Subject: Ambulatory Pavilion for Advocate Christ Medical Center and Advocate Hope Children's Hospital

Per our discussion this morning, I would like to confirm that that pages 357 and 358 of our CON application **do not** exist. The page numbers are incorrectly labeled. In addition, as we talked about this morning - please forward all questions regarding this project to me as the primary contact and I can work on getting the IHFSRB's questions answered promptly.

Thanks so much for your assistance,
Jeff
