HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear People in Springfield,

I've been a Mercy patient since they first came to Crystal Lake and Woodstock. I live in Algonquin and travel 30-40 minutes to go to my appointments. If I have to have special tests, I then have to travel to Harvard St, which is an hour away. If I'm hospitalized I would have to go to Harvard as well. This worries me and forces me to miss work time for appointments and tests. Please consider the construction of the new Mercy Hospital on 31 and Tree Lake in Crystal Lake. It would be reassuring to know my medical facility wouldn't be so far away during my aging years. Just wanted you to know how many of us feel in Algonquin, Illinois. Thank you.

Sincerely,

Lucy H. Quinn
