RE: OPPOSED To Project 13-058; OPPOSED To Closing Murray Center

I am opposed to the closure of Murray Center. This campus in Centralia, Illinois is one of the best facilities in the entire state when it comes to providing care to our disabled citizens.

Closure of Murray Center will negatively impact the residents access to necessary and appropriate services. Many center residents absolutely need the level of care provided by the state operated developmental centers.

For these families in south central Illinois, the loss of Murray Center will present incredible hardships.

I urge you to deny the DHS application for project 13-058.

Sincerely, 

Claude Willis, Mayor

Dear Mr. Constantino, Re: Project #13-058

I wanted to voice my opposition to closing Murray Center in Centralia Illinois. The closure of this facility will have a terrible effect on the many residents that have severe and moderately severe disabilities. Many of these residents have thrived only because of the care received at Murray.

Not only will it be life threatening to the residents the economy in this area cannot withstand another closure of this magnitude. The governor wants to create jobs in Southern Illinois and this will displace hundreds and put them most likely on public assistance.

Sincerely,

Dear Mr. Constantino,

Please do not close  
Murray Center. The Residents  
that are served there would  
be at risk if placed with  
low skilled, untrained staff.  
Many of the Residents  
require Total Care - Nursing  
Homes / Group Homes cannot  
provide this level of  
care when you add in  
the behavioral issues many  
of Murray's Residents have.  
Please keep Murray open  
and keep Murray Residents  
safe.

Thank you,

Kathy Disher RN
