

Petition in Support of Centegra Hospital-Huntley

I support Centegra Health System's application to establish a new acute care hospital in Huntley, Illinois. This project will bring needed healthcare services and will improve access to healthcare for residents of southern McHenry County and surrounding areas. Residents of the area proposed to be served by Centegra Hospital - Huntley will greatly benefit from a new hospital close to home, and we urge the Illinois Health Facilities and Services Review Board to approve this project.
