RE: Permit Alteration: Project #13-072,
NorthPointe Health & Wellness Campus ASTC,
Roscoe
Permit Holder: Beloit Health System, Inc.

Dear Mr McKeveatt:

On January 9, 2018, the Illinois Health Facilities and Services Review Board/Chairman approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to Increase costs from \$15,276,194 to \$15,480,732. The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit and invalidate the permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".
