Dear Mike:

The three Certificate of Exemption applications identified above address the proposed change of control of the hospitals identified above. The applications were declared complete on November 3, 2014 and tentatively scheduled for review at the December 16, 2014 Illinois Health Facilities and Services Review Board's meeting. Each application identified a January 1, 2015 transaction date. With this letter, the applicants respectfully request that the transaction date be changed to "by April 1, 2015" and that the review of these COE applications not be delayed as a result of this change.

Should you have any questions related to this minor change, please do not hesitate to contact me.

Sincerely,

Jacob M. Axel
President
