HEALTH FACILITIES &
SERVICES REVIEW BOARD

Dear Ms. Avery:

Advocate Lutheran General Hospital's certificate of need application, Project 13-026, was deemed complete on May 31, 2013. The Project includes a land purchase. At the time the application was filed, the land purchase had not been executed. Mr. Constantino said that he would accept the application with a letter of understanding between the buyer and the seller, but that a fully executed Purchase Agreement would need to be submitted to the Agency 30 days before the Project could go to hearing.

Enclosed is a fully executed Purchase Agreement. This document replaces the letter of understanding beginning on page 166 of the application as originally filed. We believe this addresses the conditions set forth by Mr. Constantino and that the Advocate Lutheran General Hospital will be on the State Board's August 13, 2013 agenda.

If you have any questions about this replacement document, please call me at 219-464-3969.

Thank you for your assistance in this matter.

Sincerely,

Janet Scheuerman
Senior Consultant

together with all of Seller's rights, titles, and interests, if any, in and to all easements, rights of way, privileges, appurtenances, and rights to the same, belonging to or inuring to the benefit of the Property, and all streets, alleys, or other public ways adjacent to the Property.

2. **Purchase Price.** The purchase price to be paid by Purchaser to Seller at Closing for the Property ("the Purchase Price") shall be \$225,000.00.

3. **"As is" condition of Property.** Purchaser acknowledges to and agrees with Seller that Purchaser is purchasing the Property in an "as is" condition without any warranties, representations, or guarantees, either express or implied, of any kind, nature, or type whatsoever from or on behalf of Seller except as may be set forth in the deed.

4. **Title Insurance; Survey; Permitted Exceptions.**

A. Upon execution of this Contract Purchaser shall order, at Purchaser's expense, a commitment ("the Commitment") by Chicago Title Insurance Company ("the Title Insurer") to issue a current form ALTA owner's title insurance policy, in the amount of the Purchase Price, covering title to the Property on or after the date hereof, together with copies of all documents to the extent legible and available (other than mortgages and trust deeds securing obligations which Seller will pay and release prior to or at Closing) scheduled therein as exceptions to title insurance coverage. The Commitment shall be conclusive evidence of good title as therein shown as to all matters committed to be insured, subject only to the exceptions as therein scheduled.

B. Purchaser shall order, at Purchaser's expense, a survey of the Property dated on or after the date of this Contract, prepared in accordance with ALTA/ACSM standards and certified to Purchaser or Purchaser's nominee, Purchaser's lender, the Title Insurer, and any other party designated by Purchaser. Said survey shall show the location of all improvements on the Property; show the location and legal description of each recorded easement and of each visible easement benefiting or burdening the Property; show the location of all party walls, sidewalks, paths, driveways, and utility lines on or under the Property; show all access to public streets or roads surrounding the Property, including access to easements benefiting the Property; show all encroachments either onto the Property by improvements on adjacent premises or onto adjacent premises by improvements on the Property; and certify that the Property is not in a wetland or flood plain.

C. The following matters shall be permitted exceptions to title insurance coverage ("Permitted Exceptions"):

1. General exceptions.
2. The lien of general real estate taxes not due and payable.

3. Mortgages securing obligations of Purchaser or Purchaser's nominee, and other acts by or through Purchaser or Purchaser's nominee.

4. Easements, covenants, conditions and restrictions of record that do not, in Purchaser's reasonable judgment impair the use of the Property by Purchaser, or its occupants thereof, for Purchaser's intended purpose.

D. If the Commitment discloses unpermitted exceptions or if the survey discloses encroachments, boundary line disputes, or other matters which do or may render title to the Property unmarketable (herein referred to as "survey defects"), Seller shall have until on or before the Closing Date to have such unpermitted exceptions removed from the Commitment or to correct such survey defects or to have the Title Insurer commit to insure against loss or damage that may be occasioned by such unpermitted exceptions or survey defects. If within such time Seller fails to have such unpermitted exceptions removed or to correct such survey defects or, in the alternative, to obtain the Commitment specified above as to such unpermitted exceptions or survey defects, then Purchaser may elect, upon notice to Seller within 10 days after the expiration of the 30 day period, to take title as it then is with the right to deduct from the Purchase Price liens or encumbrances of a definite or ascertainable amount. If Purchaser does not so elect, then this Contract shall become null and void without further action of the parties.

E. At the Closing, Seller shall deliver to Purchaser evidence that Purchaser, or Purchaser's nominee, will receive from the Title Insurer, at Purchaser's expense, a current form ALTA owner's title insurance policy insuring the fee simple interest of Purchaser, or Purchaser's nominee, in the Property in the amount of the Purchase Price, subject only to Permitted Exceptions, and providing for:

1. An endorsement over general exceptions.
2. An access endorsement.

3. A fully executed amendment to the Parkside Center Condominium Association Condominium Declaration removing the Property from the Condominium Association.

5. **Contingent on CON Approval.** This Contract shall be contingent upon Purchaser receiving a Certificate of Need from the State of Illinois to proceed with its project to expand its existing emergency department. In the event Purchaser does not received approval on its Certificate of Need, then at the Purchaser's sole discretion this Contract shall be terminated with no further obligations by the parties to proceed with this sale.

6. **Prorations and Credits.**

Seller shall bear the cost to record any instruments necessary to clear Seller's title (including the recording of the amendment to the condominium declaration), one-half the cost of the Closing Escrow and one-half the cost of the "New York Style" closing fee. Purchaser shall bear the cost of any recording fees with respect to the deeds, all costs incurred in connection with obtaining Purchaser's financing for this transaction, if any, the cost of all title endorsements, one-half the cost of the Closing Escrow and one-half the cost of the "New York Style" closing fee.

3. A non-foreign seller affidavit in accordance with the requirements of Section 1445 of the Internal Revenue Code of 1986, as amended.

4. Transfer tax declarations for the State of Illinois, County of Cook, and, to the, City of Park Ridge.

C. At the Closing, Purchaser shall deliver or cause to be delivered to Seller the balance of the Purchase Price, plus or minus prorations and credits as provided herein.

D. Seller and Purchaser shall jointly prepare a closing statement reciting the Purchase Price and all credits, prorations, and adjustments thereto.

8. **Possession.** Seller shall deliver possession of the Property to Purchaser at closing together with keys to all locks in Seller's possession or control.

9. **Escrow.** At the request of either party the Earnest Money shall be placed in escrow and the transactions described herein shall be closed through a deed and money escrow at the office of the Title Insurer. The attorneys for the parties are authorized to sign the escrow instructions on behalf of the parties. This Contract shall not be merged into the escrow agreement but the latter shall be deemed auxiliary to this Contract, and as between the parties hereto, upon failure of the escrow or otherwise, the provisions of this Contract shall be controlling. The cost of the deed and money escrow shall be borne equally by Seller and Purchaser. Purchaser shall pay any escrow charges for money lender's escrow, if any.

10. **Maintenance Prior to Closing; Casualty; Condemnation.**

A. During the pendency of this Contract prior to Closing, Seller shall maintain the Property substantially in accordance with the manner the Property has been maintained in the past. In the event of any deterioration in said standard of maintenance which has a material impact on the condition of the Property, Purchaser shall have the right to terminate this Contract, in the event of which termination the Earnest Money and all interest thereon shall be returned in full to Purchaser and neither party shall have any further obligation or liability to the other.

B. Prior to the Closing, and notwithstanding the pendency of this Contract, the entire risk of loss or damage to the Property is borne and assumed by Seller, and in the event of a fire or casualty affecting to the premises, Purchaser shall have the right to terminate this Contract, in the event of which termination the Earnest Money and all interest thereon shall be returned in full to Purchaser and neither party shall have any further obligation or liability to the other.

C. If Seller is notified by any governmental agency or authority that the Property, or any part or parts thereof, will be condemned or otherwise taken under power of eminent domain, or if Seller learns that a condemnation or taking is contemplated by any governmental agency or authority, then Seller shall promptly give Purchaser written notice thereof including, with or in such written notice, a copy of the notice received by Seller or a description of the information learned by Seller. Within 21 days after Seller gives such notice to Purchaser, Purchaser shall, by written notice to Seller, elect either to rescind this Contract or to perform notwithstanding such

condemnation or taking. If Purchaser elects to perform notwithstanding such condemnation or taking, then Purchaser shall be entitled to all proceeds paid by the applicable governmental agencies or authorities in respect thereof. Purchaser's failure to give such written notice of election within such time shall not be deemed an election to rescind this Contract.

A. If Purchaser shall be in material default hereunder before Closing then, as Seller's sole remedy, Seller shall be entitled to bring a lawsuit in Cook County, Illinois against Purchaser for breach of Contract, and this Contract shall thereupon terminate.
