Re: Permit Renewal Request – Meadowbrook Manor LaGrange (Proj. No. 11-021)

Dear Chair Olson:

This office represents Butterfield Healthcare VII, LLC and MML Properties, LLC (collectively, "Permit Holders"). As you are aware, on August 16, 2011, the Illinois Health Facilities and Services Review Board (the "State Board") approved the Permit Holders' application to modernize its existing 197 bed long-term care facility located at 339 9th Street, LaGrange, Illinois (the "Project"). The State Board subsequently approved renewal of the Project Permit on September 26, 2017 and established March 31, 2018 as the project completion date. The construction is complete, and the Project is awaiting its licensure inspection from the Illinois Department of Public Health ("IDPH"). Accordingly, we respectfully request the State Board grant the Permit Holders a 3 month renewal of the Project Permit and establish June 30, 2018 as the new project completion date to ensure compliance with the Project Permit.
