Mike,

With regard to the FTC' review, DaVita is working cooperatively with the FTC to resolve the FTC's concerns about the DSI acquisition.?? The FTC will require DaVita to divest certain centers to obtain FTC approval and require DaVita to identify and negotiate an agreement with an FTC approved buyer prior to closing the DSI transaction.?? The FTC regulatory process and the Illinois CON processes are running on different but parallel tracks and the closing of the transaction is subject to approval by both agencies.??????We hope to obtain FTC approval (as well as CON Board approval) and close the DSI transaction in late August.

Kara and Anne:

We need to change the project completion date for these ten projects from July 31, 2011 to whenever. Also I am going to need an update on where this transaction stands with the FTC.
