**RE: Extension of Obligation**  
**PROJECT: 10-065 Park Pointe-South Elgin Healthcare & Rehabilitation Center**  
**APPLICANT(S): South Elgin Real Estate Holdings I, LLC, South Elgin Healthcare & Rehabilitation Center, LLC**

Dear Ms Westerkamp:

On August 22, 2012 the Chairman of the Illinois Health Facilities and Services Review Board approved an extension of the time to obligate the above-captioned project. Therefore, **obligation of Permit #10-065 must occur before June 14, 2013.**

The permit holder is reminded that failure to obligate the project within the required timeframe will result in the permit being deemed null and void. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

Courtney R. Avery, Administrator  
Illinois Health Facilities and Services Review Board
