Re: McDonough District Hospital
525 East Grant Street
Macomb, IL 61455

To Whom It May Concern:

Citizens Bank, a division of Morton Community Bank, has made a loan commitment to McDonough District Hospital (MDH), to provide funding for the \$33,500,000.00 expansion and renovation project they are proposing. Should there be any questions concerning the bank's commitment to MDH regarding this project, please direct them to my attention.

Sincerely,

Todd V. Lester
Community President
