The project must be completed by **April 30, 2014**. Your notice of project completion and final realized costs report is due no later than **July 30, 2014**.

The requirements for a compliant Final Realized Costs Report are defined in the State Board's regulations under 77 Ill. Adm. Please be advised that permit holders should follow the direction in Section 5 of the Act regarding deadlines for submitting post-permit reporting requirements and disregard the deadline language in 77 Ill. Adm. Code 1130.770.**

Please be aware that this permit is valid only for the defined construction or modification, site, amount and the named permit holders as approved by the State Board on June 28, 2011.
