HEALTH FACILITIES & SERVICES REVIEW BOARD

Re: Winchester Endoscopy Center (Proj. No. 14-025)

Dear Mr. Constantino:

This letter is written in response to your determination that the applicant must procure a financing commitment letter, I am attaching relevant materials which includes a commitment letter. Ultimately, the agreement that the applicant made with the lender provides that the applicant will fund a portion of the project with cash. Therefore, we have revised the application to identify that portion of the project that will be funded by cash rather than a loan. Enclosed with this letter are the following materials:

- Updated Project Costs and Sources of Funds schedule;
- Updated Itemized Project Costs and Sources of Funds schedule (Attachment 7);
- Updated Availability of Funds schedule;
- Letter from Northern Trust bank confirming Winchester Endoscopy, LLC has established an account with cash sufficient to fund the cash requirement of the proposed project; and
- Loan commitment from Northern Trust bank;

We understand the Illinois Health Facilities and Services Review Board will calculate the processing fee for the modification of the Winchester Endoscopy Center CON application and will send a notice of fee balance.

Mr. Michael Constantino August 29, 2014 Page 2

Thank you for your time and attention to this matter. If you have any questions regarding any of the materials submitted, please feel free to contact me.

Sincerely,

au M. Coope
