Re: Project No. E-018-13

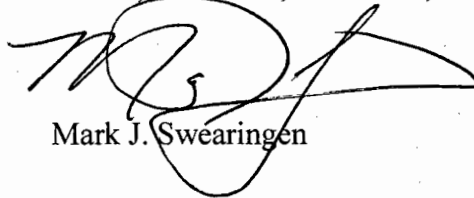

Dear Mike:

We spoke several months ago regarding the notice of transaction closing in the above matter. As you will recall, we had some informal communication regarding the closing during the two-week period after it occurred but inadvertently had never submitted formal notice of the closing to the Board. Because of that, you requested that we submit a letter to remedy the issue, which we agreed to do. It was brought to my attention that the Board has not yet received that notice letter.

Therefore, we are providing the Board with this letter to serve as official notification that the Asset Purchase in the above-referenced matter closed effective September 4, 2013. We appreciate you bringing this to our attention and apologize for any inconvenience our oversight may have caused. Please let me know if you need any other information or documentation.

Very truly yours,

HALL, RENDER, KILLIAN, HEATH & LYMAN, P.C.
