RE: OPPOSED To Project 13-058; OPPOSED To Closing Murray Center

I am opposed to the closure of Murray Center. This Campus in Centralia, Illinois is one of the best facilities in the entire state when it comes to providing care for disabled citizens.

Closure of Murray Center will negatively impact the residents access to necessary and appropriate services. Many center residents absolutely need the level of care provided by the state operated developmental Centers.

For these families in South Central Illinois , the loss of Murray Center will present incredible hardships.

I urge you deny the DHS application for project 13-058.

Sincerely ,
