**Subject:** #10-012- South Shore Hospital- Annual Progress Report & Obligation

Mr. Timothy Caveney,

Thank you for submitting the 2012 Annual Progress Report for project #10-021 South Shore Hospital. The report was timely submitted and in compliance with the Board's rules under Section 1130.760.

However, based on the Board's records, this project has not been obligated prior to the required obligation date of 01/27/2012. In order to maintain a valid permit, South Shore Hospital will need to request an obligation extension as defined under Section 1130. 730 of the Board's rules.

If you have any questions, feel free to contact me directly. Thanks for your continued compliance with the Board's regulations.
