SASS agency directly to arrange for the screening. The local SASS agency has 90 minutes to respond to the screening once contacted by the CARES line.

- 4.0 Although CARES/SASS approval of the admission is required for payment by Medicaid, CARES/SASS consent for admission (or lack thereof) will not be a variable in determining whether or not the facility provides inpatient treatment to a patient if the Assessment and Referral staff and the Attending Psychiatrist on-call both feel admission is appropriate. In instances where this occurs, the Utilization Review Department will contact the CARES Hotline the following day with additional clinical information and will seek authorization for a SASS screen or another SASS screen as needed.
- 5.0 For children who have already been admitted to the hospital and are later determined to be in need of a SASS screening for Medicaid eligibility (e.g. insurance benefits ran out or could not be verified), the CARES Hotline will be called to request a non-emergent SASS screening. The SASS agency has 24 hours to respond to these non-emergent requests.

Referral from Hospital for Admission

Policy Approval: 04/08; 06/25/09

POLICY STATEMENT:

Lincoln Prairie Behavioral Health Center will accept referrals from other facilities to continue treatment necessary for stabilization of symptoms.

PROCEDURE:

- 1.0 When another facility refers a patient to LPBHC, an Initial Call Screen (Form LPBHC 1126) is completed and admission procedures are followed per admission protocol (See **PC 135 Admission of Patients to Inpatient Units**). Additional administrative and medical staff approval is necessary to assist Assessment and Referral staff in ensuring safe and appropriate transfer of a patient from another facility.
- 2.0 If the patient is currently receiving inpatient treatment at referring facility, then:
 - 2.1 A nurse-to-nurse consultation is required to further assess any medical-related issues.
 - 2.2 Assessment and admission procedures are followed per protocol including obtaining an order for admission from the LPBHC Admitting Physician.
 - 2.3 Any additional concerns must be cleared by the Admitting Physician, Chief of Nursing Operations or Designee, and/or Clinical Director as appropriate.
- 3.0 If the referred patient is not currently receiving inpatient care but has presented for an assessment at the referring facility, then:
 - 3.1 Assessment and Referral will consult with the appropriate mental health and medical staff at the referring facility as well as with the LPBHC Admitting Physician to obtain necessary information and to obtain medical clearance.
 - 3.2 Additionally, a nurse-to-nurse consultation may be required to address any significant medical related issues.
- 4.0 Assessment and Referral staff will complete the Initial Assessment and Referral paperwork and admission paperwork when the patient arrives at the facility.

POLICY STATEMENT:

Patients will be admitted to the least restrictive level of care deemed appropriate per admission criteria and must meet these criteria for the level of care recommended. A physician will admit the minor to inpatient care.

PROCEDURE:

- 1.0 Assessment and Referral staff will provide an assessment for those seeking services and review admission criteria to determine need for inpatient care (**See PC 111 Level of Care Determination**).
- 2.0 If inpatient admission is deemed necessary by Assessment and Referral Staff and by the Attending Psychiatrist on-call, and the patient cannot be admitted to the facility based on exclusionary criteria outlined in PC 100 Triage System and Exclusion Criteria, Assessment and Referral Staff will arrange with the consent of the parent/guardian to transfer the patient to a facility offering inpatient psychiatric services based on the guidelines outlined in PC 125 EMTALA Compliance and Transfers.
- 3.0 If inpatient care is indicated, and the patient is appropriate for admission to the facility, Assessment and Referral staff will:
 - 3.1 Contact the Unit Nurse to check on bed availability and discuss any significant clinical or medical issues (e.g. patient needs MRSA precautions, patient has history of sexually acting out and will need a private room).
 - 3.2 Staff will contact the CARES Hotline for any admissions that are covered under Medicaid, are uninsured, or are DCFS wards to initiate a SASS screening (**See PC 115 Accessing CARES/SASS for SASS Screening**).
 - 3.2 Staff will then contact the Admitting Psychiatrist and review clinical information to determine appropriate level of care and obtain admitting diagnoses. If admission is indicated, staff will connect the Admitting Psychiatrist with the Unit Nurse to give orders for admission.

- 3.3 Staff will continue the process for admission to the identified inpatient unit.
- 4.0 Admission documents will be completed prior to admission to the inpatient unit, Assessment and Referral staff will review all applicable forms and obtain necessary signatures from the patient (age 12 years and over) and the guardian.
- 5.0 If there is no guardian or person in loco parentis available and there is observation that the minor needs to be admitted to prevent harm of self or others, an interested person age 18 or other may complete the "Application by an Adult for the Admission of a Minor" (Illinois DHS form MH-6) formally requesting admission of the minor patient.
 - 5.1 Within 24 hours of admission, a psychiatrist or clinical psychologist who has examined the minor shall complete a certificate identifying the need to continue to treat the minor on the inpatient unit. If no certificate can be completed, the minor shall be discharged.
 - 5.2 Diligent effort shall continue to be made to locate the guardian or person in loco parentis who may agree to the admission or disagree to the admission. At that point, the appropriate protocol shall be followed on the inpatient unit that coincides with the guardian's opinion.
- 6.0 If being admitted to the inpatient unit, Assessment and Referral staff will conduct an initial check for unacceptable items by asking the patient to empty pockets, and by going through patient belongings. Those items determined to be contraband will either be sent home with accompanying party or placed in Assessment and Referral Patient Effects Storage Room. The minor will retrieve anything stored at the time of his/her discharge. Parents will store any purse, bag, coat etc. in Assessment and Referral prior to accompanying the child to the unit. They will retrieve their belongings upon leaving the facility after admission. (See RI 121 Personal Belongings).
- 7.0 Assessment and Referral staff will then transport the patient to the receiving unit.
 - 7.1 Staff will contact the receiving inpatient unit to give notice of patient being ready for transfer to the unit.
 - 7.2 Staff will accompany the new admission to the unit.
 - 7.3 Staff will:
 - 7.3.1 provide necessary paperwork to receiving Unit Nurse including copies of the Initial Assessment and Referral form, risk assessments, Application by and Adult for the Admission of a Minor, and other clinical and legal paperwork as appropriate,
 - 7.3.2 will provide handoff communication/clinical information to the Unit Nurse, and
 - 7.3.3 will obtain Unit Nurse signature on the Initial Assessment and Referral form indicating that handoff communication has occurred.

- 3.0 Assessment and Referral staff will contact staff on the unit and verify bed availability and will provide pertinent information allowing for appropriate placement in regard to needs and potential risks.
- 4.0 The Admitting Psychiatrist will be contacted to review clinical information, determine the appropriate level of care, obtain an admitting diagnosis, and then will be connected with the receiving inpatient unit Charge Nurse to give admission orders.
- 5.0 If inpatient admission is deemed necessary by Assessment and Referral Staff and by the Attending Psychiatrist on-call, and the patient cannot be admitted to the facility based on exclusionary criteria outlined in PC 100 Triage System and Exclusion Criteria, Assessment and Referral Staff will arrange with the consent of the guardian to transfer

POLICY STATEMENT:

Assessment and Referral staff will obtain verbal consent from the legal guardian for inpatient hospital admission when the legal guardian is unable to be present for the admission process.

- 5.0 If guardian signatures are needed on documents, the unit Charge Nurse will be notified to ensure follow through on obtaining guardian signature. Until signature is obtained, a copy indicating verbal consent has been obtained will be placed in the medical record. When the original is signed it will be placed in the record in place of the copy.

HEALTH CARE SYSTEM

The proposed change of ownership will not restrict the use of other area facilities, nor will it have an impact on other area providers.

Impact of the Proposed Transaction on Other Area Providers

Following the change of ownership, Lincoln Prairie Behavioral Health Center will continue to operate with an "open" Medical Staff model. Any qualified physician can apply for admitting privileges at the hospital. Alternatively, members of the Medical Staff will not be required to admit only to Lincoln Prairie. In addition, because the current admissions policies of the hospital will not be changed, patients will not be "deflected" from Lincoln Prairie to other area facilities as a result of the change of ownership or changes in admitting policies.

UHS does not anticipate any impact on any other area providers of inpatient acute mental illness services to result from the change of ownership.

Other Facilities Within the Acquiring Co-Applicants' Health Care System

Universal Health Services, Inc. owns three other hospitals in the Illinois, all of which provide acute mental illness (AMI) services, exclusively: The Pavilion Foundation Hospital, located at 809 West Church Street in Champaign, Hartgrove Hospital, located

at 5730 West Roosevelt Road in Chicago, and Garfield Park Hospital, located at 520 North Ridgeway Avenue in Chicago. The establishment of Garfield Park Hospital was approved by the IHFSRB on September 1, 2009, and is anticipated to open in mid-2012. The Pavilion Foundation Hospital is located 91 minutes/90.42 miles from Lincoln Prairie, Hartgrove Hospital is located 3 hours and 27 minutes/204.65 miles from Lincoln Prairie and the Garfield Hospital site is located 3 hours and 32 minutes/207.69 miles from Lincoln Prairie.

The Pavilion provides 47 AMI beds, Hartgrove Hospital provides 150 AMI beds and Garfield Park Hospital is approved to provide 88 AMI beds. AMI beds constitute the only IDPH-designated "category of service" provided at Lincoln Prairie, The Pavilion, Hartgrove, and Garfield Park (proposed). During calendar 2009, Hartgrove Hospital operated with an average daily census of 134.2 patients, or 89.4% occupancy, based on 150 beds. It should be noted, however, that Hartgrove was approved to increase its bed complement from 136 to 150 beds on September 30, 2009, and as a result, the 89.4% occupancy rate is deflated. During 2009, The Pavilion operated at an occupancy rate of 92%.

Referral Agreements

Lincoln Prairie does not maintain any formal referral agreements.

UHS intends to develop referral agreements between Lincoln Prairie and community-based mental health agencies in central Illinois, similar to the agreements in

place between Hartgrove Hospital and agencies in the Chicago area. That process is anticipated to commence within thirty days of the change of ownership.

Referrals from Lincoln Prairie will typically be made at the discretion of the patient's physician, in consultation with the patient and family. There will not be a policy in place regarding any preference of referrals to Health Care System members over other facilities

Duplication of Services

As certified in this application, UHS intends to continue to operate Lincoln Prairie as an acute mental illness hospital. UHS intends to continue to provide a full range of comprehensive AMI services, consistent with the services that are provided in other free-standing psychiatric hospitals. Given the high utilization of these hospitals, and the decrease or elimination of AMI services by other providers, UHS does not believe that this change of ownership will result in an unnecessary duplication of services. UHS does not have plans for the elimination of services.

Availability of Community Services

Lincoln Prairie provides a limited scope of community programming, with its primary focus being on a teenage suicide prevention program. It is very likely that following the proposed change of ownership, numerous community programs offered at other Health Care System hospitals will be implemented in Springfield. While the program development process will not be initiated until the change of ownership occurs,

it is anticipated that cooperative and educational programs with groups such as the Springfield Police Department and the local school systems will be implemented.

The community will continue to be made aware of programs offered by the hospital through a variety of avenues, including hospital publications, local newspapers, public service announcements, information provided in mental health professionals' offices, and information provided to patients by staff.

Commitment Letter

Ladies and Gentlemen:

You have advised JPMorgan Chase Bank, N.A. ("JPMCB"), Deutsche Bank Securities Inc. ("DBSI"), J.P. Morgan Securities Inc. ("JPMSI") and Deutsche Bank AG New York Branch ("DB", and together with JPMCB, DBSI and JPMSI, the "Commitment Parties", "us" or "we") that you (the "Borrower"), intend to acquire, through a merger, the company you have identified to us as "Phoenix" (the "Target") and consummate the other transactions described on Exhibit A hereto. Capitalized terms used but not defined herein are used with the meanings assigned to them on the Exhibits attached hereto (such Exhibits, together with this letter, collectively, the "Commitment Letter").

1. Commitments

In connection with the Transactions, JPMCB is pleased to advise you of its commitment to provide 65% of the entire aggregate principal amount of the Credit Facilities, and DB is pleased to advise you of its commitment to provide 35% of the entire aggregate principal amount of the Credit Facilities, upon the terms and conditions set forth in this letter and the Summary of Terms and Conditions, attached as Exhibits B and C hereto (the "Term Sheet").

2. Titles and Roles

It is agreed that (i) each of JPMSI and DBSI will act as joint lead arranger and joint bookrunner for the Credit Facilities (acting in such capacities, the "Senior Lead Arrangers") and (ii) JPMCB will act as sole administrative agent for the Credit Facilities. Each of JPMSI and DBSI will, in its capacity as

098888-0048-11227-12013741

ATTACHMENT 39

185

Senior Lead Arranger, perform the duties and exercise the authority customarily performed and exercised by it in such role.

It is further agreed that JPMSI will have "left" placement in any marketing materials or other documentation used in connection with the Credit Facilities and that DBSI will have "right" placement in any marketing materials or other documentation used in connection with the Credit Facilities. You agree that no other agents, co-agents, arrangers or bookrunners will be appointed and no other titles will be awarded and no compensation (other than that expressly contemplated by the Term Sheet and Fee Letter referred to below) will be paid in connection with the Credit Facilities unless you and we shall so reasonably agree (it being understood and agreed that no other agents, co-agents, arrangers or bookrunners shall be entitled to greater economics in respect of the Credit Facilities than the Commitment Parties).

3. Syndication

We intend to syndicate the Credit Facilities to a group of lenders identified by us in consultation with you (together with JPMCB and DB, the "Lenders"). The financial institutions identified and selected to act as the Lenders shall be subject to your prior consent (not to be unreasonably withheld). The Senior Lead Arrangers intend to commence syndication efforts promptly, and until the earlier to occur of (i) a Successful Syndication (as defined in the Fee Letter) and (ii) ninety (90) days after the Closing Date, you agree actively to assist (and to use your commercially reasonable efforts to cause the Target to actively assist) the Senior Lead Arrangers in completing a syndication satisfactory to the Commitment Parties. Such assistance shall include (A) using commercially reasonable efforts to ensure that the syndication efforts benefit from your and your affiliates' existing banking relationships, (B) direct contact between your senior management and advisors and the proposed Lenders (and using your commercially reasonable efforts to ensure such contact between senior management of the Target and the proposed Lenders), (C) your assistance (and using your commercially reasonable efforts to cause the Target to assist) in the preparation of one or more confidential information memoranda and other marketing materials to be used in connection with the syndication, (D) the hosting, with the Commitment Parties, of one or more meetings of prospective Lenders at times and locations to be mutually agreed (and using your commercially reasonable efforts to cause the officers of the Target to be available for such meetings), (E) using your commercially reasonable efforts to obtain (x) corporate credit and/or corporate family ratings for the Borrower and (y) ratings for the Credit Facilities and the Senior Notes, in each case from each of Moody's Investors Service, Inc. ("Moody's") and Standard & Poor's Ratings Group ("S&P") prior to the Closing Date, and (F) there being no competing offering, placement or arrangement of any debt securities (other than the Senior Notes or debt securities issued in lieu of the Senior Notes) or bank financing (other than the Credit Facilities) by or on behalf of you or the Target and its subsidiaries. Upon the request of any Commitment Party, you will furnish, and will use your commercially reasonable efforts to cause the Target to furnish, or cause to be furnished, to such Commitment Party an electronic version of your and the Target's trademarks, service marks and corporate logo for use in marketing materials for the purpose of facilitating the syndication of the Credit Facilities (the "License"); provided, however, that the License shall be used solely for the purpose described above, is granted without any fee and may not be assigned or transferred. Without limiting your obligations to assist with syndication efforts as set forth in this paragraph, we agree that completion of a syndication is not a condition to our commitments hereunder and we further agree that (except for purposes of determining whether a Successful Syndication has been achieved under the market flex provisions of the Fee Letter) we will not be released from our commitment hereunder in connection with such a syndication to any Lender unless (A) any such Lender (reasonably acceptable to you) has entered into an amendment or joinder with respect to this Commitment Letter committing to provide a portion of the Credit Facilities (in which case our commitments hereunder shall be reduced at such time by an amount equal to the commitment assumed by such Lender) or (B)

such Lender shall have entered into the applicable Credit Facilities Documentation and funded the portion of the Credit Facilities required to be funded by it on the Closing Date.

The Senior Lead Arrangers, in their capacity as such, will manage, in consultation with you, all aspects of the syndication, including decisions as to the selection of institutions to be approached and when they will be approached, when the Lenders' commitments will be accepted, which Lenders will participate (subject to your consent rights set forth above, not to be unreasonably withheld), the allocation of the commitments among the Lenders (subject to your prior consent, not to be unreasonably withheld) and the amount and distribution of fees among the Lenders. You hereby acknowledge and agree that each Senior Lead Arranger, in such capacity, will have no responsibility other than to arrange the syndication as set forth herein and in no event shall be subject to any fiduciary or other implied duties in connection with the transactions contemplated hereby. To assist the Senior Lead Arrangers in their syndication efforts, you agree promptly to prepare and provide to the Senior Lead Arrangers (and use commercially reasonable efforts to cause the Target to provide to the Senior Lead Arrangers) all information with respect to the Borrower and (to the best of your knowledge) the Target and their respective subsidiaries and the Acquisition, including all financial information and Projections (as defined below), as the Senior Lead Arrangers may reasonably request in connection with the arrangement and syndication of the Credit Facilities (it being understood that the Senior Lead Arrangers may engage in two or more syndication periods and you have agreed to assist the Senior Lead Arrangers as set forth in this paragraph in connection with all such syndication efforts). Notwithstanding anything in this Commitment Letter to the contrary, the terms of the Credit Facilities Documentation shall be negotiated by the parties in good faith not to be in a form such that the Credit Facility is not available on the date that the conditions to the acquisition are satisfied or capable of being satisfied if the Conditionality Provision (as defined below) and the conditions precedent set forth in the Term Sheet are satisfied.

At the request of the Senior Lead Arrangers, you agree to assist in the preparation of a version of the information package and presentation (the "Public Information Package") consisting exclusively of information and documentation with respect to you and your affiliates, the Target and its subsidiaries (in this case, to the best of your knowledge) and the Acquisition that is either publicly available or not material with respect to you and your affiliates, the Target and its subsidiaries (in this case, to the best of your knowledge), any of your or their respective securities or the Acquisition for purposes of United States federal and state securities laws. It is understood that in connection with your assistance described above, authorization letters will be included in any information package and presentation whereby you authorize the distribution of such information to prospective Lenders, containing a representation by you to the Commitment Parties that the Public Information Package does not include any such material non-public information and exculpating you and us with respect to any liability related to the use of the contents of such Public Information Package or any related marketing material by the recipients thereof. You acknowledge and agree that the following documents may be distributed to potential Lenders wishing to receive only the Public Information Package (unless you promptly notify us otherwise): (a) drafts and final versions of the Credit Facilities Documentation; (b) administrative materials prepared by the Commitment Parties for prospective Lenders (such as a lender meeting invitation, allocations and funding and closing memoranda); and (c) notification of changes in the terms of the Credit Facilities. You also agree to use commercially reasonable efforts to identify that portion of any other Information or Projections (the "Borrower Materials") to be distributed to "public side" lenders (i.e. lenders that do not wish to receive any such material non-public information), including by clearly and conspicuously marking such materials "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof. By marking Borrower Materials "PUBLIC", you shall be deemed to have authorized the Commitment Parties and the proposed Lenders to treat such Borrower Materials as not containing any material non-public information with respect to you and your affiliates, the Target and its subsidiaries (in this case, to the best of your knowledge), any of your or their (in this

case, to the best of your knowledge) respective securities or the Acquisition for the purpose of United States federal and state securities laws.

4. Information

You hereby represent, warrant and covenant that (with respect to Information and Projections relating to the Target and its subsidiaries, to your knowledge) (a) all written information, other than the Projections and information of a general economic or industry specific nature (the "Information"), that has been or will be made available to us by you or any of your representatives in connection with the transactions contemplated hereby, when taken as a whole, does not or will not, when furnished to us, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (giving effect to all supplements thereto) and (b) the financial projections and other forward-looking information (the "Projections") that have been or will be made available to us by you or any of your representatives in connection with the transactions contemplated hereby have been or will be prepared in good faith based upon assumptions believed by you to be reasonable at the time furnished to us (it being recognized by the Commitment Parties that such Projections are not to be viewed as facts and that actual results during the period or periods covered by any such Projections may differ from the projected results, and such differences may be material). You agree that if, at any time prior to the Closing Date, you become aware that any of the representations in the preceding sentence is incorrect, in any material respect, then you will (or, with respect to the Information and Projections relating to the Target and its subsidiaries, will use commercially reasonable efforts to) promptly supplement the Information and the Projections so that (with respect to Information and Projections relating to the Target and its subsidiaries, to your knowledge) such representations are correct, in all material respects, under those circumstances. You understand that in arranging and syndicating the Credit Facilities we may use and rely on the Information and Projections without independent verification thereof.

5. Fees

As consideration for the commitments and agreements of the Commitment Parties hereunder, you agree to cause to be paid the nonrefundable fees described in the Fee Letter dated the date hereof and delivered herewith (the "Fee Letter") on the terms and subject to the conditions set forth therein.

6. Conditions

Each Commitment Party's commitments and agreements hereunder are subject to the conditions set forth in this Section 6, on Exhibit C and in Exhibit B under the heading "CERTAIN CONDITIONS - Initial Conditions". Notwithstanding anything in this Commitment Letter, the Fee Letter, the Credit Facilities Documentation (as defined in Exhibit B) or any other letter agreement or other undertaking concerning the financing of the transactions contemplated hereby to the contrary, (a) the only representations relating to you and your subsidiaries and the Target and its subsidiaries and their respective businesses, the accuracy of which shall be a condition to availability of the Credit Facilities on the Closing Date, shall be (i) such of the representations made by the Target in the Merger Agreement as are material to the interests of the Lenders, but only to the extent that you have the right to terminate your obligations under the Merger Agreement as a result of a breach of such representations in the Merger Agreement (the "Merger Agreement Representations") and (ii) the Specified Representations (as defined below), and (b) the terms of the Credit Facilities Documentation shall be in a form such that they do not impair availability of the Credit Facilities on the Closing Date if the conditions set forth in this Commitment Letter are satisfied (it being understood that, to the extent any collateral (including the creation or perfection of any security interest) referred to in the Term Sheet is not or cannot be provided on the Closing Date (other than (x) the pledge of capital stock of domestic subsidiaries of the Borrower

and (y) the grant and perfection of security interests in other assets pursuant to which a lien may be perfected solely by the filing of a financing statement under the Uniform Commercial Code ("UCC") after your use of commercially reasonable efforts to do so or without undue burden or expense, then the provision of any such collateral shall not constitute a condition precedent to the availability of the Credit Facilities on the Closing Date, but may instead be provided after the Closing Date pursuant to arrangements to be mutually agreed). For clarity, the satisfaction of the requirements described in the foregoing clauses (x) and (y) shall not be defeated solely because you fail to deliver on the Closing Date, after your use of commercially reasonable efforts to do so, one or more stock certificates of domestic subsidiaries of the Borrower (which in any event shall be delivered no later than 30 days after the Closing Date). For purposes hereof, "Specified Representations" means the representations and warranties referred to in the Term Sheet relating to corporate existence and qualification, power and authority, due authorization, execution and delivery and the enforceability of the Credit Facilities Documentation, in each case as they relate to the entering into and performance of the Credit Facilities Documentation, effectiveness, validity and perfection of first priority liens under the security documents (subject to permitted liens and the limitations set forth in the preceding sentence), use of proceeds, Investment Company Act, compliance with laws, solvency of the Borrower and its subsidiaries, on a consolidated basis after giving effect to the Transactions, Federal Reserve margin regulations and status of the Credit Facilities and the guarantees thereof as senior debt. Notwithstanding anything in this Commitment Letter, the Fee Letter, the Credit Facilities Documentation or any other letter agreement or other undertaking concerning the financing of the transactions contemplated hereby to the contrary, the only conditions to availability of the Credit Facilities on the Closing Date are set forth in the Term Sheet under the heading "CERTAIN CONDITIONS-Initial Conditions" and in Exhibit C. This paragraph, and the provisions of this paragraph, shall be referred to as the "Conditionality Provision".

7. Indemnification and Expenses

You agree (a) to indemnify and hold harmless the Commitment Parties, their respective affiliates and their respective directors, officers, employees, advisors and agents (each, an "indemnified person") from and against any and all losses, claims, damages and liabilities to which any such indemnified person may become subject arising out of or in connection with this Commitment Letter, the Fee Letter, the Credit Facilities, the use of the proceeds thereof and the Acquisition and the Transactions or any claim, litigation, investigation or proceeding (a "Proceeding") relating to any of the foregoing, regardless of whether any indemnified person is a party thereto, whether or not such Proceedings are brought by you, your equity holders, affiliates, creditors or any other person, and to reimburse each indemnified person upon demand for any reasonable, documented, out-of-pocket legal or other documented out-of-pocket expenses incurred in connection with investigating or defending any of the foregoing, provided that the foregoing indemnity will not, as to any indemnified person, apply to losses, claims, damages, liabilities or related expenses to the extent they arise from the willful misconduct, bad faith or gross negligence of such indemnified person or from the breach by such indemnified person of its agreement hereunder and (b) regardless of whether the Closing Date occurs, to reimburse each Commitment Party and its affiliates for all reasonable, documented out-of-pocket expenses that have been invoiced prior to the Closing Date (not to exceed \$250,000) or following termination or expiration of the commitments hereunder (including due diligence expenses, syndication expenses, travel expenses, and the fees, charges and disbursements of one transaction counsel, in addition to special or local counsel) incurred in connection with each of the Credit Facilities and any related documentation (including this Commitment Letter and the definitive Credit Facility Documentation) or the administration, amendment, modification or waiver thereof. It is further agreed that each Commitment Party shall only have liability to you (as opposed to any other person). No indemnified person shall be liable for any damages arising from the use by other persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such other persons, except to the extent any such damages arise from the gross negligence, bad faith or willful misconduct of such indemnified person (or any of its related parties) or

from the breach by such indemnified person (or any of its related parties) of its agreements hereunder. None of the indemnified persons or you, the Target or any of your or their respective affiliates or the respective directors, officers, employees, advisors, and agents of the foregoing shall be liable for any indirect, special, punitive or consequential damages in connection with this Commitment Letter, the Fee Letter, the Credit Facilities or the transactions contemplated hereby. You shall not be liable for any settlement of any Proceeding effected without your consent (which consent shall not be unreasonably withheld or delayed), but if settled with your written consent, or if there is a judgment against an indemnified person in any such Proceeding, you agree to indemnify and hold harmless each indemnified person in the manner set forth above. You shall not, without the prior written consent of an indemnified person (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened Proceeding against an indemnified person in respect of which indemnity could have been sought hereunder by such indemnified person unless such settlement (i) includes an unconditional release of such indemnified person from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to any admission.

8. Sharing of Information, Absence of Fiduciary Relationship, Affiliate Activities

You acknowledge that each Commitment Party (or its affiliates) is a full service securities firm and such person may from time to time effect transactions, for its own or its affiliates' account or the account of customers, and hold positions in loans, securities or options on loans or securities of you, the Target, your or their respective affiliates and of other companies that may be the subject of the transactions contemplated by this Commitment Letter. In addition, none of the Commitment Parties and none of their respective affiliates will use confidential information obtained from you or your affiliates or on your or their behalf by virtue of the transactions contemplated hereby in connection with the performance by the Commitment Parties and their respective affiliates of services for other companies or other persons and none of the Commitment Parties or their respective affiliates will furnish any such information to any of their other customers. You also acknowledge that the Commitment Parties and their respective affiliates have no obligation to use in connection with the transactions contemplated hereby, or to furnish to you, confidential information obtained from other companies or other persons.

The Commitment Parties shall use all nonpublic information received by them in connection with the Acquisition and the related transactions solely for the purposes of providing the services that are the subject of this Commitment Letter and shall treat confidentially all such information; provided, however, that nothing herein shall prevent any Commitment Party from disclosing any such information (a) to rating agencies, (b) to any Lenders or participants or prospective Lenders or participants, (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable law or regulations (in which case such Commitment Party shall promptly notify you, in advance, to the extent permitted by law), (d) upon the request or demand of any regulatory authority having jurisdiction over such Commitment Party or its affiliates (in which case such Commitment Party shall, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, promptly notify you, in advance, to the extent lawfully permitted to do so), (e) to the employees, legal counsel, independent auditors, professionals and other experts or agents of such Commitment Party (collectively, "Representatives") who are informed of the confidential nature of such information and are or have been advised of their obligation to keep information of this type confidential, (f) to any of its respective affiliates (provided that any such affiliate is advised of its obligation to retain such information as confidential, and such Commitment Party shall be responsible for its affiliates' compliance with this paragraph) solely in connection with the Acquisition and the related transactions, (g) to the extent any such information becomes publicly available other than by reason of disclosure by such Commitment Party, its affiliates or Representatives in breach of this Commitment Letter and (h) for purposes of establishing a "due diligence" defense; provided that the disclosure of any such information to any Lenders or prospective Lenders or participants or prospective participants referred to above shall be made subject to the acknowledgment and acceptance by such Lender or prospective Lender or participant or prospective participant that such information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to you and each Commitment Party, including, without limitation, as agreed in any confidential information memorandum or other marketing materials) in accordance with the standard syndication processes of such Commitment Party or customary market standards for dissemination of such type of information. The provisions of this paragraph shall automatically terminate two years following the date of this Commitment Letter.

10. Miscellaneous

This Commitment Letter shall not be assignable by you (except to one or more of your subsidiaries immediately prior to or otherwise substantially concurrently with the consummation of the Acquisition) without the prior written consent of each Commitment Party (and any purported assignment without such consent shall be null and void), is intended to be solely for the benefit of the parties hereto and the indemnified persons and is not intended to and does not confer any benefits upon, or create any rights in favor of, any person other than the parties hereto and the indemnified persons to the extent expressly set forth herein. Subject to Section 3 above, the Commitment Parties reserve the right to employ the services of their affiliates in providing services contemplated hereby and to allocate, in whole or in part, to their affiliates certain fees payable to the Commitment Parties in such manner as the Commitment Parties and their affiliates may agree in their sole discretion. This Commitment Letter may not be amended or waived except by an instrument in writing signed by you and each Commitment Party. This Commitment Letter may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement. Delivery of an executed signature page of this Commitment Letter by facsimile or other electronic transmission (e.g., "pdf" or "tif") shall be effective as delivery of a manually executed counterpart hereof. This Commitment Letter and the Fee Letter are the only agreements that have been entered into among us and you with respect to the Credit Facilities and set forth the entire understanding of the parties with respect thereto. This Commitment Letter shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

You and we hereby irrevocably and unconditionally submit to the exclusive jurisdiction of any state or federal court sitting in the Borough of Manhattan in the City of New York over any suit, action or proceeding arising out of or relating to the Transactions or the other transactions contemplated hereby, this Commitment Letter or the Fee Letter or the performance of services hereunder or thereunder. You and we agree that service of any process, summons, notice or document by registered mail addressed to you or us shall be effective service of process for any suit, action or proceeding brought in any such court. You and we hereby irrevocably and unconditionally waive any objection to the laying of venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding has been brought in any inconvenient forum. You and we hereby irrevocably agree to waive trial by jury in any suit, action, proceeding, claim or counterclaim brought by or on behalf of any party related to or arising out of the Transactions, this Commitment Letter or the Fee Letter or the performance of services hereunder or thereunder.

Each of the Commitment Parties hereby notifies you that, pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies the Borrower and each Guarantor, which information includes names, addresses, tax identification numbers and other information that will allow such Commitment Party and each Lender to identify the Borrower and each Guarantor in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act and is effective for the Commitment Parties and each Lender.

The indemnification, fee, expense, jurisdiction, syndication and confidentiality provisions contained herein and in the Fee Letter shall remain in full force and effect regardless of whether definitive financing documentation shall be executed and delivered and notwithstanding (except with respect to syndication) the termination of this Commitment Letter or the commitments hereunder; provided that your obligations under this Commitment Letter (other than your obligations with respect to (a) assistance to be provided in connection with the syndication thereof and (b) confidentiality of the Fee Letter and the contents thereof) shall automatically terminate and be superseded by the provisions of the Credit Facilities Documentation upon the initial funding thereunder, and you shall automatically be released from all

liability in connection therewith at such time. You may terminate the Commitment Parties' commitments hereunder at any time subject to the provisions of the preceding sentence.

Section headings used herein are for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Commitment Letter.

If the foregoing correctly sets forth our agreement, please indicate your acceptance of the terms of this Commitment Letter and the Fee Letter by returning to us executed counterparts of this Commitment Letter and of the Fee Letter not later than 5:00 p.m., New York City time, on May 17, 2010. This offer will automatically expire at such time if we have not received such executed counterparts in accordance with the preceding sentence. In the event that the initial borrowing under the Credit Facilities does not occur on or before the Expiration Date, then this Commitment Letter and the commitments hereunder shall automatically terminate unless we shall, in our discretion, agree to an extension. "Expiration Date" means the earliest of (i) January 7, 2011, (ii) the closing of the Acquisition without the use of the Credit Facilities and (iii) the termination prior to closing of the Acquisition of the Merger Agreement.

EXHIBIT A

PROJECT OLYMPUS
TRANSACTION SUMMARY

Capitalized terms used but not defined in this Exhibit A shall have the meanings set forth in the Commitment Letter to which this Exhibit A is attached and in Exhibits B and C thereto.

Universal Health Services, Inc. (the "Borrower") has newly formed Olympus Acquisition Corp. ("Acquisition Co"), for the purpose of having the Borrower acquire (the "Acquisition"), through a merger transaction the company identified to us as "Phoenix" (the "Target") pursuant to a Merger Agreement (together with all exhibits, schedules and disclosure letters thereto, the "Merger Agreement") dated as of May 16, 2010 between the Target, Acquisition Co and the Borrower. In connection therewith, it is intended that:

(a) The Borrower will obtain senior secured credit facilities (the "Credit Facilities") in an aggregate amount of \$4,150 million comprised of (i) a \$500 million "tranche A" term loan facility, (ii) a \$2,850 million "tranche B" term loan facility and (iii) a \$800 million revolving credit facility, each as described in Exhibit B. The amount of the "tranche B" term loan facility shall be reduced by an amount equal to the gross cash proceeds (if any) obtained by the Borrower prior to the Closing Date by the issuance and sale of senior unsecured notes (the "Senior Notes") in a public offering or in a Rule 144A or other private placement.

(b) The proceeds of the Credit Facilities and the Senior Notes on the Closing Date will be applied (i) to refinance certain existing indebtedness of the Target and the Borrower, (ii) to pay the cash consideration for the Acquisition and (iii) to pay the fees and expenses incurred in connection with the Transactions (such fees and expenses, the "Transaction Costs").

The transactions described above are collectively referred to herein as the "Transactions". For purposes of this Commitment Letter and the Fee Letter, "Closing Date" shall mean the date of the satisfaction or waiver of the conditions set forth in Exhibit C and the initial funding of the relevant Credit Facilities.

2. TYPES AND AMOUNTS OF CREDIT FACILITIES

A. Term Loan Facilities

Type and Amount: Term loan facilities (the "Term Loan Facilities") as follows:

Tranche A Term Facility: A five-year term loan facility (the "Tranche A Term Facility") in the amount of up to \$500 million (the loans thereunder, the "Tranche A Term Loans"). The Tranche A Term Loans will be offered to Lenders with upfront fees of 0.75% of the amount thereof.

Tranche B Term Facility: A six-year term loan facility (the "Tranche B Term Facility") in the amount of up to \$2,850 million (the loans thereunder, the "Tranche B Term Loans" and, together with the Tranche A Term Loans, the "Term Loans"). The Tranche B Term Loans will be offered to Lenders with upfront fees of 1.00% of the amount thereof.

**Maturity and
Amortization:**

The Tranche A Term Loans will mature on the date that is five years after the Closing Date (the "Tranche A Term Maturity Date").

The Tranche A Term Loans shall be repayable for the first eight quarters in equal quarterly installments in an aggregate annual amount equal to 2.5% of the original principal amount of the Tranche A Term Facility and thereafter in equal quarterly installments in an aggregate annual amount equal to 5% of the original principal amount of the Tranche A Term Facility. B. Revolving Facility.

Type and Amount:

A five-year revolving facility (the "Revolving Facility"; the commitments thereunder, the "Revolving Commitments") in the initial amount of \$800 million (the loans thereunder, together with (unless the context otherwise requires) the Swingline Loans referred to below, the "Revolving Loans"; and together with the Term Loans, the "Loans"). The Revolving Facility will be offered to Lenders with upfront fees of 0.75% of the amount thereof.

**Availability and
Maturity:**

The Revolving Facility shall be available on a revolving basis during the period commencing on the Closing Date and ending on the date that is five years after the Closing Date (the "Revolving Termination Date") (and, in the case of ABR borrowings, will be available on a same day basis). The Revolving Commitments and the Revolving Loans will mature on the Revolving Termination Date. Amounts repaid under the

B-2

Revolving Facility may be reborrowed, subject to satisfaction of the on-going borrowing conditions. The Borrower shall be permitted to borrow up to \$300 million under the Revolving Facility on the Closing Date (excluding the amount of letters of credit then outstanding).

Letters of Credit:

A portion of the Revolving Facility not in excess of \$125 million shall be available beginning on the Closing Date for the issuance of letters of credit (the "Letters of Credit") by the Administrative Agent or other Lenders reasonably satisfactory to the Borrower (in such capacity, the "Issuing Lender"). No Letter of Credit shall have an expiration date after the earlier of (a) one year after the date of issuance unless consented to by the Issuing Lender and (b) five business days prior to the Revolving Termination Date, provided that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (b) above) under customary "evergreen" provisions.

Drawings under any Letter of Credit shall be reimbursed by the Borrower (whether with its own funds or with the proceeds of Revolving Loans) within one business day. To the extent that the Borrower does not so reimburse the Issuing Lender, the Lenders under the Revolving Facility shall be irrevocably and unconditionally obligated to fund participations in the reimbursement obligations on a pro rata basis.

Swingline Loans:

A portion of the Revolving Facility not in excess of \$50 million shall be available for swingline loans (the "Swingline Loans") from the Administrative Agent on same-day notice. Any Swingline Loans will reduce availability under the Revolving Facility on a dollar-for-dollar basis. Each Lender under the Revolving Facility shall be irrevocably and unconditionally required to purchase, under certain circumstances, a participation in each Swingline Loan on a pro rata basis.

Use of Proceeds:

The proceeds of the Revolving Loans, the Letters of Credit and the Swingline Loans shall be used to finance the working capital needs and for general corporate purposes of the Borrower and its subsidiaries.

INTEREST AND CERTAIN FEES

Interest Rate Options:

The Borrower may elect that the Loans comprising each borrowing bear interest at a rate per annum equal to (a) the ABR plus the Applicable Margin or (b) the Eurodollar Rate, plus the Applicable Margin; provided that all Swingline Loans shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

As used herein:

"ABR" means the highest of (i) the rate of interest publicly announced by JPMorgan Chase Bank, N.A. as its prime rate in effect at its principal office in New York City (the "**Prime Rate**"), (ii) the federal funds effective rate from time to time plus 0.50% and (iii) the Eurodollar Rate applicable for an interest period of one month plus 1.00%; provided, however, that notwithstanding the rate calculated in accordance with the foregoing, at no time shall the ABR for the Tranche B Term Facility be deemed to be less than 2.50% per annum.

"ABR Loans" means Loans bearing interest based upon the ABR.

"Applicable Margin" means, initially, (a) with respect to Revolving Loans (including Swingline Loans), (i) 2.25% in the case of ABR Loans and (ii) 3.25% in the case of Eurodollar Loans, (b) with respect to Tranche A Term Loans (i) 2.25%, in the case of ABR Loans and (ii) 3.25%, in the case of Eurodollar Loans and (c) with respect to Tranche B Term Loans (i) 2.50%, in the case of ABR Loans and (ii) 3.50%, in the case of Eurodollar Loans. The foregoing margins applicable to Revolving Loans and Tranche A Term Loans shall be subject to change after financial statements have been delivered for two full fiscal quarters after the Closing Date based upon the pricing grid attached hereto as Annex I-B.

"Eurodollar Rate" means the rate (adjusted for statutory reserve requirements for eurocurrency liabilities) for eurodollar deposits for a period equal to one, two, three, six, and if agreed by all relevant Lenders, nine or twelve months (as selected by the Borrower) appearing on LIBOR01 Page published by Reuters; provided, however, that notwithstanding the rate calculated in accordance with the foregoing, at no time shall the Eurodollar Rate for the Tranche B Term Facility be deemed to be less than 1.50% per annum.

"Eurodollar Loans" means Loans bearing interest based upon the Eurodollar Rate.

Interest Payment Dates:

In the case of ABR Loans, quarterly in arrears.

In the case of Eurodollar Loans, on the last day of each relevant interest period and, in the case of any interest period longer than three months, on each successive date three months after the first day of such interest period.

Commitment Fees:

The Borrower shall pay a commitment fee calculated at a rate per annum equal to 0.50% on the average daily unused portion of the Revolving Facility, payable quarterly in arrears, subject to change after financial statements have been delivered for two full fiscal quarters after the Closing Date based upon the pricing grid attached hereto as Annex I-B. Swingline Loans shall, for purposes of the commitment fee calculations only, not be deemed to be a utilization of the Revolving Facility.

Letter of Credit Fees:

The Borrower shall pay a fee on all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Facility on the face amount of each such Letter of Credit. Such fee shall be shared ratably among the Lenders participating in the Revolving Facility and shall be payable quarterly in arrears.

A fronting fee in an amount to be agreed on the face amount of each Letter of Credit shall be payable quarterly in arrears to the Issuing Lender for its own account. In addition, customary administrative, issuance, amendment, payment and negotiation charges shall be payable to the Issuing Lender for its own account.

Default Rate:

At any time when the Borrower is in default in the payment of any amount under the Credit Facilities, after giving effect to any applicable grace period, such overdue amounts shall bear interest at 2.00% per annum above the rate otherwise applicable thereto (or, in the event there is no applicable rate, 2.00% per annum in excess of the rate otherwise applicable to Revolving Loans maintained as ABR Loans from time to time).

Rate and Fee Basis:

All per annum rates shall be calculated on the basis of a year of 360 days (or 365/366 days, in the case of ABR Loans, the interest rate payable on which is then based on the Prime Rate) for actual days elapsed.

Conditions

The availability of the Credit Facilities shall be subject to the satisfaction of the following conditions (subject to the Conditionality Provision). Capitalized terms used but not defined herein have the meanings set forth in the Commitment Letter to which this Exhibit C is attached and in Exhibits A and B.

1. Each Loan Party to be party thereto shall have executed and delivered the Credit Facilities Documentation on terms consistent with the Commitment Letter and otherwise reasonably satisfactory to both the Loan Parties and the Commitment Parties, and the Commitment Parties shall have received:

- a. customary closing certificates and legal opinions; and
- b. a certificate from the chief financial officer of the Borrower, in form and substance reasonably acceptable to the Commitment Parties, certifying that the Borrower and its subsidiaries, on a consolidated basis after giving effect to the Transactions and the other transactions contemplated hereby, are solvent.

2. On the Closing Date, after giving effect to the Transactions, neither the Borrower nor any of its subsidiaries shall have any material indebtedness for borrowed money other than the Credit Facilities (or the Senior Notes issued in lieu of any portion of the Tranche B Term Facility), the Borrower's existing 6.75% Senior Notes due 2011, and the Borrower's existing 7.125% Senior Notes due 2016 and other indebtedness expressly contemplated by the Merger Agreement.

3. The Acquisition shall be consummated pursuant to the Merger Agreement, substantially concurrently with the initial funding of the Credit Facilities and no provision thereof shall have been amended or waived in any respect that would be materially adverse to the Commitment Parties without the prior written consent of the Commitment Parties.

4. Since December 31, 2009, there has not been any event, circumstance, state of facts, change or effect that, individually or in the aggregate, has had or would reasonably be expected to have a Target Material Adverse Effect (without any regard to the Company Disclosure Schedule (as defined in the Merger Agreement) or any disclosures in the SEC Reports (as defined in the Merger Agreement)). As used herein, a "Target Material Adverse Effect" means (i) any event, circumstance, state of facts, change or effect that is materially adverse to the business, financial condition or results of operations of the Target and its Subsidiaries (as defined in the Merger Agreement), taken as a whole, or (ii) any event, circumstance, state of facts, change or effect that would prevent or materially delay the consummation of the Merger or otherwise prevent the Target from performing its obligations under the Merger Agreement; *provided, however*, that in no event shall any of the following, alone or in combination, be deemed to constitute, nor shall any of the following be taken into account in determining whether there has been or would reasonably be expected to be, a Target Material Adverse Effect (except, in the case of clauses (A)(1), (A)(2) or (A)(4) below, to the extent any of the matters referred to therein has had or would reasonably be expected to have a disproportionate adverse effect on the Target and its Subsidiaries, taken as a whole, as compared to other for-profit and comparable or similar companies operating in the industries in which the Target and its Subsidiaries operate, after taking into account the size of the Target relative to such other for-profit companies): (A) any event, circumstance, state of facts, change or effect resulting from or relating to (1) a change in general economic, political or financial

market conditions, including interest or exchange rates, (2) a change generally affecting the industries in which the Target and its Subsidiaries operate (including seasonal fluctuations) or general economic conditions that generally affect the industries in which the Target and its Subsidiaries conduct their business, (3) any change in accounting requirements or principles required by GAAP (as defined in the Merger Agreement) (or any interpretations thereof) or required by any change in applicable Laws (as defined in the Merger Agreement) (or any interpretations thereof), (4) any adoption, implementation, promulgation, repeal, modification, reinterpretation or proposal of any Law after the date hereof, (5) any Action (as defined in the Merger Agreement), investigation, review or examination undertaken by a Governmental Authority (as defined in the Merger Agreement), or any sanction, fine, operating restriction or other similar penalty arising as a result thereof, with respect to any Company Health Care Business (as defined in the Merger Agreement) or Company Health Care Facility (as defined in the Merger Agreement) (a "Regulatory Condition"), that is currently pending or arises after the date of the Merger Agreement, in each case to the extent such Regulatory Condition is consistent in nature, scope and impact on the Target and its Subsidiaries, taken as a whole, with Regulatory Conditions arising and fully resolved from time to time in the conduct of the business of the Target and its Subsidiaries on or before December 31, 2009, (6) any acts of terrorism or war or any weather related event, fire or natural disaster or any escalation thereof, (7) the announcement of the execution of the Merger Agreement or the pendency or consummation of the Acquisition and the other transactions contemplated by the Merger Agreement (collectively, the "Merger Agreement Transactions") (including any Actions, challenges or investigations to the extent relating to the Merger Agreement or to the Merger Agreement Transactions made or brought by any of the current or former stockholders of the Target (on their own behalf or on behalf of the Target), (8) the identity of Borrower or any of its affiliates as the acquiror of the Target or any facts or circumstances concerning the Borrower or any of its affiliates, or (9) compliance with the terms of, the taking of any action required or the failure to take any action prohibited by, the Merger Agreement or the taking of any action consented to or requested by the Borrower; or (B) any failure, in and of itself, to meet internal or published projections, forecasts, performance measures, operating statistics or revenue or earnings predictions for any period or a decline in the price or trading volume of the Company Common Stock (as defined in the Merger Agreement) (provided that, except as otherwise provided in this definition, the underlying causes of such failure or decline may be taken into account in determining whether there is a Target Material Adverse Effect).

5. No bankruptcy default under the Credit Facilities Documentation shall have occurred and be continuing.

6. The Leverage Ratio for the Borrower and its subsidiaries, calculated on a pro forma basis for the Transactions for the four most-recent fiscal quarters ended not less than 45 days prior to the Closing Date shall not be more than 3.90 to 1.00.

7. The Commitment Parties shall have received (a) audited consolidated balance sheets and related statements of income, stockholders' equity and cash flows of (A) the Borrower and its subsidiaries and (B) the Target and its subsidiaries, in each case for the three most recently completed fiscal years ended at least 90 days before the Closing Date and (b) unaudited consolidated balance sheets and related statements of income, stockholders' equity and cash flows of (A) the Borrower and its subsidiaries and (B) the Target and its subsidiaries, in each case for each subsequent fiscal quarter after the latest fiscal year referred to in clause (a) ended at least 45 days before the Closing Date; provided that filing of the required financial statements on form 10-K and form 10-Q by the Borrower or the Target, as applicable, will satisfy the foregoing requirements with respect to the Borrower and its subsidiaries or the Target and its subsidiaries, as applicable.

8. The Commitment Parties shall have received a pro forma consolidated balance sheet and related pro forma consolidated statement of income of the Borrower and its subsidiaries as of

and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least 45 days prior to the Closing Date, prepared after giving effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such other financial statements).

9. (a) the Investment Banks (as defined in the Fee Letter referred to in the Commitment Letter) shall have received, not later than 20 days prior to the Closing Date, a customary offering memorandum, including financial statements, pro forma financial statements, business and other financial data of the type required by Regulation S-X and Regulation S-K under the Securities Act of 1933 and of type and form customarily included in offering memoranda, private placement memoranda, prospectuses and similar documents to consummate the offering of the Senior Notes (with the exception of a consolidating footnote to the financial statements for guarantors and non-guarantors, financial information, as such information may be expressed in the body of the relevant disclosure document with disclosure customary for a Rule 144A offering) and drafts of customary comfort letters by the auditors of the Borrower and the Target which such auditors are prepared to issue upon completion of customary procedures and (b) the Borrower shall ensure that such Investment Bank shall have been afforded a period of at least 20 consecutive days upon receipt of the information described in clause (a), to seek to place the Senior Notes with qualified purchasers thereof.

10. The Administrative Agent shall have received, at least 5 days prior to the Closing Date, all documentation and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act, previously requested by the Administrative Agent.

11. Payment of all fees and invoiced expenses due to the Commitment Parties and the Lenders from the proceeds of the initial fundings under the Credit Facilities.

12. All actions necessary to establish that the Administrative Agent will have a perfected first priority security interest (subject to liens permitted under the Credit Facilities Documentation) in the Collateral under the Credit Facilities shall have been taken; provided, however, that with respect to the creation or perfection of a security interest in any intended Collateral, if the creation or perfection of the Administrative Agent's security interest in such intended Collateral is not or cannot reasonably be accomplished prior to the Closing Date (other than (x) the pledge of capital stock of domestic subsidiaries of the Borrower and (y) the grant and perfection of security interests in other assets pursuant to which a lien may be perfected solely by the filing of a financing statement under the UCC) after use of commercially reasonable efforts to do so or without undue delay, burden or expense, then such Collateral shall not constitute a condition precedent to the initial borrowings under the Credit Facilities if the Borrower agrees to deliver or cause to be delivered such documents and instruments, and take or cause to be taken such other actions as may be required to perfect such security interests, within a reasonable period after the Closing Date to be mutually agreed.

13. The Borrower and the Credit Facilities shall have received a rating (not subject to a minimum rating requirement) from Moody's Investors Service, Inc. and Standard & Poor's Ratings Group at least 30 days prior to the Closing Date.

14. The Lead Arrangers shall have been afforded a reasonable period of time to syndicate the Credit Facilities, which shall be 20 consecutive days from the date of commencement of syndication.

15. Each of the conditions in paragraph 1 to 14 above shall have been satisfied on or before the Expiration Date.

Commitment Letter Amendment

Universal Health Services, Inc.
367 South Gulph Road, P.O. Box 61558
King of Prussia, PA 19406-0958

Attention: Steve Filton, Chief Financial Officer

Ladies and Gentlemen:

Reference is made to the Commitment Letter dated May 16, 2010 (the "Commitment Letter") among us and you. Capitalized terms used but not defined herein are used with the meanings assigned to them in the Commitment Letter.

You have requested an amendment to a certain condition included in the Commitment Letter.

By their execution of this letter agreement (this "Amendment"), the parties hereto agree to the following amendment to the Commitment Letter:

1. Conditions. Paragraph 6 in Exhibit C to the Commitment Letter ("Conditions") is deleted in its entirety and replaced with the following:

(a) "6. The Leverage Ratio for the Borrower and its subsidiaries, calculated on a pro forma basis for the Transactions for the four most-recent fiscal quarters ended not less than 45 days prior to the Closing Date shall not be more than 4.00 to 1.00, provided however, that for purposes of this paragraph 6 only, the definition of EBITDA shall add back the following to the extent deducted (or in the case of clause (c) below, for which pro forma effect may be given) in the determination of consolidated net income: (a) minority interest expense, (b) equity-based compensation expense (to the extent paid in equity and not in cash) (c) the amount of cost savings and synergies projected by the Borrower in good faith to be realized in one fiscal year as a result of the Acquisition

(provided however, that such amount shall not exceed the amount of cost savings and synergies projected in the Universal Health Services Presentation to Rating Agencies dated May 27th, 2010, shared among all the Commitment Parties) and (d) fees and expenses related to the Acquisition and the other Transactions.”

On and after the execution of this Amendment, each reference in the Commitment Letter to “this Commitment Letter”, “this letter”, “hereunder”, “hereof” or words of like import referring to the Commitment Letter, and each reference in the Fee Letter to “the Commitment Letter”, “thereunder”, “thereof” or words of like import referring to the Commitment Letter, shall mean and be a reference to the Commitment Letter, after giving effect to this Amendment. Except as specifically amended above, the Commitment Letter shall remain in full force and effect and is hereby ratified and confirmed.

This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by facsimile transmission or electronic transmission shall be effective as delivery of a manually executed counterpart of this Amendment.

This Amendment and its contents are subject to the confidentiality provisions of the Commitment Letter.

This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

NOTE ON REVIEW CRITERIA 1120.310.e and 1120.310f

The referenced review criteria request calculations of projected "operating expenses" and "capital expenses" per equivalent patient day for the year following the completion of the project. While the information is requested, the State Agency does not have standards for either resultant calculation, and findings related to compliance cannot and have not historically been made by the State Agency.

In the case of the proposed change of ownership transaction, the information cannot be provided. This inability to provide the information was discussed with State Agency staff on July 7, 2010; at which time the applicants were directed to provide the explanation presented below.

The "seller" (Psychiatric Solutions, Inc. and the individual hospitals) cannot project the expenses necessary to determine the "operating costs" and "capital costs" (wages/salaries, benefits, supplies, depreciation, amortization, and interest) that will be incurred following the closing of the transaction because the seller is not sufficiently familiar with the buyer's anticipated costs and operating practices. Alternatively, and because of limitations imposed by the Federal Trade Commission (FTC) and the Department of Justice on the sharing of information between the "buyer" and the "seller" (the Sherman Act, 15 U.S.C. § 1 and the Hart-Scott-Rodino Act, Section 7A of the Clayton Act, 15 U.S.C. § 18a) the "buyer", Universal Health Services, Inc., does not have sufficient information related to the historical costs incurred at the individual hospitals to develop reasonable projections that would serve as the basis for the required calculations.
