RE: Extension of Obligation
Health Facilities Planning Act
PROJECT: 11-002: Apollo Healthcare Ltd.
APPLICANT(S): Apollo Healthcare Ltd.

Dear Ms. Cooper:

On July 18, 2012 the Chairman of the Illinois Health Facilities and Services Review Board approved an extension of the obligation period for the above-captioned project. Therefore, the obligation period for this permit has been extended until July 31, 2013.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact our office at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".

Courtney R. Avery, Administrator
Illinois Health Facilities and Services Review Board
