DESCRIPTION OF PROJECT**1. Project Classification**

[Check those applicable - refer to Part 1110.40 and Part 1120.20(b)]

Part 1110 Classification:

- ☐ Substantive
- ☒ Non-substantive

2. Narrative Description

Provide in the space below, a brief narrative description of the project. Explain **WHAT** is to be done in **State Board defined terms**, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site. Include the rationale regarding the project's classification as substantive or non-substantive.

The proposed project contemplates a change of ownership and control of a health care facility, an act subject to the requirements of the Illinois Health Facilities Planning Act, 20 ILCS 3960/1 et seq. (the "Act").

Specifically, Concerto Dialysis, LLC, an Illinois limited liability company (the "Applicant"), will acquire control over Direct Dialysis - Crestwood Care Centre, an existing seven (7) station end stage renal disease ("ESRD") facility located at 14255 South Cicero Avenue, Crestwood, Illinois (the "Facility") through two separate transactions. First, the Applicant will acquire substantially all of the personal property assets of the ESRD Facility (i.e., the fixtures, furniture and equipment), which are presently owned by Diana Master Landlord, LLC (the "Landlord") and enter a sublease to rent from the Landlord the real property presently being used by the ESRD Facility. This component of the transaction deals only with the transfer of the Facility's personal property from the Landlord to the Applicant.

Second, through this transaction, the Applicant is beginning to take all necessary steps to obtain full control over the day to day operations of the ESRD facility from the present operator, including all governmental approvals that are required to transfer complete control to the Applicant. The Applicant, through this transaction, will be gaining control over the Facility's Medicare-certified in-center hemodialysis unit and two additional Medicare Part B home dialysis programs. At present, the Applicant is managing the ESRD Facility under a management agreement between the Applicant and Direct Dialysis Crestwood, the current operator of the in center dialysis program.

The total project cost is \$594,719.00. The project's cost includes a cash payment from the Applicant to the seller in the amount of \$15,719.00, which pays for the acquisition of the personal property assets related to the operations of the in-center hemodialysis program at the Facility and the two home dialysis programs and \$20,000.00 for related legal fees. The total project cost also includes an amount of \$559,000.00, which represents the fair market value of a sublease that will be entered into between the Applicant and the Landlord of the ESRD Facility.

The anticipated project completion date is January 31, 2014.

The Facility will be renamed "Concerto Dialysis" upon the closing of the anticipated change of ownership transaction.

The project is classified as non-substantive because a change of ownership of a health care facility is not a "substantive" project as such term is defined under Sections 12(8)(a) through (8)(c) of the Act.

Project Costs and Sources of Funds

Complete the following table listing all costs (refer to Part 1120.110) associated with the project. When a project or any component of a project is to be accomplished by lease, donation, gift, or other means, the fair market or dollar value (refer to Part 1130.140) of the component must be included in the estimated project cost. If the project contains non-reviewable components that are not related to the provision of health care, complete the second column of the table below. Note, the use and sources of funds must equal.

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

- 1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
- 2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or
 - B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

- 1) That the selected form of debt financing for the project will be at the lowest net cost available;
- 2) That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
- 3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

1. Identify each department or area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

COST AND GROSS SQUARE FEET BY DEPARTMENT OR SERVICE									
Department (list below)	A	B	C	D	E	F	G	H	Total Cost (G + H)
	Cost/Square Foot New	Mod.	Gross Sq. Ft. New	Circ.*	Gross Sq. Ft. Mod.	Circ.*	Const. \$ (A x C)	Mod. \$ (B x E)	
Contingency									
TOTALS									
* Include the percentage (%) of space for circulation									

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

SAFETY NET IMPACT STATEMENT that describes all of the following must be submitted for **ALL SUBSTANTIVE AND DISCONTINUATION PROJECTS**:

1. The project's material impact, if any, on essential safety net services in the community, to the extent that it is feasible for an applicant to have such knowledge.
2. The project's impact on the ability of another provider or health care system to cross-subsidize safety net services, if reasonably known to the applicant.
3. How the discontinuation of a facility or service might impact the remaining safety net providers in a given community, if reasonably known by the applicant.

Safety Net Impact Statements shall also include all of the following:

1. For the 3 fiscal years prior to the application, a certification describing the amount of charity care provided by the applicant. The amount calculated by hospital applicants shall be in accordance with the reporting requirements for charity care reporting in the Illinois Community Benefits Act. Non-hospital applicants shall report charity care, at cost, in accordance with an appropriate methodology specified by the Board.
2. For the 3 fiscal years prior to the application, a certification of the amount of care provided to Medicaid patients. Hospital and non-hospital applicants shall provide Medicaid information in a manner consistent with the information reported each year to the Illinois Department of Public Health regarding "Inpatients and Outpatients Served by Payor Source" and "Inpatient and Outpatient Net Revenue by Payor Source" as required by the Board under Section 13 of this Act and published in the Annual Hospital Profile.
3. Any information the applicant believes is directly relevant to safety net services, including information regarding teaching, research, and any other service.

B. As of the Effective Date, Diana Squaw Prairie has assumed the obligations of the tenant under that certain Lease Agreement dated February 1, 1999 (as amended and assigned, the "Maple Crest Lease") by and between the County of Boone, Illinois, an Illinois municipality (the "County"), and Maple Crest Care Centre L.L.C., an Illinois limited liability company ("Maple Crest") for that certain real property, all improvements thereon and all appurtenances thereto, as located, identified and more specifically described on Exhibit A-1 attached hereto (the "Leased Property"), the legal description of which is set forth on Exhibit B-1 attached hereto, pursuant to that certain Assignment and Assumption Agreement dated of even date herewith by

Upon the effective date of the Maple Crest Assignment (the "Maple Crest Effective Date"), the Leased Property shall automatically become part of the Premises and subject to the Lease.

C. Landlord is the owner of all the furniture, machinery, equipment (including but not limited to the renal dialysis equipment located at the Crestwood Care Centre), appliances, fixtures, supplies, inventory and other personal property located on and used or required in connection with the operation of the Property, except for any assets owned by the manager of the Property and the Leased Property, (the "Landlord Personal Property") for the Healthcare Use (as defined below). Upon the Maple Crest Effective Date, Diana Squaw Prairie shall become the lessee of all the furniture, machinery, equipment, appliances, fixtures, supplies, inventory and other personal property located on and used or required in connection with the operation of the Leased Property, pursuant to the Maple Crest Assignment, and all such personal property shall automatically be included as part of the Landlord Personal Property.

D. Landlord desires to lease the Property and the Landlord Personal Property to Tenant, and Tenant desires to lease the Property and the Landlord Personal Property from Landlord. The Property and the Landlord Personal Property shall be referred to herein collectively as the "Premises."

E. Tenant intends to sublease the Premises to Symphony M.L., LLC, an Illinois limited liability company ("Master Tenant") by entering into a Master Sublease and Security Agreement of even date herewith (the "Master Sublease"). The Master Tenant intends to further sublease the Premises to Symphony Healthcare, LLC, an Illinois limited liability company, as master subtenant ("Symphony") and Symphony intends to further sublease each

facility included in the Premises (each, a "Facility" and together, the "Facilities") pursuant to eight (8) sub-sublease agreements with certain subtenant operator entities. Upon the Maple Crest Effective Date, Tenant shall sublease the Leased Property to a subtenant operator.

**RECOGNITION OF MASTER LEASE;
IRREVOCABLE WAIVER OF CERTAIN RIGHTS**

Tenant, in order to induce Landlord to enter into this Lease, to the extent permitted by law:

A. Agrees that: (i) this Lease is a single lease under which the collective Premises are demised as a whole to Tenant and Tenant is estopped to assert that this Lease is anything other than a unitary, indivisible, unseverable instrument pertaining to all, and not less than all, of the Premises; and (ii) neither this Lease nor the duties, obligations or rights of Tenant may be allocated or otherwise divided among the Properties comprising the Premises by Tenant, except to the extent expressly set forth in this Lease;

B. Agrees and is estopped to assert that this Lease in any manner makes Tenant the partner, joint venturer or agent of Landlord;

C. Knowingly waives and relinquishes all rights under or benefits of the provisions of Section 365 of the United States Bankruptcy Code (11 U.S.C. § 365), or any successor or replacement provision or any analogous state law, to selectively assume or reject this Lease with respect to individual Properties as listed on Exhibit A and Exhibit A-1, should, notwithstanding the provisions above, this Lease be determined or found to be in any proceeding, action or arbitration under state or federal bankruptcy, insolvency, debtor-relief or other applicable laws to constitute multiple leases demising multiple properties;

D. Agrees that: (i) this Lease is a "true lease" and is estopped to assert that it is a mortgage, equitable mortgage, deed of trust, trust agreement or other financing or trust arrangement; (ii) the economic realities of this Lease are those of a true lease; (iii) the business relationship created by this Lease is solely that of a long-term commercial lease between Landlord and Tenant and has been entered into by both parties in reliance on the economic and legal bargains contained in it; and (iv) the parties intend that this Lease be regarded as a commercial lease and that upon making a motion for assumption or rejection of the Lease in the event of bankruptcy, Landlord shall have such rights as are applicable to non-residential real estate;

E. Agrees and is estopped to assert to the contrary that: (i) from an economic point of view the portions of the Premises leased under this Lease constitute one economic unit and the rent and all other provisions have been negotiated and agreed based on a demise of all of the Premises covered by this Lease as a single, composite, inseparable transaction; (ii) except as expressly set forth in this Lease, all provisions of this Lease shall apply equally and uniformly to all the Premises as one unit and are not severable; (iii) the economic terms of this Lease would have been substantially different had separate leases for a "divisible" lease been acceptable to Landlord; (iv) except as expressly set forth in this Lease, a default in any of the terms or conditions of this Lease occurring with respect to any portion of the Premises shall be a default under this Lease with respect to all of the Premises; and (v) the provisions of this Lease shall at all times be construed, interpreted and applied such that the intention of Landlord and Tenant to create a unitary lease shall be preserved and maintained; and

F. Agrees that this Lease is intended as, and shall constitute, an agreement of lease, and nothing herein shall be construed as conveying to the Tenant any right, title or interest

in or to the Premises or to any remainder or reversionary estates in the Premises held by any Person, except, in each instance, as a tenant. Under no circumstances shall this Lease be regarded as an assignment of all of Landlord's interest in and to the Premises; instead Landlord and Tenant shall have the relationship between them of landlord and tenant, pursuant to the provisions of this Lease. In no event shall Tenant or any affiliate of Tenant claim depreciation, amortization or interest deductions as owner of the Premises for United States federal, state or local income tax purposes (except as to alterations not financed by Landlord).

All other provisions of this Lease shall remain in full force and effect and shall continuously apply throughout the Renewal Term.

3. Rent. During the Term, Tenant shall pay to Landlord rent as follows:

3.1 Initial Term Minimum Rent.

(a) Prior to the Maple Crest Effective Date, during the first two (2) years of the Initial Term, Tenant shall pay to Landlord annualized rent in the amount of NINE MILLION SEVENTY-FIVE THOUSAND DOLLARS (\$9,075,000.00), less the Maple Crest Minimum Rent set forth in subsection (c) below, as applicable ("**Minimum**

Rent") for each of the first and second Lease Year. Such Minimum Rent shall be paid in advance, without notice, demand or offset, by wire or ACH transfer only, as directed by Landlord, in equal monthly installments of SEVEN HUNDRED FIFTY-SIX THOUSAND TWO HUNDRED FIFTY AND 00/100 DOLLARS (\$756,250.00) on the first day of each calendar month. In the event that the Effective Date of the Lease is other than the first day of a calendar month, such monthly installment of Minimum Rent shall be pro-rated and payable on the Effective Date.

(b) Commencing with the third Lease Year, prior to the Maple Crest Effective Date, Tenant shall pay to Landlord Minimum Rent in the amount of NINE MILLION SEVEN HUNDRED SEVENTY-FIVE THOUSAND DOLLARS (\$9,775,000.00), less the Maple Crest Minimum Rent set forth in subsection (c) below, as applicable. Such Minimum Rent shall be paid in advance, without notice, demand or offset, by wire or ACH transfer only, as directed by Landlord, in equal monthly installments of EIGHT HUNDRED FOURTEEN THOUSAND FIVE HUNDRED EIGHTY-THREE AND 34/100 DOLLARS (\$814,583.34) on the first day of each calendar month.

(c) The Minimum Rent payable by Tenant to Landlord for the Maple Crest Facility for each of the first Lease Year and the second Lease Year shall be equal to FIVE HUNDRED TEN THOUSAND AND 00/100 DOLLARS (\$510,000.00) and the Minimum Rent payable by Tenant to Landlord for the Maple Crest Facility for the third Lease Year shall be equal to FIVE HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$550,000.00) (as applicable, the "Maple Crest Minimum Rent") and prior to the Maple Crest Effective Date, the Minimum Rent due and payable to

Landlord hereunder shall be reduced by the amount of the Maple Crest Minimum Rent. After the Maple Crest Effective Date, the Minimum Rent shall be payable in full by Tenant to Landlord without any reduction for the Maple Crest Minimum Rent. In the event that the Maple Crest Effective Date has not occurred within three (3) years after the Effective Date, then the Minimum Rent shall be reduced by the amount of the Maple Crest Minimum Rent, and all references to the Minimum Rent going forward under this Lease shall mean the Minimum Rent less the Maple Crest Minimum Rent.

(d) The Minimum Rent payable by Tenant to Landlord for the Crestwood Facility for the first Lease Year shall be equal to ONE MILLION EIGHT HUNDRED THOUSAND AND 00/100 DOLLARS (\$1,800,000.00)(the "Crestwood Minimum Rent"). In the event that the Crestwood Effective Date has not occurred on or before June 30, 2012, then Tenant may elect, by written notice provided to Landlord on or before July 15, 2012 (provided that the Crestwood Effective Date has not occurred before such notice is given), to reduce the Minimum Rent by the amount of the Crestwood Minimum Rent, and all references to the Minimum Rent going forward under this Lease shall mean the Minimum Rent less the Crestwood Minimum Rent.

(e) Commencing with the fourth Lease Year, and continuing for each Lease Year thereafter during the Initial Term, Minimum Rent (including the Maple Crest Minimum Rent and the Crestwood Minimum Rent, as applicable) shall increase by an amount equal to two percent (2%) of the prior Lease Year's Minimum Rent, compounded annually.

(f) With regard to the Maple Crest Lease, after the Maple Crest Effective Date, there shall be no adjustment to Minimum Rent hereunder in the event of a termination of the Maple Crest Lease due to the act or omission of Tenant. If the Maple Crest

Lease is terminated for any other reason, Minimum Rent shall be adjusted pursuant to Schedule 13.1 attached hereto.

3.2 Percentage Rent.

(a) Commencing with the first Lease Year on a quarterly basis and continuing on a quarterly basis during each Lease Year thereafter, within thirty (30) days after the end of each quarter, and concurrent with its payment of Minimum Rent for the month in which such payment is due, Tenant shall pay the estimated Percentage Rent, based on the monthly financial statements for such quarter prepared in accordance with Section 10.1 herein, due for the preceding quarter (ex. estimated Percentage Rent for the first quarter shall be due on or before May 1 of each Lease Year). Notwithstanding anything herein to the contrary, Percentage Rent shall be calculated on a consolidated basis for all Facilities.

(b) Excess Cash Flow shall be determined quarterly by Tenant and annually by the Auditors, who shall also prepare the audited financial statements required in Section 10. Tenant shall provide (i) quarterly Excess Cash Flow statements within sixty (60) days following each fiscal quarter and (ii) annual Excess Cash Flow report of the Auditors to Landlord within ninety (90) days following the end of each Lease Year ("Percentage Rent Report").

(c) Within ninety (90) days following the end of each Lease Year, including the first Lease Year, Tenant shall cause the Auditors to prepare the Percentage Rent Report for such Lease Year in accordance with GAAP and the Percentage Rent Report shall be certified true and correct by the Chief Financial Officer or the Managing

Member of the Manager of the Tenant and the Auditor and delivered to Landlord. In the event that the Percentage Rent is greater than the estimated Percentage Rent paid to Landlord during such Lease Year, Tenant shall within thirty (30) days of receipt of such Percentage Rent Report pay to Landlord an amount equal to the Percentage Rent less the estimated Percentage Rent paid to Landlord during such Lease Year. In the event that the estimated Percentage Rent paid to Landlord during the Lease Year is greater than the Percentage Rent due for such Lease Year, Tenant shall receive a credit against the Minimum Rent due for the next successive two period(s) equal to the difference between the estimated Percentage Rent paid to Landlord during the Lease Year and the Percentage Rent due for such Lease Year and any amount owed in excess of the credit against Minimum Rent for such two periods shall be refunded directly to the Tenant; provided, however, that Tenant's credit in any month shall not exceed an amount that would cause Landlord to violate any of the financial covenants contained in any of the loan documents between Landlord and Senior Lender.

(d) Landlord reserves the right to object to the Percentage Rent Report. In the event Landlord objects to the Percentage Rent Report, Landlord shall provide Tenant written notice within thirty (30) days of receipt of the Percentage Rent Report. Landlord and Tenant shall confer and attempt to resolve such dispute within thirty (30) days of the date of such notice.

(e) Landlord and its accountants and representatives, at Landlord's expense except as hereinafter provided, shall have the right within sixty (60) days from the date of delivery of the Percentage Rent Report to review such records and to audit the Percentage Rent Report for the immediately preceding Lease Year provided by Tenant,

subject to any legal prohibitions or limitations on disclosure of any such records under applicable law or regulation, including, without limitation, such limitations as may be necessary to preserve the confidentiality of the physician-patient privilege. If any such audit discloses a deficiency of greater than five percent (5%) in the payment of Percentage Rent, Tenant shall promptly pay to Landlord any reasonable costs incurred by Landlord in conducting the audit. If any such audit discloses a deficiency of any amount in the payment of Percentage Rent, Tenant shall promptly pay to Landlord the amount of the deficiency, together with interest thereon at the Agreed Rate, as defined in Section 11.4, from the date when such payment should have been made to the date of payment thereof. If Tenant objects to the results of Landlord's audit, Tenant shall provide Landlord written notice within ten (10) days of receipt of Landlord's notice to Tenant of a deficiency in the amount of Percentage Rent. Landlord and Tenant shall confer and attempt to resolve such difference within thirty (30) days of the date of Tenant's notice. In the event such difference is not resolved, the results of Landlord's audit shall control.

(f) At Landlord's sole option in connection with a Capital Event or REIT Event, Landlord may either: (i) assign to a third party the right to receive Percentage Rent by providing written notice of such intent to Tenant at least thirty (30) days prior to the beginning of a calendar quarter, and Tenant and such Landlord's assignee shall enter into a written agreement pursuant to which Tenant shall pay to such assignee all Percentage Rent on the same terms and conditions, and subject to the same rights and obligations, set forth herein, but Landlord shall not be released from any obligations hereunder. In such event, commencing on the first day of such calendar quarter, Tenant shall no longer be obligated to pay Percentage Rent under this Lease to Landlord and shall pay such Percentage Rent instead to such assignee; or (ii) terminate

Tenant's obligation to pay Percentage Rent and increase Minimum Rent to an amount equal to the sum of Minimum Rent in effect for the Lease Year in which such conversion occurs ("Termination Year") plus an amount equal to the average annual Percentage Rent paid during the immediately preceding twenty-four (24) month period, by providing written notice of such termination to Tenant at least thirty (30) days prior to the beginning of a Lease Year quarter, and in such event, the parties will enter into an amendment modifying this Lease to effect such changes in Minimum Rent commencing on the first day of such quarter; provided, however, in the event that Percentage Rent is converted pursuant to subsection (ii) herein ("Percentage Rent Conversion"), Minimum Rent shall not be greater than the amount required for Tenant to satisfy a lease coverage ratio (Adjusted EBITDAR to Minimum Rent) (the "Lease Coverage Ratio") of not less than 1.40 to 1 if Percentage Rent Conversion occurs during the first two (2) Lease Years; not less than 1.3625 to 1 if Percentage Rent Conversion occurs during the first quarter of the third Lease Year; not less than 1.3250 to 1 if Percentage Rent Conversion occurs during the second quarter of the third Lease Year; not less than 1.2875 to 1 if Percentage Rent Conversion occurs during the third quarter of the third Lease Year; and not less than 1.25 to 1 if Percentage Rent Conversion occurs during or any time after the fourth quarter of the third Lease Year. Notwithstanding any provision to the contrary in this Section 3.2(f), upon the occurrence of a Percentage Rent Conversion, the calculation of Minimum Rent shall be subject to certain reasonable adjustments, as mutually agreed upon by Landlord and Tenant, to account for any recent material changes (within the immediately preceding twenty-four month period) either (i) in the annual operating budget for the Premises or (ii) with regard to rate changes for federally or state funded reimbursement programs, which are not within Tenant's reasonable ability to control.

(g) During each Renewal Term, Tenant shall continue to pay to Landlord Percentage Rent in addition to Minimum Rent in accordance with this Section 3.2 unless Landlord has exercised its option to either assign or terminate Percentage Rent as set forth above in Section 3.2(f).

3.3 Renewal Term Minimum Rent.

3.3.1 The Minimum Rent for the first Lease Year of each Renewal Term shall be reset and expressed as an annual amount but shall be payable in advance in equal monthly installments by wire or ACH transfer only on the first day of each calendar month. Beginning in the second Lease Year, and continuing each Lease Year during the Initial Term thereafter, Minimum Rent shall increase by two percent (2%) per year compounded annually.

3.3.2 Beginning in the second Lease Year of the applicable Renewal Term, and continuing each Lease Year of the applicable Renewal Term thereafter, Minimum Rent shall increase by 2% per year compounded annually.

3.4 Proration for Partial Periods; Business Days. The rent for any month during the Term which begins or ends on other than the first or last calendar day of a calendar month shall be prorated based on actual days elapsed. If the date for payment of any installment of Minimum Rent or Percentage Rent falls on a non-Business Day, such installment shall be due on the first Business Day immediately preceding such payment date.

3.5 Absolute Net Lease. (a) All rent payments shall be absolutely net to Landlord free of taxes, assessments, utility charges, operating expenses, refurbishings, insurance premiums or any other charge or expense in connection with the Premises. Except as otherwise provided herein, all expenses and charges whether capital or to be expensed, whether for upkeep,

maintenance, repair, refurbishing, refurbishing, restoration, replacement, insurance premiums, taxes, utilities, and other operating or other charges of a like nature or otherwise, shall be paid by Tenant. This provision is not in derogation of the specific provisions of this Lease, but in expansion thereof and as an indication of the general intentions of the parties hereto. Any present or future law to the contrary notwithstanding, this Lease shall not terminate, nor shall Tenant except as set forth in Sections 3.1(d), 13 and 14, be entitled to any abatement, suspension, deferment, reduction, setoff, counterclaim, or defense with respect to any part of the total rent due under this Lease, nor shall the obligations of Tenant hereunder be otherwise affected, by reason of: (1) any defect in the condition, merchantability, design, construction, quality or fitness for use of the Premises or any part thereof, or the failure of the Premises to comply with any legal requirements, including any inability to occupy or use the Premises by reason of such non-compliance; (2) any damage to, removal, abandonment, salvage, loss, contamination of or release from, scrapping or destruction of or any requisition or taking of any portion of the Premises or any part thereof; (3) any restriction, prevention or curtailment of or interference with the construction on or any use or any portion of the Premises or any part thereof including eviction; (4) any defect in title to or rights to any portion of the Premises or any lien on such title or rights or on any portion of the Premises; (5) any change, waiver, extension, indulgence or other action or omission or breach in respect of any obligation or liability of or by Landlord or any Senior Lender; (6) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceedings relating to Landlord, Tenant or any other Person, or any action taken with respect to this Lease by any trustee or receiver of Landlord, Tenant or any other Person, or by any court, in any such proceeding; (7) any claim that Tenant has or might have against any Person, including without limitation Landlord, any Senior Lender, or any vendors, manufacturer, contractor of or for any portion of the Premises; (8) any failure on

the part of Landlord to perform or comply with any of the terms of this Lease or of any other agreement; (9) any invalidity or unenforceability or illegality or disaffirmance of this Lease or any provision thereof or hereof against or by Landlord or Tenant or of any document or instrument executed in connection with the Senior Loan or by the parties thereto; (10) the impossibility or illegality of performance by Landlord or Tenant; (11) any action by any court, administrative agency or other governmental authority; or (12) any other cause or circumstances whether similar or dissimilar to the foregoing and whether or not Landlord or Tenant shall have notice or knowledge of any of the foregoing. The obligations of Tenant under this Lease shall continue to be payable in all events unless such obligations shall be terminated pursuant to the express provisions of this Lease. Tenant shall continue to perform its obligations under this Lease even if Tenant claims that Tenant has been damaged by any act or omission of Landlord. Therefore, except as otherwise provided herein, Tenant shall at all times remain obligated to pay Minimum Rent and Percentage Rent (except as set forth under Section 3.2(f)) under this Lease without any right of set-off, counterclaim, abatement, deduction, reduction or defense of any kind. Tenant's sole right to recover damages against Landlord by reason of a breach or alleged breach of Landlord's obligations under this Lease shall be to prove such damages in a separate action against Landlord.

(b) Nothing in this Section 3.5 will waive, limit or abrogate Landlord's obligations or liabilities to Tenant under this Lease.

3.6 Manner of Payment of Rent. Subject to the last sentence of this Section, all Minimum Rent and Percentage Rent shall be paid to Landlord by wire or ACH transfer and shall be due without prior notice or demand. If, at any time, the Senior Loan documents require

payment of rent into a deposit account as described in Section 8.5 herein, Tenant shall, upon written notice from Landlord or Senior Lender, comply with such requirements.

3.7 Additional Minimum Rent Payment. (a) In the event that (i) the reimbursement adjustment (hereinafter, the "**Bed Tax**") as proposed by the State of Illinois as of the date of execution of this Lease, a copy of which shall be attached hereto as Exhibit H as soon as it is received by Landlord (the "**Proposed State Plan Amendment**"), is approved by the Centers for Medicare and Medicaid Services ("**CMS**") on or before the first anniversary of the Effective Date, which date may be extended for up to twelve (12) months if CMS is actively taking steps to approve the Proposed State Plan Amendment and (ii) the Tenant and/or Subtenants begin receiving the additional Medicaid reimbursement (the "**Bed Tax Payment**") set forth in the Proposed State Plan Amendment in cash prior to the expiration of the period set forth in clause (i), then the Minimum Rent shall be automatically increased in the first two Lease Years of the Term by an amount (the "**Additional Minimum Rent**") equal to the product of (x) ONE MILLION SIX HUNDRED EIGHTY THOUSAND AND NO/100 DOLLARS (\$1,680,000.00) (an "**AMR Base Amount**") and (y) the ratio (the "**Ratio**") of (A) the Bed Tax Payment that is generated as a result of the reimbursement adjustment as actually approved by CMS less the bed tax that Tenant or Subtenants are required to pay as a result of the Proposed State Plan Amendment (the "**Initial Bed Tax Earnings**") and (B) \$4,000,000.00. Provided that both of the conditions in the immediately preceding sentence are satisfied on or prior to the second anniversary of the Effective Date, then, for the third Lease Year and each subsequent Lease Year thereafter, the Additional Minimum Rent shall be equal to the product of (x) ONE MILLION EIGHT HUNDRED THOUSAND AND NO/100 DOLLARS (\$1,800,000.00) (an "**AMR Base Amount**") and (y) the Ratio as set forth above. In no event shall the numerator of the Ratio be greater than the denominator. Provided that the Proposed State Plan Amendment is

approved by CMS without modification, the Initial Bed Tax Earnings shall be deemed to be \$4,000,000.00. Notwithstanding any provision herein to the contrary, within thirty (30) days after receipt of the 2011 cost reports by Tenant, and provided that the Proposed State Plan Amendment has been approved by CMS, Landlord and Tenant shall engage RSM McGladrey (the cost of such engagement to be split equally between Landlord and Tenant) to provide a revised bed tax earnings calculation based on actual Medicaid days from the 2011 cost reports and the cost impact associated with the bed tax based on actual non-Medicare days from the 2011 cost reports (the "Revised Bed Tax Earnings Determination"). Landlord and Tenant each agree to be bound by the Revised Bed Tax Earnings Determination, and that the Revised Bed Tax Earnings Determination shall replace the Initial Bed Tax Earnings hereunder from the date of the Revised Bed Tax Earnings Determination going forward. The Additional Minimum Rent shall be automatically adjusted to reflect the Revised Bed Tax Earnings Determination on the first month following receipt of the Revised Bed Tax Earnings Determination. The first Additional Minimum Rent payment shall be due on the first day of the month that is at least fifteen (15) days after the date that Tenant and/or any Subtenant actually receives the first Bed Tax Payment. The Additional Minimum Rent shall be paid in equal monthly installments with Minimum Rent and the amount of Additional Minimum Rent due in the Lease Year in which the Bed Tax Payment is first received shall be pro-rated for the number of months remaining in the applicable Lease Year, i.e. if the Bed Tax Payment is first received in the fifth month of the first Lease Year, then seven-twelfths of the Additional Minimum Rent amount shall be paid in the first Lease Year.

(b) In the event that the Proposed State Plan Amendment is approved by CMS and the Tenant and/or Subtenants begin receiving Bed Tax Payments after the second anniversary of the Effective Date, but on or before the third anniversary of the Effective Date, then the Additional

Minimum Rent for the third Lease Year, and each subsequent Lease Year thereafter, shall be equal to the product of (x) ONE MILLION ONE HUNDRED SEVENTY THOUSAND AND NO/100 DOLLARS (\$1,170,000.00) (an "**AMR Base Amount**") and (y) the Ratio as set forth in subsection (a) above. In the event that the Proposed State Plan Amendment has not been approved by CMS on or before the third anniversary of the Effective Date, then there shall be no Additional Minimum Rent charged to Tenant.

(c) In the event that at any time after the receipt of the Revised Bed Tax Earnings Determination, the Economic Terms related to the reimbursement associated with the Initial Bed Tax Earnings are modified, then Tenant shall have the option to provide written notice to Landlord requesting that Landlord, or its Affiliate, engage RSM McGladrey, or another equally qualified third party accounting firm selected by Landlord and reasonably acceptable to Tenant, to provide a calculation of the Initial Bed Tax Earnings based upon such revised Economic Terms, in no less than 90 days from the date of Tenant's notice to Landlord (the "**Modified Bed Tax Earnings**"), which calculation shall include the revenue impact associated with the change in reimbursement rate based on actual Medicaid days from the 2011 cost reports and the cost impact associated with the bed tax based on actual non-Medicare days from the 2011 cost reports. The term "**Economic Terms**" shall include the reimbursement rate and the bed tax. Tenant shall reimburse Landlord for 50% of its costs incurred for the services of the third party accountant, pursuant to a written invoice. Landlord shall provide Tenant with a copy of the Modified Bed Tax Earnings calculation from such accounting firm within ten (10) days after receipt of same. In the event that the Modified Bed Tax Earnings is less than the Revised Bed Tax Earnings Determination, Tenant may provide written notice to Landlord requesting a reduction in the Additional Minimum Rent (the "**Modified Bed Tax Earnings Notice**"). The Modified Bed Tax Earnings Notice shall include reasonable evidence of the date by which the

Modified Bed Tax Earnings will actually result in Tenant receiving a reduced Bed Tax Payment. Within ten (10) days after Landlord's receipt of the Modified Bed Tax Earnings Notice from Tenant, Landlord shall provide written notice to Tenant of the new Additional Minimum Rent (the "**Reduced AMR**") which shall be calculated as follows: the product of (i) the applicable AMR Base Amount, and (ii) the Ratio of (A) the Modified Bed Tax Earnings and (B) \$4,000,000.00; provided, however, in no event shall the Additional Minimum Rent be less than FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00). The Reduced AMR shall be paid in equal monthly installments with Minimum Rent and the first Reduced AMR payment shall be due on the first day of the month that is at least fifteen (15) days after the date on which Tenant first receives a reduced Bed Tax Payment, in connection with the Modified Bed Tax Earnings. The Reduced AMR shall replace the Additional Minimum Rent in the Lease Year in which it becomes effective, provided, however, Tenant shall continue to pay the Additional Minimum Rent until such date as the Tenant first receives a reduced Bed Tax Payment.

4. Taxes, Assessments and Other Charges.

4.1 Tenant's Obligations. Subject to Sections 4.3 and 4.6, Tenant agrees to pay and discharge (including the filing of all required returns) any and all taxes (including, but not limited to, real estate and personal property taxes, business and occupational license taxes, ad valorem sales, use, intangible property, single business, gross receipts, transaction privilege, franchise taxes, business privilege, rent or other excise taxes) and other assessments levied or assessed against Tenant, any portion of the Premises or any interest therein or Landlord (with respect to this Lease and/or the Premises), but excluding any state or federal income or sales tax based upon the net income or gross receipts of Landlord attributable to the Premises payable by Landlord (all such taxes and assessments payable by Tenant being collectively referred to herein

as "Taxes") prior to delinquency or imposition of any fine, penalty, interest or other cost. If any of the foregoing may, at the option of the taxpayer, be paid in installments, Tenant may exercise such option to pay the same in installments (whether or not interest shall accrue on the unpaid balance) as the same respectively become due and before any delinquency, fine, penalty, or further interest or costs may be added thereto. Notwithstanding the foregoing, any Taxes which become payable upon the recordation of any document related to this Lease shall be paid by the party requesting such recordation. If any refund shall be due from any taxing authority in respect of any imposition paid by Tenant during the Term, the same shall be paid over to or retained by Tenant.

4.2 Proration. At the commencement and at the end of the Term, all Taxes and assessments shall be prorated.

4.3 Right to Protest. Landlord and/or Tenant shall have the right, but not the obligation, to protest the amount or payment of any real or personal property taxes or assessments levied against the Premises; provided that in the event of any protest by Tenant, Landlord shall not incur any expense because of any such protest. Tenant shall diligently and continuously prosecute any such protest and notwithstanding such protest Tenant shall pay any tax, assessment or other charge before the imposition of any penalty or interest. Likewise, in the event of any protest by Landlord, Tenant shall not incur any expense because of any such protest (including penalties and/or interest).

4.4 Tax Bills. Each party shall promptly forward to the other party copies of all tax bills and payment receipts relating to the Premises received by such party.

4.5 Tax Indemnity. In the event any Taxes, or fine, penalty, and/or interest thereon are at any time assessed against Landlord by any state in which a portion of the Premises is located or any local governmental entity or authority as a result of or arising out of the lease of the Premises by Tenant from Landlord, or Landlord becomes liable for any reason for any liability of Tenant for Taxes or for any fine, penalty, or interest thereon, whether such assessment arises from the sole liability of Landlord or from the joint liability of Landlord and Tenant, and Landlord pays such assessment or liability, Tenant hereby agrees to pay to the Landlord an amount equal to the amount of such assessment of Taxes, together with any fine, penalty and interest. Such payment shall be due and payable to Landlord on or before the thirtieth (30th) day following Tenant's receipt of a written notice from Landlord (pursuant to the notice provisions under this Lease) of any such assessment and payment. Tenant shall have the right, but not the obligation, to protest the amount or payment of such assessment (in whole or in part) against the Landlord, and Landlord will cooperate fully with Tenant in regard to such protest; provided that in the event of any protest by Tenant, Landlord shall not incur any expense because of such protest. Tenant shall diligently and continuously prosecute any such protest. To the fullest extent permitted by law, Tenant agrees to protect, indemnify, defend and save harmless Landlord, its directors, officers, shareholders, agents, and employees from and against any and all foreseeable or unforeseeable liability, expense, loss, costs, deficiency, fine, penalty, interest, or other damages (including, without limitation, punitive or consequential damages, reasonable attorneys' fees, and expenses) arising out of or due to any tax protest by Tenant pursuant to Section 4.3 hereof whether such items arise from the sole liability of Landlord or from the joint liability of Landlord and Tenant (provided, however, that such indemnification obligation of Tenant shall not apply to any protest by Landlord pursuant to Section 4.3). Upon receiving notice of or information concerning any suit, claim or demand, including any proposed tax audit

of Landlord or any proposed tax assessment, asserted by a third party that Landlord believes is covered by the indemnity set forth in this Lease, Landlord shall give Tenant notice of same. Tenant shall defend Landlord against such matter at Tenant's sole cost and expense with legal counsel reasonably satisfactory to Landlord.

4.6 Impound. Unless otherwise agreed to by Landlord and Senior Lender, Tenant shall deposit with Landlord or Senior Lender, commencing on the Effective Date and at the time of each payment of an installment of Minimum Rent, one-twelfth (1/12) of (a) the amount sufficient to discharge the annual amount of real property Taxes and assessments secured by a lien encumbering any portion of the Premises as and when they become due, (b) the amount sufficient to discharge the annual amount of personal property taxes and assessments on Landlord Personal Property and Tenant Personal Property as and when they become due, and (c) payments required pursuant to Section 6.1.3. In addition, upon request of Landlord or Senior Lender (subject to the provisions of Section 5.1 below), Tenant shall deposit with Landlord or Senior Lender, at the time of each payment of an installment of Minimum Rent, one-sixteenth (1/16), or six and one quarter percent (6.25%) of the annual premium for the insurance policies required pursuant to Section 5 herein. Such amounts shall be held by Landlord, or the Senior Lender, and shall be applied to the payment of the obligations with respect to which the amounts were deposited. In the event that Landlord is the recipient of any payment toward future, unpaid real property Taxes and assessments coming due during the term of this Lease, Landlord shall deposit such payment, if any, into the real property Tax escrow account with Senior Lender. If at any time within thirty (30) days prior to the due date of any of the aforementioned obligations the amounts then on deposit therefore shall be insufficient for the payment of such obligation in full, Tenant shall within ten (10) days after written demand, deposit the amount of the deficiency with Landlord or Senior Lender, as directed. If the amounts deposited are in excess of the actual

obligations for which they were deposited, Landlord shall hold the same in a reserve account, not in trust and not bearing interest, and reduce proportionately the required monthly deposits for the ensuing Lease Year; provided that any such excess with respect to the final Lease Year of the Term shall be refunded to Tenant within thirty (30) days of the end of the Term. Tenant shall deliver to Landlord or Landlord's agent, if so directed by Landlord, all Tax bills, assessment statements and bills for insurance required under Section 5, as soon as the same are received by Tenant. Upon payment by Landlord of any sums from the impound described in this Section 4.6, Landlord shall notify Tenant of the amount that was disbursed and the party that received the disbursement. If Landlord sells or assigns this Lease, Landlord shall transfer all amounts deposited by Tenant pursuant to this Section 4.6 to the purchaser or assignee, and provided Landlord shall have complied with its obligations hereunder, Landlord shall thereafter be released from all responsibility related to, and shall have no further liability for the application of such deposits from and after the date of such sale or assignment, and to the extent Landlord transfers such amounts, Tenant shall look solely to such purchaser or assignee for such application and for all responsibility related to such deposits.

4.7 Other Charges. Tenant agrees to pay and discharge, punctually as and when the same shall become due and payable without penalty, all electricity, gas, garbage collection, cable television, internet cable, telephone, water, sewer, and other utilities costs and all other charges, obligations or deposits assessed against the Premises during the Term. In addition, Tenant agrees to pay any rent due to third party landlords, including, after the Maple Crest Effective Date, rent due pursuant to the Maple Crest Lease, directly to such third party as required under such lease agreement.

5. Insurance.

5.1 General Insurance Requirements. Tenant shall provide, or cause Master Tenant to provide, all insurance required by Landlord or Senior Lender as set forth in this Article 5, on terms which are reasonably acceptable to Landlord and any existing or future Senior Lender, or as may otherwise be approved by Landlord and any Senior Lender from time to time. All insurance provided for in this Lease shall be maintained under valid and enforceable policies issued by Master Tenant's affiliated captive insurance company (to the extent maintained by Master Tenant), pursuant to the provisions of Section 5.15 below, or insurers of recognized responsibility, licensed and approved to do business in the jurisdiction in which the Premises is located, having a general rating of B++ or better by Demotech, or a general policyholders rating of not less than A-X or better by Best's Key Rating Guide and with a claims paying ability rating from S&P of at least AA; provided, however, that if Tenant's affiliated captive insurance company is not rated, then Tenant shall maintain a licensed, rated frontage policy with the same rating requirements as set forth in this Section 5.1. Landlord acknowledges and approves of Master Tenant's existing insurance through its affiliated captive insurance company, as reflected in the insurance certificates attached hereto as Schedule 5.1. Any changes to the insurance coverage existing as of the Effective Date shall be subject to the approval of Landlord and Senior Lender. Upon request of Landlord or Senior Lender, Tenant shall, or shall cause Master Tenant to, periodically update the insurance coverage required pursuant to this Article 5 to be consistent with market and industry standards. In addition, Tenant shall provide to Landlord, (i) prior to the commencement of each Lease Year, a schedule of insurance premiums due during such Lease Year and (ii) written evidence of actual payment of insurance premiums in accordance with the schedule of insurance premiums, at least five (5) business days prior to the date payment is due pursuant to the insurance premium schedule. If Tenant fails to make any payment of insurance

premiums as required pursuant to the preceding sentence, Landlord shall have the right to require Tenant to impound the annual premium for the insurance policies required hereunder, and such payments shall be made on a monthly basis pursuant to Section 4.6 herein. Any and all policies of insurance required under this Lease shall (a) name Landlord, Senior Lender and, to the extent maintained by Master Tenant, Tenant, as additional insureds; (b) contain a standard noncontributory mortgage clause and a lender's loss payable endorsement, or their equivalent, naming Senior Lender (or any other party designated by Senior Lender) as the party to which all payments made by such insurance company shall be paid; provided, however, the use of funds shall be in accordance with Section 13; and (c) notwithstanding anything contained in this Article 5 to the contrary, satisfy all commercially reasonable requirements of the Senior Loan documents. Except as otherwise provided in this Lease, any and all policies of insurance required under this Lease, other than policies required pursuant to Sections 5.3 and 5.4, shall be on an "occurrence" basis. The policies under Sections 5.3 and 5.4 shall be on a "claims made" basis. In addition, Landlord and Senior Lender shall be shown as the loss payable beneficiary under the casualty insurance policies maintained by Tenant pursuant to Section 5.2. All policies of insurance required herein may be in the form of "blanket" or "umbrella" type policies (provided that such "blanket" or "umbrella" policies are in compliance with the terms of any Senior Loan documents) which shall name the Landlord, Tenant, Senior Lender and Master Tenant as their interests may appear and allocate to the Premises the full amount of insurance required hereunder. Original policies or satisfactory certificates from the insurers evidencing the existence of all policies of insurance required by this Lease and showing the interest of the Landlord and the Senior Lender shall be provided to Landlord prior to the commencement of the Term and shall provide that the subject policy may not be canceled, modified or reduced except upon not less than thirty (30) days prior written notice to Landlord and the Senior Lender. On

Landlord's request, after the Effective Date, Tenant shall provide Landlord with a complete copy of any insurance policy evidenced by a certificate within sixty (60) days of such request. Originals of the renewal policies or certificates therefore from the insurers evidencing the existence thereof shall be provided to Landlord at least thirty (30) days prior to the expiration dates of the policies. If Landlord is provided with a certificate for a renewal policy, upon Landlord's request, Tenant shall deliver a copy of the complete renewal policy to Landlord within sixty (60) days of the expiration of the replaced policy. Any claims under any policies of insurance described in this Lease shall be adjudicated by and at the expense of Tenant or of its insurance carrier, but shall be subject to joint control of Tenant and Landlord. Each insurance policy required under this Lease shall contain a provision that such policy shall not be cancelled or amended, including, without limitation, any amendment that would reduce the scope or limit coverage or remove any endorsement to such policy or cause the same to no longer be in full force and effect, or fail to be renewed, without at least thirty (30) days prior written notice to Landlord and Senior Lender in each instance.

5.2 Fire and Extended Coverage. Tenant shall keep, or cause Master Tenant to keep, the Premises insured against loss or damage from all causes under standard "all risk" property insurance coverage, without exclusion for fire, lightning, windstorm, explosion, smoke damage, vehicle damage, sprinkler leakage, flood, vandalism, earthquake, malicious mischief or any other risks as are normally covered under an extended coverage endorsement, in the amounts that are not less than the Full Insurable Value of the Premises including all equipment and personal property (whether or not Landlord Personal Property) used in the operation of the Premises subject to an agreed upon loss limit to be approved by Senior Lender. In addition, the casualty insurance required under this Section 5.2 will include an agreed amount endorsement

such that the insurance carrier has accepted the amount of coverage and has agreed that there will be no co-insurance penalty.

5.3 Insurance Obtained by Landlord. If Tenant fails to provide to Landlord evidence of insurance as required by Section 5.1 above, or maintain the insurance coverages required by this Lease, Landlord, at Landlord's sole option, may obtain such insurance coverage at Tenant's sole expense, and the cost of such insurance shall be immediately payable to Landlord as additional rent under this Lease.

5.4 Professional and Public Liability Insurance. Tenant shall maintain, or cause Master Tenant to maintain, through Master Tenant's affiliated captive insurance company, with respect to the Premises, (a) insurance against liability imposed by law including contractual liability upon Master Tenant for damages on account of professional services rendered or which should have been rendered by Master Tenant or any Person for which acts Master Tenant is liable on account of injury, sickness or disease, including death at any time resulting therefrom, and including damages allowed for loss of service, and (b) commercial general public liability insurance coverage (including products liability, contractual liability and broad form coverage) against claims for bodily injury, death or property damage occurring on, in or about the Premises and the adjoining sidewalks and passageways, in amounts equal to those shown on the insurance certificates attached hereto as Schedule 5.1, provided that Landlord may make reasonable modifications to such requirements consistent with industry practices, subject to the prior approval of Senior Lender.

5.5 Workers Compensation. Tenant shall comply, and cause Master Tenant to comply, with all legal requirements regarding worker's compensation, including any requirement

to maintain worker's compensation insurance and employer's liability insurance against claims for injuries sustained by Tenant's employees in the course of their employment.

5.6 Boiler Insurance. If applicable, Tenant shall maintain, or cause Master Tenant to maintain, with respect to the Premises, boiler and pressure vessel insurance, including an endorsement for boiler business interruption insurance, on any fixtures or equipment which are capable of bursting or exploding, in an amount not less than the replacement cost for the Premises, resulting from such perils.

5.7 Business Interruption Insurance. Tenant shall maintain, with respect to the Premises, at its expense, business interruption insurance, including use and occupancy, rental income loss and extra expense, insuring against loss of rental value for the benefit of the Landlord for a period not less than one (1) year.

5.8 Flood Insurance. Tenant shall keep (or cause to be kept) the Premises insured against loss by flood if the Premises is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 (and any successor acts thereto) in an amount at least equal to the lesser of (i) the Full Insurable Value with respect to the Premises, or (ii) the maximum limit of coverage available under said act.

5.9 Builder's All Risk Insurance. During any period of restoration or construction, Tenant shall carry or cause third parties to carry builder's "all risk" insurance in an amount equal to not less than the Full Insurable Value of the Premises against such risks (including, without limitation, fire and extended coverage and collapse of the improvements to

agreed limits) as Landlord may reasonably request, in form and substance acceptable to Landlord. In addition, each contractor and subcontractor shall be required to provide a certificate of insurance for worker's compensation and employer's liability insurance and general liability insurance in minimum limits of at least One Million Dollars (\$1,000,000), including coverage for premises/operations and products and completed operations. All such insurance provided by any contractor or subcontractor shall also cover Landlord and Senior Lender as additional insureds.

5.10 Ordinance or Law Coverage. Tenant shall maintain, or cause Master Tenant to maintain, ordinance or law coverage to compensate for the cost of demolition, increased cost of construction, and loss to any undamaged portions of the improvements, if the current use of the Premises or improvements themselves are or become "nonconforming" pursuant to the applicable zoning regulations, or full rebuildability following casualties is otherwise not permitted under such zoning regulations.

5.11 Tail Insurance. If, during the Term, Tenant is covered by general liability, professional liability, residential healthcare malpractice or other liability insurance on a "claims made" basis, ninety (90) days before the termination of this Lease, Tenant at its option shall procure and maintain, at Tenant's sole cost and expense, an extended reporting endorsement or "tail" insurance coverage, with such coverage limits and such deductible amounts as shall be reasonably acceptable to Landlord for general liability, professional liability, residential healthcare professional malpractice or other liability claims reported after the termination of this Lease or expiration of the claims made policy, but concerning services provided during the Term or the claims made policy. Tenant shall provide Landlord with a certificate evidencing such coverage no later than ninety (90) days before the termination of this Lease. If Tenant fails to provide the insurance required under this Section 5.11, Landlord shall have the right to apply any

portion of the Security Deposit to procure and maintain the insurance required under this Section to the extent such coverage is available at commercially reasonable rates.

5.12 Waiver of Subrogation. Landlord and Tenant hereby waive any right of subrogation and right of recovery or cause of action for injury or lawsuit to the extent that such injury or loss is covered by fire, extended coverage, "all risk" or similar policies covering real property or personal property required to be obtained and maintained under this Lease (or which would have been covered if the party claiming such right of subrogation or recovery or cause of action had carried the insurance required by this Lease) or covered by any other insurance maintained by the waiving party. Written notice of the terms of the above mutual waiver shall be given to the insurance carriers of Landlord and Tenant, and the parties' insurance policies shall be properly endorsed, if necessary, to prevent the invalidation of the policies by reason of such waivers. At any time that this paragraph operates to the benefit of Landlord, Senior Lender shall similarly benefit hereby.

5.13 Additional Insurance. Tenant shall obtain such additional, customary or commercially reasonable insurance for the Premises as Landlord or Senior Lender may reasonably request. Upon the occurrence of a Capital Event for Landlord, Tenant acknowledges and agrees that the insurance requirements of this Lease may be amended to conform to any revised standards or requirements of the Senior Lender or any new lender.

5.14 Deductible Amounts. The policies of insurance which Tenant is required to provide under this Lease will not have deductibles or self-insured retentions in excess of the amounts shown on Schedule 5.1 attached hereto, unless a greater amount is approved by each of Landlord, Senior Lender, and junior lender, if any, in writing, and with such approval not to be unreasonably withheld if (a) the increased deductible will not have a material adverse impact on

the financial condition of Tenant and (b) such deductible or self-insured retention is not available on commercially reasonable economic terms.

5.15 Insurance Captive.

5.15.1 Tenant shall have the right to cause Master Tenant to utilize its established insurance captive (the "**Insurance Captive**") to satisfy the professional liability and general liability insurance requirements under Article 5 on the terms and conditions of Section 5.15. Tenant shall cause Master Tenant to fully disclose and provide copies of all reports, documents and agreements pertaining to the proposed Insurance Captive (and/or the applicable "cells" used for Tenant and Subtenants) to Landlord and Senior Lender, which shall include, at a minimum, (i) on or before the Effective Date, the policy forms and actual captive contracts (including any credit wrap) for the Insurance Captive, which shall be in form and substance reasonably satisfactory to Landlord and Senior Lender; (ii) within one hundred twenty (120) days after the end of each Lease Year, statements required to be filed with the applicable insurance regulator, annual audited financial statements and annual captive managers report for the Insurance Captive (and/or the applicable "cells" used for Tenant and Subtenants); (iii) within forty-five (45) days after the end of each calendar quarter, quarterly unaudited financial statements or other financial reporting of such captive insurance company (and/or the applicable "cells" used for Tenant and Subtenants); and (iv) within ninety (90) days after the end of each Lease Year, all studies, opinions and reports (the "**Insurance Studies**") performed by actuaries or insurance advisors that have been engaged by or on behalf of Tenant and acceptable to Landlord, in its reasonable discretion, including, but not limited to, all loss runs (including all open and closed reported claims and paid losses), all reinsurance agreements, ACORD forms (or equivalent) and quarterly loss summary versus reserve reports, for the purpose of establishing,

implementing and maintaining the captive or other self-insurance retention program for the professional and general liability claims (or any other claims to the extent the liability is covered by such captive or other self-insurance retention program) of Tenant, Master Tenant and the Premises. For so long as any captive insurance arrangements are used by Tenant, Master Tenant and Subtenants, any such captive insurance arrangement shall be funded pursuant to annual actuarial estimates for the facilities covered by such captive insurance arrangements.

5.15.2 The Insurance Captive shall:

(i) maintain a balance sheet liability for reserves, claims, and the estimated costs associated with settling, adjudicating, and otherwise resolving professional liability and general liability claims, in an amount recommended by any nationally recognized actuarial firm selected by the Insurance Captive;

(ii) establish and maintain assets in an amount per annum equal to the estimated ultimate losses and costs, as set forth in the most recent Insurance Study, discounted in accordance with GAAP;

(iii) preserve and maintain its legal existence and its rights, privileges, franchises, and permits necessary to conduct its business; and

(iv) not own assets unrelated to or conduct business other than in connection with the self insurance program.

5.15.3 Tenant shall not permit Master Tenant to request or permit any material alteration or modification to the Insurance Captive policy and/or provider without (i) at least thirty (30) days prior written notice to Landlord and Senior Lender in each instance, and (ii)

the prior written consent of Landlord and Senior Lender in each instance, which consent shall not be unreasonably withheld.

6. Use, Maintenance and Alteration of the Premises.

6.1 Tenant's Maintenance Obligations.

6.1.1 Tenant shall be solely responsible for keeping and maintaining the Premises in good appearance, repair and condition and maintain proper housekeeping. Tenant shall promptly make or cause to be made all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the Premises in working condition, properly repaired, replaced and maintained in the ordinary course of business.

6.1.2 As part of Tenant's obligations under this Section 6.1, Tenant shall be solely responsible for maintaining all Landlord Personal Property and all Tenant Personal Property in working order sufficient for normal operation of its business, properly maintained by Tenant in the ordinary course of business. Subject to the foregoing, Tenant shall repair and replace such property consistent with prudent industry practice for the applicable Healthcare Use.

6.1.3 Without limiting Tenant's obligation to maintain the Premises under this Lease, Tenant shall pay to Landlord or, at Landlord's election, the Senior Lender, with each installment of Minimum Rent, commencing on the first day of the first month of the third Lease Year, one-twelfth (1/12) of an annual amount equal to Three Hundred Dollars (\$300.00) per Licensed Bed (the "Capital Expenditure Amount"). Such funds shall be the sole property of Landlord and may be held in a separate account

subject to the control of the Senior Lender, but portions thereof shall from time to time be disbursed to Tenant if Tenant submits to Landlord the Capital Expenditure Documents and such other evidence as Landlord may reasonably require evidencing that Tenant has incurred expenses for Capital Expenditures together with a request for Landlord or Senior Lender to reimburse Tenant pursuant to the Capital Expenditure Documents. Landlord shall request Senior Lender to make each such disbursement payment within thirty (30) days of the submission by Tenant of the applicable material required hereunder. Landlord shall not be obligated to disburse to Tenant any amount in excess of the escrow amount or more than once in any thirty (30) day period. Any funds being held by Landlord at the expiration of the Term shall be the sole property of Landlord. Tenant shall not be entitled to a disbursement of any Capital Expenditures during the continuance of an Event of Default. Senior Lender or Landlord may, at any time and from time to time, cause to be made inspections of the Premises by a qualified third party inspector. If any inspection report from any such third party inspection reasonably recommends that Capital Expenditures are required to cause the Premises to conform to standards that existed on the Effective Date, Landlord shall provide Tenant with a written description of such needed Capital Expenditures and Tenant shall complete the required needed Capital Improvements to the reasonable satisfaction of Landlord within ninety (90) days of receipt of such description, or, in the event such Capital Improvements cannot be completed within ninety (90) days, Tenant shall diligently prosecute the same to completion within one hundred twenty (120) days of receipt of such description. Any interest that accrues on the funds in the Capital Expenditures account shall at all times remain in the Capital Expenditures account and may be used for Capital Expenditures.

6.2 Regulatory Compliance; Qualified Care.

6.2.1 (a) Tenant shall be solely responsible for maintaining or causing to be maintained by Subtenants any and all licensing necessary in the operation of the Premises for the applicable Healthcare Use, with certification through the Medicare and Medicaid (or any successor) programs, if applicable. Further, Tenant shall be solely responsible for ensuring that the Premises continues to be operated as the applicable Healthcare Use, licensed for not less than the applicable number of beds set forth on Schedule 1 attached hereto (as such Schedule may be amended or supplemented from time to time, provided that Tenant shall give Landlord at least thirty (30) days prior written notice of any such amendment or supplement to the Schedule and such amendment shall not be effective, except with Landlord's written approval, which shall not be unreasonably withheld, provided that such amendment shall not cause a default under the Senior Loan documents), all without any suspension, revocation, decertification or other limitation, including without any limitation on admissions or the ability to continue to provide services. Further, Tenant shall not commit any act or omission that would in any way violate any certificate of occupancy affecting any portion of the Premises.

(b) Tenant shall maintain such books, records and other material relating to the Premises, including, but not limited to patient records and records of patient funds, prior to the commencement of and during the Term, in the manner required by law.

6.2.2 (a) All inspection fees, costs and charges associated with maintaining such licensure or certification or a change of such licensure or certification

shall be borne solely by Tenant. Tenant shall be solely responsible for and shall bear all costs and expenses incurred in connection with any requirements of regulatory inspections or surveys conducted after the Effective Date and during the Term and implementing any plans of correction relating to such surveys or inspections. Subject to the requirements of applicable law, Tenant agrees that it shall not request any regulatory inspection or survey of the Premises by any regulatory authority until after the Effective Date.

(b) Tenant shall be solely responsible at its sole cost to make any additions or alterations to the Premises necessitated by, or imposed in connection with, a change of ownership inspection survey for the transfer of operation of the Premises from Tenant or Tenant's assignee to Landlord or Landlord's designee at the expiration or termination of the Term.

(c) Tenant represents and warrants that to the best of its knowledge and belief, it has fully completed and timely filed all licensure, change of ownership/operator, provider enrollment, provider certification, and provider application forms necessary for all payors, including Medicare and Medicaid, to initiate reimbursement to Tenant or Subtenants for program services. Tenant further represents and warrants that it has taken and will take all necessary measures to insure and expedite prompt commencement of such reimbursement following the Effective Date.

6.3 Continuous Operations; Permitted Use. Tenant shall continuously use and operate the Premises during the Term as the applicable Healthcare Use, licensed for not less than the applicable number of beds set forth on Schedule 1, and for ancillary services relating thereto, and for no other purpose.

6.4 No Liens; Permitted Contests. Except for liens with respect to the Working Capital Financing as set forth in Section 8.4, Tenant shall not cause or permit any liens, levies or attachments to be placed or assessed against any portion of the Premises or the operation thereof for any reason. Any liens other than liens pursuant to the terms of Section 8.4 which may be filed against the Premises shall be removed or bonded off by Tenant within thirty (30) days after Tenant receives notice of any such filing. However, Tenant shall be permitted in good faith and at its expense to contest the existence, amount or validity of any lien upon any portion of the Premises by appropriate proceedings sufficient to prevent the collection or other realization of the lien or claim so contested, as well as the sale, forfeiture or loss of any portion of the Premises or any rent to satisfy the same. If any lien is contested, Tenant shall provide Landlord with security satisfactory to Landlord in Landlord's reasonable judgment to assure the foregoing. Each contest permitted by this Section 6.4 shall be promptly and diligently prosecuted to a final conclusion by Tenant.

6.5 Alterations by Tenant. In addition to the Initial Capital Improvements as defined in Section 6.6 below, Tenant shall have the right to alter, improve, replace, modify or expand the Premises, equipment or appliances in the Premises from time to time as it may determine is desirable for the continuing and proper use and maintenance of the Premises under this Lease; provided, however, that any alterations, improvements, replacements, expansions or modifications in excess of One Hundred Seventy Five Thousand Dollars (\$175,000.00) with respect to each Facility included in the Premises in any rolling twelve (12) month period shall require the prior written consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. It shall be reasonable for Landlord to require appropriate insurance, security for payment of the costs incurred for the project, prior approval of the plans for the project and Senior Lender's written approval for any such project. The cost of all such

alterations, improvements, replacements, modifications, expansions or other purchases, whether undertaken as an on-going licensing, Medicare or Medicaid (or any successor program) or other regulatory requirement or otherwise shall be borne solely and exclusively by Tenant and shall immediately become a part of the Premises and the property of the Landlord subject to the terms and conditions of this Lease. All work done in connection therewith shall be done in a good and workmanlike manner and in compliance with all existing codes and regulations pertaining to the Premises and shall comply with the requirements of insurance policies required under this Lease. In the event any items of the Premises have become inadequate, obsolete or worn out or require replacement (by direction of any regulatory body or otherwise), Tenant shall remove such items and exchange or replace the same at Tenant's sole cost and the same shall become part of the Premises and property of the Landlord.

6.6 Initial Capital Improvement Investment. (a) Landlord and Tenant hereby agree to provide an initial investment equal to Ten Million Dollars (\$10,000,000.00) ("**Initial Capital Expenditure Amount**") to fund capital improvements which shall be mutually agreed upon by Landlord and Tenant, subject to the approval of Senior Lender, including without limitation, installation of sprinklers at certain Facilities (the "**Initial Capital Improvements**"). Within one hundred sixty-five (165) days after the Effective Date, Tenant shall submit to Landlord, for approval by Landlord, a description of the Initial Capital Improvements, including a schedule for completion and a construction budget for the Initial Capital Improvements, for approval by Senior Lender. Once approved, neither the completion schedule nor the construction budget for the Initial Capital Improvements may be modified without the prior written consent of Landlord and Senior Lender, such consent not to be unreasonably withheld. Notwithstanding anything to the contrary contained in this Lease, the consent of neither Landlord nor Senior Lender will be required: (a) to extend the completion schedule by thirty (30) days or

less or (b) to modify any line item in the construction budget by less than Two Hundred Fifty Thousand Dollars (\$250,000.00). The Initial Capital Expenditure Amount shall be funded as follows:

(1) Landlord shall provide Five Hundred Thousand Dollars (\$500,000.00) in cash on the Effective Date ("Landlord's Initial Investment") for performance of the Initial Capital Improvements by Tenant. Landlord's Initial Investment shall be payable to Tenant upon receipt of a Payment Request (as defined in Section 6.6(b) below) or, at Tenant's option, Landlord shall pay directly to the third party vendor pursuant to a written invoice.

(2) Tenant shall fund, or cause Master Tenant to fund, an amount equal to Three Million Dollars (\$3,000,000.00) ("Tenant's Initial Investment") for performance of the Initial Capital Improvements. On or before the Effective Date, Master Tenant shall have in place a committed credit line, cash escrow or letter of credit in the amount of the Tenant's Initial Investment, and shall provide written evidence of such source of funding to Landlord. Prior to delivering any Payment Request to Landlord for Landlord's Contribution (as set forth below), Tenant shall provide to Landlord and Senior Lender written invoices for work completed and evidence of payment for the full amount of Tenant's Initial Investment.

(3) After Tenant's Initial Investment is fully funded, Landlord (through a credit line with Senior Lender) shall fund a maximum amount equal to Six Million Two Hundred Fifty Thousand Dollars (\$6,250,000.00) ("Landlord's Contribution"). Payment of Landlord's Contribution shall be pursuant to submission of Payment Requests by Tenant for approval by Landlord and Senior Lender, as set forth in Section 6.6(b) below.

(4) The remainder of the Initial Capital Expenditure Amount, which shall be no more than Two Hundred Fifty Thousand Dollars (\$250,000.00) (the "**Remainder**"), if required to complete the Initial Capital Improvements, shall be funded from Excess Cash Flow before the payment of Percentage Rent. Within thirty (30) days after the end of the quarter in which the Remainder is funded, Tenant shall provide written invoices and evidence of payment of such invoices to Landlord.

(b) Tenant shall perform or cause to be performed the Initial Capital Improvements, in accordance with the terms of Section 6.5 above. For funding the Landlord's Initial Investment and Landlord's Contribution, Tenant shall provide a written request for the approval of Landlord and Senior Lender for payment, including paid written invoices (each, a "**Payment Request**"), at least thirty (30) days prior to the date payment is due for the Initial Capital Improvements. With respect to the Landlord's Contribution, Landlord agrees to provide payment to Tenant (or, at Landlord's option, directly to any third party contractor or supplier) in an amount equal to the amount shown on the invoice provided with the Payment Request, provided the following requirements are satisfied: (i) no Event of Default exists hereunder and no material adverse change has occurred on the Premises; (ii) Tenant provides paid written invoices for completed Initial Capital Improvements reasonably acceptable to Landlord and Senior Lender; (iii) Payment Requests are made no more than once every thirty (30) days; (iv) the amount of each Payment Request shall be no less than Two Hundred Thousand Dollars (\$200,000.00); and (v) Tenant shall provide to Landlord the Capital Expenditure Documents and all additional documentation reasonably required from Landlord or Senior Lender for the Landlord's Initial Investment or Landlord's Contribution (as applicable), including, but not limited to, lien waivers, inspection reports, and title endorsements. Notwithstanding any provision contained herein to the contrary, either Landlord or Senior Lender may refuse to approve any Payment Request if any of the

requirements set forth in this Section 6.6 have not been satisfied or if the work performed was not as agreed on Schedule 6.6 or necessary in Landlord's reasonable discretion.

(c) The Initial Capital Improvements shall be substantially completed by Tenant, or Master Tenant, on or before the third anniversary of the Effective Date (the "**Completion Date**"). In the event that the Landlord's Contribution has not been fully disbursed by the Completion Date, then Tenant shall have no further right to submit any Payment Requests to Landlord and the remainder of the Initial Capital Improvements shall be completed by Tenant, at its sole expense, as soon as practicable. In the event that the failure to complete the Initial Capital Improvements causes any Facility to be in violation of any Healthcare Requirements or any other applicable law, then such failure shall be an Event of Default pursuant to Section 11.1.15 hereunder.

7. **Condition of Premises.** Tenant acknowledges that it has expertise in the Healthcare Use industry. Tenant has thoroughly investigated the Premises, has selected the Premises to its own specifications, and has concluded that, except as set forth in Section 6.6 above, no improvements or modifications to the Premises are required to operate the Premises for its intended use. Tenant accepts the Premises for use as licensed for the Healthcare Use applicable for the Premises under this Lease on an "AS IS" basis, and assumes all responsibility and cost for correcting any observed or unobserved deficiencies or violations. In making its decision to enter into this Lease, Tenant has not relied on any representations or warranties, express or implied, of any kind from Landlord except to the extent expressly set forth in this Lease. Landlord represents and warrants that as of the Effective Date it shall have good and indefeasible title in the Premises subject to the exceptions set forth on Exhibit C. Landlord expressly makes no representations or warranties as to the physical condition of the Premises or the habitability or

fitness of the Premises for any particular use or purpose, including, without limitation, (i) its soundness for any construction or other building purposes, (ii) the availability of any utilities to the Premises, and (iii) the existing zoning. Tenant hereby agrees and acknowledges that it is solely Tenant's responsibility to ensure that Tenant has all necessary licenses or permits with respect to its permitted use and operation of the Premises and hereby releases and indemnifies Landlord for any claims arising in connection therewith.

8. Landlord and Tenant Personal Property.

8.1 Tenant Personal Property. Tenant and Subtenants shall install, affix or assemble or place on the Premises at its sole cost and expense all items of furniture, fixtures, equipment and supplies not included as Landlord Personal Property as is reasonably necessary for the use of the Premises as contemplated by this Lease (the "**Tenant Personal Property**"). Tenant and Subtenants shall provide and maintain during the entire Term all Tenant Personal Property as shall be necessary to operate the Premises in compliance with all requirements set forth in this Lease. Subject to the provisions of Section 15.2 below, all Tenant Personal Property shall be and shall remain the property of Tenant or Subtenant and may be removed by Tenant or Subtenant on the expiration of the Term. However, if there is any Event of Default which results in the termination of this Lease, Tenant will not remove the Tenant Personal Property from the Premises and will on demand from Landlord, convey all of Tenant's interest, or cause Subtenant to convey all of Subtenant's interest, in the Tenant Personal Property to Landlord by executing a bill of sale in a form reasonably required by Landlord. At Landlord's option, Tenant or Subtenant shall remove the Tenant Personal Property within thirty (30) days after receipt of a written request by Landlord and Tenant or Subtenant will repair all damage to the Premises caused by any removal of the Tenant Personal Property.

8.2 Landlord's Security Interest.

8.2.1 The parties intend that if Tenant defaults under this Lease, Landlord will control the Tenant Personal Property, including the Intangible Property, so that Landlord or its designee can operate or re-let the Premises intact for use as licensed for the Healthcare Use applicable for the Premises.

8.2.2 Therefore, to implement the intention of the parties, and for the purpose of securing the payment and performance of Tenant's obligations under this Lease, Tenant, as debtor, hereby grants to Landlord, as secured party, a security interest in and an express contractual lien upon, all of Tenant's right, title and interest in and to the Tenant Personal Property, including the Intangible Property, and any and all products and proceeds thereof, in which Tenant now owns or hereafter acquires an interest or right, including any leased Tenant Personal Property. The contractual lien granted to Landlord in the Tenant Personal Property is subject to any contractual lien rights of the Working Capital Lender (as defined in Section 8.4) in the Tenant Personal Property. This Lease constitutes a security agreement covering all such Tenant Personal Property, including the Intangible Property. At Landlord's sole option, Tenant shall execute a separate security agreement granting Landlord the security interests in Tenant Personal Property, including the Intangible Property. Additionally, at Landlord's sole option, Tenant shall cause each Subtenant to execute a security agreement, granting Landlord a security interest in and express contractual lien on all of each such Subtenant's right, title and interest in and to the Tenant Personal Property and the Intangible Property, and in any property of Subtenants used in connection with the operation of the Premises. The security interest granted to Landlord in this Section 8.2.2 is intended by Landlord and

Tenant to be a first lien security interest in such property and shall not be inferior or subordinate to any other lien or financing except as set forth in Section 8.4 and except as to de minimis equipment liens not to exceed Ten Thousand Dollars (\$10,000.00) per Facility. Landlord shall have the option to assign this security interest, and any separate security agreement which may be executed by Tenant, to Senior Lender, upon written notice to Tenant. This security agreement and the security interest created herein shall survive the termination of this Lease if such termination results from the occurrence of an Event of Default.

8.3 Financing Statements. Prior to the commencement of the Lease and if required by Landlord at any other time during the Term, Tenant shall execute and deliver to Landlord (and cause all Subtenants to execute and deliver), in a form reasonably satisfactory to Landlord, additional security agreements, financing statements, fixture filings and such other documents as Landlord may reasonably require to perfect or continue the perfection of Landlord's security interest in the Tenant Personal Property, including the Intangible Property, and any and all products and proceeds thereof now owned or hereafter acquired by Tenant or any Subtenant. At Tenant's sole cost and expense, Landlord may file such documents in public offices and obtain such record searches as Landlord may reasonably require. Tenant hereby authorizes Landlord, on behalf of Tenant and any Subtenants, to file all financing and continuation statements necessary to perfect the security interests created herein. In the event Tenant fails to execute (or fails to cause any Subtenant to execute) any financing statements or other documents for the perfection or continuation of Landlord's security interest, Tenant hereby appoints Landlord as its true and lawful attorney-in-fact to execute any such documents on its behalf, which power of attorney shall be irrevocable and is deemed to be coupled with an interest.

8.4 Accounts Receivable. Landlord agrees to subordinate its contractual lien rights in Tenant's accounts receivable in favor of Senior Lender, or an Affiliate of Senior Lender, if Senior Lender or any such Affiliate makes a working capital credit facility available to Tenant, or in favor of any non-Affiliate of Senior Lender which provides Working Capital Financing to Tenant in compliance with the requirements of this Section 8.4. Any such subordination shall be in writing, signed by all parties and in a form reasonably acceptable to Landlord, Tenant and Senior Lender. Tenant may also obtain working capital financing or otherwise pledge any receivables as collateral ("**Working Capital Financing**") from a non-Affiliate of the Senior Lender if (i) the terms and conditions of this Section 8.4 have been satisfied; (ii) Tenant obtains written approval from Landlord and Senior Lender of the terms and conditions of such Working Capital Financing; (iii) no Event of Default exists hereunder; and (iv) such Working Capital Financing lender and Landlord (and Senior Lender, as applicable) have entered into an intercreditor agreement in form and substance reasonably acceptable to Landlord and Senior Lender. Landlord may withhold its consent in its sole discretion to any Working Capital Financing that does not satisfy the foregoing conditions. Landlord and Tenant acknowledge and agree that Tenant or Subtenants have or will obtain a credit line with Private Bank (the "**Working Capital Lender**") for its Working Capital Financing as of the Effective Date. Tenant shall not commingle any funds or accounts related to the Premises held by the Working Capital Lender with funds or accounts related to other properties owned or leased by Tenant or its Affiliates. Tenant and its Affiliates shall not be in default, beyond any applicable cure period, under any financing agreements with Working Capital Lender or any other provider of Working Capital Financing. The form of approved intercreditor agreement between Senior Lender and the Working Capital Lender is attached hereto as Exhibit G.

8.5 Cash Management.

8.5.1 On or before the Effective Date, Tenant shall establish and maintain with a United States depository institution designated by Landlord or Senior Lender ("Account Bank") a separate and unique collection account (the "Account") into which all revenues attributable to the Premises ("Revenues") shall be deposited, commencing on the Effective Date. If any such Revenues are forwarded to Tenant or Subtenant or its manager rather than directly to the Account, Tenant or Subtenant shall (i) deliver an irrevocable direction letter in form and substance satisfactory to Landlord to such entity and make other commercially reasonable efforts to cause such entity to forward such Revenues directly to the Account and (ii) immediately deposit such Revenues in the Account. Subject to the terms of Section 8.5.4 below, neither Tenant nor any Subtenant shall have the right to make or direct any withdrawals from the Account without the prior written consent of Landlord and Senior Lender.

8.5.2 So long as no Event of Default shall have occurred and be continuing, the Revenues shall be held uninvested in the Account and shall be applied as follows: (i) first, to the payment of any and all amounts due with respect to the Premises, including without limitation, Minimum Rent, Percentage Rent, any impounds pursuant to Section 4.6 herein and Management Fees; and (ii) second, as soon as practicably feasible, to an account designated by Tenant.

8.5.3 If an Event of Default has occurred and is continuing (and following the giving of any required notice): (i) Revenues deposited in the Account shall not be applied or deposited to the account designated by Tenant pursuant to Section 8.5.2(ii) and (ii) sums on deposit in the Account may be applied by Landlord for the payment of any amounts due Landlord pursuant to this Lease.

8.5.4 Contemporaneously with the creation of the Account, Landlord, Tenant (or Subtenant, as applicable), and Account Bank shall enter into a Deposit Account Control Agreement (the "Control Agreement") concerning the Account and implementing the provisions of this Section 8.5; provided, however, the Control Agreement shall provide that Landlord shall not exercise any control over the Account until Landlord provides written notice to Account Bank that an Event of Default has occurred and is continuing under this Lease. A fully executed original of the Control Agreement shall be held by Senior Lender and Landlord, and Tenant (or Subtenant, as applicable) shall not enter into any amendment, modification or supplement to the Control Agreement without the prior written consent and agreement of Landlord and Senior Lender.

8.5.5 The provisions set forth in this Section 8.5 shall be subject to the approval of Senior Lender. Any inconsistencies between this provision and the provisions in any working capital loan from Senior Lender or an Affiliate thereof and Tenant shall be governed by the terms and provisions of the working capital loan documents.

9. Representations And Warranties. Landlord and Tenant do hereby each for itself represent and warrant to each other as follows:

9.1 Due Authorization And Execution. This Lease and all agreements, instruments and documents executed or to be executed in connection herewith by such party were duly authorized and shall be binding upon such party.

9.2 Due Organization. Landlord and Tenant are duly organized, validly existing and in good standing under the laws of the State of their respective formations and are duly authorized and qualified to do all things required of the applicable party under this Lease within the State in which the Premises are located.

9.3 No Breach of Other Agreements. Neither this Lease nor any agreement, document or instrument executed or to be executed in connection herewith, violates the terms of any other agreement to which either Landlord or Tenant is a party.

The annual financial statements of Manager shall be provided by Tenant upon reasonable request by Senior Lender, and upon reasonable request by Landlord, but only in connection with the occurrence of a Capital Event of Landlord. Notwithstanding any of the other terms of this Section 10.3, if Tenant shall become subject to any reporting requirements of the SEC during the Term, Tenant shall concurrently deliver to Landlord such reports as are delivered to the SEC pursuant to applicable securities laws within five (5) days of filing with the SEC, provided that the time for delivery of said reports may be extended in the event that the Senior Lender agrees in writing to extend same.

Without limiting the foregoing, Landlord shall have the right to do any of the following:

11.3.1 Sue for the specific performance of any covenant of Tenant under this Lease as to which Tenant is in breach;

11.3.2 Elect to leave this Lease in place, draw down on the Security Deposit to pay for any past due sums and sue for rent and/or other money damages as the same come due;

11.3.3 Before or after repossession of the Premises pursuant to Sections 11.3.6 and 11.3.7, and regardless of whether this Lease has been terminated, Landlord shall have the right (but shall be under no obligation except to the extent required under applicable law) to relet any portion of the Premises to such tenant or tenants, for such term or terms (which may be greater or less than the remaining balance of the Term), for such rent, or such conditions (which may include concessions or free rent) and for such uses, as Landlord, in its absolute discretion, may determine, and Landlord may collect and receive any rents payable by reason of such reletting. Landlord shall have no duty to mitigate damages unless required by applicable law and shall not be responsible or liable for any failure to relet any of the Premises or for any failure to collect any rent due upon any such reletting. Tenant agrees to pay Landlord, immediately upon demand, all expenses incurred by Landlord in obtaining possession and in reletting any of the Premises, including fees, commissions and costs of attorneys, architects, agents and brokers;

11.3.4 Exercise the remedies of a secured party under the applicable Uniform Commercial Code with respect to the Tenant Personal Property, including the Intangible Property;

11.3.5 Revoke any waiver or deferral given by Landlord of any Minimum Rent or Percentage Rent or other amount payable hereunder, and immediately thereafter all such deferred or waived amounts shall become immediately due and payable. The

foregoing shall not be construed to mean that Landlord is under any obligation whatsoever to consider or grant any such deferral or waiver to Tenant;

11.3.6 Enter upon any portion of the Premises, terminate this Lease, dispossess Tenant from any portion of the Premises and/or collect money damages by reason of Tenant's breach if the Event of Default arises under Subsections 11.1.1-11.1.10, 11.1.11(b), 11.1.12, 11.1.14, 11.1.15 and 11.1.16. In the event of any such termination or repossession of the Premises or any part thereof, Tenant shall pay to Landlord all Minimum Rent, Percentage Rent and other sums required to be paid by Tenant for the period to and including the date of such termination or repossession. Notwithstanding the foregoing, all obligations and liabilities of Tenant under this Lease accruing prior to such termination or repossession shall survive the termination of the Term; and

11.3.7 Enter upon any portion of the Premises, terminate this Lease, dispossess Tenant from any portion of the Premises and/or collect money damages by reason of Tenant's breach if the default arises under Subsections 11.1.11(a) and 11.1.13; provided, however, that such default shall not be deemed an Event of Default hereunder unless and until it has occurred more than twice during any calendar year of the Term, or more than four (4) times over the entire Term. In the event of any such termination or repossession of the Premises or any part thereof, Tenant shall pay to Landlord all Minimum Rent, Percentage Rent and other sums required to be paid by Tenant for the period to and including the date of such termination or repossession. Notwithstanding the foregoing, all obligations and liabilities of Tenant under this Lease accruing prior to such termination or repossession shall survive the termination of the Term.

11.4 Cured Default. Notwithstanding anything contained in this Lease to the contrary, should a default of Tenant be waived pursuant to Section 11.5 or Section 11.8 below, or cured within the applicable cure period set forth in Section 11.1 above, such default shall no longer be deemed an Event of Default.

11.5 Waiver of Certain Defaults. Notwithstanding the provisions of Section 11.7 below, if an Event of Default occurs pursuant to Section 11.1.5, 11.1.6, 11.1.7, 11.1.8, 11.1.14 or 11.1.15 above, such Event of Default shall be deemed waived by Landlord provided that the following conditions are satisfied: (i) Landlord fails to exercise any of its remedies pursuant to Section 11.3 above within twelve (12) months after Landlord has either received (from Tenant) or given written notice of such Event of Default (the "**Default Period**"), (ii) Tenant cures the Event of Default to Landlord's reasonable satisfaction within the Default Period, prior to Landlord's exercise of any remedy hereunder, and (iii) neither Landlord nor Senior Lender shall suffer any economic harm or other adverse impact resulting from the Event of Default, as determined in Landlord's reasonable discretion. Within three (3) Business Days after Tenant has notice or should, in the exercise of ordinary prudence, have had knowledge of the occurrence of an Event of Default (except as to Section 11.1.14, with respect to which Tenant shall provide written notice to Landlord of any such breach of any financial covenants within five (5) Business Days after Tenant has actual notice of such breach, but in no event later than thirty (30) days after the end of the applicable fiscal quarter), Tenant shall provide written notice to Landlord of such Event of Default, and its intent to cure such Event of Default, if applicable. If Tenant fails to provide written notice to Landlord of such Event of Default in accordance with the immediately preceding sentence, or acts to prevent Landlord from exercising any of its remedies available pursuant to Section 11.3, all rights of Tenant under this Section 11.5 shall be deemed waived by Tenant. Notwithstanding any provision herein to the contrary, nothing

contained in this Section 11.5 shall serve to extend the applicable cure period for Events of Default in the documents described in Sections 11.1.5, 11.1.6 and 11.1.7, if any, or for Events of Default occurring pursuant to Section 11.1.15.

11.6 Receivership. Tenant acknowledges that one of the rights and remedies that may be available to Landlord under applicable law is to apply to a court of competent jurisdiction for the appointment of a receiver to take possession of the Premises, to collect the rents, issues, profits and income of the Premises and to manage the operation of the Premises. Tenant further acknowledges that the revocation, suspension or material limitation of the certification of any portion of the Premises for provider status under Medicare or Medicaid (or successor programs) and/or the revocation, suspension or material limitation of a license relating to the operation of any portion of the Premises for its intended use under the laws of the State in which the Premises is located will materially and irreparably impair the value of Landlord's investment in the Premises. Therefore, in any of such events, and in addition to any other right or remedy of Landlord under this Lease, Landlord may petition any appropriate court for, and Tenant hereby consents to, the appointment of a receiver to take possession of the Premises, to manage the operation of the Premises, to collect and disburse all rents, issues, profits and income generated thereby and to preserve or replace to the extent possible any such license and provider certification for the Premises or to otherwise substitute the licensee or provider thereof. The receiver shall be entitled to a reasonable fee for its services as a receiver. All such fees and other expenses of the receivership estate shall be added to the monthly rent due to Landlord under this Lease. Tenant hereby irrevocably stipulates to the appointment of a receiver under such circumstances and for such purposes and agrees not to contest such appointment.

11.7 Late Charges. Tenant acknowledges that the late payment of any Minimum Rent, Percentage Rent or any other amounts due under this Lease will cause Landlord to lose the use of such money and incur costs and expenses not contemplated under this Lease, including, without limitation, administrative and collection costs and processing and accounting expenses, the exact amount of which is extremely difficult to ascertain. Therefore, (a) if any installment of Minimum Rent, Percentage Rent or any other amounts due under this Lease is not paid within three (3) days after the due date for such payment, then Tenant shall thereafter pay to Landlord on demand a late charge equal to five percent (5%) of the amount of any delinquent installments of Minimum Rent, Percentage Rent and other amounts due under this Lease and not paid on the due date; and (b) if any installment of Minimum Rent, Percentage Rent or other amounts due under this Lease is not paid within ten (10) calendar days after the due date for such payment, such unpaid amount shall accrue interest from the due date for such payment at the Prime Rate plus five percent (5%) per annum (the "**Agreed Rate**") (or the maximum rate permitted by law if less than the Agreed Rate). As used herein, "**Prime Rate**" shall mean the prime rate of interest charged by Bank of America, N.A. from time to time. Landlord and Tenant agree that this late charge and the accrual of interest at the Agreed Rate represent a reasonable estimate of such costs and expenses and is fair compensation to Landlord for the loss suffered from any such nonpayment and/or delinquent payment by Tenant.

11.8 Remedies Cumulative; No Waiver. No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder, or now or hereafter existing at law or in equity. No failure of Landlord to insist at any time upon the strict performance of any provision of this Lease or to exercise any option, right, power or remedy contained in this Lease shall be construed as a waiver, modification or

relinquishment thereof as to any similar or different breach (future or otherwise) by Tenant. A receipt by Landlord of any rent or other sum due hereunder (including any late charge) with knowledge of the breach of any provision contained in this Lease shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision of this Lease shall be deemed to have been made unless expressed in a writing signed by Landlord.

11.9 Performance of Tenant's Obligations by Landlord. If Tenant at any time shall fail to make any payment or perform any act on its part required to be made or performed under this Lease, then Landlord and/or Senior Lender may, without waiving or releasing Tenant from any obligations or default of Tenant hereunder, make any such payment or perform any such act for the account and at the expense of Tenant, and may enter upon any portion of the Premises for the purpose of taking all such action thereon as may be reasonably necessary therefore. No such entry shall be deemed an eviction of Tenant. All sums so paid by Landlord and all necessary and incidental costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred in connection with the performance of any such act by Landlord, together with interest at the rate of the Agreed Rate (or if said interest rate is violative of any applicable statute or law, then the maximum interest rate allowable) from the date of the making of such payment or the incurring of such costs and expenses by Landlord, shall be payable by Tenant to Landlord on demand. Nothing in this section shall be construed to grant Landlord the authority (or require Landlord) to engage in, including entry upon the Premises to engage in, the management or operation of the applicable Healthcare Use, to review confidential resident records, or to engage in any activity that would directly or indirectly create any responsibility or duty of or by Landlord to any resident of the Premises, it being the express intention of the parties that Tenant be solely responsible for operation of the Premises as the applicable Healthcare Use.

12. Intentionally Deleted.

13. Damage by Fire or Other Casualty.

13.1 Reconstruction Using Insurance.

13.1.1 In the event of the damage or destruction of any portion of the Premises, Tenant shall immediately notify Landlord (but in no event later than twenty-four hours after such damage or destruction) and, provided that Senior Lender consents to use of the proceeds to repair, diligently repair or reconstruct the same to a like or better condition than existed prior to such damage or destruction. Any insurance proceeds payable with respect to the casualty shall be held and used in the manner determined by Senior Lender and Landlord. In the event the net insurance proceeds are used for the repair or reconstruction of the applicable portion of the Premises, the proceeds shall be subject to reasonable disbursement controls in favor of Landlord or its Senior Lender. If such proceeds are insufficient for the repairs or reconstruction of the damaged portion of the Premises, Tenant shall provide the required additional funds. If Senior Lender prohibits the use of the funds for repairs or reconstruction, the insurance proceeds shall be utilized by Senior Lender to pay down debt owed to it.

13.1.2 Notwithstanding anything to the contrary in Section 13.1.1 above, and provided that (i) Tenant has paid to Landlord all Rent and other amounts due under the Lease through the date of such damage or destruction, (ii) the loss due to damage or destruction exceeds 50% of the full replacement value of the affected Facility, (iii) Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction and uses the insurance proceeds to pay down debt owed to it (except if any portion of the insurance

proceeds is unavailable for repair or reconstruction due to any acts or omissions of Tenant or any Subtenant), and (iv) Landlord fails to repair or reconstruct the affected Facility to substantially the same condition as existed prior to such damage or destruction within eighteen (18) months after the date of such damage or destruction, then Tenant may, at Tenant's election, made within thirty (30) days after Landlord provides written notice to Tenant that the affected Facility will not be repaired to substantially the same condition as existed prior to such damage or destruction within the time period set forth in (iv) above, terminate this Lease with respect to the affected Property only. In the event of termination of this Lease as to the affected Property, Minimum Rent shall be adjusted in accordance with Schedule 13.1.

13.1.3 In the event that the loss due to damage or destruction is equal to 50% or less than the full replacement value of the affected Facility, and Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction and uses the insurance proceeds to pay down debt owed to it (except if any portion of the insurance proceeds is unavailable for repair or reconstruction due to any acts or omissions of Master Tenant or any Subtenant), then, provided that Master Tenant shall continue the operation of the affected Facility for the Healthcare Use, the Minimum Rent for the affected Facility shall be adjusted as mutually agreed by Landlord and Tenant and approved by Senior Lender.

13.2 Surplus Proceeds. If there remains any surplus of insurance proceeds after the completion of the repair or reconstruction of the applicable portion of the Premises, and provided that such repair or reconstruction of the Premises is reasonably acceptable to Landlord, such surplus shall be paid to Tenant, provided that no Event of Default has occurred hereunder.

13.3 No Rent Abatement. The rent payable under this Lease shall not abate by reason of any damage or destruction of any portion of the Premises by reason of an insured or uninsured casualty; provided, however, that Tenant shall receive a credit against the rent and other sums due hereunder in an amount equal to the proceeds of any rental value and/or business interruption insurance carried by Tenant, which are paid to Landlord. Tenant hereby waives all rights under applicable law to abate, reduce or offset rent by reason of such damage or destruction.

13.4 Maple Crest Lease. From and after the Maple Crest Effective Date, and to the extent the provisions of this Section 13 and Section 14 below conflict with the Maple Crest Lease, the Maple Crest Lease shall govern with respect to damage to, destruction of or condemnation affecting the Maple Crest Facility.

14. Condemnation.

14.1 Complete Taking. If during the Term all or substantially all of any Facility is taken or condemned by any competent public or quasi-public authority, and provided that (i) Tenant has paid Landlord all Rent and other amounts due pursuant to this Lease through the date of such taking or condemnation, (ii) Landlord or Senior Lender fails to make available for rebuilding the proceeds from any award, and (iii) Landlord fails to repair the affected Facility to substantially the same condition as existed prior to such taking or condemnation within eighteen (18) months after the date of such taking or condemnation, then, Tenant may, at Tenant's election, made within thirty (30) days after Landlord provides written notice to Tenant that the affected Facility will not be repaired to substantially the same condition as existed prior to such taking or condemnation within the time period set forth above, terminate this Lease with respect to the affected Property only. The award payable upon such taking shall be paid to Landlord,

and Tenant shall be entitled to seek a separate claim from the condemning authority for Tenant's damages. In the event of a termination of the Lease as to the affected Property, Minimum Rent shall be adjusted in accordance with Schedule 13.1.

14.2 Partial Taking. In the event such condemnation proceeding or right of eminent domain results in a taking of less than all or substantially all of a Property, and such taking does not prevent Tenant from operating the Premises for the Healthcare Use, Landlord shall be entitled to receive and retain any and all awards for the partial taking and damage except that Tenant shall be entitled to seek a separate claim from the condemning authority for Tenant's damages, including but not limited to moving expenses, and any unamortized capital addition costs paid by the Tenant. Notwithstanding the preceding sentence, such proceeds shall be held and used in the manner required by the Senior Loan documents. Tenant shall promptly proceed to restore, replace, repair or rebuild the affected Premises to the extent practicable to be a single architecturally functional building of substantially the same quality and character, subject to the portion of the Premises affected by the taking ("Tenant's Repair Obligation"), provided that the award proceeds are made available to Tenant as soon as practicable after such award proceeds are available from the condemning authority. If such proceeds are insufficient to complete the Tenant's Repair Obligation, Tenant shall provide the required additional funds. Provided that Master Tenant shall continue the operation of the Premises for the Healthcare Use, the Minimum Rent for the affected Facility shall be adjusted as mutually agreed by Landlord and Tenant and approved by Senior Lender, based on either the remaining square footage of useable space in the Premises or the number of beds available in the remaining Premises, as applicable.

14.3 Lease Remains in Effect. Except as provided above, this Lease shall not terminate and shall remain in full force and effect in the event of a taking or condemnation of

any portion of the Premises, and unless stated otherwise in the provisions of this Lease, Tenant hereby waives all rights under applicable law to abate, reduce or offset rent by reason of such taking.

15. Provisions on Termination of Term.

15.1 Surrender of Possession. Tenant shall, on or before the last day of the Term, or upon earlier termination of this Lease, (a) surrender to Landlord the Premises (including all resident charts and resident records along with appropriate patient and resident consents if necessary and inventories and supplies at normal operating levels) in good condition and repair, ordinary wear and tear excepted, (b) upon Landlord's written request, shall to the greatest extent permitted by law, transfer to Landlord or its designees or assigns, the following: (i) all federal, state or municipal licenses, certifications, certificates, approvals, permits, variances, waivers, provider agreements and other authorization certificates which relate to the operation of the Healthcare business at the Premises, including certificates of need required for any ancillary services provided at the Premises such as dialysis, except for the right to the use of Tenant's name; and (ii) the name of the health care facility comprising the Premises as then known to the general public, (c) prepare and file all notices required by applicable law in connection with such termination, and (d) execute the Exit Operations Transfer Agreement attached hereto as Exhibit D (the "Exit Agreement"). If Tenant fails or refuses to transfer any such license, certification, certificate, approval, permit, variance, waiver, provider agreement, other authorization or trade name, then this provision shall constitute an act of assignment by Tenant to Landlord or its assigns without the necessity of any further written instrument. Landlord shall have the option of taking over the operation of the Healthcare Use at the Premises, or to have the operation of the business taken over by a designee, in the event of a

termination of this Lease for any reason, without assuming any of Tenant's liabilities or obligations. Landlord shall give Tenant written notice of Landlord's intent to exercise the right set forth above, in which event, upon the approval of the applicable State agency or agencies of the change of ownership, Tenant shall immediately turn over possession and control of the Healthcare Use at the Premises without any further action having to be taken on the part of Landlord. Further, if an Event of Default occurs hereunder, Tenant hereby appoints Landlord its true and lawful attorney by this instrument and by the limited power of attorney attached to this Lease as Exhibit E, said appointment being coupled with an interest, to execute the Exit Agreement on behalf of Tenant and to execute on behalf of Tenant a letter of consent in a form acceptable to Landlord enabling Landlord or its designee to file applications to operate a nursing home with the applicable State agencies and every other regulatory agency now or hereafter claiming jurisdiction and to operate the healthcare business at the Premises during the pendency of such application. This provision shall be enforceable in a court of law and shall be effective by operation of law.

15.2 Removal of Personal Property. If Tenant is not then in default hereunder, Tenant shall have the right in connection with the surrender of the Premises to remove from the Premises all Tenant Personal Property, except that Tenant shall not remove (a) the Landlord Personal Property (including Landlord Personal Property replaced by Tenant), (b) any Tenant Personal Property subject to a capital lease or financing arrangement as of the Effective Date, as set forth on Section 15.2 attached hereto, or (c) any Tenant Personal Property required by the State in which the Premises is located or any other governmental entity to operate the Premises for the purpose set forth in Section 6.3 above ("Governmental Required Property"); provided, however, Landlord shall pay to Tenant the depreciated book value in accordance with GAAP of such Governmental Required Property. In addition, at Landlord's option, Tenant shall remove

Tenant Personal Property so designated by Landlord in writing. Any such removal shall be done in a workmanlike manner leaving the Premises in good and presentable condition and appearance, including repair of any damage caused by such removal. At the end of the Term or upon the earlier termination of this Lease, Tenant shall return (and cause each Subtenant to return) the Premises to Landlord with the Landlord Personal Property (or replacements thereof) together with the other Governmental Required Property in the same condition and utility as was delivered to Tenant at the commencement of the Term, reasonable wear and tear excepted, and transfer to Landlord all Intangible Property except for Tenant's (or Subtenant's) accounts receivable (unless this Lease was terminated because of an Event of Default by Tenant, in which event Landlord shall have the right, subject to any subordination as set forth in Section 8.4, to enforce its security interests in Tenant's, or Subtenant's, accounts receivable). Tenant covenants and agrees that it shall not, and shall not allow Subtenant to, sell, move, modify, transfer, assign, sell, relocate, pledge, secure, convey or in any other manner encumber Landlord's Personal Property, any certificate of need or any of the licensed or Medicare and/or Medicaid certified beds at the Premises or any other Intangible Property, or attempt to do same.

15.3 Title to Personal Property Not Removed. Title to any of Tenant Personal Property which is not removed by Tenant upon the expiration of the Term shall, at Landlord's election, vest in Landlord; provided, however, that Landlord may remove and dispose at Tenant's expense of any or all of such Tenant Personal Property which is not so removed by Tenant without obligation or accounting to the Tenant.

15.4 Transition of Premises. Upon the expiration or earlier termination of the Term (the "Expiration Date"), Landlord, upon written notice to Tenant (a "Transition Notice"), may inform Tenant that the responsibilities and obligations for the management and

operation of the Premises shall be transferred to and assumed by a new tenant designated by Landlord (the "Successor Operator"), and Tenant agrees to cooperate fully (and cause each Subtenant to cooperate fully) with Landlord and the Successor Operator to accomplish the transfer of such management and operation without interrupting the operation of the Premises. Tenant shall not commit (or permit any Subtenant to commit) any act or be remiss in the undertaking of any act that would jeopardize any licensure or certification of the Premises, and Tenant shall comply (and cause each Subtenant to comply) with all requests for an orderly transfer of all licenses used in the operation of the Premises, Medicare and Medicaid (or any successor program) certifications and possession of the Premises at the time of any such surrender to the extent permitted by applicable law. Upon the expiration or earlier termination of the Term, subject to applicable laws, Tenant shall promptly deliver copies of all of Tenant's and Subtenants' books and records relating to the Premises and its operations to Landlord.

15.5 Limited Extended Operation by Tenant. In the event Landlord delivers a Transition Notice, Tenant shall thereafter operate the Premises in accordance with all of the requirements of this Lease until the earliest to occur of (i) the date on which Landlord or Successor Operator will assume the operation of the Premises, as specified in a written notice from Landlord to Tenant given not less than fifteen (15) days prior to the date of such assumption; (ii) the date that is ninety (90) days after the Expiration Date (except that in connection with any termination of this Lease, or dispossession of Tenant, pursuant to an Event of Default, prior to the Expiration Date, such ninety (90) day period shall not commence until Landlord delivers a Transition Notice); and (iii) the date (on or after the Expiration Date) that is ninety (90) days after Tenant receives written notice from Landlord that, notwithstanding the foregoing, Tenant may commence the transition to the Successor Operator, on which earliest date, Tenant shall vacate the Premises and surrender possession thereof to Landlord in

accordance with all of the applicable requirements of this Lease. In the event Landlord sends Tenant a Transition Notice and the Lease has terminated as of the expiration date of the Term (e.g. not in the case of an early termination of the Lease or early dispossession of Tenant, in connection with an Event of Default), and, as a result thereof, Tenant operates a Facility beyond the expiration date of the Term, then, from and after the expiration of this Lease as to such Facility and until the earliest to occur of the dates described in clauses (i), (ii) and (iii) above relative to the Premises (the "Reimbursement Period"), (x) the operating budget shall be the operating budget, if any, that was in effect immediately prior to the commencement of the Reimbursement Period and that had been approved by Landlord or if no such Landlord-approved operating budget was so in effect, an operating budget provided by Landlord, (y) Landlord shall include in such operating budget, and Tenant shall continue to pay during the Reimbursement Period, all Rent that would have been owing under this Lease as to the Premises if the Lease had not so expired, and (z) Landlord shall reimburse Tenant for any operating deficits with respect to the Premises that Tenant may be required to fund out-of-pocket on account of operating losses and expenses of the Premises incurred by Tenant by reason of, or arising out of compliance with such budget with respect to the Reimbursement Period applicable to the Premises. Any such reimbursement shall be due from Landlord to Tenant within thirty (30) days after written request by Tenant, provided that Tenant shall furnish such documentation of any operating deficits, losses and expenses as Landlord may reasonably request. The terms of this Section 15.5 shall survive the expiration or earlier termination of this Lease.

16. Notices and Demands. All notices and demands, certificates, requests, consents, approvals, and other similar instruments under this Lease shall be in writing and shall be sent by personal delivery or by either (a) United States certified or registered mail, return receipt

Such addresses may be changed by notice to the other parties given in the same manner as provided above. Any notice so given by mail shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be, whether accepted or refused. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the

same is to be given. If Tenant fails at any time to provide to Landlord a current address for notice purposes, notice may be made to any officer, general partner or principal of Tenant.

17. **Right of Entry.** Landlord and its representatives may enter any portion of the Premises at any reasonable time after reasonable notice to Tenant for the purpose of inspecting the Premises to determine whether the Tenant is in compliance with its obligations to maintain the Premises under Sections 6.1, 6.2, 6.5 and 6.6; following Tenant's default under this Lease; to exhibit the Premises or portions thereof for sale, lease or mortgage financing; or for posting notices of default, or non-responsibility under any mechanic's or materialman's lien law. Landlord may enter any portion of the Premises at anytime for emergency purposes. Any such entry shall not unreasonably or materially interfere with residents, patients, patient care, or any other of Tenant's operations. During normal business hours, and to the extent permitted by applicable laws, Tenant will permit Landlord and Landlord's representatives, inspectors and consultants to examine and copy such contracts, books and records regarding the Premises as may be necessary to evidence Tenant's compliance with this Lease. Nothing in this section shall be construed to grant Landlord the authority to engage in, including entry upon the Premises to engage in, the management or operation of the applicable Healthcare Use, to review confidential resident records, or to engage in any activity that would directly or indirectly create any responsibility or duty of or by Landlord to any resident of the Premises, it being the express intention of the parties that Tenant be solely responsible for operation of the Premises as the applicable Healthcare Use.

18. **Landlord May Grant Liens.** Without the consent of Tenant, Landlord may, subject to the terms and conditions set forth below in this Section 18, from time to time, directly or indirectly, create or otherwise cause to exist any lien, mortgage, encumbrance or title retention

agreement ("Encumbrance") upon the Premises, or any portion thereof or interest therein (including this Lease), whether to secure any borrowing or other means of financing or refinancing or otherwise. Upon the execution of this Lease and upon the request of Landlord from time to time, Tenant shall subordinate this Lease to the lien of a new Encumbrance on the Premises or any portion thereof or interest therein and will, within ten (10) Business Days of any such request, execute a subordination agreement that is in form reasonably acceptable to Landlord and the proposed lender on the condition that the proposed lender agrees not to disturb Tenant's rights under this Lease so long as Tenant is not in default hereunder. Upon request of any such lender, Tenant shall attorn to and acknowledge the foreclosure purchaser or purchasers as Landlord hereunder.

19. Quiet Enjoyment. So long as there is no Event of Default by Tenant, Landlord covenants and agrees that Tenant shall peaceably and quietly have, hold and enjoy the Premises for the Term, free of any claim or other action not caused or created by Tenant (excepting, however, intrusion of Tenant's quiet enjoyment occasioned by condemnation or destruction of the property as referred to in Sections 13 and 14 hereof).

20. Applicable Law. This Lease shall be governed by and construed in accordance with the internal laws of the State of Illinois without regard to the conflict of laws rules of such State. The remedies available to Landlord on the occurrence of an Event of Default shall, however, be governed by the laws of the State where the applicable portion of the Premises is located.

21. Preservation of Revenues.

21.1 Tenant acknowledges that the diversion of residents and/or patient care activities from the Premises to other property owned or operated by Tenant or its Affiliates at or

near the end of the Term will have a material adverse impact on the value and utility of the Premises.

21.1.1 During the Term and for a period of three (3) years after the expiration or any earlier termination of the Term due to an Event of Default (the "**Restricted Period**"), neither Tenant, its Affiliates, nor any of Tenant's Principals shall directly or indirectly, as an agent, consultant, advisor (other than as a member of boards or committees generally addressing health care needs and facilities in the applicable jurisdiction), equity holder, joint venturer, partner, manager, or any other representative capacity, on its own behalf or on the behalf of others, develop, construct, own, manage, operate, control, or own a beneficial interest in any Person that engages in or owns, invests in, operates, manages or controls any entity engaged in the provision of services relating to a "skilled nursing facility," or, as pertains to the Facility known as Sycamore Village, an "assisted living facility," as those terms are defined by State or federal law (the "**Business**"), which is new construction, a replacement facility or a substantial renovation of an existing facility and is within a five (5) mile radius outward from the outside boundary of the Premises (the "**Radius**"). All distances shall be measured on a straight line rather than on a driving basis. For the purposes of this Section 21.1.1, "substantial renovation" shall mean a facility which requires in excess of \$2,000,000.00 in capital improvements in the first two (2) years of operation of such facility by Tenant, its Affiliates or any of Tenant's Principals. Notwithstanding the foregoing and for the avoidance of doubt, it is understood and agreed that an independent living facility shall not be within the definition of Business. The foregoing restrictive covenants shall not restrict in any manner the ownership of passive investments in securities not constituting

more than five percent (5%) collectively by the Restricted Parties of the outstanding securities of any class of publicly traded securities.

21.1.2 Should Tenant, its Affiliates or any of Tenant's Principals intend to acquire either a fee simple or leasehold interest in any existing facility or institution within the Radius which will be operated "as is" (such facility requires less than \$2,000,000 for capital improvements in the first two (2) years for operation in accordance with applicable law) (a "ROFR Property"), then Tenant hereby grants to Landlord and its Affiliates a right of first refusal to enter into a joint venture equal partnership with Tenant or its applicable Affiliate to acquire the interest in the ROFR Property; provided, however, that Landlord shall not have a right of first refusal as to any ROFR Property which is included in a portfolio acquisition by Tenant or its Affiliates if a majority of the Licensed Beds included in the proposed portfolio acquisition are located outside of the Radius. Tenant shall provide Landlord with written notice of its intention to acquire any ROFR Property and Landlord shall have thirty (30) days to exercise its right to participate in such acquisition as equal partner with Tenant or its Affiliates or any of Tenant's Principals, as applicable.

21.1.3 Tenant hereby covenants and agrees that for a period of three (3) years following the expiration or earlier termination of this Lease, neither Tenant nor any of its Affiliates shall, without prior written consent of Landlord, hire, engage or otherwise employ or solicit for employment any management or supervisory personnel working on or in connection with the Premises.

21.1.4 Furthermore, Tenant hereby covenants and agrees that in the event of a proposed change or replacement of personnel in either an Executive Director

or Director of Nursing position at a Facility, Tenant shall provide at least fifteen (15) days prior written notice to Landlord before the start date of the replacement personnel which such notice shall include in reasonable detail the qualifications of the proposed new personnel, who shall possess similar or better qualifications and skills as the personnel being replaced.

21.1.5 Except as required for medically appropriate reasons, prior to the expiration or any earlier termination of the Term and for a period of five (5) years thereafter, neither Tenant nor any of its Affiliates will recommend or solicit the removal or transfer of any resident or patient or equipment from the Premises to any other nursing or health care facility, or to any senior housing or retirement housing facility.

21.2 During the Initial Term and any Renewal Terms of this Lease, the following persons shall be actively involved with the operation of Tenant's business on the Premises: David Hartman, Gerry Jenich, Michael Munter and Jay Flatt (the "**Key Personnel**"). In the event that any Key Personnel's employment with Tenant is discontinued for any reason, Tenant shall provide written notice to Landlord, as well as a plan of recruitment for replacement of Key Personnel within fifteen (15) business days after Tenant has notice of such discontinuance of employment. Tenant shall use its best efforts to replace such Key Personnel with a person having similar or better qualifications and experience within one hundred eighty (180) days after the date of such notice to Landlord. If the Key Personnel is not replaced within 180 days after the date of such notice to Landlord (the "**Replacement Period**"), then Tenant shall pay to Landlord a fee equal to Fifty Thousand Dollars (\$50,000.00) within thirty (30) days after receipt of written notice from Landlord. Landlord shall have thirty (30) days after the expiration of the Replacement Period to provide written notice to Tenant that such fee is due. In the event that the

Key Personnel is not replaced within twelve (12) months after the date of Tenant's original notice to Landlord, then Landlord shall have the option to terminate this Lease, by delivering not less than thirty (30) days prior written notice to Tenant. In the event of a termination of this Lease pursuant to this Section 21.2, the provisions of Section 15 herein shall apply.

22. Hazardous Materials.

22.1 Hazardous Material Covenants. Tenant's use of the Premises shall comply with all Hazardous Materials Laws. In the event any Environmental Activities occur or are suspected to have occurred in violation of any Hazardous Materials Laws or if Tenant has received any Hazardous Materials Claim against any portion of the Premises relating to activities or omissions committed during the Term, excluding those Environmental Activities directly caused by Landlord or those acting on behalf of and at the direction of Landlord, Tenant shall promptly obtain all permits and approvals necessary to remedy any such actual or suspected problem through the removal of Hazardous Materials or otherwise, and upon Landlord's approval of the remediation plan, remedy any such problem to the satisfaction of Landlord and all applicable governmental authorities, in accordance with all Hazardous Materials Laws and good business practices.

22.2 Tenant Notices to Landlord. Tenant shall immediately advise Landlord in writing of:

22.2.1 any Environmental Activities in violation of any Hazardous Materials Laws,

22.2.2 any Hazardous Materials Claims against Tenant or any portion of the Premises relating to activities or omissions committed during the Term,

22.2.3 any remedial action taken by Tenant in response to any Hazardous Materials Claims or any Hazardous Materials on, under or about any portion of the Premises in violation of any Hazardous Materials Laws,

22.2.4 Tenant's discovery of any occurrence or condition on or in the vicinity of any portion of the Premises that materially increases the risk that any portion of the Premises will be exposed to Hazardous Materials, and/or

22.2.5 all communications to or from Tenant, any governmental authority or any other Person relating to Hazardous Materials Laws or Hazardous Materials Claims with respect to any portion of the Premises, including copies thereof.

22.3 **Remediation**. If (i) Tenant becomes aware of a violation of any Hazardous Material Laws relating to any Hazardous Materials in, on or under the Premises or any adjacent property thereto; (ii) Tenant, Landlord or the Premises becomes subject to any order of any governmental authority or any Hazardous Materials Claims to repair, close, detoxify, decontaminate or otherwise remediate the Premises; or (iii) Tenant's actions, including but not limited to, any renovations or repairs to the Premises, cause the Tenant to remediate any environmental conditions disclosed in the Phase I Environmental Assessments Reports described on Schedule 22 ("**Phase I Reports**") ("**Existing Environmental Conditions**"), Tenant shall immediately notify Landlord of such event and, at its sole cost and expense with respect to any such Hazardous Materials in, on, under, or about the Premises (but not adjacent thereto unless caused by Tenant), cure such violation or effect such repair, closure, detoxification, decontamination or other remediation. Notwithstanding the foregoing, Tenant shall not be responsible for the remediation of Hazardous Materials on the Premises directly caused by Landlord or those acting on behalf and at the direction of Landlord.

22.4 Indemnity. Tenant shall indemnify, defend, protect, save, hold harmless, and reimburse Landlord and Senior Lender and their respective directors, officers, shareholders, partners, managers, members, affiliates, agents, employees, successors and assigns for, from and against any and all Environmental Costs (whether or not arising out of third-party claims and regardless of whether liability without fault is imposed, or sought to be imposed, on Landlord or Senior Lender) incurred in connection with, arising out of, resulting from or incident to, directly or indirectly (i) the production, use, generation, spilling, depositing, leaching, dumping, storage, treatment, transporting, disposal, discharge, release or other handling or disposition of any Hazardous Materials (collectively, "**Handling**") by Tenant or any Subtenants from, in, on or about the Premises, including the effects of such Handling of any Hazardous Materials on any Person or property within or outside the boundaries of the Premises; (ii) the presence of any Hazardous Materials in, on, under or about the Premises or any adjacent Property; (iii) or the violation of any Hazardous Material Laws (including Hazardous Material Laws); and (iv) the imposition of any lien related to any Environmental Activity. Without limiting the scope or generality of the foregoing, except for any environmental conditions caused or created solely by Landlord, or those acting on Landlord's behalf, Tenant expressly agrees to reimburse Landlord or Senior Lender for any and all costs and expenses incurred by Landlord or Senior Lender:

(A) In investigating any and all matters relating to the Handling of any Hazardous Materials, in, on, from, under or about the Premises;

(B) In bringing the Premises into compliance with all Hazardous Material Laws;

(C) Removing, treating, storing, transporting, cleaning-up and/or disposing of any Hazardous Materials handled in, on, from, under or about the Premises or offsite; and

(D) Subject to the right of Tenant to contest any such claim, if any claim is made hereunder, Tenant agrees to pay such claim promptly, and in any event to pay such claim within thirty (30) calendar days after receipt by Tenant of notice thereof.

22.5 Environmental Inspection. Landlord shall have the right, from time to time, and upon not less than five (5) days written notice to Tenant, except in the case of any emergency in which event no notice shall be required, to conduct an inspection of the Premises to determine the existence or presence of Hazardous Materials on or about the Premises and/or the documentation relative to Hazardous Materials or Environmental Matters in Tenant's possession. Landlord shall have the right to enter and inspect the Premises, conduct any testing, sampling and analyses it deems necessary and shall have the right to inspect materials brought into the Premises. Landlord may, in its discretion, retain such experts to conduct the inspection, perform the tests referred to herein, and to prepare a written report in connection therewith. Provided that Landlord's decision to conduct an environmental inspection is reasonable, or if such inspection detects any Environmental Activities in violation of Hazardous Material Laws, all costs and expenses incurred by Landlord under this Section shall be paid on demand by Tenant to Landlord. Failure to conduct an environmental inspection or to detect unfavorable conditions if such inspection is conducted shall in no fashion be intended as a release of any liability for environmental conditions subsequently determined to be associated with or to have occurred during Tenant's tenancy. Tenant shall remain liable for any environmental condition related to or having occurred during its tenancy regardless of when such conditions are

discovered and regardless of whether or not Landlord conducts an environmental inspection at the termination of the Lease. The obligations set forth in this Article shall survive the expiration or earlier termination of the Lease.

22.6 Extension of Term. Notwithstanding any other provision of this Lease, in the event any Hazardous Materials are discovered on, under or about any portion of the Premises in violation of any Hazardous Materials Law and such Hazardous Materials become located on, under or about any portion of the Premises during the Term, and the presence of such Hazardous Materials or violation of Hazardous Materials Laws are caused directly or indirectly by Tenant or those acting on behalf or at the direction of Tenant, then Landlord may elect to terminate this Lease, at Landlord's option, and, with the consent of Senior Lender, the Security Deposit shall be retained by Landlord except such portion of the Security Deposit as shall be necessary to pay for the completion of all remedial action or monitoring by Tenant, in accordance with all Hazardous Materials Laws, as approved by Landlord in its reasonable discretion (the "**Remediation Payment**"). Landlord shall provide the Remediation Payment to Tenant within ten (10) Business Days after receipt of a fully signed contract for the performance of such remedial action or monitoring between Tenant and a qualified environmental consultant or contractor, reasonably acceptable to Landlord. In addition, at Landlord's option, the Term may be extended and this Lease shall remain in full force and effect until the earlier to occur of the completion of all remedial action or monitoring, as approved by Landlord, in accordance with all Hazardous Materials Laws, or the date specified in a written notice from Landlord to Tenant terminating this Lease (which date may be subsequent to the date upon which the Term was to have expired). In either event, if the Security Deposit Amount is not sufficient to pay for the required remedial action or monitoring by Tenant, then within ten (10) days after receipt of written notice from Landlord, Tenant shall deposit additional cash with Landlord or deliver to

Landlord a Qualifying Letter of Credit in an amount sufficient to pay for all costs of any remedial action or monitoring as required by all Hazardous Materials Laws (the "**Remediation Escrow**"). Landlord shall make funds available from the Remediation Escrow to reimburse Tenant for its actual, documented costs in performing the remedial action or monitoring as required by all Hazardous Materials Laws. The provisions of this Section 22.6 shall survive the termination of this Lease.

22.7 Participation in Hazardous Materials Claims. Landlord shall have the right, at Landlord's sole cost and expense (including, without limitation Landlord's reasonable attorney's fees and costs), with counsel chosen by Landlord, to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims.

23. Assignment and Subletting.

23.1 Except for Sub-subleases to Subtenants and as permitted pursuant to Section 23.6 below, Tenant shall not, without the prior written consent of Landlord, which consent shall be within the sole discretion of the Landlord, assign this Lease or any interest herein or sublet the Premises or any part thereof (an "**Assignment**"). For the purposes of this Lease, the following shall be considered an Assignment of this Lease by Tenant: (a) any financial services or similar agreement relating to the operation and/or control of the Premises; provided, however, the parties acknowledge and agree that Tenant intends to enter into the management agreement with an Affiliate of Tenant, as permitted pursuant to the terms of Section 40 of this Lease, (b) any change (voluntary or involuntary, by operation of law or otherwise), directly or indirectly, in the Persons which ultimately exert effective Control over the management of the affairs of Tenant or any Subtenant as of the date hereof and (c) any assignment or sublease to any unrelated third party

operator. Any of the foregoing acts without such consent shall be void and shall, at the option of Landlord in its sole discretion, constitute an Event of Default giving rise to Landlord's right, among other things, to terminate this Lease. Notwithstanding the foregoing prohibition on changes in Control of the Tenant or any Subtenant, any transfer or assignment of interest made to an immediate family member for estate planning purposes, shall be permitted with at least thirty (30) days prior written notice to Landlord. Without limiting the foregoing, this Lease shall not, nor shall any interest of Tenant herein, be assigned or encumbered by operation of law without the prior written consent of Landlord, which may be withheld at Landlord's sole discretion. Anything contained in this Lease to the contrary notwithstanding, except as qualified in Section 3.2(f) herein, Tenant shall not sublet the Premises on any basis such that the rental to be paid by the sublessee thereunder would be based, in whole or in part, on either the income or profits derived by the business activities of the sublessee, or any other formula, such that any portion of the sublease rental received by Landlord would fail to qualify as "rents from real property" within the meaning of Section 856(d) of the U.S. Internal Revenue Code, or any similar or successor provision thereto.

23.2 For the purpose of this Lease the transfer, assignment, sale, hypothecation or other disposition of any stock or membership interests of Tenant or any Subtenant or any agreement which results in either (a) a change in the Person(s) which ultimately (directly or indirectly, voluntary or involuntary, by operation of law or otherwise) exerts effective Control over the management of the affairs of Tenant or any Subtenant as of the Effective Date, or (b) the transfer of more than fifty percent (50%) in the aggregate of the stock or membership interests of Tenant or any Subtenant in a single transaction or series of transactions, shall be deemed to be an Assignment of this Lease.

23.3 In the event that Landlord consents to Tenant entering into a financial services agreement for the Premises, Tenant shall require that the manager agree in writing that the manager's right to receive compensation shall be subordinate to the right of Landlord to receive Minimum Rent and other payments required under this Lease, in accordance with Section 40. Tenant may not amend or modify any such financial services agreement without Landlord's prior written consent.

23.4 Upon any transfer or assignment of this Lease, Landlord, Tenant and the new tenant or assignee (as the case may be) will enter into assignment and assumption agreements in form and content satisfactory to the parties including the granting of security interests that are provided to Landlord under this Lease.

23.5 Tenant represents and warrants that it has provided to Landlord an organizational structure chart of Tenant and all Subtenants showing the ownership of Tenant and Subtenants and each Person that ultimately exerts effective Control over the management of the affairs of Tenant and Subtenants as of the date of this Lease. Tenant shall provide to Landlord a revised organizational structure chart at least three (3) Business Days before any changes in any of the Persons depicted on such chart are to become effective.

23.6 Notwithstanding any provision of this Section 23 to the contrary, Tenant shall have the one-time right to sublet no more than one (1) Facility to a qualified operator that is not an Affiliate of Tenant or Subtenants. Tenant shall make a written request for Landlord's consent to such sublease at least thirty (30) days prior to the effective date of such transfer (such request to include an appropriate sublease agreement to be signed by Landlord evidencing such consent) and Landlord's consent shall not be unreasonably withheld. Tenant shall remain

primarily liable for its obligations hereunder, including the payment of all Minimum Rent and Percentage Rent, during the term of such sublease.

24. Indemnification. In addition to the other indemnities contained herein, to the fullest extent permitted by law, Tenant agrees to protect, indemnify, defend and save harmless Senior Lender and Landlord, their respective directors, officers, shareholders, partners, members, manager, agents, affiliates, employees, successors and assigns from and against any and all foreseeable or unforeseeable liability, expense, loss, costs, deficiency, fine, penalty, or damage (including, without limitation, punitive or consequential damages) of any kind or nature, including reasonable attorneys' fees, from any suits, claims or demands regardless of the merits of any such alleged suit, claim or demand, on account of any matter or thing, action or failure to act arising out of or in connection with this Lease (including, without limitation, the breach by Tenant of any of its obligations hereunder), the Premises, or the operations of Tenant on any portion of the Premises, including, without limitation, all Environmental Activities on any portion of the Premises unless caused solely by the gross negligence or willful misconduct of Landlord, Senior Lender or their respective directors, officers, shareholders, partners, members, manager, agents, affiliates, employees, successors and assigns. Upon receiving knowledge of any suit, claim or demand asserted by a third party that Landlord believes is covered by this indemnity, Landlord shall give Tenant notice of the matter. Tenant shall defend Landlord and Senior Lender against all matters covered by this indemnity at Tenant's sole cost and expense (including, without limitation, attorneys' fees and costs) with legal counsel satisfactory to Landlord and Senior Lender in their reasonable discretion. Landlord may elect to defend the matter with its own counsel at Tenant's expense. Notwithstanding anything to the contrary in this Lease, Tenant shall not be required to indemnify Landlord pursuant to this Section 24 to the extent that the subject claim occurred prior to the commencement of the term of this Lease or

after the date Tenant vacates and surrenders possession of the Premises to Landlord following expiration or early termination of the Term of this Lease.

25. Holding Over. If Tenant shall for any reason remain in possession of any portion of the Premises after the expiration or earlier termination of this Lease, such possession shall be a month-to-month tenancy during which time Tenant shall pay as rental each month, one and a half (1.5) times the aggregate of the monthly Minimum Rent payable with respect to the last Lease Year plus Percentage Rent allocable to the month, all additional charges accruing during the month and all other sums, if any, payable by Tenant pursuant to the provisions of this Lease with respect to the Premises. Nothing contained herein shall constitute the consent, express or implied, of Landlord to the holding over of Tenant after the expiration or earlier termination of this Lease, nor shall anything contained herein be deemed to limit Landlord's remedies pursuant to this Lease or otherwise available to Landlord at law or in equity.

26. Estoppel Certificates. Tenant shall, upon not less than ten (10) Business Days prior written request by Landlord, execute, acknowledge and deliver to Landlord or its designee a statement in writing, executed by an officer, manager or general partner of Tenant, certifying that this Lease is unmodified and in full force and effect (or, if there have been any modifications, that this Lease is in full force and effect as modified, and setting forth such modifications), the dates to which Minimum Rent, Percentage Rent and additional charges hereunder have been paid, certifying that, to the best of Tenant's knowledge, no default by either Landlord or Tenant exists hereunder or specifying each such default and as to other matters as Landlord may reasonably request.

27. Conveyance by Landlord. If Landlord or any successor owner of the Premises shall convey all or any portion of the Premises in accordance with the terms hereof, Landlord or such

successor owner shall thereupon be released from all future liabilities and obligations of Landlord under this Lease arising or accruing from and after the date of such conveyance or other transfer as to all or such portion of the Premises and all such future liabilities and obligations shall be expressly assumed and be binding upon the new owner. Such new owner shall be responsible for payment of the Security Deposit to Tenant pursuant to Section 12.3 hereunder provided that Landlord actually transfers such Security Deposit Amount (if in the form of cash) to the new owner upon the conveyance of the Premises.

28. Waiver of Jury Trial. Landlord and Tenant hereby waive any rights to trial by jury in any action, proceedings or counterclaim brought by either of the parties against the other in connection with any matter whatsoever arising out of or in any way connected with this Lease, including, without limitation, the relationship of Landlord and Tenant, Tenant's use and occupancy of the Premises, or any claim of injury or damage relating to the foregoing or the enforcement of any remedy hereunder.

29. Attorneys' Fees. If Landlord or Tenant brings any action to interpret or enforce this Lease, or for damages for any alleged breach hereof, the prevailing party in any such action shall be entitled to reasonable attorneys' fees and costs as awarded by the court in addition to all other recovery, damages and costs.

30. Severability. In the event any part or provision of the Lease shall be determined to be invalid or unenforceable, the remaining portion of this Lease shall nevertheless continue in full force and effect.

31. Counterparts. This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same agreement.

32. **Binding Effect.** Subject to the provisions of Section 23 above, this Lease shall be binding upon and inure to the benefit of Landlord and Tenant and their respective heirs, personal representatives, successors in interest and assigns.

33. **Memorandum of Lease.** Landlord and Tenant shall, promptly upon the request of either, enter into a short form memorandum of this Lease, in form suitable for recording under the laws of the State(s) in which the Premises are located in which reference to this Lease shall be made. The party requesting such recordation shall pay all costs and expenses of preparing and recording such memorandum of this Lease. Landlord, at no cost to Landlord, shall cooperate with Tenant if Tenant chooses to obtain leasehold title insurance policies with respect to the Property.

34. **Incorporation of Recitals and Attachments.** The Recitals and Exhibits, Schedules, addenda and other attachments to this Lease are hereby incorporated into this Lease and made a part hereof.

35. **Titles and Headings.** The titles and headings of sections of this Lease are intended for convenience only and shall not in any way affect the meaning or construction of any provision of this Lease.

36. **Usury Savings Clause.** Nothing contained in this Lease shall be deemed or construed to constitute an extension of credit by Landlord to Tenant. Notwithstanding the foregoing, in the event any payment made to Landlord hereunder is deemed to violate any applicable laws regarding usury, the portion of any payment deemed to be usurious shall be held by Landlord to pay the future obligations of Tenant as such obligations arise and, in the event Tenant discharges and performs all obligations hereunder, such funds will be reimbursed to

Tenant upon the expiration of the Term. No interest shall be paid on any such funds held by Landlord.

37. Joint and Several. If more than one Person or entity is the Tenant hereunder, the liability and obligations of such Persons or entities under this Lease shall be joint and several.

38. Survival of Representations, Warranties and Covenants. All of the obligations (accruing prior to the date of expiration or earlier termination of this Lease), representations, warranties and covenants of Tenant under this Lease shall survive the expiration or earlier termination of the Term, for a period of three (3) years, including, without limitation, Tenant's obligations to pay rent and other sums under this Lease following the occurrence of an Event of Default and the termination of this Lease pursuant to Section 11.3.6 or 11.3.7 above.

39. Interpretation. Both Landlord and Tenant have been represented by counsel and this Lease has been freely and fairly negotiated. Consequently, all provisions of this Lease shall be interpreted according to their fair meaning and shall not be strictly construed against any party.

40. Management Fees. (a) Tenant shall engage, or cause Master Tenant to engage, a manager to provide financial services to the Premises pursuant to a financial services agreement reasonably acceptable to Landlord, pursuant to which Master Tenant and/or Subtenants shall pay the Management Fee to Manager. The Management Fee shall be subordinate to Minimum Rent and to all other payments required under this Lease except Percentage Rent. At Landlord's request, Tenant shall cause Manager and Subtenant to enter into a Subordination Agreement reasonably acceptable to Landlord and Senior Lender, if applicable. During the Term, neither Tenant nor Subtenant may change the Manager or engage a new Manager to manage the

Premises, or amend, modify, supplement or replace any financial services agreement without Landlord's prior written consent, which will not be unreasonably withheld; provided, however, Landlord may condition its consent to any proposed change in Manager upon the new Manager confirming in writing that the Management Fee shall continue to be subordinate to the payment of Minimum Rent and to all other payments required under this Lease except Percentage Rent.

(b) The Management Fee is four and a half percent (4.5%) of the annual gross revenues realized from the operation of the Premises. At such time that Tenant has paid at least Two Million Dollars (\$2,000,000.00) in Percentage Rent to Landlord in any trailing 12 month period (the "**Management Fee Threshold**"), in the fourth Lease Year or any subsequent Lease Year, then the Management Fee shall be permanently increased to five percent (5%). If Tenant shall reach the Management Fee Threshold in payment of Percentage Rent at any time prior to the fourth Lease Year, then an additional Incentive Management Fee (defined below) of up to one half of one percent (0.5%) may be paid to Manager on a quarterly basis as set forth in (c) below.

(c) Upon meeting the Management Fee Threshold, Tenant shall provide written notice to Landlord, including (i) a detailed statement of Percentage Rent for such trailing 12 month period and (ii) the calculation of the Incentive Management Fee (defined below) showing the amounts paid or payable to Manager. At the time such notice is provided by Tenant, any Excess Cash Flow for such quarter received after the Management Fee Threshold was met (and after the payment of any Deposit Payment to Landlord for any increased Security Deposit Amount required pursuant to Section 12.1) shall be paid to Manager in the amount of up to one half of one percent (0.5%) of the gross revenues from the same trailing 12 month period, less any amounts paid as Incentive Management Fee in the prior three (3) quarters (the "**Incentive Management Fee**"). After the Incentive Management Fee has been paid to Manager, Tenant

shall continue to be responsible for the payment of Percentage Rent to Landlord as set forth in Section 3.2.

41. Related Party Goods and Services. Tenant agrees that if it or any of its Affiliates provide services or goods to the Tenant or the Premises that such services or goods will be provided at rates no higher than and upon terms at least as favorable to the Tenant and/or Premises as would be obtainable in an arms-length transaction. All such agreements for services with Affiliates of Tenant shall be at market rates and Tenant shall provide prior written notice to Landlord before entering into such agreements.

42. Ancillary Contracts. Tenant agrees not to enter into any new contracts or agreements with providers of ancillary healthcare services, including without limitation, therapy, hospice, home health pharmacy or medical supply agreements, without providing prior written notice to Landlord. With regard to contracts or agreements relating specifically to providers of therapy or rehabilitation services, Tenant agrees to provide Landlord and its Affiliates at least thirty (30) days prior written notice of such contract or agreement and an equal opportunity to submit a bid for providing such therapy or rehabilitation services. Ancillary services under all such contracts shall be provided at market rates.

43. Relationship of Parties. Nothing contained in this Lease shall be deemed to create a partnership or joint venture or any form of agency relationship between Landlord and Tenant. Landlord and Tenant's relationship in this Lease shall be deemed to be one of landlord and tenant only, and neither party shall have the right or authority to hold out any party to this Lease as a partner, joint venturer, principal or agent of the other. Tenant shall not acquire any direct or indirect equity interest in Landlord or in any lender or financing arrangement from or in which Landlord, or any of its Affiliates, is a borrower.

44. Termination of Lease. Landlord shall have the right, at any time during the Term of this Lease, to terminate this Lease upon the occurrence of a Capital Event of Landlord on the terms and conditions set forth in this Section 44. Upon such Capital Event, Landlord may terminate this Lease by (i) providing ninety (90) days prior written notice to Tenant, (ii) providing written termination agreements for all leases and other documents between Landlord and Tenant and any of their respective Affiliates, including, without limitation, this Lease, any subleases and any management agreements, and (iii) paying to Tenant a termination fee ("**Termination Fee**") in accordance with Schedule 44 attached hereto; provided, however, no such Termination Fee shall be due if this Lease is not in full force and effect or an Event of Default has occurred and is continuing under this Lease.

45. Securitization. In the event Landlord elects to securitize any loan secured by the Premises, Tenant agrees to cooperate with Landlord and provide information and execute documents that Landlord may reasonably request, provided that Tenant does not incur any additional liability as a result of such request and Tenant does not incur any expense.

46. Special Purpose Entity Covenants. At all times during the term of the Lease, Tenant shall adhere to the following covenants: (a) Tenant shall preserve and keep in full force and effect its existence as a single purpose entity formed solely for the purpose of entering into this Lease with Landlord; (b) Tenant shall not change its organizational structure without prior written consent of Landlord and Senior Lender; (c) Tenant shall maintain its separateness as an entity, including maintaining separate books, records, and accounts and observing corporate and partnership formalities independent of any other entity; and (d) Tenant shall pay its obligations with its own funds and shall not commingle funds or assets with those of any other entity form. In addition, Tenant shall cause all Subtenants and operators of the Premises to abide by similar

covenants and to include those covenants in the organizational documents of the Tenant, all Subtenants and operators of the Premises.

47. Lender Approval. Tenant acknowledges that this Lease is subject to Senior Lender's approval. Tenant agrees to execute any amendment to this Lease required by the Senior Lender or any subsequent senior lender provided that such modifications do not (a) negatively impact or expand Tenant's obligations under this Lease; (b) Tenant does not incur any additional liability as a result of such request; and (c) Tenant does not incur any expense.

48. Limitation of Landlord's Liabilities. If Landlord defaults in the performance of any of its obligations, Tenant agrees to look solely to Landlord's interest in the Premises for the satisfaction of any judgment obtained by Tenant as the result of any default, and Tenant shall not seek any personal money judgment against Landlord or any of its officers, directors, stockholders, members, managers or partners.

49. Intentionally Deleted.

50. HUD Financing. At all times during the Term, Tenant and Manager shall (and Tenant shall cause Subtenants to) reasonably cooperate with Landlord to enable Landlord to obtain HUD insured financing for the Properties; provided, however, Landlord shall reimburse Tenant and Subtenants for all reasonable documented expenses incurred by Tenant and Subtenants in complying with this provision. In connection with any such HUD financing, Tenant and Manager shall (and Tenant shall cause Subtenants to) enter into such agreements, instruments, certificates and other documents reasonably required in connection with such financings, including, without limitation, a HUD Regulatory Agreement for each such Property; a HUD Addendum to this Lease requiring Tenant and Subtenants to comply with all legal and

regulatory requirements related to such financings; and modifications to this Lease (including, if required by HUD, splitting this Lease into separate leases on the same terms and conditions as contained in this Lease, subject to prorating the financial obligations in each such separate lease) and will thereafter remain in substantial compliance with all statutes, rules, regulations and laws related to such financings. With respect to any repairs or escrows required to obtain HUD insured financing for the Properties, Tenant shall be responsible for performing repairs required by HUD which have been directly or indirectly caused by Tenant's negligence or failure of Tenant to perform its obligations under this Lease, in order to deliver the Premises in good working order. Tenant shall also be responsible for contributing to HUD required escrows for capital improvements, to the extent necessary to pay for repairs directly or indirectly caused by Tenant's negligence or failure of Tenant to perform its obligations under this Lease.

51. REIT Event. From and after a REIT Event Notification Date: (a) Tenant shall, and shall cause its Affiliates, including Subtenants, to take all commercially reasonable actions requested by Landlord that in Landlord's reasonable judgment will be recommended for compliance with the requirements for maintaining REIT status; and (b) Tenant shall not, and shall cause its Affiliates not to, acquire any equity interest in Landlord or any of Landlord's Affiliates if such acquisition would result in Tenant and/or any of Tenant's Affiliates owning, directly or indirectly, a ten percent (10%) or greater interest in Landlord or any of Landlord's Affiliates within the meaning of Section 856(d)(2)(B) of the Code. Subject to the provisions set forth in Section 3.2(f) above, upon the occurrence of a REIT Event, any and all references to Percentage Rent in this Lease shall no longer apply.

52. Landlord Financial Information. To the extent reasonably necessary to complete and file Medicare and Medicaid cost reports, and for no other purpose whatsoever, Landlord

agrees to provide to Tenant any pertinent information and supporting documentation related to its debt and equity affecting the Premises, including the applicable terms of any loan agreement and any loan payment information.

53. Entire Agreement; Modification; Waiver. This Lease and the Exhibits and Schedules to this Lease constitute the entire agreement between Landlord and Tenant pertaining to the subject matter contained in this Lease and supersede all prior agreements, representations and understandings of the parties. No supplement, modification or amendment of this Lease shall be binding unless expressed as such and executed in writing by Landlord and Tenant. Except as set forth herein, no waiver of any provision of this Lease shall constitute a continuing waiver. No waiver shall be binding unless expressed as such in a document executed by the party making the waiver.

SUBLEASE AGREEMENT

THIS SUBLEASE AGREEMENT (hereinafter referred to as the "Lease"), is made and entered into by and between **DIANA MASTER LANDLORD, LLC**, a Delaware limited liability company (hereinafter referred to as "Landlord") and **CONCERTO DIALYSIS, LLC**, an Illinois limited liability company (hereinafter referred to as "Tenant").

WITNESSETH:

WHEREAS, Landlord is the lessee of that certain skilled nursing home facility known as the Crestwood Care Centre (hereinafter referred to as the "Facility"), located at 14255 South Cicero Avenue, Crestwood, Illinois; and

WHEREAS, Landlord leases the Facility from Diana Cicero Avenue, LLC, a Delaware limited liability company ("Prime Lessor") pursuant to that certain Master Lease and Security Agreement dated December 31, 2011 (the "Master Lease"); and

WHEREAS, Tenant desires to enter into a sublease for certain space in the Facility.

NOW, THEREFORE, Landlord hereby subleases to Tenant, and Tenant hereby subleases from Landlord, a portion of the Facility upon the following terms and conditions:

1. **CAPITALIZED TERMS.** Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Master Lease.

2. **TERMS SUBJECT TO MASTER LEASE.** This Lease and Tenant's rights pursuant to this Lease are subject and subordinate at all times to the Master Lease and to all of the covenants and agreements of the Master Lease, except such terms of the Master Lease which are specifically excluded herein by reference below. This Lease is intended to be a space lease only, and is not subject to the Master Sublease and Security Agreement dated December 31, 2011 by and between Landlord and Symphony M.L. LLC, an Illinois limited liability company, which is the master tenant and sublessor of eight (8) skilled nursing facilities and one (1) assisted living facility (the "Master Sublease"). Tenant hereby expressly agrees during the Term to be subject to, to be bound by and to observe, and the Lease shall be deemed to contain, all of the covenants, stipulations, restrictions, agreements and other provisions contained in the Master Lease to the extent the same are applicable to the Premises except as expressly modified, excluded or otherwise addressed in this Lease. Tenant further agrees not to do, permit or tolerate anything to be done in the Premises or in connection with Tenant's use or occupancy of the Premises which would violate any covenant or agreement set forth in the Master Lease or would cause Landlord to be in default under the Master Lease. The following terms and provisions included in the Master Lease shall not apply to Tenant or to this Lease: Section 1 (Definitions), only to the extent such Definitions are not applicable due to other excluded Sections; Section 2.2 (Maple Crest); Section 2.3 (Crestwood); Section 2.4 (Term); Section 3.1 (Initial Term Minimum Rent); Section 3.2 (Percentage Rent); Section 3.7 (Additional Minimum Rent Payment); Section

4.6 (Impound); Section 5.6 (Boiler Insurance); Section 5.8 (Flood Insurance); Section 6.1.3 (Capital Expenditure Amounts); Section 6.3 (Continuous Operation; Permitted Use); Section 6.5 (Alterations by Tenant); Section 6.6 (Initial Capital Improvement Investment); Section 8.4 (Accounts Receivable); Section 8.5 (Cash Management); Section 10.1 (Monthly Property Reports); Section 10.2 (Quarterly Financial Statements); Section 10.3 (Annual Financial Statements); Section 10.6 (Annual Operating Budget); Section 10.12 (Financial Covenants); Section 11.1.1 (Security Deposit); Section 11.1.7 (Subtenant Default); Section 11.1.14 (Financial Covenant Default); Section 13 (Damage by Fire or Other Casualty); Section 14 (Condemnation); Section 16 (Notices and Demands); Section 21 (Preservation of Values); Section 23 (Assignment and Subletting); Section 33 (Memorandum of Lease); Section 40 (Management Fees); and Section 44 (Termination of Lease).

3. LEASED PREMISES. The portion of the Facility leased to Tenant by Landlord shall consist of approximately 1,279 square feet of patient care and therapy space of the Facility, as outlined for descriptive purposes only on Exhibit A hereto (hereinafter referred to as the "**Premises**").

4. PARKING AND COMMON AREAS. In addition to the Premises hereinabove described, Tenant shall have the nonexclusive use of the parking area(s) appurtenant to the Building and common areas, including corridors, lobbies, elevators, and rest rooms, for Tenant and Tenant's employees, clients and patrons, subject to such reasonable rules and regulations which may from time to time be adopted by the Landlord or an authorized authority.

5. TERM. The term of this Lease shall be eight (8) years, commencing upon delivery of the Premises to the Tenant, estimated to occur on or before January 1, 2014 ("**Commencement Date**"), except as otherwise provided herein below, and expiring on December 31, 2021, unless sooner terminated as provided herein (the "**Initial Term**"). Landlord and Tenant hereby agree that the Initial Term of this Lease shall be coterminous with the Master Lease. Notwithstanding said Commencement Date, if for any reason Landlord cannot deliver possession of the Premises to Tenant on said date, Landlord shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Tenant hereunder, or extend the term hereof.

6. RENT. Tenant shall pay to Landlord as base rent, without notice or demand and without abatement, deduction or offset, except as elsewhere provided herein, the annual amount of Ninety Thousand and 00/100 Dollars (\$90,000.00) ("**Annual Base Rent**"). Annual Base Rent shall be paid in advance in equal monthly installments of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) ("**Monthly Base Rent**"), by wire or ACH transfer only, on the first day of each and every calendar month during the term of this Lease; provided, however, that in the event the Initial Term commences on a day other than the first day of a calendar month, then upon the Commencement Date hereof Tenant shall pay to the Landlord a pro-rata portion of Monthly Base Rent to that portion of the calendar month remaining from the Commencement Date to the first day of the next following calendar month. No payment by Tenant or receipt by Landlord of a lesser amount than the monthly payment in this Lease shall be considered anything other than a payment on account of the earliest rent due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent

be deemed an accord and satisfaction. Landlord may accept such payment without prejudice to its right to recover the balance of the rent and to pursue any other remedy provided for in this Lease, or otherwise available at law or in equity. Commencing on the first anniversary of the Commencement Date, and continuing on each anniversary of the Commencement Date thereafter during the Initial Term (and during any applicable Renewal Term), Annual Base Rent shall increase by an amount equal to two percent (2%) of the prior lease year's Annual Base Rent, compounded annually.

7. **ADDITIONAL RENT.** All charges, costs, and expenses that Tenant assumes or agrees to pay hereunder, including Tenant's pro-rata share of taxes and utilities due pursuant to the Master Lease, together with all interest and penalties that may accrue thereon in the event of failure of Tenant to pay those items and all other damages, costs, expenses, and sums that Landlord may suffer or incur, or that may become due, by reason of any default of Tenant or failure by Tenant to comply with the terms and conditions of this Lease, shall be deemed collectively, "**Additional Rent**"; and, in the event of nonpayment, Landlord shall have all rights and remedies as herein provided for failure to pay Annual Base Rent.

8. **DELIVERY OF PREMISES.** Tenant acknowledges and agrees that its Affiliate, Symphony Dialysis LLC (the "**Operator**"), has been in possession of the Premises and operating the dialysis center located therein since December 31, 2011. Landlord shall deliver the Premises to Tenant "as is, where is and with all faults" and makes no representation or warranty as to the condition of the Premises or as to the ability of Tenant to operate the dialysis center located therein.

9. **USE OF PREMISES.** Tenant shall use and occupy the Premises continuously throughout the Term of the Lease solely for the purpose of operating and maintaining an outpatient renal dialysis clinic for the residents of the Facility, and for no other purpose whatsoever (the "**Healthcare Use**"). Tenant agrees not to engage in the referral practice of radiology, imagery and/or clinical laboratory on said Premises without Landlord's prior consent, except, however, that Tenant may maintain on said Premises a private x-ray and/or clinical laboratory strictly and solely for the use by the Tenant and Tenant's own patients. Tenant agrees not to dispense any drugs for remuneration, but this shall not be deemed to prevent Tenant's licensed providers from lawfully administering drugs and medicine to Tenant's own private patients, nor from giving samples of drugs and medicines to patients. Tenant recognizes that these restrictions on the use of the Premises are a material consideration for Landlord to enter into this Lease. Tenant shall comply with all laws, ordinances, rules, regulations and codes of all municipal, county, state and federal authorities pertaining to the use and occupation of the Premises. No use shall be made or permitted to be made of the Premises, nor acts done, which will increase the existing rate of insurance upon the Facility in which said Premises may be located, or cause a cancellation of any insurance policy covering said Facility, or any part thereof, nor shall Tenant sell, or permit to be kept, used, or sold, in or about said Premises, any article which may be prohibited by the standard form of fire insurance policies. Tenant shall not commit, or suffer to be committed, any waste upon said Premises or any public or private nuisance, or other act or thing which may disturb the quiet enjoyment of any other tenant or resident in the Facility in which the Premises may be located, nor shall Tenant use any apparatus, machinery or devices in or about the Premises which shall make any noise or set up any vibration or which shall in any way increase

the amount of electricity, water or compressed air agreed to be furnished or supplied under this Lease (if any), and Tenant further agrees not to connect with electric wires, water or air pipes any apparatus, machinery or device without the consent of Landlord, which consent shall not unreasonably withheld, conditioned or delayed. Tenant shall be responsible for obtaining a Certificate of Need permit from the Illinois Health Facilities and Services Review Board and any additional health care licenses, registration, certifications or permits required by the State of Illinois from the Operator, on or before the Commencement Date.

10. MAINTENANCE OF THE PREMISES. Tenant shall be solely responsible for keeping and maintaining the Premises in good appearance, repair and condition and maintaining proper housekeeping. Tenant shall promptly make or cause to be made all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the Premises in working condition, properly repaired, replaced and maintained in the ordinary course of business.

As part of Tenant's obligations under this Section 10, Tenant shall be solely responsible for maintaining all of its personal property and equipment in working order sufficient for normal operation of its business, properly maintained by Tenant in the ordinary course of business. Subject to the foregoing, Tenant shall repair and replace such property consistent with prudent industry practice for the applicable Healthcare Use. Specifically, Tenant shall purchase replacement dialysis equipment within _____ () months after the Commencement Date, to replace such equipment purchased from the Prime Lessor on or before the Commencement Date pursuant to that certain Asset Purchase Agreement dated _____, 2013 by and between Prime Lessor and Tenant.

11. ALTERATIONS BY TENANT. Tenant shall have the right to alter, improve, replace, modify or expand the Premises, equipment or appliances in the Premises from time to time as it may determine is desirable for the continuing and proper use and maintenance of the Premises under this Lease; provided, however, that any alterations, improvements, replacements, expansions or modifications in excess of _____ Dollars (\$ _____) in any rolling twelve (12) month period shall require the prior written consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. It shall be reasonable for Landlord to require appropriate insurance, security for payment of the costs incurred for the project, prior approval of the plans for the project and Senior Lender's written approval for any such project. The cost of all such alterations, improvements, replacements, modifications, expansions or other purchases, whether undertaken as an on-going licensing, Medicare or Medicaid (or any successor program) or other regulatory requirement or otherwise shall be borne solely and exclusively by Tenant and shall immediately become a part of the Premises and the property of the Landlord subject to the terms and conditions of this Lease. All work done in connection therewith shall be done in a good and workmanlike manner and in compliance with all existing codes and regulations pertaining to the Premises and shall comply with the requirements of insurance policies required under this Lease. In the event any items of the Premises have become inadequate, obsolete or worn out or require replacement (by direction of any regulatory body or otherwise), Tenant shall remove such items and exchange or replace the same at Tenant's sole cost and the same shall become part of the Premises and property of the

Landlord.

12. RIGHT OF ENTRY. Landlord shall have the right at any time, without effecting an actual or constructive eviction and without incurring any liability to the Tenant therefor, to change the arrangement or location of entrances or passageways, doors and doorways, corridors, elevators, stairs, toilets or other public parts of the Facility and to change the name, number or designation by which the Facility is commonly known; provided, however, that no such change shall interfere with Tenant's access to or beneficial use and enjoyment of the Premises.

13. DESTRUCTION OF PREMISES. In the event of the damage or destruction of any portion of the Premises, Tenant shall immediately notify Landlord (but in no event later than twenty-four hours after such damage or destruction) and, provided that Senior Lender consents to use of the proceeds to repair, diligently repair or reconstruct the same to a like or better condition than existed prior to such damage or destruction. Any insurance proceeds payable with respect to the casualty shall be held and used in the manner determined by Senior Lender and Landlord. In the event the net insurance proceeds are used for the repair or reconstruction of the applicable portion of the Premises, the proceeds shall be subject to reasonable disbursement controls in favor of Landlord or its Senior Lender. If such proceeds are insufficient for the repairs or reconstruction of the damaged portion of the Premises, Tenant shall provide the required additional funds. If Senior Lender prohibits the use of the funds for repairs or reconstruction, the insurance proceeds shall be utilized by Senior Lender to pay down debt owed to it. Notwithstanding anything to the contrary herein, and provided that (i) Tenant has paid to Landlord all amounts due under the Lease through the date of such damage or destruction, (ii) more than fifty percent (50%) of the Premises is damaged, (iii) Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, and (iv) Landlord fails to repair or reconstruct the Premises to substantially the same condition as existed prior to such damage or destruction within twelve (12) months after the date of such damage or destruction, then Tenant may, at Tenant's election, made within thirty (30) days after Landlord provides written notice to Tenant that the Premises will not be repaired to substantially the same condition as existed prior to such damage or destruction within the time period set forth in (iv) above, terminate this Lease. In the event that the damage or destruction affects 50% or less of the Premises, and Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, then, provided that Tenant shall continue the operation of the Premises for the Healthcare Use, the Annual Base Rent shall be adjusted as mutually agreed by Landlord and Tenant and approved by Senior Lender. Other than as provided in this Section 13, the rent payable under this Lease shall not abate by reason of any damage or destruction of any portion of the Premises by reason of an insured or uninsured casualty; provided, however, that Tenant shall receive a credit against the rent and other sums due hereunder in an amount equal to the proceeds of any rental value and/or business interruption insurance carried by Tenant, which are paid to Landlord. Tenant hereby waives all rights under applicable law to abate, reduce or offset rent by reason of such damage or destruction.

14. FULL MARKET VALUE OF RENT. Rent paid by Tenant to Landlord under this Lease has been independently determined to be consistent with fair market value in an arms-length transaction based on consultation with each party's respective advisors and knowledge of

market conditions. For the purposes of this Lease, the "fair market value" ("**FMV**") of the Rent shall mean the dollar amount that the Premises would rent for on the open market, between a willing lessor and a willing lessee, both having reasonable knowledge of the relevant facts. The FMV of the Rent only considered the value of the rental property for general commercial purposes, and was not adjusted to reflect any additional value that one party (either the prospective lessee or lessor) would attribute to the property as a result of its proximity or convenience to sources of referrals or business otherwise generated for which payment may be made in whole or in part under Medicare, Medicaid, and all other federal health care programs.

15. ELIMINATION OF THIRD PARTY RIGHTS. Nothing herein expressed or implied is intended or shall be construed to confer upon or give to any Person, other than the parties to this Lease, and their respective permitted successors and assigns, any rights or remedies under or by reason of this Lease, except for the Prime Lessor and the Senior Lender, as applicable under the Master Lease.

16. NOTICES. All notices and demands, certificates, requests, consents, approvals, and other similar instruments under this Lease shall be in writing and shall be sent by personal delivery or by either (a) United States certified or registered mail, return receipt requested, postage prepaid, or (b) Federal Express or similar generally recognized overnight carrier regularly providing proof of delivery, addressed as follows:

20. CORPORATE AUTHORITY. including but not limited to those relating to any regulations pursuant to state or federal anti-kickback or self-referral statutes (collectively or individually, "**Legal Event**"), which, in the good faith judgment of one party (the "**Noticing Party**"), materially and adversely affects either party's licensure, accreditation, certification, or ability to refer, to accept any referral, to bill, to claim, to present a bill or claim, or to receive payment or reimbursement from any federal, state or local governmental or non-governmental payor, or which subjects the Noticing Party to a risk of prosecution or civil monetary penalty, or which, in the good faith judgment of the Noticing Party, indicates a rule or regulation with which the Noticing Party desires further compliance, then the Noticing Party may give the other party notice of intent to amend or terminate this Lease in accordance with the next Subparagraph. The Noticing Party shall give notice to the other party together with an opinion of counsel setting forth the following information:

- (a.) The Legal Event(s) giving rise to the notice;
- (b.) The consequences of the Legal Event(s) as to the Noticing Party;
- (c.) The Noticing Party's intention to either:
 - (1) Terminate this Agreement due to unacceptable risk of prosecution or civil monetary penalty; or
 - (2) Amend this Agreement, together with a statement that the purpose thereof is one or more of the following:
 - (d.) to further comply with any anti-kickback or Stark II statutory provisions or rules or regulations created or affected by the Legal Event(s); and/or
 - (e.) to satisfy any licensure, accreditation or certification requirements created or affected by the Legal Event(s); and/or
 - (f.) to eliminate or minimize the risk of prosecution or civil monetary penalty;
- (g.) The Noticing Party's proposed amendment(s); and
- (h.) The Noticing Party's request for commencement of the Renegotiation Period (as defined below).

In the event of notice under either Subparagraph (3)(a) or (3)(b) above, the parties shall have thirty (30) days from the giving of such notice ("**Renegotiation Period**") within which to attempt to amend this Agreement in accordance with the Noticing Party's proposal (if any) or otherwise as the parties may agree. If this Agreement is not so amended within the Renegotiation

Period, this Agreement shall terminate as of midnight on the 30th day after said notice was given. Except as otherwise required by applicable law, any amounts owing to either party hereunder shall be paid, on a pro rata basis, up to the date of such termination, and any obligation hereunder that is to continue beyond expiration or termination shall so continue pursuant to its terms. All opinions of counsel presented by the Noticing Party hereunder, and any corresponding opinions given by the other party in response, shall be deemed confidential and given solely for purposes of renegotiation and settlement of a potential dispute, and shall not be deemed disclosed so as to waive any privileges otherwise applicable to said opinions.

Flood Plain Requirements

This project anticipates a change of ownership and control of an existing end stage renal disease facility. The project will not involve any new construction or modernization efforts. Accordingly, Illinois Executive Order #2006-5 pertaining to construction activities in special flood hazard areas is not applicable to this project.¹

¹ The CON permit application (July 2013 Edition) requires applicants to include a statement certifying that the project complies with the requirements of Illinois Executive Order #2005-5, which, according to the application, is supposed to address construction activities in special flood hazard areas. However, Illinois Executive Order #2005-5 establishes a sweatshop free procurement policy. The CON permit applicant presumes that the application's drafter intended to reference Illinois Executive Order #2006-5. This 2006 executive order addresses construction activities in special flood hazard areas. As a result, this CON permit application is responsive to Illinois Executive Order #2006-5, the executive order related to construction activities in special flood hazard areas. A copy of Illinois Executive Order #2006-5 is attached hereto, immediately following this page.

2006-05

**CONSTRUCTION ACTIVITIES
IN SPECIAL FLOOD HAZARD AREAS**

WHEREAS, the State of Illinois has programs for the construction of buildings, facilities, roads, and other development projects and annually acquires and disposes of lands in floodplains; and

WHEREAS, federal financial assistance for the acquisition or construction of insurable structures in all Special Flood Hazard Areas requires State participation in the National Flood Insurance Program; and

WHEREAS, the Federal Emergency Management Agency has promulgated and adopted regulations governing eligibility of State governments to participate in the National Flood Insurance Program (44 C.F.R. 59-79), as presently enacted or hereafter amended, which requires that State development activities comply with specified minimum floodplain regulation criteria; and

WHEREAS, the Presidential Interagency Floodplain Management Review Committee has published recommendations to strengthen Executive Orders and State floodplain management activities;

NOW THEREFORE, by virtue of the authority vested in me as Governor of the State of Illinois, it is hereby ordered as follows:

1. For purpose of this Order:

- A. "Critical Facility" means any facility which is critical to the health and welfare of the population and, if flooded, would create an added dimension to the disaster. Damage to these critical facilities can impact the delivery of vital services, can cause greater damage to other sectors of the community, or can put special populations at risk. The determination of Critical Facility will be made by each agency.

Examples of critical facilities where flood protection should be required include:

Emergency Services Facilities (such as fire and police stations)
Schools
Hospitals
Retirement homes and senior care facilities
Major roads and bridges
Critical utility sites (telephone switching stations or electrical transformers)
Hazardous material storage facilities (chemicals, petrochemicals, hazardous or toxic substances)

Examples of critical facilities where flood protection is recommended include:

Sewage treatment plants
Water treatment plants
Pumping stations

- B. "Development" or "Developed" means the placement or erection of structures (including manufactured homes) or earthworks; land filling, excavation or other alteration of the ground surface; installation of public utilities; channel modification; storage of materials or any other activity undertaken to modify the existing physical features of a floodplain.
- C. "Flood Protection Elevation" means one foot above the applicable base flood or 100-year frequency flood elevation.
- D. "Office of Water Resources" means the Illinois Department of Natural Resources, Office of Water Resources.
- E. "Special Flood Hazard Area" or "Floodplain" means an area subject to inundation by the base or 100-year frequency flood and shown as such on the most current Flood Insurance Rate Map published by the Federal Emergency Management Agency.
- F. "State Agencies" means any department, commission, board or agency under the jurisdiction of the Governor; any board, commission, agency or authority which has a majority of its members appointed by the Governor; and the Governor's Office.

2. All State Agencies engaged in any development within a Special Flood Hazard Area shall undertake such development in accordance with the following:
 - A. All development shall comply with all requirements of the National Flood Insurance Program (44 C.F.R. 59-79) and with all requirements of 92 Illinois Administrative Code Part 700 or 92 Illinois Administrative Code Part 708, whichever is applicable.
 - B. In addition to the requirements set forth in preceding Section A, the following additional requirements shall apply where applicable:
 1. All new Critical Facilities shall be located outside of the floodplain. Where this is not practicable, Critical Facilities shall be developed with the lowest floor elevation equal to or greater than the 500-year frequency flood elevation or structurally dry floodproofed to at least the 500-year frequency flood elevation.
 2. All new buildings shall be developed with the lowest floor elevation equal to or greater than the Flood Protection Elevation or structurally dry floodproofed to at least the Flood Protection Elevation.
 3. Modifications, additions, repairs or replacement of existing structures may be allowed so long as the new development does not increase the floor area of the existing structure by more than twenty (20) percent or increase the market value of the structure by fifty (50) percent, and does not obstruct flood flows. Floodproofing activities are permitted and encouraged, but must comply with the requirements noted above.
3. State Agencies which administer grants or loans for financing development within Special Flood Hazard Areas shall take all steps within their authority to ensure that such development meets the requirements of this Order.
4. State Agencies responsible for regulating or permitting development within Special Flood Hazard Areas shall take all steps within their authority to ensure that such development meets the requirements of this Order.
5. State Agencies engaged in planning programs or programs for the promotion of development shall inform participants in their programs of the existence and location of Special Flood Hazard Areas and of any State or local floodplain requirements in effect in such areas. Such State Agencies shall ensure that proposed development within Special Flood Hazard Areas would meet the requirements of this Order.
6. The Office of Water Resources shall provide available flood hazard information to assist State Agencies in carrying out the responsibilities established by this Order. State Agencies which obtain new flood elevation, floodway, or encroachment data developed in conjunction with development or other activities covered by this Order shall submit such data to the Office of Water Resources for their review. If such flood hazard information is used in determining design features or location of any State development, it must first be approved by the Office of Water Resources.

7. State Agencies shall work with the Office of Water Resources to establish procedures of such Agencies for effectively carrying out this Order.
8. **Effective Date.** This Order supersedes and replaces Executive Order Number 4 (1979) and shall take effect on the first day of.

Criterion 1110.230 -- Purpose of the Project

1. Health and Well-Being of the Market Area Population.

The proposed project contemplates a change of ownership and control of an existing health care facility, specifically, the acquisition of Direct Dialysis - Crestwood Care Centre (the "Facility") by Concerto Dialysis, LLC, an Illinois limited liability company (the "Applicant"). The project's purpose is to ensure the ongoing health and well-being of the patients that are currently being served by this seven station end stage renal disease ("ESRD") facility. The project also will ensure that the ESRD facility's pre-ESRD patients will continue to have access to the in-center hemodialysis services or Medicare Part B home dialysis services that are offered by the Facility. The continuation of this ESRD facility is important because it is located in Health Service Area 7, which according to the Illinois Health Facilities and Services Review Board's revised need determinations issued on September 25, 2013, has a stated need for an additional 94 in-center dialysis stations.

2. Market Area.

The Facility is located at 14255 South Cicero Avenue, Crestwood, Illinois 60445. The Applicant intends to serve the same geographic area that the existing ESRD Facility has been serving since it was first issued a CON permit from the Illinois Health Facilities and Services Review Board.

3. Issues to Address.

(a) Need for ESRD Stations

The Illinois Health Facilities and Services Review Board's revised need determinations issued on September 25, 2013, has a stated need for an additional 94 in-center dialysis stations. The proposed change of ownership will ensure that ESRD patients residing in HSA 7 can continue to obtain their necessary dialysis treatments in a familiar location and that this Facility continues to remain an available option to the community.

(b) HRSA-Designated Shortage Areas in Crestwood, Illinois and Many Surrounding Communities.

The continued operation of the Facility is also imperative because Crestwood, Illinois and many of the surrounding communities in Cook County have been designated by the HHS Health Resources and Services Administration ("HRSA") as being within all of the following HRSA-designated areas:

- Health Professional Shortage Area
- Medically Underserved Area
- Medically Underserved Population

ATTACHMENT 12

Criterion 1110.230 -- Purpose of the Project

(c) High Quality ESRD Provider

The Facility is also recognized as a high quality provider of ESRD services; therefore, its continued operation will ensure that high quality care remains available to the residents of Crestwood, Illinois and its surrounding communities. The U.S. Department of Health and Human Services ("HHS"), Centers for Medicare and Medicaid Services ("CMS"), issued the Facility its 2013 Certificate of Dialysis Facility Performance ("Quality Certificate"). The Quality Certificate states that the Facility met 30 out of 30 quality performance indicators, a number that exceeds the national average for all ESRD facilities.

(d) Multiple Treatment Modalities Offered by the Facility

The Facility is also important to the community because it offers different options to persons living in Crestwood, Illinois and its surrounding communities. The Facility has a seven station in-center dialysis unit in Crestwood, Illinois, on a site adjacent to a skilled nursing facility. The Facility also is a Medicare-certified supplier of home dialysis training and support services, which allows the Facility to offer different treatment options and modalities to persons who are in need of dialysis treatments. The Facility's ability to provide different options and treatment modalities means that the area's dialysis patients can find a plan that best meets their particular medical needs.

4. Documentation.

The following documents are attached as evidence that the existing ESRD facility is needed and is playing a critical role in meeting the dialysis needs of patients living in Crestwood, Illinois and many of its surrounding communities.

- Illinois Health Facilities and Services Review Board, September 25, 2013 Update to the Inventory of Other Health Services. See Attachment 12(a).
- HRSA Summaries and Charts showing that Crestwood, Illinois and many of its surrounding communities lie within areas designated by HRSA as being Health Professional Shortage Areas, Medically Underserved Areas and Medically Underserved Populations. See Attachment 12(b).
- The Facility's 2013 Quality Certificate, issued by HHS-CMS. See Attachment 12(c).

5. Addressing/Improving Access to Care.

As noted above, the existing ESRD facility is located in Crestwood, Illinois and serves this and many surrounding communities, several which have been designated by the federal government as being Health Professional Shortage Areas, Medically Underserved Areas and Medically Underserved Populations. The continued operation of the Facility is essential to meeting the dialysis needs of persons living in these communities. In addition to these federal designations, the Illinois Health Facilities and Services Review Board data presently shows that the related Health Service Area (HSA 7) has a need for 94 additional dialysis stations. Based on these facts, the Facility plays a vital role in ensuring that the area's patients are able to gain access to dialysis care. The Facility is also important to the community because it is

ATTACHMENT 12

Criterion 1110.230 -- Purpose of the Project

able to offer dialysis patients treatments and services that are appropriate to their individual needs, which may involve self dialysis at the patient's home or in-center treatments three days a week at the Crestwood dialysis unit.

6. Goals and Objectives.

The goal of this project is to ensure that dialysis patients living in Crestwood, Illinois and its surrounding communities can continue to access high-quality dialysis services from a Medicare-certified supplier that is able to offer a treatment plan that best meets the medical needs of each patient.

Another important goal is to complete the transfer of control of the existing ESRD Facility from the current entity responsible for operating the dialysis center to Concerto Dialysis, LLC. The transfer of control will bring closure to an Operations Transfer Agreement executed on December 31, 2011, an agreement which anticipated this request for a change in control over the ESRD Facility. A copy of the Operations Transfer Agreement is provided hereto as Attachment 12(d).

3. The need for end stage renal disease (ESRD) stations is calculated for a five-year period from the base year. The need for additional treatment stations is determined utilizing the following methodologies:

a. Five-year Projection:

- i. Establish a minimum institutional dialysis rate by dividing the total number of institutional dialysis patients in the base year by the State base year estimated population in thousands and multiply the result by .6 (60%).
- ii. Determine each planning area's experienced institutional dialysis rate by dividing the number of patients receiving dialysis in the base year by the planning area estimated population in thousands for the base year.
- iii. Multiply each planning area's projected population in thousands five (5) years from the base year by the greater of the minimum institutional dialysis rate or the experienced institutional dialysis rate for the planning area to determine the estimated number of institutional dialysis patients.
- iv. Multiply the planning area's estimated number of institutional dialysis patients by a factor of 1.33 (estimated increase in prevalence) to determine the projected number of institutional dialysis patients in the planning area for the projected year.
- v. Multiply the projected number of institutional dialysis patients by 156 to determine the projected number of institutional procedures
- vi. Divide the projected number of institutional procedures by 749 to determine the projected number of stations needed for the projected year.
- vii. Subtract the number of existing stations from the projected number of needed stations to determine the excess or additional stations needed.

HEALTH PROFESSIONAL SHORTAGE AREAS (HPSAs) & MEDICALLY UNDERSERVED AREAS AND POPULATION GROUPS (MUA/PS)

The U.S. Department of Health and Human Services' Health Resources and Services Administration ("HRSA") is a federal agency that develops shortage designation criteria and uses them to decide whether or not a geographic area, population group or facility is a Health Professional Shortage Area ("HPSA") or a Medically Underserved Area or Population ("MUA/P").

Health Professional Shortage Areas

A HPSA is a geographic area, population group, or health care facility that has been designated by the Federal government through HRSA as having a shortage of health professionals. There are three categories of HPSAs: primary care (shortage of primary care clinicians), dental (shortage of oral health professionals), and mental health (shortage of mental health professionals).

HPSAs are designated using several criteria, including population-to-clinician ratios. This ratio is usually 3,500 to 1 for primary care, 5,000 to 1 for dental health care, and 30,000 to 1 for mental health care.

HPSAs may be urban or rural areas, population groups or medical or other public facilities.

Medically Underserved Areas and Population Groups

MUAs may be a whole county or a group of contiguous counties, a group of county or civil divisions or a group of urban census tracts in which residents have a shortage of personal health services.

MUPs may include groups of persons who face economic, cultural or linguistic barriers to health care.

ATTACHMENT 13

Criterion 1110.230 -- Alternatives

Pursuant to 77 Ill. Adm. Code § 1110.230(c), Concerto Dialysis, LLC (the "Applicant") considered the following alternatives to the proposed project:

1. Do Nothing.

The first alternative considered by the Applicant was to maintain the status quo and forgo changing ownership.

Total Project Cost: \$0

Reason(s) for Rejecting Alternative:

This option was rejected by the Applicant because the existing owner no longer wants to be a supplier of dialysis services. Thus, the change of ownership is necessary to ensure that dialysis patients living in Crestwood, Illinois and its surrounding communities can continue to access high-quality dialysis services from a Medicare-certified supplier that is able to offer a treatment plan that best meets the medical needs of each patient.

2. Acquire Direct Dialysis.

The other alternative considered by the Applicant was to acquire the ESRD Facility from the entity retaining the ultimate control over the existing ESRD Facility -- Direct Dialysis Crestwood.

Total Project Cost: \$594,719.00

Reason(s) for Rejecting Alternative:

The Applicant selected this option because it ensures that dialysis patients living in Crestwood, Illinois and its surrounding communities can continue to access high-quality dialysis services from a Medicare-certified supplier that is able to offer a treatment plan that best meets the medical needs of each patient.

Documentation and Evidence

As noted previously on Attachment 12, the existing ESRD facility plays a vital role in meeting the dialysis needs of persons living in Crestwood, Illinois and the surrounding communities. The Applicant provided information to show that the existing Facility is needed, including the following:

- Illinois Health Facilities and Services Review Board, September 25, 2013 Update to the Inventory of Other Health Services.

- HRSA Summaries and Charts showing that Crestwood, Illinois and many of its surrounding communities lie within areas designated by HRSA as being Health Professional Shortage Areas, Medically Underserved Areas and Medically Underserved Populations.
- The Facility's 2013 Quality Certificate, issued by HHS-CMS.

ATTACHMENT 19

Criterion 1110.240 Change of Ownership

The following addresses the review criterion found at 77 Ill. Adm. Code § 1110.240 as it pertains to the change of ownership and control of a health care facility subject to review by the Illinois Health Facilities and Services Review Board ("State Board"). Specifically, this attachment addresses the current project, which is proposing the change of ownership of Direct Dialysis - Crestwood Care Centre, a seven station end stage renal disease facility located in Crestwood, Illinois (the "Facility").

A. Criterion 1110.240(b) - Impact Statement

1. Transaction Documents

The executed Asset Purchase Agreement between Diana Master Landlord, LLC ("Seller") and Concerto Dialysis, LLC ("Buyer" and "Applicant") for the acquisition of property related to the dialysis operations at the Facility and the amendments of several property leases that will continue to be held by the existing property owner is provided hereto as Attachment 19(a).

2. Change in Services Currently Offered

The Applicant will not reduce the number of ESRD stations at the Facility following the proposed change of ownership. In fact, the Applicant may submit a subsequent proposal to add dialysis stations at the Facility due to the Health Service Area's existing station need as identified by the State Board in its September 25, 2013 update to the Inventory of Other Health Services.

3. Operating Entity

Concerto Dialysis, LLC will be the entity that operates the ESRD Facility.

4. Reason for Transaction

The goal of this project is to ensure that dialysis patients living in Crestwood, Illinois and its surrounding communities can continue to access high-quality dialysis services from a Medicare-certified supplier that is able to offer a treatment plan that best meets the medical needs of each patient.

5. Anticipated Additions/Reductions of Employees

The Applicant does not plan to reduce the number of employees working at the existing Facility or with the Medicare Part B home dialysis program. However, that the Applicant may choose to not make an offer of employment to any person that loses a license to

provide services, becomes ineligible to work at a Medicare or Medicaid facility due to program exclusion, debarment, or similar adverse action taken by a government authority, or any other event that might affect the Applicant's ability to own and operate the Facility in compliance with federal, state and local laws. In addition, the Applicant may need to temporarily reduce Facility staff based on patient census and needs.

6. Cost-Benefit Analysis

This CON permit application seeks State Board approval for a change of ownership of an existing ESRD facility. The Applicant believes that the continuation of the Facility is vital to the health care needs of the communities served. It is difficult to measure the impact and related costs that might result if an existing provider becomes unavailable, especially in an area that has a stated need for dialysis stations and is recognized by the federal government as an area with significant unmet health care needs and services.

B. Criterion 1110.240(c) - Access

1. Current Admissions Policies

The current admissions policies of the ESRD facility are attached hereto as Attachment 19(b).

2. Proposed Admissions Policies

The Applicant will continue using the admissions policies of Direct Dialysis following the change of ownership; provided, however, that such policies may be changed as required by law, changes in federal or state regulations, or as may be required by provider agreements with payors such as Medicare, Medicaid or commercial insurers.

3. CEO Certification

A certification made by Robert J. Hartman, the Chief Executive Officer of Concerto Dialysis, LLC, attesting that the admission policies of the dialysis facility involved with this change of ownership transaction will not become more restrictive. The certification is provided hereto as Attachment 19(c).

C. Criterion 1110.240(d) - Health Care System

The Applicant is not part of a larger health care system; therefore, this review criterion is not applicable to this project. Nevertheless, the existing ESRD facility has a number of referral agreements in place with back up providers, as required by the Medicare conditions for coverage for ESRD suppliers. The Applicant will assume these agreements upon the closing of the change of ownership transaction. Copies of these dialysis patient back up agreements are attached hereto as Attachment 19(d).

ARTICLE I PURCHASE AND SALE

Section 1.01 Purchase and Sale of Assets.

(a) Subject to the terms and conditions set forth in this Agreement, and on the basis of the representations made herein, Seller agrees to sell, convey, assign, transfer and deliver to Buyer as of the Closing Date (as defined herein), and Buyer agrees to purchase from Seller as of the Closing Date (as defined herein), all of Seller's right, title and interest in the assets set forth on Schedule 1.01(a)(1) attached hereto (the "Purchased Assets"), free and clear of any mortgage, pledge, lien, charge, security interest, claim or other encumbrance (the "Encumbrances") other than: (i) liens for taxes not yet due and payable or being contested in good faith by appropriate procedures; and (ii) mechanics', carriers', workmens', repairmen's or other similar liens arising or incurred in the ordinary course of business consistent with past practice and are not material to the Purchased Assets (collectively, the "Permitted Encumbrances"), with all such Encumbrances and Permitted Encumbrances, if any, being set forth hereto on Schedule 1.01(a)(b).

EXECUTION VERSION

hereto on Schedule 1.01(b). Schedule 1.01(b) shall be finalized and agreed to by Seller as of the Closing Date. To the extent possible, Seller shall remove from the ESRD Facility all Excluded Assets on the day immediately preceding the Closing Date; provided, however, that the Parties may agree to a complete removal of the Excluded Assets no later than thirty (30) days following the Closing Date. To the extent that such removal occurs after the Closing Date, the Parties shall cooperate with each other to ensure that such removal does not unreasonably interfere with patient care and the normal operations of the ESRD Facility.]

Section 1.02 Purchase Price. The aggregate purchase price for the Purchased Assets shall be Fifteen Thousand, Seven Hundred and Nineteen Dollars (\$15,719.00). The Buyer shall pay the Purchase Price to Seller on the Closing Date (as defined herein) in cash, by wire transfer of immediately available funds in accordance with the wire transfer instructions set forth on Schedule 1.02 attached hereto.

Section 1.03 Withholding Tax. Buyer shall be entitled to deduct and withhold from the Purchase Price all taxes that Buyer may be required to deduct and withhold under any applicable tax law. All such withheld amounts shall be treated as delivered to Seller hereunder.

Section 1.04 Master Lease. Seller and Buyer acknowledge and agree that the Purchased Assets are subject to a Master Lease and Security Agreement by and between Seller, as Landlord, and Diana Master Landlord, LLC (an affiliate of Seller), as Tenant, dated as of December 31, 2011 (the "Master Lease"), and further subject to a Master Sublease and Security Agreement by and between Diana Master Landlord, LLC (hereinafter "Landlord") and Symphony M.L. LLC (an affiliate of Buyer), as Tenant, dated as of December 31, 2011 (the "Master Sublease") and several additional sub-subleases (collectively, the "Subleases") as set forth on Schedule 1.04 attached hereto. The Master Lease shall be amended prior to Closing to remove the Purchased Assets from the lien and effect of the Master Lease (the "Master Lease Amendment"). The Master Sublease and each of the Subleases shall be amended prior to Closing to remove the Purchased Assets and approximately 1,279 square feet of space (the "Leased Premises") from the Premises (as that term is defined in the Master Sublease and the Subleases) and from the lien and effect of the Master Sublease and Subleases (collectively, with the Master Lease Amendment, the "Lease Amendments"). The Lease Amendments will be fully executed and delivered on or prior to Closing and shall be effective as of the Closing Date. Negotiated Value.

Section 1.05 Negotiated Value. The Parties to this Agreement acknowledge and agree that the Purchase Price to be paid for the Purchased Assets, together with all rent payments made under any and all lease agreements described in Section 1.04 of this Agreement, reflects the fair market value of said assets and leases, respectively, and that such fair market valuations have been agreed to by the Parties hereto as a result of arms' length negotiations. The Parties hereto further agree that no consideration is, or will be, paid for the value of any patient referrals (direct or indirect) to or from Buyer, Seller or any of their respective affiliates.

ARTICLE II
CLOSING

Section 2.01 Closing. The closing of the sale and purchase of the Purchased Assets (the "Closing") shall take place on or about the 31st day of December, 2013, or such other date and time as mutually agreeable to Buyer and Seller (the "Closing Date"). The Closing Date shall be on a time and date: (a) that follows the Effective Date of this Agreement; and (b) that follows the hearing of the Illinois Health Facilities and Services Review Board (the "State Board") at which the State Board has reviewed this proposed transaction and has granted the Buyer a certificate of need ("CON") permit approving the change of control over the ESRD Facility and the purchase of the Purchased Assets. The Closing shall take place at the offices of Williams Mullen located at 200 South 10th Street, Suite 1600, Richmond, Virginia 23219. (c) A Seller Indemnified Party shall notify Buyer, or a Buyer Indemnified Party shall notify Seller, in writing of any claim or demand that may arise hereunder within a reasonable period of time given the nature of the claim or demand, but such claims shall not be deemed waived so long as the Seller Indemnified Party notifies Buyer, or the Buyer Indemnified Party notifies Seller, and is within such time frame so that:

(ii) notice is within the applicable survival periods provided for in this Agreement or under applicable Federal or State law.

EXECUTION VERSION

(d) For the Purposes of this Section 5.05, "Loss" or "Losses" means any and all actual, direct and out-of-pocket losses, liabilities, claims, damages, costs and expenses (including reasonable attorneys' fees and reasonable costs of investigation and defense). (f) EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES OR COVENANTS SET FORTH IN THIS AGREEMENT, BUYER HAS AGREED TO PURCHASE AND ACCEPT THE PURCHASED ASSETS ON THE CLOSING DATE ON AN "AS IS, WHERE IS" BASIS WITH ALL FAULTS AND DEFECTS, LATENT AND PATENT, AND BUYER ACKNOWLEDGES AND AGREES THAT, EXCEPT AS SET FORTH IN THIS AGREEMENT, SELLER HAS NOT MADE, DOES NOT MAKE AND SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS, WARRANTIES, PROMISES, COVENANTS, AGREEMENTS, OR GUARANTIES OF ANY KIND OF CHARACTER WHATSOEVER, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN. Buyer further acknowledges that prior to the transfer of the Purchased Assets to the Buyer, the business conducted at the ESRD Facility was conducted by the Current Facility Manager. The Buyer acknowledges that any claim for Losses with relating to the operation of the ESRD Facility, including the operation of the Purchased Assets and the related business, either before or after the Closing Date, shall be brought against the Current Facility Manager and Buyer hereby indemnifies and agrees to defend and hold Seller, and the Seller Indemnified Parties, harmless from and against any and all Losses which any of them may suffer as a result of the operation of the ESRD Facility and the Purchased Assets, arising prior to the Closing Date. Except as provided in this Agreement, Buyer shall not seek recourse against Seller on account of any loss, cost or expense suffered or incurred by Buyer.

Section 5.06 Further Assurances. Following the Closing, each of the parties hereto shall execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement and the documents to be delivered hereunder.

Ingalls Health System
False Claims Law Compliance Notice

Pursuant to the Deficit Reduction Act of 2005, Ingalls Health System and its affiliates, including but not limited to Ingalls Memorial Hospital, Ingalls Provider Group, Ingalls Home Care, MedCentrix, Inc., and Ingalls Same Day Surgery Center, Ltd. (the "System") are required to provide contractors and agents with information about fraud and abuse, false claims, and whistleblower protection laws and regulations.

The federal False Claims Act (31 USC § 3729-3733), the federal Program Fraud Civil Act (31 USC § 3801), the Illinois Whistleblower Act (740 ILCS 174/1, *et seq.*), the Illinois Whistleblower Reward and Protection Act (740 ILCS 175/1, *et seq.*), and the Illinois Public Assistance Fraud Act (305 ILCS 5/8A-1, *et seq.*) make it illegal for any person or organization to submit a false claim for payment or approval from the government. False claims can include overcharges, underpayments, or charging for one product or service, but providing another. False claims do not include innocent mistakes or negligence in billing.

A person who knows a false claim was filed for payment can file a lawsuit in court on behalf of the government. The false claims laws protect anyone who files a false claim lawsuit from being fired, demoted, threatened or harassed by their employer for filing the suit.

Penalties are severe for violating false claims laws.

It is the policy of the System to require its employees, and any persons or organization working on its behalf, to comply with all applicable federal, state, and local laws.

A copy of the System's False Claims Act Policy is attached hereto and incorporated herein for your review.

Title	False Claims Act Policy		Pages 3

PURPOSE

Federal False Claims Act ("FCA") 31 USC § 3729-3733: This is the FCA policy of Ingalls Health System and its affiliates (the "System"). The FCA prohibits any person from submitting a false claim for payment or approval from the federal government. False claims can include overcharges, underpayments, or charging for one product or service, but providing another. False claims do not include innocent mistakes or negligence in billing.

POLICY

It is the policy of the System to require its employees, and any persons or organization working on its behalf, to comply with all applicable federal, state and local laws. The purpose of this FCA policy is to assist System employees to fulfill their duty to comply with laws, to provide mechanisms for the detection of violations of laws, and to provide standards to govern the System's response when violations are detected.

FCA – WHISTLEBLOWER

Any person who becomes aware of an entity filing false claims with the government may bring an action in court under this law for up to six years after the false claim. That person becomes known as a *qui tam* relator or "whistleblower." The government may or may not become a part to the lawsuit depending upon their own investigation, and the government can receive up to three times the amount of damages, which it sustains as a result of the false claim, plus penalties. A *qui tam* relator can receive between 15 and 30 percent of any damages, depending on whether the government proceeds with the case.

RETALIATION IS PROHIBITED

Under the FCA, employers cannot retaliate or punish an employee who initiates a *qui tam* lawsuit. If an employee is discharged, demoted, suspended, threatened, harassed, or discriminated against because he or she brought a legal action under the FCA, the employee may bring a civil action against the employer. Damages can include back pay, interest, attorney's fees, and possible reinstatement to the same seniority status.

CIVIL REMEDIES

Program Fraud Civil Remedies Act ("PFCRA") 31 USC § 3801: In addition to the judicial remedy available under the FCA, the PFCRA also provides an administrative remedy for submitting improper claims or written statements to a federal agency. The PFCRA is designed to act in tandem with the FCA, but is limited to claims amounting to \$150,000 or less. Each agency is required to promulgate regulations necessary to implement the PFCRA.

STATE LAWS

- A. **Whistleblower Act, 740 ILCS 174/1, et seq.:** Under this law, an employer may not make or enforce any rule or policy preventing an employee from disclosing information to a government or law enforcement agency if the employee has reasonable cause to believe that the information discloses a violation of a state or federal law, rule or regulation. Retaliation for any disclosures made, even by contractual workers, is prohibited. Likewise, an employer may not retaliate against an employee for his or her refusal to participate in an activity that would result in a violation of a state or federal law, rule or regulation. Employees may bring a civil action against the employer "for all relief necessary to make the employee whole," including reinstatement, back pay with interest, and litigation costs.
- B. **Whistleblower Reward and Protection Act ("WRPA") 740 ILCS 175/1, et seq.:**
- 1) In 1992, Illinois enacted the WRPA, which closely tracks the federal FCA. The WRPA imposes civil liability upon "any person" who "knowingly presents, or causes to be presented, to an officer or employee of the State...a false or fraudulent claim for payment or approval." A person who violates the WRPA is liable to the state for a civil penalty of not less than \$5,000 and not more than \$10,000, plus treble damages.
 - 2) An employee "whistleblower" may receive a portion of that award plus attorney fees and expenses. There are some restrictions on the eligibility of whistleblowers. For example, information obtained from other publicly available sources cannot be the basis for the lawsuit. The whistleblower must be the original source of the information.
 - 3) Like the federal FCA, employers cannot discharge, demote, suspend, threaten, harass, or in any other way, discriminate against the employee in the terms and conditions of employment. If terminated, for engaging in the activity protected by this law, an employee could be entitled to reinstatement with seniority status and double the amount of back pay with interest, and litigation costs.
- C. **Public Assistance Fraud Act, 305 ILCS 5/8A-1 et seq.:** Actions under this law may be initiated by the Attorney General or by the State's Attorney when a unit of local government is involved. This law makes it a Class A misdemeanor to make false statements "relating to health care delivery." Obtaining any payment by means of a false statement or representation, or by concealment of any material fact, requires the repayment of any excess payments along with interest and other penalties. Violations may also result in a hospital being prohibited from future participation in any state health plans.

STANDARDS AND PROCEDURES

- A. System employees are responsible to be aware of the federal, state and local laws that apply to the conduct of their duties and to comply with them.
- B. Employees are responsible to immediately report to the System Compliance Officer any violation, or suspected violation of the law.
- C. The System and its affiliates will have a system for identifying changes in applicable laws and promptly communicating them to all affected employees.

- D. The System will provide training, at appropriate intervals, that will be designed to assure employees are aware of the laws that apply to their duties.

OVERSIGHT

- A. The System Compliance Officer will be responsible for the overall implementation and oversight of the FCA policy.
- B. All System Directors and Managers are responsible for the actions of the employees working under their supervision. They are responsible for assuring that employees working under their supervision are knowledgeable of the laws that apply to them. Directors and Managers will be alert to the possibilities of illegal activities by their employees. A system of internal control, review and oversight shall be instituted by Directors and Managers. Systems will be designed to encourage compliance with the law and to detect violations.

REPORTING SYSTEM

- A. Any employee or agent of the System, who is aware of a violation of a federal, state, or local law or has a reasonable suspicion that a law is being violated, or that any Compliance Plan is being violated, is required to report the violation or suspected violations of laws or Compliance Plans directly to the Compliance Officer. They may report to their supervisors, managers or directors as they deem appropriate, but they must report violations of suspected violations of laws to the Compliance Officer as quickly as possible.
- B. The System will have a means for its employees, agents, customers, vendors or others with whom it has contact to anonymously report violations to the Compliance Officer. The Corporate Compliance Hotline can be used at any time: 708-915-5678.
- C. Employees can report in the manner they think is best, i.e., face-to-face, by telephone, e-mail, written correspondence, but they must report as quickly as possible.

ENFORCEMENT AND DISCIPLINE

- A. The System takes seriously its responsibility to comply with applicable laws. System employees who are found to have violated any of the FCA policy, or any laws applicable to the System, or who have allowed employees under their supervision to commit such violations, will be subject to severe disciplinary action up to and including termination.
- B. It is the intention of the System to be consistent and fair in the enforcement of the FCA Policy. Policy violators will all be subject to the same disciplinary actions, despite their position in the organization.

(Transferring Facility and Receiving Hospital may each be referred to herein as a "Party" and collectively as the "Parties").

RECITALS

WHEREAS, Transferring Facility provides health care services to the community; and

WHEREAS, patients of Transferring Facility ("Patients") may require transfer to a Hospital for acute-inpatient or other emergency health care services; and

WHEREAS, Receiving Hospital owns and operates a licensed and Medicare certified acute care Hospital in reasonable proximity to Transferring Facility, which has a twenty-four (24) hour emergency room and provides emergency health care services; and

- (e) Recognizing and complying with the requirements of any federal and state law and regulations or local ordinances that apply to the care and transfer of individuals to Receiving Hospitals for emergency care.

ARTICLE III
RESPONSIBILITIES OF RECEIVING HOSPITAL

Receiving Hospital shall be responsible for performing or ensuring performance of the following:

- (a) Designating a person who has authority to represent and coordinate the transfer and receipt of Patients into the Emergency Department; and

- (c) Recognizing and complying with the requirements of any federal and state law and regulations or local ordinances that apply to Patients who present at Emergency Departments.

ARTICLE IV
PATIENT INFORMATION

In order to meet the needs of Patients with respect to timely access to emergency care, Transferring Facility shall provide information on Patients to Receiving Hospital, to the extent approved in advance or authorized by law and to the extent Transferring Facility has such information available. Such information may include: Patient Name, Social Security Number, Date of Birth, insurance coverage and/or Medicare beneficiary information (if applicable), known

allergies or medical conditions, treating physician, contact person in case of emergency and any other relevant information Patient has provided Transferring Facility in advance, to be given in connection with seeking emergency care. Transferring Facility shall maintain the confidentiality of medical/insurance information provided by Patient and received from Patient, in connection with Patient's provision of such information, Patient's authorization to disclose such information to Emergency Department personnel, all in accordance with applicable state and federal rules and regulations governing the confidentiality of patient information.

ARTICLE V **NON EXCLUSIVITY**

This Agreement shall in no way give Receiving Hospital an exclusive right of transfer of Patients of Transferring Facility. ARTICLE VIII **INDEPENDENT RELATIONSHIP**

Section 8.1 In performing services pursuant to this Agreement, Receiving Hospital and all employees, agents or representatives of Receiving Hospital are, at all times, acting and performing as independent contractors and nothing in this Agreement is intended and nothing shall be construed to create an employer/employee, principal/agent, partnership or joint venture relationship. Transferring Facility shall neither have nor exercise any direction or control over the methods, techniques or procedures by which Receiving Hospital or its employees, agents or representatives perform their professional responsibilities and functions. The sole interest of Transferring Facility is to coordinate the timely transfer of Patients to Receiving Hospital for emergency care.

RE: Letter of Agreement for Transplantation Services

Dear Dr. Rydel,

It is a pleasure to provide you with the following information about the scope of services provided by the Kovler Organ Transplantation Center at Northwestern Memorial Hospital (the Center) and how the Center works with dialysis centers to enhance communication and coordination of care.

The Center provides all necessary transplant-related services including evaluation of potential kidney and kidney/pancreas recipients, living donors and the on going assessment of the candidacy of patients on the deceased donor waiting list. The Center is also fully qualified to perform kidney, kidney/pancreas transplantation and living donor procedures. The Center will also provide post-operative follow-up and immunosuppression management, until the recipient is stable and referred back to their referring physician.

Basic tissue typing and routine HLA antibody levels for all transplant candidates are performed at the Northwestern University Immunology lab. Cross matching for live donor transplants are also done at the Northwestern University lab. The Center has a contractual relationship with the Gift of Hope Organ and Tissue Donor Bank for deceased donor immunology services.

The Center will notify your facility by letter whenever a patient referred from your facility is listed/delisted for transplant or fails to complete the initial/interval evaluation. Yearly, we will update your facility with the status of your patients on the waiting list including their panel reactive antibody level (PRA). Notification of a patient being transplanted will be made on the day of transplantation or the next business day.

Your facility should notify the Center of any "change in status," as that term is defined in the Centers for Medicare and Medicaid Services (CMS) Interpretive Guidance for the 2008 Conditions of Participation for dialysis units, of any patient from your facility who is listed with the Center by the next business day.

We have designated our transplant nurses Denae DeCrescenzo, Nicole Beauvais, Doug Penrod, Judith Stein, Keith Wszolek, Emily Warren and social worker, Martha Escamilla-Arias, as the primary contacts at the Center to work with your facility's designated dialysis unit transplant coordinator.

Thank you for asking us to participate in the care and evaluation of your patients.

Sincerely,

Douglas R. Penrod, RN

SUBLEASE AGREEMENT

THIS SUBLEASE AGREEMENT (hereinafter referred to as the "Lease"), is made and entered into by and between **DIANA MASTER LANDLORD, LLC**, a Delaware limited liability company (hereinafter referred to as "Landlord") and **CONCERTO DIALYSIS, LLC**, an Illinois limited liability company (hereinafter referred to as "Tenant").

WITNESSETH:

WHEREAS, Landlord is the lessee of that certain skilled nursing home facility known as the Crestwood Care Centre (hereinafter referred to as the "Facility"), located at 14255 South Cicero Avenue, Crestwood, Illinois; and

WHEREAS, Landlord leases the Facility from Diana Cicero Avenue, LLC, a Delaware limited liability company ("Prime Lessor") pursuant to that certain Master Lease and Security Agreement dated December 31, 2011 (the "Master Lease"); and

WHEREAS, Tenant desires to enter into a sublease for certain space in the Facility.

NOW, THEREFORE, Landlord hereby subleases to Tenant, and Tenant hereby subleases from Landlord, a portion of the Facility upon the following terms and conditions:

1. **CAPITALIZED TERMS.** Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Master Lease.

2. **TERMS SUBJECT TO MASTER LEASE.** This Lease and Tenant's rights pursuant to this Lease are subject and subordinate at all times to the Master Lease and to all of the covenants and agreements of the Master Lease, except such terms of the Master Lease which are specifically excluded herein by reference below. This Lease is intended to be a space lease only, and is not subject to the Master Sublease and Security Agreement dated December 31, 2011 by and between Landlord and Symphony M.L. LLC, an Illinois limited liability company, which is the master tenant and sublessor of eight (8) skilled nursing facilities and one (1) assisted living facility (the "Master Sublease"). Tenant hereby expressly agrees during the Term to be subject to, to be bound by and to observe, and the Lease shall be deemed to contain, all of the covenants, stipulations, restrictions, agreements and other provisions contained in the Master Lease to the extent the same are applicable to the Premises except as expressly modified, excluded or otherwise addressed in this Lease. Tenant further agrees not to do, permit or tolerate anything to be done in the Premises or in connection with Tenant's use or occupancy of the Premises which would violate any covenant or agreement set forth in the Master Lease or would cause Landlord to be in default under the Master Lease. The following terms and provisions included in the Master Lease shall not apply to Tenant or to this Lease: Section 1 (Definitions), only to the extent such Definitions are not applicable due to other excluded Sections; Section 2.2 (Maple Crest); Section 2.3 (Crestwood); Section 2.4 (Term); Section 3.1 (Initial Term Minimum Rent); Section 3.2 (Percentage Rent); Section 3.7 (Additional Minimum Rent Payment); Section

4.6 (Impound); Section 5.6 (Boiler Insurance); Section 5.8 (Flood Insurance); Section 6.1.3 (Capital Expenditure Amounts); Section 6.3 (Continuous Operation; Permitted Use); Section 6.5 (Alterations by Tenant); Section 6.6 (Initial Capital Improvement Investment); Section 8.4 (Accounts Receivable); Section 8.5 (Cash Management); Section 10.1 (Monthly Property Reports); Section 10.2 (Quarterly Financial Statements); Section 10.3 (Annual Financial Statements); Section 10.6 (Annual Operating Budget); Section 10.12 (Financial Covenants); Section 11.1.1 (Security Deposit); Section 11.1.7 (Subtenant Default); Section 11.1.14 (Financial Covenant Default); Section 13 (Damage by Fire or Other Casualty); Section 14 (Condemnation); Section 16 (Notices and Demands); Section 21 (Preservation of Values); Section 23 (Assignment and Subletting); Section 33 (Memorandum of Lease); Section 40 (Management Fees); and Section 44 (Termination of Lease).

3. LEASED PREMISES. The portion of the Facility leased to Tenant by Landlord shall consist of approximately 1,279 square feet of patient care and therapy space of the Facility, as outlined for descriptive purposes only on Exhibit A hereto (hereinafter referred to as the "**Premises**").

4. PARKING AND COMMON AREAS. In addition to the Premises hereinabove described, Tenant shall have the nonexclusive use of the parking area(s) appurtenant to the Building and common areas, including corridors, lobbies, elevators, and rest rooms, for Tenant and Tenant's employees, clients and patrons, subject to such reasonable rules and regulations which may from time to time be adopted by the Landlord or an authorized authority.

5. TERM. The term of this Lease shall be eight (8) years, commencing upon delivery of the Premises to the Tenant, estimated to occur on or before January 1, 2014 ("**Commencement Date**"), except as otherwise provided herein below, and expiring on December 31, 2021, unless sooner terminated as provided herein (the "**Initial Term**"). Landlord and Tenant hereby agree that the Initial Term of this Lease shall be coterminous with the Master Lease. Notwithstanding said Commencement Date, if for any reason Landlord cannot deliver possession of the Premises to Tenant on said date, Landlord shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Tenant hereunder, or extend the term hereof.

6. RENT. Tenant shall pay to Landlord as base rent, without notice or demand and without abatement, deduction or offset, except as elsewhere provided herein, the annual amount of Ninety Thousand and 00/100 Dollars (\$90,000.00) ("**Annual Base Rent**"). Annual Base Rent shall be paid in advance in equal monthly installments of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) ("**Monthly Base Rent**"), by wire or ACH transfer only, on the first day of each and every calendar month during the term of this Lease; provided, however, that in the event the Initial Term commences on a day other than the first day of a calendar month, then upon the Commencement Date hereof Tenant shall pay to the Landlord a pro-rata portion of Monthly Base Rent to that portion of the calendar month remaining from the Commencement Date to the first day of the next following calendar month. No payment by Tenant or receipt by Landlord of a lesser amount than the monthly payment in this Lease shall be considered anything other than a payment on account of the earliest rent due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent

be deemed an accord and satisfaction. Landlord may accept such payment without prejudice to its right to recover the balance of the rent and to pursue any other remedy provided for in this Lease, or otherwise available at law or in equity. Commencing on the first anniversary of the Commencement Date, and continuing on each anniversary of the Commencement Date thereafter during the Initial Term (and during any applicable Renewal Term), Annual Base Rent shall increase by an amount equal to two percent (2%) of the prior lease year's Annual Base Rent, compounded annually.

7. **ADDITIONAL RENT.** All charges, costs, and expenses that Tenant assumes or agrees to pay hereunder, including Tenant's pro-rata share of taxes and utilities due pursuant to the Master Lease, together with all interest and penalties that may accrue thereon in the event of failure of Tenant to pay those items and all other damages, costs, expenses, and sums that Landlord may suffer or incur, or that may become due, by reason of any default of Tenant or failure by Tenant to comply with the terms and conditions of this Lease, shall be deemed collectively, "**Additional Rent**"; and, in the event of nonpayment, Landlord shall have all rights and remedies as herein provided for failure to pay Annual Base Rent.

8. **DELIVERY OF PREMISES.** Tenant acknowledges and agrees that its Affiliate, Symphony Dialysis LLC (the "**Operator**"), has been in possession of the Premises and operating the dialysis center located therein since December 31, 2011. Landlord shall deliver the Premises to Tenant "as is, where is and with all faults" and makes no representation or warranty as to the condition of the Premises or as to the ability of Tenant to operate the dialysis center located therein.

9. **USE OF PREMISES.** Tenant shall use and occupy the Premises continuously throughout the Term of the Lease solely for the purpose of operating and maintaining an outpatient renal dialysis clinic for the residents of the Facility, and for no other purpose whatsoever (the "**Healthcare Use**"). Tenant agrees not to engage in the referral practice of radiology, imagery and/or clinical laboratory on said Premises without Landlord's prior consent, except, however, that Tenant may maintain on said Premises a private x-ray and/or clinical laboratory strictly and solely for the use by the Tenant and Tenant's own patients. Tenant agrees not to dispense any drugs for remuneration, but this shall not be deemed to prevent Tenant's licensed providers from lawfully administering drugs and medicine to Tenant's own private patients, nor from giving samples of drugs and medicines to patients. Tenant recognizes that these restrictions on the use of the Premises are a material consideration for Landlord to enter into this Lease. Tenant shall comply with all laws, ordinances, rules, regulations and codes of all municipal, county, state and federal authorities pertaining to the use and occupation of the Premises. No use shall be made or permitted to be made of the Premises, nor acts done, which will increase the existing rate of insurance upon the Facility in which said Premises may be located, or cause a cancellation of any insurance policy covering said Facility, or any part thereof, nor shall Tenant sell, or permit to be kept, used, or sold, in or about said Premises, any article which may be prohibited by the standard form of fire insurance policies. Tenant shall not commit, or suffer to be committed, any waste upon said Premises or any public or private nuisance, or other act or thing which may disturb the quiet enjoyment of any other tenant or resident in the Facility in which the Premises may be located, nor shall Tenant use any apparatus, machinery or devices in or about the Premises which shall make any noise or set up any vibration or which shall in any way increase

the amount of electricity, water or compressed air agreed to be furnished or supplied under this Lease (if any), and Tenant further agrees not to connect with electric wires, water or air pipes any apparatus, machinery or device without the consent of Landlord, which consent shall not unreasonably withheld, conditioned or delayed. Tenant shall be responsible for obtaining a Certificate of Need permit from the Illinois Health Facilities and Services Review Board and any additional health care licenses, registration, certifications or permits required by the State of Illinois from the Operator, on or before the Commencement Date.

10. MAINTENANCE OF THE PREMISES. Tenant shall be solely responsible for keeping and maintaining the Premises in good appearance, repair and condition and maintaining proper housekeeping. Tenant shall promptly make or cause to be made all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the Premises in working condition, properly repaired, replaced and maintained in the ordinary course of business.

As part of Tenant's obligations under this Section 10, Tenant shall be solely responsible for maintaining all of its personal property and equipment in working order sufficient for normal operation of its business, properly maintained by Tenant in the ordinary course of business. Subject to the foregoing, Tenant shall repair and replace such property consistent with prudent industry practice for the applicable Healthcare Use. Specifically, Tenant shall purchase replacement dialysis equipment within _____ () months after the Commencement Date, to replace such equipment purchased from the Prime Lessor on or before the Commencement Date pursuant to that certain Asset Purchase Agreement dated _____, 2013 by and between Prime Lessor and Tenant.

11. ALTERATIONS BY TENANT. Tenant shall have the right to alter, improve, replace, modify or expand the Premises, equipment or appliances in the Premises from time to time as it may determine is desirable for the continuing and proper use and maintenance of the Premises under this Lease; provided, however, that any alterations, improvements, replacements, expansions or modifications in excess of _____ Dollars (\$ _____) in any rolling twelve (12) month period shall require the prior written consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. It shall be reasonable for Landlord to require appropriate insurance, security for payment of the costs incurred for the project, prior approval of the plans for the project and Senior Lender's written approval for any such project. The cost of all such alterations, improvements, replacements, modifications, expansions or other purchases, whether undertaken as an on-going licensing, Medicare or Medicaid (or any successor program) or other regulatory requirement or otherwise shall be borne solely and exclusively by Tenant and shall immediately become a part of the Premises and the property of the Landlord subject to the terms and conditions of this Lease. All work done in connection therewith shall be done in a good and workmanlike manner and in compliance with all existing codes and regulations pertaining to the Premises and shall comply with the requirements of insurance policies required under this Lease. In the event any items of the Premises have become inadequate, obsolete or worn out or require replacement (by direction of any regulatory body or otherwise), Tenant shall remove such items and exchange or replace the same at Tenant's sole cost and the same shall become part of the Premises and property of the

Landlord.

12. RIGHT OF ENTRY. Landlord shall have the right at any time, without effecting an actual or constructive eviction and without incurring any liability to the Tenant therefor, to change the arrangement or location of entrances or passageways, doors and doorways, corridors, elevators, stairs, toilets or other public parts of the Facility and to change the name, number or designation by which the Facility is commonly known; provided, however, that no such change shall interfere with Tenant's access to or beneficial use and enjoyment of the Premises.

13. DESTRUCTION OF PREMISES. In the event of the damage or destruction of any portion of the Premises, Tenant shall immediately notify Landlord (but in no event later than twenty-four hours after such damage or destruction) and, provided that Senior Lender consents to use of the proceeds to repair, diligently repair or reconstruct the same to a like or better condition than existed prior to such damage or destruction. Any insurance proceeds payable with respect to the casualty shall be held and used in the manner determined by Senior Lender and Landlord. In the event the net insurance proceeds are used for the repair or reconstruction of the applicable portion of the Premises, the proceeds shall be subject to reasonable disbursement controls in favor of Landlord or its Senior Lender. If such proceeds are insufficient for the repairs or reconstruction of the damaged portion of the Premises, Tenant shall provide the required additional funds. If Senior Lender prohibits the use of the funds for repairs or reconstruction, the insurance proceeds shall be utilized by Senior Lender to pay down debt owed to it. Notwithstanding anything to the contrary herein, and provided that (i) Tenant has paid to Landlord all amounts due under the Lease through the date of such damage or destruction, (ii) more than fifty percent (50%) of the Premises is damaged, (iii) Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, and (iv) Landlord fails to repair or reconstruct the Premises to substantially the same condition as existed prior to such damage or destruction within twelve (12) months after the date of such damage or destruction, then Tenant may, at Tenant's election, made within thirty (30) days after Landlord provides written notice to Tenant that the Premises will not be repaired to substantially the same condition as existed prior to such damage or destruction within the time period set forth in (iv) above, terminate this Lease. In the event that the damage or destruction affects 50% or less of the Premises, and Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, then, provided that Tenant shall continue the operation of the Premises for the Healthcare Use, the Annual Base Rent shall be adjusted as mutually agreed by Landlord and Tenant and approved by Senior Lender. Other than as provided in this Section 13, the rent payable under this Lease shall not abate by reason of any damage or destruction of any portion of the Premises by reason of an insured or uninsured casualty; provided, however, that Tenant shall receive a credit against the rent and other sums due hereunder in an amount equal to the proceeds of any rental value and/or business interruption insurance carried by Tenant, which are paid to Landlord. Tenant hereby waives all rights under applicable law to abate, reduce or offset rent by reason of such damage or destruction.

14. FULL MARKET VALUE OF RENT. Rent paid by Tenant to Landlord under this Lease has been independently determined to be consistent with fair market value in an arms-length transaction based on consultation with each party's respective advisors and knowledge of

market conditions. For the purposes of this Lease, the "fair market value" ("**FMV**") of the Rent shall mean the dollar amount that the Premises would rent for on the open market, between a willing lessor and a willing lessee, both having reasonable knowledge of the relevant facts. The FMV of the Rent only considered the value of the rental property for general commercial purposes, and was not adjusted to reflect any additional value that one party (either the prospective lessee or lessor) would attribute to the property as a result of its proximity or convenience to sources of referrals or business otherwise generated for which payment may be made in whole or in part under Medicare, Medicaid, and all other federal health care programs.

15. ELIMINATION OF THIRD PARTY RIGHTS. Nothing herein expressed or implied is intended or shall be construed to confer upon or give to any Person, other than the parties to this Lease, and their respective permitted successors and assigns, any rights or remedies under or by reason of this Lease, except for the Prime Lessor and the Senior Lender, as applicable under the Master Lease.

16. NOTICES. All notices and demands, certificates, requests, consents, approvals, and other similar instruments under this Lease shall be in writing and shall be sent by personal delivery or by either (a) United States certified or registered mail, return receipt requested, postage prepaid, or (b) Federal Express or similar generally recognized overnight carrier regularly providing proof of delivery, addressed as follows:

18. BROKERS. Tenant and Landlord each warrants that it has had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, and that it knows of no other real estate broker or agent who is or might be entitled to a commission in connection with this Lease.

19. SUBORDINATION OF LEASE. This Lease is subject and subordinate to the existing lien of Senior Lender and any mortgages which may hereafter be placed upon or affect the property or the Facility of which the Premises are a part, and to all renewals, modifications, consolidations, replacements, and extensions hereof.

20. CORPORATE AUTHORITY. 21. CHANGES IN LAW. Notwithstanding any other provision of this Lease, if the governmental agencies that administer the Medicare, Medicaid, or other federal programs (or their representatives or agents), or any other federal, state or local governmental or nongovernmental agency, or any court or administrative tribunal passes, issues or promulgates any law, rule, regulation, standard, interpretation, order, decision or judgment,

including but not limited to those relating to any regulations pursuant to state or federal anti-kickback or self-referral statutes (collectively or individually, "**Legal Event**"), which, in the good faith judgment of one party (the "**Noticing Party**"), materially and adversely affects either party's licensure, accreditation, certification, or ability to refer, to accept any referral, to bill, to claim, to present a bill or claim, or to receive payment or reimbursement from any federal, state or local governmental or non-governmental payor, or which subjects the Noticing Party to a risk of prosecution or civil monetary penalty, or which, in the good faith judgment of the Noticing Party, indicates a rule or regulation with which the Noticing Party desires further compliance, then the Noticing Party may give the other party notice of intent to amend or terminate this Lease in accordance with the next Subparagraph. The Noticing Party shall give notice to the other party together with an opinion of counsel setting forth the following information:

- (a.) The Legal Event(s) giving rise to the notice;
- (b.) The consequences of the Legal Event(s) as to the Noticing Party;
- (c.) The Noticing Party's intention to either:
 - (1) Terminate this Agreement due to unacceptable risk of prosecution or civil monetary penalty; or
 - (2) Amend this Agreement, together with a statement that the purpose thereof is one or more of the following:
 - (d.) to further comply with any anti-kickback or Stark II statutory provisions or rules or regulations created or affected by the Legal Event(s); and/or
 - (e.) to satisfy any licensure, accreditation or certification requirements created or affected by the Legal Event(s); and/or
 - (f.) to eliminate or minimize the risk of prosecution or civil monetary penalty;
- (g.) The Noticing Party's proposed amendment(s); and
- (h.) The Noticing Party's request for commencement of the Renegotiation Period (as defined below).

In the event of notice under either Subparagraph (3)(a) or (3)(b) above, the parties shall have thirty (30) days from the giving of such notice ("**Renegotiation Period**") within which to attempt to amend this Agreement in accordance with the Noticing Party's proposal (if any) or otherwise as the parties may agree. If this Agreement is not so amended within the Renegotiation

Period, this Agreement shall terminate as of midnight on the 30th day after said notice was given. Except as otherwise required by applicable law, any amounts owing to either party hereunder shall be paid, on a pro rata basis, up to the date of such termination, and any obligation hereunder that is to continue beyond expiration or termination shall so continue pursuant to its terms. All opinions of counsel presented by the Noticing Party hereunder, and any corresponding opinions given by the other party in response, shall be deemed confidential and given solely for purposes of renegotiation and settlement of a potential dispute, and shall not be deemed disclosed so as to waive any privileges otherwise applicable to said opinions.

ATTACHMENT 39

Criterion 1120.140 Economic Feasibility

A. Reasonableness of Financing Arrangements

A signed and notarized statement from the Applicant is attached immediately following this attachment. The statement attests that the project is being funded entirely by available cash and that no financing will be secured to pay for the acquisition of the ESRD facility other than debt that will be incurred as rent under a sublease agreement that will be executed between the site owner and the Applicant.

B. Conditions of Debt Financing

The only debt in this project will result from a sublease that will be entered into between the site owner and the Applicant. The following documents are attached immediately following this attachment:

1. A copy of the Sublease that will be executed on the Closing Date of the proposed transaction; and
2. A signed and notarized statement from the Applicant, which certifies that the project involves the leasing of a health care facility, and that expenses related to said sublease is less costly than constructing a new facility.

C. Reasonableness of Project and Related Costs

This review criterion is not applicable to projects that only involve a change of ownership of a health care facility.

D. Projected Operating Costs

This review criterion is not applicable to projects that only involve a change of ownership of a health care facility.

E. Total Effect of the Project on Capital Costs

This review criterion is not applicable to projects that only involve a change of ownership of a health care facility.

SUBLEASE AGREEMENT

THIS SUBLEASE AGREEMENT (hereinafter referred to as the "Lease"), is made and entered into by and between **DIANA MASTER LANDLORD, LLC**, a Delaware limited liability company (hereinafter referred to as "**Landlord**") and **CONCERTO DIALYSIS, LLC**, an Illinois limited liability company (hereinafter referred to as "**Tenant**").

WITNESSETH:

WHEREAS, Landlord is the lessee of that certain skilled nursing home facility known as the Crestwood Care Centre (hereinafter referred to as the "**Facility**"), located at 14255 South Cicero Avenue, Crestwood, Illinois; and

WHEREAS, Landlord leases the Facility from Diana Cicero Avenue, LLC, a Delaware limited liability company ("**Prime Lessor**") pursuant to that certain Master Lease and Security Agreement dated December 31, 2011 (the "**Master Lease**"); and

WHEREAS, Tenant desires to enter into a sublease for certain space in the Facility.

NOW, THEREFORE, Landlord hereby subleases to Tenant, and Tenant hereby subleases from Landlord, a portion of the Facility upon the following terms and conditions:

1. CAPITALIZED TERMS. Capitalized terms not otherwise defined herein shall have the meaning assigned to them in the Master Lease.

2. TERMS SUBJECT TO MASTER LEASE. This Lease and Tenant's rights pursuant to this Lease are subject and subordinate at all times to the Master Lease and to all of the covenants and agreements of the Master Lease, except such terms of the Master Lease which are specifically excluded herein by reference below. This Lease is intended to be a space lease only, and is not subject to the Master Sublease and Security Agreement dated December 31, 2011 by and between Landlord and Symphony M.L. LLC, an Illinois limited liability company, which is the master tenant and sublessor of eight (8) skilled nursing facilities and one (1) assisted living facility (the "**Master Sublease**"). Tenant hereby expressly agrees during the Term to be subject to, to be bound by and to observe, and the Lease shall be deemed to contain, all of the covenants, stipulations, restrictions, agreements and other provisions contained in the Master Lease to the extent the same are applicable to the Premises except as expressly modified, excluded or otherwise addressed in this Lease. Tenant further agrees not to do, permit or tolerate anything to be done in the Premises or in connection with Tenant's use or occupancy of the Premises which would violate any covenant or agreement set forth in the Master Lease or would cause Landlord to be in default under the Master Lease. The following terms and provisions included in the Master Lease shall not apply to Tenant or to this Lease: Section 1 (Definitions), only to the extent such Definitions are not applicable due to other excluded Sections; Section 2.2 (Maple Crest); Section 2.3 (Crestwood); Section 2.4 (Term); Section 3.1 (Initial Term Minimum Rent); Section 3.2 (Percentage Rent); Section 3.7 (Additional Minimum Rent Payment); Section

4.6 (Impound); Section 5.6 (Boiler Insurance); Section 5.8 (Flood Insurance); Section 6.1.3 (Capital Expenditure Amounts); Section 6.3 (Continuous Operation; Permitted Use); Section 6.5 (Alterations by Tenant); Section 6.6 (Initial Capital Improvement Investment); Section 8.4 (Accounts Receivable); Section 8.5 (Cash Management); Section 10.1 (Monthly Property Reports); Section 10.2 (Quarterly Financial Statements); Section 10.3 (Annual Financial Statements); Section 10.6 (Annual Operating Budget); Section 10.12 (Financial Covenants); Section 11.1.1 (Security Deposit); Section 11.1.7 (Subtenant Default); Section 11.1.14 (Financial Covenant Default); Section 13 (Damage by Fire or Other Casualty); Section 14 (Condemnation); Section 16 (Notices and Demands); Section 21 (Preservation of Values); Section 23 (Assignment and Subletting); Section 33 (Memorandum of Lease); Section 40 (Management Fees); and Section 44 (Termination of Lease).

3. LEASED PREMISES. The portion of the Facility leased to Tenant by Landlord shall consist of approximately 1,279 square feet of patient care and therapy space of the Facility, as outlined for descriptive purposes only on Exhibit A hereto (hereinafter referred to as the "**Premises**").

4. PARKING AND COMMON AREAS. In addition to the Premises hereinabove described, Tenant shall have the nonexclusive use of the parking area(s) appurtenant to the Building and common areas, including corridors, lobbies, elevators, and rest rooms, for Tenant and Tenant's employees, clients and patrons, subject to such reasonable rules and regulations which may from time to time be adopted by the Landlord or an authorized authority.

5. TERM. The term of this Lease shall be eight (8) years, commencing upon delivery of the Premises to the Tenant, estimated to occur on or before January 1, 2014 ("**Commencement Date**"), except as otherwise provided herein below, and expiring on December 31, 2021, unless sooner terminated as provided herein (the "**Initial Term**"). Landlord and Tenant hereby agree that the Initial Term of this Lease shall be coterminous with the Master Lease. Notwithstanding said Commencement Date, if for any reason Landlord cannot deliver possession of the Premises to Tenant on said date, Landlord shall not be subject to any liability therefor, nor shall such failure affect the validity of this Lease or the obligations of Tenant hereunder, or extend the term hereof.

6. RENT. Tenant shall pay to Landlord as base rent, without notice or demand and without abatement, deduction or offset, except as elsewhere provided herein, the annual amount of Ninety Thousand and 00/100 Dollars (\$90,000.00) ("**Annual Base Rent**"). Annual Base Rent shall be paid in advance in equal monthly installments of Seven Thousand Five Hundred and 00/100 Dollars (\$7,500.00) ("**Monthly Base Rent**"), by wire or ACH transfer only, on the first day of each and every calendar month during the term of this Lease; provided, however, that in the event the Initial Term commences on a day other than the first day of a calendar month, then upon the Commencement Date hereof Tenant shall pay to the Landlord a pro-rata portion of Monthly Base Rent to that portion of the calendar month remaining from the Commencement Date to the first day of the next following calendar month. No payment by Tenant or receipt by Landlord of a lesser amount than the monthly payment in this Lease shall be considered anything other than a payment on account of the earliest rent due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent

be deemed an accord and satisfaction. Landlord may accept such payment without prejudice to its right to recover the balance of the rent and to pursue any other remedy provided for in this Lease, or otherwise available at law or in equity. Commencing on the first anniversary of the Commencement Date, and continuing on each anniversary of the Commencement Date thereafter during the Initial Term (and during any applicable Renewal Term), Annual Base Rent shall increase by an amount equal to two percent (2%) of the prior lease year's Annual Base Rent, compounded annually.

7. **ADDITIONAL RENT.** All charges, costs, and expenses that Tenant assumes or agrees to pay hereunder, including Tenant's pro-rata share of taxes and utilities due pursuant to the Master Lease, together with all interest and penalties that may accrue thereon in the event of failure of Tenant to pay those items and all other damages, costs, expenses, and sums that Landlord may suffer or incur, or that may become due, by reason of any default of Tenant or failure by Tenant to comply with the terms and conditions of this Lease, shall be deemed collectively, "**Additional Rent**"; and, in the event of nonpayment, Landlord shall have all rights and remedies as herein provided for failure to pay Annual Base Rent.

8. **DELIVERY OF PREMISES.** Tenant acknowledges and agrees that its Affiliate, Symphony Dialysis LLC (the "**Operator**"), has been in possession of the Premises and operating the dialysis center located therein since December 31, 2011. Landlord shall deliver the Premises to Tenant "as is, where is and with all faults" and makes no representation or warranty as to the condition of the Premises or as to the ability of Tenant to operate the dialysis center located therein.

9. **USE OF PREMISES.** Tenant shall use and occupy the Premises continuously throughout the Term of the Lease solely for the purpose of operating and maintaining an outpatient renal dialysis clinic for the residents of the Facility, and for no other purpose whatsoever (the "**Healthcare Use**"). Tenant agrees not to engage in the referral practice of radiology, imagery and/or clinical laboratory on said Premises without Landlord's prior consent, except, however, that Tenant may maintain on said Premises a private x-ray and/or clinical laboratory strictly and solely for the use by the Tenant and Tenant's own patients. Tenant agrees not to dispense any drugs for remuneration, but this shall not be deemed to prevent Tenant's licensed providers from lawfully administering drugs and medicine to Tenant's own private patients, nor from giving samples of drugs and medicines to patients. Tenant recognizes that these restrictions on the use of the Premises are a material consideration for Landlord to enter into this Lease. Tenant shall comply with all laws, ordinances, rules, regulations and codes of all municipal, county, state and federal authorities pertaining to the use and occupation of the Premises. No use shall be made or permitted to be made of the Premises, nor acts done, which will increase the existing rate of insurance upon the Facility in which said Premises may be located, or cause a cancellation of any insurance policy covering said Facility, or any part thereof, nor shall Tenant sell, or permit to be kept, used, or sold, in or about said Premises, any article which may be prohibited by the standard form of fire insurance policies. Tenant shall not commit, or suffer to be committed, any waste upon said Premises or any public or private nuisance, or other act or thing which may disturb the quiet enjoyment of any other tenant or resident in the Facility in which the Premises may be located, nor shall Tenant use any apparatus, machinery or devices in or about the Premises which shall make any noise or set up any vibration or which shall in any way increase

the amount of electricity, water or compressed air agreed to be furnished or supplied under this Lease (if any), and Tenant further agrees not to connect with electric wires, water or air pipes any apparatus, machinery or device without the consent of Landlord, which consent shall not unreasonably withheld, conditioned or delayed. Tenant shall be responsible for obtaining a Certificate of Need permit from the Illinois Health Facilities and Services Review Board and any additional health care licenses, registration, certifications or permits required by the State of Illinois from the Operator, on or before the Commencement Date.

10. MAINTENANCE OF THE PREMISES. Tenant shall be solely responsible for keeping and maintaining the Premises in good appearance, repair and condition and maintaining proper housekeeping. Tenant shall promptly make or cause to be made all repairs, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary to keep the Premises in working condition, properly repaired, replaced and maintained in the ordinary course of business.

As part of Tenant's obligations under this Section 10, Tenant shall be solely responsible for maintaining all of its personal property and equipment in working order sufficient for normal operation of its business, properly maintained by Tenant in the ordinary course of business. Subject to the foregoing, Tenant shall repair and replace such property consistent with prudent industry practice for the applicable Healthcare Use. Specifically, Tenant shall purchase replacement dialysis equipment within _____ () months after the Commencement Date, to replace such equipment purchased from the Prime Lessor on or before the Commencement Date pursuant to that certain Asset Purchase Agreement dated _____, 2013 by and between Prime Lessor and Tenant.

11. ALTERATIONS BY TENANT. Tenant shall have the right to alter, improve, replace, modify or expand the Premises, equipment or appliances in the Premises from time to time as it may determine is desirable for the continuing and proper use and maintenance of the Premises under this Lease; provided, however, that any alterations, improvements, replacements, expansions or modifications in excess of _____ Dollars (\$ _____) in any rolling twelve (12) month period shall require the prior written consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. It shall be reasonable for Landlord to require appropriate insurance, security for payment of the costs incurred for the project, prior approval of the plans for the project and Senior Lender's written approval for any such project. The cost of all such alterations, improvements, replacements, modifications, expansions or other purchases, whether undertaken as an on-going licensing, Medicare or Medicaid (or any successor program) or other regulatory requirement or otherwise shall be borne solely and exclusively by Tenant and shall immediately become a part of the Premises and the property of the Landlord subject to the terms and conditions of this Lease. All work done in connection therewith shall be done in a good and workmanlike manner and in compliance with all existing codes and regulations pertaining to the Premises and shall comply with the requirements of insurance policies required under this Lease. In the event any items of the Premises have become inadequate, obsolete or worn out or require replacement (by direction of any regulatory body or otherwise), Tenant shall remove such items and exchange or replace the same at Tenant's sole cost and the same shall become part of the Premises and property of the

Landlord.

12. RIGHT OF ENTRY. Landlord shall have the right at any time, without effecting an actual or constructive eviction and without incurring any liability to the Tenant therefor, to change the arrangement or location of entrances or passageways, doors and doorways, corridors, elevators, stairs, toilets or other public parts of the Facility and to change the name, number or designation by which the Facility is commonly known; provided, however, that no such change shall interfere with Tenant's access to or beneficial use and enjoyment of the Premises.

13. DESTRUCTION OF PREMISES. In the event of the damage or destruction of any portion of the Premises, Tenant shall immediately notify Landlord (but in no event later than twenty-four hours after such damage or destruction) and, provided that Senior Lender consents to use of the proceeds to repair, diligently repair or reconstruct the same to a like or better condition than existed prior to such damage or destruction. Any insurance proceeds payable with respect to the casualty shall be held and used in the manner determined by Senior Lender and Landlord. In the event the net insurance proceeds are used for the repair or reconstruction of the applicable portion of the Premises, the proceeds shall be subject to reasonable disbursement controls in favor of Landlord or its Senior Lender. If such proceeds are insufficient for the repairs or reconstruction of the damaged portion of the Premises, Tenant shall provide the required additional funds. If Senior Lender prohibits the use of the funds for repairs or reconstruction, the insurance proceeds shall be utilized by Senior Lender to pay down debt owed to it. Notwithstanding anything to the contrary herein, and provided that (i) Tenant has paid to Landlord all amounts due under the Lease through the date of such damage or destruction, (ii) more than fifty percent (50%) of the Premises is damaged, (iii) Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, and (iv) Landlord fails to repair or reconstruct the Premises to substantially the same condition as existed prior to such damage or destruction within twelve (12) months after the date of such damage or destruction, then Tenant may, at Tenant's election, made within thirty (30) days after Landlord provides written notice to Tenant that the Premises will not be repaired to substantially the same condition as existed prior to such damage or destruction within the time period set forth in (iv) above, terminate this Lease. In the event that the damage or destruction affects 50% or less of the Premises, and Senior Lender prohibits the use of the insurance proceeds for repairs or reconstruction, then, provided that Tenant shall continue the operation of the Premises for the Healthcare Use, the Annual Base Rent shall be adjusted as mutually agreed by Landlord and Tenant and approved by Senior Lender. Other than as provided in this Section 13, the rent payable under this Lease shall not abate by reason of any damage or destruction of any portion of the Premises by reason of an insured or uninsured casualty; provided, however, that Tenant shall receive a credit against the rent and other sums due hereunder in an amount equal to the proceeds of any rental value and/or business interruption insurance carried by Tenant, which are paid to Landlord. Tenant hereby waives all rights under applicable law to abate, reduce or offset rent by reason of such damage or destruction.

14. FULL MARKET VALUE OF RENT. Rent paid by Tenant to Landlord under this Lease has been independently determined to be consistent with fair market value in an arms-length transaction based on consultation with each party's respective advisors and knowledge of

market conditions. For the purposes of this Lease, the "fair market value" ("**FMV**") of the Rent shall mean the dollar amount that the Premises would rent for on the open market, between a willing lessor and a willing lessee, both having reasonable knowledge of the relevant facts. The FMV of the Rent only considered the value of the rental property for general commercial purposes, and was not adjusted to reflect any additional value that one party (either the prospective lessee or lessor) would attribute to the property as a result of its proximity or convenience to sources of referrals or business otherwise generated for which payment may be made in whole or in part under Medicare, Medicaid, and all other federal health care programs.

15. ELIMINATION OF THIRD PARTY RIGHTS. Nothing herein expressed or implied is intended or shall be construed to confer upon or give to any Person, other than the parties to this Lease, and their respective permitted successors and assigns, any rights or remedies under or by reason of this Lease, except for the Prime Lessor and the Senior Lender, as applicable under the Master Lease.

16. NOTICES. 17. ASSIGNMENT AND SUBLETTING. Tenant shall not assign or sublease all or any part of the Premises under this Lease, except with the prior written consent of the Landlord, which consent shall be within the sole discretion of the Landlord.

18. BROKERS. Tenant and Landlord each warrants that it has had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, and that it knows of no other real estate broker or agent who is or might be entitled to a commission in connection with this Lease.

19. SUBORDINATION OF LEASE. This Lease is subject and subordinate to the existing lien of Senior Lender and any mortgages which may hereafter be placed upon or affect the property or the Facility of which the Premises are a part, and to all renewals, modifications, consolidations, replacements, and extensions hereof.

20. CORPORATE AUTHORITY. If Tenant executes this Lease as a corporation or limited liability company, each of the persons executing this Lease on behalf of Tenant does hereby personally covenant and warrant that Tenant is a duly authorized and existing corporation or limited liability company, that Tenant was and is qualified to do business in the state in which the Premises are located, that the corporation or limited liability company has full right and authority to enter into this Lease, and that each person signing on behalf of the corporation or limited liability company was authorized to do so.

21. CHANGES IN LAW. Notwithstanding any other provision of this Lease, if the governmental agencies that administer the Medicare, Medicaid, or other federal programs (or their representatives or agents), or any other federal, state or local governmental or nongovernmental agency, or any court or administrative tribunal passes, issues or promulgates any law, rule, regulation, standard, interpretation, order, decision or judgment,

including but not limited to those relating to any regulations pursuant to state or federal anti-kickback or self-referral statutes (collectively or individually, "**Legal Event**"), which, in the good faith judgment of one party (the "**Noticing Party**"), materially and adversely affects either party's licensure, accreditation, certification, or ability to refer, to accept any referral, to bill, to claim, to present a bill or claim, or to receive payment or reimbursement from any federal, state or local governmental or non-governmental payor, or which subjects the Noticing Party to a risk of prosecution or civil monetary penalty, or which, in the good faith judgment of the Noticing Party, indicates a rule or regulation with which the Noticing Party desires further compliance, then the Noticing Party may give the other party notice of intent to amend or terminate this Lease in accordance with the next Subparagraph. The Noticing Party shall give notice to the other party together with an opinion of counsel setting forth the following information:

- (a.) The Legal Event(s) giving rise to the notice;
- (b.) The consequences of the Legal Event(s) as to the Noticing Party;
- (c.) The Noticing Party's intention to either:
 - (1) Terminate this Agreement due to unacceptable risk of prosecution or civil monetary penalty; or
 - (2) Amend this Agreement, together with a statement that the purpose thereof is one or more of the following:
 - (d.) to further comply with any anti-kickback or Stark II statutory provisions or rules or regulations created or affected by the Legal Event(s); and/or
 - (e.) to satisfy any licensure, accreditation or certification requirements created or affected by the Legal Event(s); and/or
 - (f.) to eliminate or minimize the risk of prosecution or civil monetary penalty;
- (g.) The Noticing Party's proposed amendment(s); and
- (h.) The Noticing Party's request for commencement of the Renegotiation Period (as defined below).

In the event of notice under either Subparagraph (3)(a) or (3)(b) above, the parties shall have thirty (30) days from the giving of such notice ("**Renegotiation Period**") within which to attempt to amend this Agreement in accordance with the Noticing Party's proposal (if any) or otherwise as the parties may agree. If this Agreement is not so amended within the Renegotiation

Period, this Agreement shall terminate as of midnight on the 30th day after said notice was given. Except as otherwise required by applicable law, any amounts owing to either party hereunder shall be paid, on a pro rata basis, up to the date of such termination, and any obligation hereunder that is to continue beyond expiration or termination shall so continue pursuant to its terms. All opinions of counsel presented by the Noticing Party hereunder, and any corresponding opinions given by the other party in response, shall be deemed confidential and given solely for purposes of renegotiation and settlement of a potential dispute, and shall not be deemed disclosed so as to waive any privileges otherwise applicable to said opinions.

Attention: Kathryn J. Olson, Board Chairperson

Re: Criterion 1120.140 - Economic Feasibility

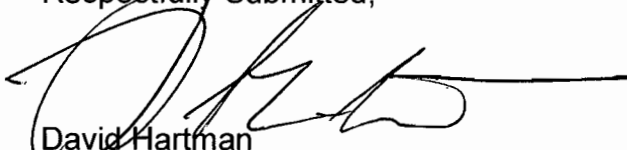

Dear Chairperson Olson:

Pursuant to 77 Ill. Adm. Code § 1120.140, pertaining to the Reasonableness of Financing Arrangements, on behalf of Concerto Dialysis, LLC (the "Applicant"), the undersigned representative of the Applicant hereby certifies to the following:

(a) that the project's capital costs will be funded in total with cash on hand and that the Applicant will not be borrowing any funds from a financial institution or other similar lender to pay for the proposed change of ownership transaction. However, per the policy of the Illinois Health Facilities and Services Review Board, entering a lease agreement is viewed as borrowing. As such, on behalf of the Applicant, I hereby attest that the entering of a lease (e.g., borrowing) is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period; and

(b) that the conditions of debt financing (i.e., the terms of a sublease agreement between the Applicant and the ESRD facility's landlord) are reasonable and that the project involves the leasing of an ESRD facility, and the expenses incurred with leasing the ESRD facility, are less costly than constructing a new ESRD facility.

Respectfully Submitted,

David Hartman

Safety Net Impact Statement

The project is non-substantive because a change of ownership of a health care facility is not a "substantive" project based upon Sections 12(8)(a) through 12(8)(c) of the Act. As a result, this requirement does not apply to the present permit application.

ATTACHMENT 41

Charity Care Information

Pursuant to the Illinois Health Facilities Planning Act, "charity care" means care provided by a health care facility for which the provider does not expect to receive payment from the patient or a third-party payer (20 ILCS 3960/3). Charity care must be provided at cost. All applicants and co-applicants are required to indicate the amount of charity care provided for the latest three audited fiscal years, the cost of such charity care and the ratio of that charity care cost to net patient revenue. *If an applicant is not an existing facility, the applicant is required to submit the facility's projected patient mix by payer source, anticipated charity care expense and projected ratio of charity care to net patient revenue by the end of its second year of operation.*

Based on the foregoing requirements as applied to a newly-formed entity, please note the following:

Concerto Dialysis, LLC (the "Applicant") is a new business entity formed to operate the existing ESRD facility. Consequently, the Applicant cannot provide historical data as it pertains to charity care. Nevertheless, the Applicant is planning to establish a charity care program once the transfer of ownership is completed.

The following chart shows the amount of charity care provided at the existing ESRD facility during the past three years:

CHARITY CARE			
	Year 2010	Year 2011	Year 2012
Net Patient Revenue	\$0	\$0	\$0
Amount of Charity Care	\$0	\$0	\$0
Cost of Charity Care	\$0	\$0	\$0

However, the chart does not reflect that charity care is difficult to provide in a dialysis facility because of the robust coverage for these services by Medicare, Medicaid and private insurance programs.
