In Re: Alteration #1 – Project #14-013 Bed Relocation to CCD

Dear Mr. Constantino:

We write to inform you of an alteration to Project #14-013 Bed Relocation to the Center for Care and Discovery (CCD). The permit was for 46 Observation beds but we were only able to accommodate 44 Observation beds in the planned space. Total project square footage remains unchanged and the cost is unchanged. This is the first alteration request for this project.

Please let us know if you need any further information.

Sincerely,

John R. Beberman
