Dear Mr. Eesley:

This letter is being provided in response to your request for comment on the proposed addition of Cardiac Catheterization services at Centegra Hospital – Huntley. As the proposed project appears to be a shift of volume from the existing Cardiac Catheterization service at Centegra Hospital – McHenry, we do not see an impact on our own Cardiac Catheterization program.

Please let me know if I can be of further assistance on this matter.

Sincerely,

Patrick M. Magoon
President and Chief Executive Officer
