RE: Permit Alteration: Project #15-006 Bloomington Normal Birthing Center,
Bloomington;
Permit Holder: Bloomington-Normal Birthing Center, LLC - BNBC Land, LLC

Dear Ms. Lorenz:

On November 17, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration request to increase the project costs from \$945,233 to \$1,010,233.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,
