To Whom It May Concern

I'm a very upset about
your plans to close St. Elizabeth
in Belleville, Illinois.

We have used this hospital
many many times - it's service was
awesome!!! We live in the
Countryside IL area. My husband
has to use dialysis - and any
hospitals closer to us - do not
offer this service. To get to your
hospital we go through Linton - Marissa
Lengsbury - New Athens, Freedom - all these
towns need St. Elizabeth to stay open.
Also - Oakdale, Oakville, St. Libory - Fayetteville
Necker, Smithton - need this full service
hospital to stay open.

Great Mount Road is already traffic bound.

Shame on the WUNS - putting profit before service
