RE: Alteration to Permit #14-037 - Advocate Good Samaritan Hospital, Downers Grove
Permit Holder: Advocate Health Care Network – Advocate Health & Hospitals Corporation

Dear Mr. Nelson:

On April 21, 2017 the Chairman of the Illinois Health Facilities and Services Review Board ("State Board") acting on behalf of the State Board approved the permit holder's request for an alteration for the above-referenced project.

The alteration increased the size of the project from 123,479 GSF to 124,779 GSF or 1,300 GSF or approximately 1%.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 312.814.2678.

Sincerely,

A handwritten signature in blue ink, reading "Kathy Olson", is positioned above the typed name.
