HEALTH FACILITIES &
SERVICES REVIEW BOARD

☒ General Long-term Care ☐ Specialized Long-term Care	☐ Establishment of a new LTC facility ☐ Establishment of new LTC services ☒ Expansion of an existing LTC facility or service ☒ Modernization of an existing facility

Narrative Description

Provide in the space below, a brief narrative description of the project. Explain **WHAT** is to be done, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site. Include the rationale regarding the project's classification as substantive or non-substantive. Include: the number and type of beds involved; the actions proposed (establishment, expansion and/or modernization); the ESTIMATED total project cost and the funding source(s) for the project.

The Applicant, **Applewood Property, LLC** (Owner) and **Applewood Rehabilitation Center, LLC** (Operator/Licensee) together are proposing the renovation of **Applewood Rehabilitation Center** to include rehabilitation of the existing 115 licensed nursing bed facility and the addition of 39 additional nursing care beds located at 21020 Kostner Avenue, Matteson, Cook County, Planning Area 705, Illinois. Upon project completion the total licensed nursing beds will equal 154 beds in a total of 67,853 gsf comprised in a single story structure with a partial basement. There are 39,141gsf of existing space (28,905 gsf renovated, 9,722 gsf as is, and 514 gsf vacated) and 29,226 gsf of newly constructed space. The total project cost is estimated to be \$10,270,327 of which \$1,270,327 will be cash and securities and the balance of \$9,000,000 will be financed through a mortgage. The project includes additions, renovations and modernization to the facility.

This project is classified as substantive in accordance with 77 Illinois Administrative Code, Chapter II of Subchapter b, Section 1125.140 as the project proposes the modernization along with the addition of beds over and above the 10 percent/20-beds allowance [20 ILCS 3960/12].

Facility/Project Identification

Facility Name: Applewood Rehabilitation Center		
Street Address: 21020 Kostner Avenue		
City and Zip Code: Matteson, Illinois 60443		
County: Cook	Health Service Area: 007	Health Planning Area: 705

Applicant /Co-Applicant Identification**[Provide for each co-applicant [refer to Part 1130.220].**

Exact Legal Name: Applewood Rehabilitation Center, LLC
Address: 2201 Main Street, Evanston, Illinois 60202
Name of Registered Agent: Thomas Winter, CFO
Name of Chief Executive Officer: Michael Giannini, Manager
CEO Address: 6840 North Lincoln Avenue, Lincolnwood, Illinois 60712
Telephone Number: (847) 675-7979

Type of Ownership (Applicant/Co-Applicants)

☐ Non-profit Corporation	☐ Partnership	
☐ For-profit Corporation	☐ Governmental	
☒ Limited Liability Company	☐ Sole Proprietorship	☐ Other

- o Corporations and limited liability companies must provide an **Illinois certificate of good standing**.
- o Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner.

APPEND DOCUMENTATION AS ATTACHMENT-1 IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Primary Contact**[Person to receive ALL correspondence or inquiries]**

Site Ownership

[Provide this information for each applicable site]

Exact Legal Name of Site Owner: Applewood Property, LLC
Address of Site Owner: 2201 Main Street, Evanston, Illinois 60202
Street Address or Legal Description of Site: 21020 Kostner Avenue
Proof of ownership or control of the site is to be provided as . Examples of proof of ownership are property tax statement, tax assessor's documentation, deed, notarized statement of the corporation attesting to ownership, an option to lease, a letter of intent to lease or a lease.
APPEND DOCUMENTATION AS ATTACHMENT-2, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Operating Identity/Licensee

[Provide this information for each applicable facility, and insert after this page.]

Exact Legal Name: Applewood Rehabilitation Center, LLC			
Address: 2201 Main Street, Evanston, Illinois 60202			
☐	Non-profit Corporation	☐	Partnership
☐	For-profit Corporation	☐	Governmental
☒	Limited Liability Company	☐	Sole Proprietorship
		☐	Other
○ Corporations and limited liability companies must provide an Illinois Certificate of Good Standing. ○ Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner. ○ Persons with 5 percent or greater interest in the licensee must be identified with the % of ownership.			
APPEND DOCUMENTATION AS ATTACHMENT-3, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.			

Organizational Relationships

Provide (for each co-applicant) an organizational chart containing the name and relationship of any person or entity who is related (as defined in Part 1130.140). If the related person or entity is participating in the development or funding of the project, describe the interest and the amount and type of any financial contribution.

APPEND DOCUMENTATION AS ATTACHMENT-4, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Flood Plain Requirements

[Refer to application instructions.]

Provide documentation that the project complies with the requirements of Illinois Executive Order #2005-5 pertaining to construction activities in special flood hazard areas. As part of the flood plain requirements please provide a map of the proposed project location showing any identified floodplain areas. Floodplain maps can be printed at www.FEMA.gov or www.illinoisfloodmaps.org. **This map must be in a readable format.** In addition please provide a statement attesting that the project complies with the requirements of Illinois Executive Order #2005-5 (<http://www.hfsrb.illinois.gov>).

APPEND DOCUMENTATION AS ATTACHMENT -5, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Historic Resources Preservation Act Requirements

[Refer to application instructions.]

Provide documentation regarding compliance with the requirements of the Historic Resources Preservation Act.

APPEND DOCUMENTATION AS ATTACHMENT-6, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

State Agency Submittals

The following submittals are up- to- date, as applicable:

- ☒ All formal document requests such as IDPH Questionnaires and Annual Bed Reports been submitted
- ☐ All reports regarding outstanding permits

If the applicant fails to submit updated information for the requirements listed above, the application for permit will be deemed incomplete.

CERTIFICATION

The application must be signed by the authorized representative(s) of the applicant entity. The authorized representative(s) are:

- in the case of a corporation, any two of its officers or members of its Board of Directors;
- in the case of a limited liability company, any two of its managers or members (or the sole manager or member when two or more managers or members do not exist);
- in the case of a partnership, two of its general partners (or the sole general partner, when two or more general partners do not exist);
- in the case of estates and trusts, two of its beneficiaries (or the sole beneficiary when two or more beneficiaries do not exist); and
- in the case of a sole proprietor, the individual that is the proprietor.

This Application for Permit is filed on the behalf of Applewood Property, LLC *
in accordance with the requirements and procedures of the Illinois Health Facilities Planning Act. The undersigned certifies that he or she has the authority to execute and file this application for permit on behalf of the applicant entity. The undersigned further certifies that the data and information provided herein, and appended hereto, are complete and correct to the best of his or her knowledge and belief. The undersigned also certifies that the permit application fee required for this application is sent herewith or will be paid upon request.

**SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES –
INFORMATION REQUIREMENTS**

This Section is applicable to ALL projects.

Criterion 1125.320 – Purpose of the Project

READ THE REVIEW CRITERION and provide the following required information:

PURPOSE OF PROJECT

1. Document that the project will provide health services that improve the health care or well-being of the market area population to be served.
2. Define the planning area or market area, or other, per the applicant's definition.
3. Identify the existing problems or issues that need to be addressed, as applicable and appropriate for the project.
4. Cite the sources of the information provided as documentation.
5. Detail how the project will address or improve the previously referenced issues, as well as the population's health status and well-being.
6. Provide goals with quantified and measurable objectives, with specific timeframes that relate to achieving the stated goals **as appropriate**.

For projects involving modernization, describe the conditions being upgraded if any. For facility projects, include statements of age and condition and regulatory citations if any. For equipment being replaced, include repair and maintenance records.

NOTE: Information regarding the "Purpose of the Project" will be included in the State Board Report. APPEND DOCUMENTATION AS **ATTACHMENT-10**, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. Each item (1-6) must be identified in Attachment 10.

Criterion 1125.330 – Alternatives

READ THE REVIEW CRITERION and provide the following required information:

ALTERNATIVES

1. Identify **ALL** of the alternatives to the proposed project:

Alternative options **must** include:
 - a. Proposing a project of greater or lesser scope and cost;
 - b. Pursuing a joint venture or similar arrangement with one or more providers or entities to meet all or a portion of the project's intended purposes; developing alternative settings to meet all or a portion of the project's intended purposes;
 - c. Utilizing other health care resources that are available to serve all or a portion of the population proposed to be served by the project; and
 - d. Provide the reasons why the chosen alternative was selected.
2. Documentation shall consist of a comparison of the project to alternative options. The comparison shall address issues of total costs, patient access, quality and financial benefits in both the short term (within one to three years after project completion) and long

term. This may vary by project or situation. **FOR EVERY ALTERNATIVE IDENTIFIED THE TOTAL PROJECT COST AND THE REASONS WHY THE ALTERNATIVE WAS REJECTED MUST BE PROVIDED.**

3. The applicant shall provide empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

APPEND DOCUMENTATION AS ATTACHMENT-11, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION III – BED CAPACITY, UTILIZATION AND APPLICABLE REVIEW CRITERIA

This Section is applicable to all projects proposing establishment, expansion or modernization of LTC categories of service that are subject to CON review, as provided in the Illinois Health Facilities Planning Act [20 ILCS 3960]. It is comprised of information requirements for each LTC category of service, as well as charts for each service, indicating the review criteria that must be addressed for each action (establishment, expansion and modernization). After identifying the applicable review criteria for each category of service involved, read the criteria and provide the required information, AS APPLICABLE TO THE CRITERIA THAT MUST BE ADDRESSED:

Criterion 1125.510 – Introduction**Bed Capacity**

Applicants proposing to establish, expand and/or modernize General Long Term Care must submit the following information:

Indicate bed capacity changes by Service:

Category of Service	Total # Existing Beds*	Total # Beds After Project Completion
☒ General Long-Term Care	115	154
☐ Specialized Long-Term Care		
☐		

*Existing number of beds as authorized by IDPH and posted in the "LTC Bed Inventory" on the HFSRB website (www.hfrsb.illinois.gov). PLEASE NOTE: ANY bed capacity discrepancy from the Inventory will result in the application being deemed incomplete.

Utilization

Utilization for the most current CALENDAR YEAR:

Category of Service	Year	Admissions	Patient Days
☒ General Long Term Care	2012 2013	92 187	36,660 37,494
☐ Specialized Long-Term Care			

Applicable Review Criteria - Guide

The review criteria listed below must be addressed, per the LTC rules contained in 77 Ill. Adm. Code 1125. See HFSRB's website to view the subject criteria for each project type - (<http://hfsrb.illinois.gov>). To view LTC rules, click on "Board Administrative Rules" and then click on "77 Ill. Adm. Code 1125".

READ THE APPLICABLE REVIEW CRITERIA OUTLINED BELOW and submit the required documentation for the criteria, as described in SECTIONS IV and V:

GENERAL LONG-TERM CARE

PROJECT TYPE	REQUIRED REVIEW CRITERIA	
	Section	Subject
Establishment of Services or Facility	.520	Background of the Applicant
	.530(a)	Bed Need Determination
	.530(b)	Service to Planning Area Residents
	.540(a) or (b) + (c) + (d) or (e)	Service Demand – Establishment of General Long Term Care
	.570(a) & (b)	Service Accessibility
	.580(a) & (b)	Unnecessary Duplication & Maldistribution
	.580(c)	Impact of Project on Other Area Providers
	.590	Staffing Availability
	.600	Bed Capacity
	.610	Community Related Functions

SECTION IV - SERVICE SPECIFIC REVIEW CRITERIA**GENERAL LONG-TERM CARE****Criterion 1125.520 – Background of the Applicant****BACKGROUND OF APPLICANT**

The applicant shall provide:

1. A listing of all health care facilities owned or operated by the applicant, including licensing, and certification if applicable.
2. A certified listing of any adverse action taken against any facility owned and/or operated by the applicant during the three years prior to the filing of the application.
3. Authorization permitting HFSRB and DPH access to any documents necessary to verify the information submitted, including, but not limited to: official records of DPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations. **Failure to provide such authorization shall constitute an abandonment or withdrawal of the application without any further action by HFSRB.**
4. If, during a given calendar year, an applicant submits more than one application for permit, the documentation provided with the prior applications may be utilized to fulfill the information requirements of this criterion. In such instances, the applicant shall attest the information has been previously provided, cite the project number of the prior application, and certify that no changes have occurred regarding the information that has been previously provided. The applicant is able to submit amendments to previously submitted information, as needed, to update and/or clarify data.

APPEND DOCUMENTATION AS ATTACHMENT-12, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. EACH ITEM (1-4) MUST BE IDENTIFIED IN ATTACHMENT 11.

Criterion 1125.530 - Planning Area Need

1. Identify the calculated number of beds needed (excess) in the planning area. See HFSRB website (<http://hfsrb.illinois.gov>) and click on "Health Facilities Inventories & Data".
2. Attest that the primary purpose of the project is to serve residents of the planning area and that at least 50% of the patients will come from within the planning area.
3. Provide letters from referral sources (hospitals, physicians, social services and others) that attest to total number of prospective residents (by zip code of residence) who have received care at existing LTC facilities located in the area during the 12-month period prior to submission of the application. Referral sources shall verify their projections and the methodology used, as described in Section 1125.540.

APPEND DOCUMENTATION AS ATTACHMENT-13, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.540 - Service Demand – Establishment of General Long Term Care

• If the applicant is an existing facility wishing to establish this category of service or a new facility, #1 – 4 must be addressed. Requirements under #5 must also be addressed if applicable.
• If the applicant is not an existing facility and proposes to establish a new general LTC facility, the applicant shall submit the number of annual projected referrals.
1. Document the number of referrals to other facilities, for each proposed category of service, for each of the latest two years. Documentation of the referrals shall include: resident/patient origin by zip code; name and specialty of referring physician or identification of another referral source; and name and location of the recipient LTC facility. 2. Provide letters from referral sources (hospitals, physicians, social services and others) that attest to total number of prospective residents (by zip code of residence) who have received care at existing LTC facilities located in the area during the 12-month period prior to submission of the application. Referral sources shall verify their projections and the methodology used. 3. Estimate the number of prospective residents whom the referral sources will refer annually to the applicant's facility within a 24-month period after project completion. Please note: • The anticipated number of referrals cannot exceed the referral sources' documented historical LTC caseload. • The percentage of project referrals used to justify the proposed expansion cannot exceed the historical percentage of applicant market share, within a 24-month period after project completion • Each referral letter shall contain the referral source's Chief Executive Officer's notarized signature, the typed or printed name of the referral source, and the referral source's address 4. Provide verification by the referral sources that the prospective resident referrals have not been used to support another pending or approved Certificate of Need (CON) application for the subject services. 5. If a projected demand for service is based upon rapid population growth in the applicant facility's existing market area (as experienced annually within the latest 24-month period), the projected service demand shall be determined as follows: a. The applicant shall define the facility's market area based upon historical resident/patient origin data by zip code or census tract; b. Population projections shall be produced, using, as a base, the population census or estimate for the most recent year, for county, incorporated place, township or community area, by the U.S. Bureau of the Census or IDPH; c. Projections shall be for a maximum period of 10 years from the date the application is submitted; d. Historical data used to calculate projections shall be for a number of years no less

than the number of years projected;

- e. Projections shall contain documentation of population changes in terms of births, deaths and net migration for a period of time equal to or in excess of the projection horizon;
- f. Projections shall be for total population and specified age groups for the applicant's market area, as defined by HFSRB, for each category of service in the application (see the HFSRB Inventory); and
- g. Documentation on projection methodology, data sources, assumptions and special adjustments shall be submitted to HFSRB.

APPEND DOCUMENTATION AS ATTACHMENT- 14, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.550 - Service Demand – Expansion of General Long-Term Care

The applicant shall document #1 and either #2 or #3:

- 1. Historical Service Demand
 - a. An average annual occupancy rate that has equaled or exceeded occupancy standards for general LTC, as specified in Section 1125.210(c), for each of the latest two years.
 - b. If prospective residents have been referred to other facilities in order to receive the subject services, the applicant shall provide documentation of the referrals, including completed applications that could not be accepted due to lack of the subject service and documentation from referral sources, with identification of those patients by initials and date.
- 2. Projected Referrals

The applicant shall provide documentation as described in Section 1125.540(d).
- 3. **If a projected demand for service is based upon rapid population growth in the applicant facility's existing market area** (as experienced annually within the latest 24-month period), the projected service demand shall be determined as described in Section 1125.540 (e).

APPEND DOCUMENTATION AS ATTACHMENT- 15, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.560 - Variances to Computed Bed Need – THIS ITEM IS NOT GERMANE

Continuum of Care:

The applicant proposing a continuum of care project shall demonstrate the following:

- 1. The project will provide a continuum of care for a geriatric population that includes independent living and/or congregate housing (such as unlicensed apartments, high rises for the elderly and retirement villages) and related health and social services. The housing complex shall be on the same site as the health facility component of the project.
- 2. The proposal shall be for the purposes of and serve only the residents of the housing complex

Criterion 1125.580 - Unnecessary Duplication/Maldistribution – THIS ITEM IS NOT GERMANE

1. The applicant shall provide the following information:
 - a. A list of all zip code areas that are located, in total or in part, within 30 minutes normal travel time of the project's site;
 - b. The total population of the identified zip code areas (based upon the most recent population numbers available for the State of Illinois); and
 - c. The names and locations of all existing or approved LTC facilities located within 30 minutes normal travel time from the project site that provide the categories of bed service that are proposed by the project.
2. The applicant shall document that the project will not result in maldistribution of services.
3. The applicant shall document that, within 24 months after project completion, the proposed project:
 - a. Will not lower the utilization of other area providers below the occupancy standards specified in Section 1125.210(c); and
 - b. Will not lower, to a further extent, the utilization of other area facilities that are currently (during the latest 12-month period) operating below the occupancy standards.

APPEND DOCUMENTATION AS ATTACHMENT- 18, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.590 - Staffing Availability

1. For each category of service, document that relevant clinical and professional staffing needs for the proposed project were considered and that licensure and JCAHO staffing requirements can be met.
2. Provide the following documentation:
 - a. The name and qualification of the person currently filling the position, if applicable; and
 - b. Letters of interest from potential employees; and
 - c. Applications filed for each position; and
 - d. Signed contracts with the required staff; or
 - e. A narrative explanation of how the proposed staffing will be achieved.

APPEND DOCUMENTATION AS ATTACHMENT- 19, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.600 Bed Capacity

The maximum bed capacity of a general LTC facility is 250 beds, unless the applicant documents that a larger facility would provide personalization of patient/resident care and documents provision of quality care based on the experience of the applicant and compliance with IDPH's licensure standards (77 Ill. Adm. Code: Chapter I, Subchapter c (Long-Term Care Facilities)) over a two-year period.

APPEND DOCUMENTATION AS ATTACHMENT- 20, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.610 - Community Related Functions

The applicant shall document cooperation with and the receipt of the endorsement of community groups in the town or municipality where the facility is or is proposed to be located, such as, but not limited to, social, economic or governmental organizations or other concerned parties or groups. Documentation shall consist of copies of all letters of support from those organizations.

APPEND DOCUMENTATION AS ATTACHMENT- 21, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.620 - Project Size

The applicant shall document that the amount of physical space proposed for the project is necessary and not excessive. The proposed gross square footage (GSF) cannot exceed the GSF standards as stated in Appendix A of 77 Ill. Adm. Code 1125 (LTC rules), unless the additional GSF can be justified by documenting one of the following:

1. Additional space is needed due to the scope of services provided, justified by clinical or operational needs, as supported by published data or studies;
2. The existing facility's physical configuration has constraints or impediments and requires an architectural design that results in a size exceeding the standards of Appendix A;
3. The project involves the conversion of existing bed space that results in excess square footage.

APPEND DOCUMENTATION AS ATTACHMENT- 22, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.630 - Zoning

The applicant shall document **one** of the following:

1. The property to be utilized has been zoned for the type of facility to be developed;
2. Zoning approval has been received; or
3. A variance in zoning for the project is to be sought.

APPEND DOCUMENTATION AS ATTACHMENT- 23, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.640 - Assurances

1. The applicant representative who signs the CON application shall submit a signed and dated statement attesting to the applicant's understanding that, by the second year of operation after the project completion, the applicant will achieve and maintain the occupancy standards specified in Section 1125.210(c) for each category of service involved in the proposal.
2. For beds that have been approved based upon representations for continuum of care (Section 1125.560(a)) or defined population (Section 1125.560(b)), the facility shall provide assurance that it will maintain admissions limitations as specified in those Sections for the life of the facility. To eliminate or modify the admissions limitations, prior approval of HFSRB will be required.

APPEND DOCUMENTATION AS ATTACHMENT- 24, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.650 - Modernization

1. If the project involves modernization of a category of LTC bed service, the applicant shall document that the bed areas to be modernized are deteriorated or functionally obsolete and need to be replaced or modernized, due to such factors as, but not limited to:
 - a. High cost of maintenance;
 - b. non-compliance with licensing or life safety codes;
 - c. Changes in standards of care (e.g., private versus multiple bed rooms); or
 - d. Additional space for diagnostic or therapeutic purposes.
2. Documentation shall include the most recent:
 - a. IDPH and CMMS inspection reports; and
 - b. Accrediting agency reports.
3. Other documentation shall include the following, as applicable to the factors cited in the application:
 - a. Copies of maintenance reports;
 - b. Copies of citations for life safety code violations; and
 - c. Other pertinent reports and data.
4. Projects involving the replacement or modernization of a category of service or facility shall meet or exceed the occupancy standards for the categories of service, as specified in Section 1125.210(c).

APPEND DOCUMENTATION AS ATTACHMENT- 25, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW**Criterion 1125.800 Estimated Total Project Cost**

The following Sections **DO NOT** need to be addressed by the applicants or co-applicants responsible for funding or guaranteeing the funding of the project if the applicant has a bond rating of A- or better from Fitch's or Standard and Poor's rating agencies, or A3 or better from Moody's (the rating shall be affirmed within the latest 18 month period prior to the submittal of the application):

- Availability of Funds – Review Criteria
- Financial Viability – Review Criteria
- Economic Feasibility – Review Criteria, subsection (a)

Availability of Funds

The applicant shall document that financial resources shall be available and be equal to or exceed the estimated total project cost plus any related project costs by providing evidence of sufficient financial resources from the following sources, as applicable: **Indicate the dollar amount to be provided from the following sources:**

<u>\$1,270,327</u>	a. Cash and Securities – statements (e.g., audited financial statements, letters from financial institutions, board resolutions) as to: 1) the amount of cash and securities available for the project, including the identification of any security, its value and availability of such funds; and 2) interest to be earned on depreciation account funds or to be earned on any asset from the date of applicant's submission through project completion;
_____	b. Pledges – for anticipated pledges, a summary of the anticipated pledges showing anticipated receipts and discounted value, estimated time table of gross receipts and related fundraising expenses, and a discussion of past fundraising experience.
_____	c. Gifts and Bequests – verification of the dollar amount, identification of any conditions of use, and the estimated time table of receipts;
<u>\$9,000,000</u>	d. Debt – a statement of the estimated terms and conditions (including the debt time period, variable or permanent interest rates over the debt time period, and the anticipated repayment schedule) for any interim and for the permanent financing proposed to fund the project, including: 1. For general obligation bonds, proof of passage of the required referendum or evidence that the governmental unit has the authority to issue the bonds and evidence of the dollar amount of the issue, including any discounting anticipated; 2. For revenue bonds, proof of the feasibility of securing the specified amount and interest rate; 3. For mortgages, a letter from the prospective lender attesting to the expectation of making the loan in the amount and time indicated, including the anticipated interest rate and any conditions associated with the mortgage, such as, but not limited to, adjustable interest rates, balloon payments, etc.; 4. For any lease, a copy of the lease, including all the terms and conditions, including any purchase options, any capital improvements to the property and provision of capital equipment; 5. For any option to lease, a copy of the option, including all terms and conditions.
_____	e. Governmental Appropriations – a copy of the appropriation Act or ordinance accompanied

	by a statement of funding availability from an official of the governmental unit. If funds are to be made available from subsequent fiscal years, a copy of a resolution or other action of the governmental unit attesting to this intent;
_____	f. Grants – a letter from the granting agency as to the availability of funds in terms of the amount and time of receipt;
_____	g. All Other Funds and Sources – verification of the amount and type of any other funds that will be used for the project.
\$10,270,327	TOTAL FUNDS AVAILABLE

APPEND DOCUMENTATION AS ATTACHMENT-27, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Financial Viability

All the applicants and co-applicants shall be identified, specifying their roles in the project funding or guaranteeing the funding (sole responsibility or shared) and percentage of participation in that funding.

Financial Viability Waiver – THIS ITEM IS NOT GERMANE

The applicant is not required to submit financial viability ratios if:

1. "A" Bond rating or better
2. All of the projects capital expenditures are completely funded through internal sources
3. The applicant's current debt financing or projected debt financing is insured or anticipated to be insured by MBIA (Municipal Bond Insurance Association Inc.) or equivalent
4. The applicant provides a third party surety bond or performance bond letter of credit from an A rated guarantor.

See Section 1120.130 Financial Waiver for information to be provided

APPEND DOCUMENTATION AS ATTACHMENT-28, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

1. The applicant or co-applicant that is responsible for funding or guaranteeing funding of the project shall provide viability ratios for the latest three years for which **audited financial statements are available and for the first full fiscal year at target utilization, but no more than two years following project completion.** When the applicant's facility does not have facility specific financial statements and the facility is a member of a health care system that has combined or consolidated financial statements, the system's viability ratios shall be provided. If the health care system includes one or more hospitals, the system's viability ratios shall be evaluated for conformance with the applicable hospital standards.

COMBINED (Applewood Property, LLC and Applewood Rehabilitation Center, LLC)

Provide Data for Projects Classified as:	Category A or Category B (last three years)			Category B (Projected)
Enter Historical and/or Projected Years:	2012	2013	2014	2019

applicable line item amounts from the financial statements. Complete a separate table for each co-applicant and provide worksheets for each.

2. Variance

Applicants not in compliance with any of the viability ratios shall document that another organization, public or private, shall assume the legal responsibility to meet the debt obligations should the applicant default.

APPEND DOCUMENTATION AS ATTACHMENT 29, IN NUMERICAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Economic Feasibility

This section is applicable to all projects

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

1. That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
2. That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A. A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 1.5 times for LTC facilities; or
 - B. Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

1. That the selected form of debt financing for the project will be at the lowest net cost available;
2. That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
3. That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

Identify each area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

COST AND GROSS SQUARE FEET BY SERVICE									
Area (list below)	A	B	C	D	E	F	G	H	Total Cost (G + H)
	Cost/Square Foot New	Mod.	Gross Sq. Ft. New	Circ.*	Gross Sq. Ft. Mod.	Circ.*	Const. \$ (A x C)	Mod. \$ (B x E)	
Nursing-New	\$216.18	\$62.44	29,740**		28,905		\$6,429,094	\$1,804,809	\$8,233,903
Contingency	\$5.61	\$1.63	29,740**		28,905		\$166,757*	\$47,034*	\$213,791
TOTALS	\$221.79	\$64.07	29,740**		28,905		\$6,595,851	\$1,851,843	\$8,447,694

* Include the percentage (%) of space for circulation

* Contingency Cost breakdown based on Total Contract Costs (New Construction is 78%, Modernization is 22%)

**New Construction of 29,226 gsf + vacated (demolition) space of 514 gsf as demolition costs are in the construction contract line item.

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

APPEND DOCUMENTATION AS ATTACHMENT - 30, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

APPENDIX A**Project Costs and Sources of Funds**

Complete the following table listing all costs associated with the project. When a project or any component of a project is to be accomplished by lease, donation, gift, or other means, the fair market or dollar value (refer to Part 1130.140) of the component must be included in the estimated project cost. If the project contains non-reviewable components that are not related to the provision of health care, complete the second column of the table below. Note, the use and sources of funds must equal.

Project Costs and Sources of Funds			
USE OF FUNDS	CLINICAL	NONCLINICAL	TOTAL
Preplanning Costs			
Site Survey and Soil Investigation	\$10,540.80	\$6,959.20	\$17,500
Site Preparation	\$60,233.15	\$39,766.85	\$100,000
Off Site Work	\$14,701.11	\$9,705.89	\$24,407
New Construction Contracts	\$3,872,445.90	\$2,556,648.10	\$6,429,094
Modernization Contracts	\$1,087,093.33	\$717,715.67	\$1,804,809
Contingencies	\$128,773.06	\$85,017.94	\$213,791
Architectural/Engineering Fees	\$402,152.66	\$265,507.34	\$667,660
Consulting and Other Fees	\$48,186.52	\$31,813.48	\$80,000
Movable or Other Equipment (not in construction contracts)			
Bond Issuance Expense (project related)	\$51,508.98	\$34,007.02	\$85,516
Net Interest Expense During Construction (project related)			
Fair Market Value of Leased Space or Equipment			
Other Costs To Be Capitalized	\$510,506.07	\$337,043.93	\$847,550
Acquisition of Building or Other Property (excluding land)			
TOTAL USES OF FUNDS	\$6,186,141.58	\$4,084,185.42	\$10,270,327
SOURCE OF FUNDS	CLINICAL	NON-CLINICAL	TOTAL
Cash and Securities	\$765,157.98	\$505,169.02	\$1,270,327
Pledges			
Gifts and Bequests			
Bond Issues (project related)			
Mortgages	\$5,420,983.60	\$3,579,016.40	\$9,000,000
Leases (fair market value)			
Governmental Appropriations			
Grants			
Other Funds and Sources			
TOTAL SOURCES OF FUNDS	\$6,186,141.58	\$4,084,185.42	\$10,270,327

*Clinical Cost equates to Appendix D's Total Clinical space as a percentage of the whole (60.2%); Conversely, Non-Clinical Cost equates to Appendix D's Total Non-Clinical space as a percentage of the whole (39.8%).

APPENDIX A**Related Project Costs**

Provide the following information, as applicable, with respect to any land related to the project that will be or has been acquired during the last two calendar years:

Land acquisition is related to project ☐ Yes ☒ No
Purchase Price: \$ _____
Fair Market Value: \$ _____

The project involves the establishment of a new facility or a new category of service
☐ Yes ☒ No

If yes, provide the dollar amount of all **non-capitalized** operating start-up costs (including operating deficits through the first full fiscal year when the project achieves or exceeds the target utilization specified in Part 1100.

Estimated start-up costs and operating deficit cost is \$ Not Germane

APPENDIX C**Project Status and Completion Schedules**

Indicate the stage of the project's architectural drawings:

☐ None or not applicable	☒ Preliminary
☐ Schematics	☐ Final Working

Anticipated project completion date (refer to Part 1130.140): 30 months after CON approval* Construction completion is 24 Months . The additional time towards project completion is to allow for licensure.

Indicate the following with respect to project expenditures or to obligation (refer to Part 1130.140):

- ☐ Purchase orders, leases or contracts pertaining to the project have been executed.
- ☐ Project obligation is contingent upon permit issuance. Provide a copy of the contingent "certification of obligation" document, highlighting any language related to CON Contingencies
- ☒ Project obligation will occur after permit issuance.

APPENDIX D**Cost/Space Requirements**

Provide in the following format, the department/area **DGSF** or the building/area **BGSF** and cost. The type of gross square footage either **DGSF** or **BGSF** must be identified. The sum of the department costs **MUST** equal the total estimated project costs. Indicate if any space is being reallocated for a different purpose. Include outside wall measurements plus the department's or area's portion of the surrounding circulation space. **Explain the use of any vacated space.**

Dept. / Area	Cost	Gross Square Feet		Amount of Proposed Total Gross Square Feet That Is:			
		Existing	Proposed	New Const.	Modernized	As Is	Vacated Space
CLINICAL							
New Resident Rooms And Bath Rooms	\$1,628,649	376	10,760	10,384	376

Operating Identity/Licensee

- Corporations and limited liability companies must provide an Illinois Certificate of Good Standing.
- Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner.
- Persons with 5 percent or greater interest in the licensee must be identified with the % of ownership.

The operator/Licensee of the existing **Applewood Rehabilitation Center** is **Applewood Rehabilitation Center, LLC**. The entity's Illinois Certificate of Good Standing is appended as **ATTACHMENT-3A**. Please refer to the listing below for an identification of all persons with 5 percent or greater interest in this entity, the licensee.

Atied Associates, LLC	30.6000%
Barrish Bryan trust dtd 9/1/04	11.3500%
Barrish Group Limited Partnership	11.3500%
Gesualdo Ralph	11.3500%

Organizational Relationships

Provide (for each co-applicant) an organizational chart containing the name and relationship of any person or entity who is related (as defined in Part 1130.140). If the related person or entity is participating in the development or funding of the project, describe the interest and the amount and type of any financial contribution.

The organizational relationship for **Applewood Rehabilitation Center** is simply **Applewood Property, LLC** as the owner and **Applewood Rehabilitation Center, LLC** as the operator/Licensee. There are no other direct entities or facilities. However, according to the definitions of related entities, there are eleven long-term nursing care facilities that are considered “related”. It should be noted that none of the “related” entities will be participating in the development or funding of the project other than the owner and operator of the Subject facility.

<u>Facility Name</u>	<u>Barrish</u>	<u>Gesualdo</u>	<u>Giannini</u>

Flood Plain Requirements

Provide documentation that the project complies with the requirements of Illinois Executive Order #2005-5 pertaining to construction activities in special flood hazard areas. As part of the flood plain requirements please provide a map of the proposed project location showing any identified floodplain areas. Floodplain maps can be printed at www.FEMA.gov or www.illinoisfloodmaps.org. This map must be in a readable format. In addition please provide a statement attesting that the project complies with the requirements of Illinois Executive Order #2005-5 (<http://www.hfsrb.illinois.gov>).

Appended, as **ATTACHMENT-5A**, is the FIRM map. The architect, Legat, addresses this criterion with the following:

“For the Applewood site, the 100-year flood elevation is approximately 695.6, and the 500-year elevation is approximately 696.5. The existing finish floor elevation of the building is 697.1. Although there is an existing partial basement, there won’t be any mechanical equipment in the basement that is critical to the operation of the facility. The basement will be used for storage.”

Christopher M. Slykas
Larson Engineering, Inc.
1488 Bond Street, Suite 100
Naperville, IL 60563-6503

Dear Mr. Slykas:

This letter is to inform you that we have reviewed the information provided concerning the referenced project.

Our review of the records indicates that no historic, architectural or archaeological sites exist within the project area.

Please retain this letter in your files as evidence of compliance with Section 4 of the Illinois State Agency Historic Resources Preservation Act (20 ILCS 3420/1 et. seq.). This clearance remains in effect for two years from date of issuance. It does not pertain to any discovery during construction, nor is it a clearance for purposes of the Illinois Human Skeletal Remains Protection Act (20 ILCS 3440).

If you have any further questions, please contact me at 217/785-5027.

Sincerely,

Anne E. Haaker
Deputy State Historic
Preservation Officer

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued

Criterion 1125.320 – Purpose of the Project

1. Document that the project will provide health services that improve the health care or well-being of the market area population to be served.

The purpose of this proposed project is to continue to address the unmet demand for the beds and services that is currently being provided. **Applewood Rehabilitation Center** has had to turn away 45 referrals in the past 12 months that they could not accommodate due to the lack of beds available. During Calendar Years 2012 and 2013 the facility averaged 87.3% and 89.3% respectively with all but one (1) resident room as double rooms being occupied as private rooms because of isolation and gender issues.

Applewood Rehabilitation Center is approximately 47 years old. In spite of the age and the lack of certain amenities usually found in buildings more current, the Applicant has been able to maintain a high occupancy rate which is attributed to the quality of care and services that are being provided. The square footage of the existing building (39,141gsf) equates to approximately 340 gross square feet per bed which is substantially below the current minimum range of 435–713 building square feet per bed. Upon project completion the facility will comprise of 67,853 gsf or 441 gsf per bed. The proposed project will not only allow **Applewood Rehabilitation Center** to serve those individuals in need of Skilled short-term rehabilitation care but also those individuals who would seek services in the future.

2. Define the planning area or market area, or other, per the applicant's definition.

The primary market area is a 30-minute drive time from the Applicant's facility which is located at 21010 Kostner Avenue, Matteson, Illinois (Planning Area 7E). In a recent zip code analysis for all admissions during the most recent 24-month period, over 89% were from within the 30-minute market area. Moreover, over 59% of all admissions were from within the 15-minute market area.

ATTACHMENT-10

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued ii

3. Identify the existing problems or issues that need to be addressed, as applicable and appropriate for the project.

There are several issues that hinder admissions to the facility. First and foremost, the facility is almost 50 years old being constructed in 1967. During this period all necessary improvements (whether licensure corrections or necessary upgrades) were completed. However, there have not been any major renovations to the facility since being constructed. The present owners acquired the operations of the facility in 2003. During this time period they had expended an average of almost \$70,000 a year in upgrades. Substantial renovations will contribute to the overall desirability and marketability of the existing facility. The facility is also sorely in need of private rooms due to isolation/infection, privacy, and compatibility issues that render the facility less marketable today. The proposed therapy gym will accommodate additional equipment, as well as limit potential privacy issues that currently exist as residents are often seen in the hallway or dining area for therapy. Finally, the facility is located on Lincoln Highway which is a major thoroughfare (Illinois State Route 30). The facility does not currently have a secure outdoor environment for the residents. The proposed project connects the two unconnected ends creating a fully secure courtyard for residents to safely utilize and allow for operational efficiencies with the end of two wings being joined.

4. Cite the sources of the information provided as documentation.

Appended as **ATTACHMENT-10A**, is the Applicant's listing of residents turned away and the rationale for each action.

Appended as **ATTACHMENT-10B**, are the 2012 and 2013 IDPH facility profiles for the subject facility, **Applewood Rehabilitation Center**.

Appended as **ATTACHMENT-10C**, are two Microsoft MapPoint North America 2009 maps of the primary market area (30 and 15-minute travel time contours) including Zip Codes.

ATTACHMENT-10

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued iii

Appended as **ATTACHMENT-10D**, is the Zip Code analysis for the admissions to **Applewood Rehabilitation Center** supporting the identification of the primary service area.

Appended as **ATTACHMENT-10E**, is a travel time study of area nursing home facilities as performed using the online mapping/directional software, MapQuest.com.

Appended as **ATTACHMENT-10F**, is the 2013 Illinois Department of Healthcare and Family Services Cost Report.

5. Detail how the project will address or improve the previously referenced issues, as well as the population's health status and well-being.

As illustrated in the 2012 and 2013 IDPH facility profiles, the facility experienced 87.3 and 89.3 percent utilization respectively. As documented, utilization is not due to lack of referrals but rather the lack of marketability and desirability of the subject facility.

6. Provide goals with quantified and measurable objectives, with specific timeframes that relate to achieving the stated goals as appropriate.

The Applicant's goal is to reach and maintain the State's target utilization rate of 90% by the second full year of operation after project completeness. To accomplish this goal, the project proposes to modernize the existing facility coupled with the replacement and addition of beds allowing the current facility more modern amenities and accommodations.

For projects involving modernization, describe the conditions being upgraded if any. For facility projects, include statements of age and condition and regulatory citations if any. For equipment being replaced, include repair and maintenance records.

The original (existing) **Applewood Rehabilitation Center** was constructed in 1967. The facility has only 1 private resident room with the balance of all semi-private rooms. The issue is that the market for nursing care and services is changing. The proposed project includes modernization and renovation to the nurse's station, family rooms, offices and the existing

ATTACHMENT-10

**SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION
REQUIREMENTS** Continued iv

dining room and kitchen. Additionally, 39 newly constructed private rooms will improve the mix of private to semi-private accommodations further improving the marketability and desirability of the existing facility for the foreseeable future.

SEE ACCOUNTANTS' COMPILATION REPORT

D. How many bed-hold days during this year were paid by the Department?

None (Do not include bed-hold days in Section B.)

E. List all services provided by your facility for non-patients.

(E.g., day care, "meals on wheels", outpatient therapy)

None

F. Does the facility maintain a daily midnight census?

Yes

G. Do pages 3 & 4 include expenses for services or investments not directly related to patient care?

YES ☐ NO ☒

H. Does the BALANCE SHEET (page 17) reflect any non-care assets?

YES ☐ NO ☒

I. On what date did you start providing long term care at this location?

Date started 3/1/2011

J. Was the facility purchased or leased after January 1, 1978?

YES ☒ Date 3/1/2011 NO ☐

K. Was the facility certified for Medicare during the reporting year?

YES ☒ NO ☐ If YES, enter number of beds certified 115 and days of care provided 4,942

Medicare Intermediary National Government Services

IV. ACCOUNTING BASIS

ACCURAL ☒ MODIFIED ☐CASH* ☐ CASH* ☐

Is your fiscal year identical to your tax year?

YES ☒ NO ☐

Tax Year: 12/31/2013 Fiscal Year: 12/31/2013

* All facilities other than governmental must report on the accrual basis.

HFS 3745 (N-4-99)

**Improvement type must be detailed in order for the cost report to be considered complete

HFS 3745 (N-4-99)

IL478-2471

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued v

Criterion 1125.330 – Alternatives

1. Identify ALL of the alternatives to the proposed project:
Alternative options must include:
 - a. Proposing a project of greater or lesser scope and cost;
 - b. Pursuing a joint venture or similar arrangement with one or more providers or entities to meet all or a portion of the project's intended purposes; developing alternative settings to meet all or a portion of the project's intended purposes;
 - c. Utilizing other health care resources that are available to serve all or a portion of the population proposed to be served by the project; and
 - d. Provide the reasons why the chosen alternative was selected.
2. Documentation shall consist of a comparison of the project to alternative options. The comparison shall address issues of total costs, patient access, quality and financial benefits in both the short term (within one to three years after project completion) and long term. This may vary by project or situation. **FOR EVERY ALTERNATIVE IDENTIFIED THE TOTAL PROJECT COST AND THE REASONS WHY THE ALTERNATIVE WAS REJECTED MUST BE PROVIDED.**

ALTERNATIVE #1 Lesser Scope: Modernization only of the Existing Facility

Cost

The proposed modernization contract line item for this project is estimated to be \$1,804,809 plus up to a 15% contingency (\$270,721) for a total of \$2,075,530 in hard construction only. Presuming comparable modernizations as being proposed, i.e., modernization of all shared bathrooms, a nurse's station, family rooms, offices, a dining room and the kitchen, requires the loss of 13 beds. This loss is not a capital cost but one that would have to be calculated through operational losses. As it represents 11 percent of the beds it would at least result in losses of 11 percent of operations.

ATTACHMENT-11

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued vi

Patient Access

Patient access is already an issue for the Subject facility as it has turned away 45 potential residents in the past 12-months. Should an increase in the overall mix of private rooms within the facility not be realized, coupled with the overall loss of beds, patient access would be further adversely affected.

Quality

The historically high utilization of **Applewood Rehabilitation Center** speaks to the high quality and passion that this facility provides and shows to its residents. In CY 2011, 2012 and 2013, the facility maintained an average use rate in excess of 89.7%, 87.3%, and 89.3% respectively (refer to **ATTACHMENT-11A** for copies of the last three years of IDPH facility profiles). According to the Facility's administrator, the falling utilization comes from the evolving long-term care marketplace where hospitals are diagnosing more infection issues and today's rehab patients are demanding more private rooms. The fall off in utilization is not a result of quality as the facility had to turn away so many inquiries (45 potential residents as illustrated in **ATTACHMENT-11B**). In addition, with the hospital knowing that the facility does not have the availability of private rooms, they limit their referrals to the Subject facility. Likewise, community residents also know that the facility lacks private room accommodations and inquire at facilities outside the community and often the planning area and county. Moreover, the issue as presented here is about accessibility and not quality. The Applicant states and continues to offer its commitment to the highest quality in care but this alternative restricts the accessibility of those in need of long-term care. This alternative does not allow for greater quality of care for existing residents as they have and will continue to have to seek services at other facilities as their medical needs outweigh their programmatic needs.

ATTACHMENT-11

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued vii

Financial Benefits

While the capital costs of this alternative are less expensive than that of the proposed project, there are no financial benefits to this alternative. Potential residents are being turned away; this alternative would reduce licensed capacity and the mix of private to semi-private rooms would not improve. Should this trend continue, the facility could suffer irreparable damage to its reputation and desirability, thereby, making the facility less marketable.

ALTERNATIVE #2 Greater Scope: Total replacement of the Subject Facility

Cost

To estimate the raw construction cost of a bed-for-bed replacement, regardless if it is on-site or off-site, it would be presumed that all 115 beds were to be replaced. The gross square foot per bed range is between 435-713 gross square feet. The mid-point of that range is 574 gross square feet per bed and would also be presumed for estimation of this alternative. Therefore, new construction would be for 115 nursing beds in 66,010 gross square feet. The third quartile of Means for Long-Term Care projects in Zip Code 60443 at the time of this writing is \$231 per gross square foot. The calculated construction cost for this alternative would then be \$15,248,310, which is over the proposed project's total project cost. It should be noted that this estimate does not include any of the soft costs or equipment that would most assuredly be part of the alternative. Nor would it include any land costs since the existing site could accommodate a replacement structure.

Patient Access

This alternative would improve patient access for the existing residents but at a much higher cost. The total replacement facility could have a more favorable mix of private versus semi-private rooms with all private bathrooms. This alternative could also modernize the

ATTACHMENT-11

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued viii

administrative, food service, and amenity spaces. The issue is that it could not be totally replaced on-site without first discontinuing much if not all of the existing facility which would displace residents for the approximately two year construction period. Moreover, as in the short term, long-term patient access would be stifled as this alternative does not address those referrals that are being turned away annually.

Quality

The issue as presented here is about accessibility and not quality. The Applicant states and continues to offer its commitment to the highest quality in care but this alternative restricts the accessibility of those in need of long-term care. This alternative does not allow for greater quality of care for existing residents as they have and will continue to have to seek services at other facilities as their medical needs outweigh their programmatic needs.

Financial Benefits

There does not appear to be any financial benefits to the proposed project. The capital costs to this alternative are higher than that of the project as being proposed. To not remedy the inaccessibility to the care and services being sought could also do irreparable harm to the facility's reputation and thus its desirability.

ALTERNATIVE #3 Pursuing a Joint Venture or Utilizing Other Health Care Resources.

This alternative was not considered as this project involves an existing facility and is proposing the better utilization of an existing health care resource. Moreover, the overall high utilization of the existing facility illustrates the issue of freedom of patient choice.

ALTERNATIVE #4 Modernization to Include an Addition to the Subject Facility

Cost

The comparable basis for cost is to look at the construction contract line item of this project resulting in a capital cost of \$6,429,094.

ATTACHMENT-11

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued ix

Patient Access

This alternative addresses the access issue for the potential residents who were turned away and the desirability of the existing nursing care facility. It should be known that the addition will allow the facility to phase in the renovations around the existing resident population with the least disruption. Thus, both the renovated existing space and the proposed 39 nursing bed addition are essential to accommodate the overall increase in Long-Term Care utilization. This will be accomplished by providing both rehabilitative and habilitative general long-term care utilization of services in Matteson and throughout the 30-minute travel time. The Subject facility has an average length of stay of 200 days which is higher than the average length of stay (ALOS) of the 30-minute market contour (176 days). This is indicative of a more traditional long-term care patient in need of longer more therapeutic assistance with residents' Activities of Daily Living (ADLs). This care is habilitative versus the more current trends of rehabilitative care. Refer to **ATTACHMENT-11C** for the chart of facilities and their respective ALOS.

As the trend over the most recent ten years has been just the opposite, towards rehabilitative care to get residents back home, this is the first sign that the core of elderly in need of traditional long term care are seeking services at a rate that outpaces the shorter-term transitional care demand. As this facility use data is already two years old and not reflected in the current inventory, it would appear from this data that additional beds will become necessary especially in-light of the aging baby boomers.

Quality

The issue as presented here is about accessibility and not quality. The Applicant states and continues to offer its commitment to the highest quality in care but this alternative restricts the accessibility of those in need of long-term care. This alternative will allow for greater quality

ATTACHMENT-11

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES-INFORMATION REQUIREMENTS Continued x

of care for existing residents as they have again have the ability to seek and find services near their home.

Financial Benefits

The financial benefit of this alternative is ultimately the continued and ongoing viability of providing nursing care and services in **Applewood Rehabilitation Center**.

3. The applicant shall provide empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

The issue as presented here is about accessibility and not quality. The Applicant states and continues to offer its commitment to the highest quality of care and in physical plant environment; therefore, this item is not germane. The empirical evidence will be the Applicant's ability to reach and maintain the State's optimal utilization of 90% after two years from project completion. It should be noted that the Applicant has effectively been full although slightly under the State's target use rate. The improved mix of private to semi-private rooms and more private bathrooms will allow the Applicant to achieve 90 percent.

Inventory of Health Care Facilities and Services and Need Determinations - 2013 - Long-Term Care Services

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued i

GENERAL LONG-TERM CARE

Criterion 1125.520 – Background of the Applicant

The applicant shall provide:

1. A listing of all health care facilities owned or operated by the applicant, including licensing, and certification if applicable.

ATTACHMENT-12A identifies all nursing facilities owned and operated by the Applicant or its related entities. A copy of all the aforementioned facilities' licenses and certifications as applicable are appended under **ATTACHMENT-12B**.

2. A certified listing of any adverse action taken against any facility owned and/or operated by the applicant during the three years prior to the filing of the application.

The required documentation with regards to adverse action, as required under 1125.520, c) 2, is appended as **ATTACHMENT-12C**. It should be noted that the ownership and operating entities of the proposed **Applewood Rehabilitation Center** do not have any adverse action taken against them.

3. Authorization permitting HFSRB and DPH access to any documents necessary to verify the information submitted, including, but not limited to: official records of DPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations. **Failure to provide such authorization shall constitute an abandonment or withdrawal of the application without any further action by HFSRB.**

The above requested authorization for the HFSRB and the DPH access to information is appended as **ATTACHMENT-12D**.

4. If, during a given calendar year, an applicant submits more than one application for permit, the documentation provided with the prior applications may be utilized to fulfill the information requirements of this criterion. In such instances, the applicant shall attest the information has been previously provided, cite the project number of the prior application, and certify that no changes have occurred regarding the information that has been previously provided. The applicant is able to submit amendments to previously submitted information, as needed, to update and/or clarify data.

This item is not germane.

Ms. Courtney Avery, Administrator
Health Facilities and Services Review Board
525 W. Jefferson St., 2nd Floor
Springfield, IL 62761

Dear Ms. Avery,

I hereby authorize the Health Facilities Planning Board and the Illinois Department of Public Health (IDPH) access to any documents necessary to verify the information submitted, including but not limited to: official records of IDPH or other State agencies; the licensing or certification records of the states, when applicable; and the records of nationally recognized accreditation organizations. I further authorize the Illinois Department of Public Health to obtain any additional documentation or information that said agency deems necessary for the review of the Application as it pertains to 1125.520.(3)

Sincerely,

Dianne O'Connor
Manager, Applewood Properly, LLC

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued ii

Criterion 1125.530 - Planning Area Need

1. Identify the calculated number of beds needed (excess) in the planning area. See HFSRB website (<http://hfsrb.illinois.gov>) and click on “Health Facilities Inventories & Data”.

According to the “Applicable Review Criteria Outlined” chart on pages 9 and 10 of this application referring to “77 Ill Admin Code 1125”, this item is not germane.

2. Attest that the primary purpose of the project is to serve residents of the planning area and that at least 50% of the patients will come from within the planning area.

The Applicant’s patient origin data for admissions to **Applewood Rehabilitation Center** is appended as **ATTACHMENT-13A**. This data illustrates that over 89% of the known residents’ zip code of origin are derived from the primary market area of the 30-minute travel time contour. Moreover, nearly 59% of the known residents’ zip codes of origin are derived from within the 15-minute travel time contour. The zip code areas are provided from the Microsoft MapPoint North America 2009 software utilizing the HFSRB’s mapped PSA’s. Please refer to the maps appended as **ATTACHMENT-13B**.

3. Provide letters from referral sources (hospitals, physicians, social services and others) that attest to total number of prospective residents (by zip code of residence) who have received care at existing LTC facilities located in the area during the 12-month period prior to submission of the application. Referral sources shall verify their projections and the methodology used, as described in Section 1125.540.

Appended as **ATTACHMENT-13C** are 4 hospital/physician referral letters providing 271 of the proposed and historical referrals. Collectively, these referral sources have identified 286 historical and potential annual referrals to **Applewood Rehabilitation Center** for the next two years.

Dianne C. O'Connor, Administrator
Applewood Nursing and Rehabilitation Center
18300 South Lavergne Avenue
Matteson, Illinois 60478

October 24, 2014

Dear Ms. O'Connor,

As Advocate South Suburban Hospital strives to provide the best experience for each patient we have the privilege of serving, solid relationships with key long-term care facilities are vital. To that end, Applewood Nursing and Rehabilitation Center has been identified as a strategic partner in our primary service area.

In 2013, we referred 50 cases to your facility and anticipate similar activity at your center while strengthening our relationship based on our common goal of safe, high-quality patient care. The expansion of Applewood Nursing and Rehabilitation Center will provide the continuity of care that is imperative to improved access and patient outcomes.

We applaud your efforts to expand your facility in order to enhance the quality of care to our community.

Richard Heim
President
Advocate South Suburban Hospital
17800 South Kedzie Avenue
Hazel Crest, Illinois 60429

October 28, 2014

To: Dianne O'Connor

Applewood Rehabilitation Center

This is a letter of acknowledgement for a planned addition and renovation involving seventeen private Medicare rooms, an enlarged therapy gym and enclosed outside courtyard gardens. Applewood plans to redecorate the existing rooms during the renovation as well so convalescence residents will also benefit. At present, they cannot always accommodate referrals due to one isolation/private room and many shared bathrooms.

Applewood is a good nursing home with a solid referral base. They are near major expressways. In addition to referrals from multiple nearby communities, they receive many referrals from Chicago hospitals.

A conservative estimate of referrals for the next 24 months would be 200 from our practice as a whole.

Thank you,

Michael Settecase, DO

Medical Director FPN

Assoc Professor Fam Med,

Midwestern University

Dear Ms. O'Connor:

Franciscan St. James Health recommends the addition and renovation project which is proposed for Applewood Rehabilitation Center. We support your application for CON Board Approval.

Within the past 12 months, Franciscan St. James Health transferred 1,856 patients to existing skilled care facilities.

We estimate the number of patients that Franciscan St. James Health will refer annually within a 24 month period after the project completion to Applewood Rehabilitation Center will be an average of 111 per year. This is a reasonable expectation based on our historical referrals. These referrals have not been used to support another pending or approved CON application for the subject services.

We commend your efforts to improve the quality of care and quality of life for those served in our community.

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "Arnie Kimmel", written in a cursive style.

Arnie Kimmel
President and Regional Chief Operating Officer

Executive Office

October 28, 2014

Ms. Dianne O'Connor
Administrator
Applewood Rehabilitation Center
21020 Kostner Ave
Matteson, IL 60443

Dear Ms. O'Connor:

MetroSouth Medical Center recommends the addition and renovation project which is proposed for Applewood Rehabilitation Center. We support application for Certificate of Need (CON) Board approval.

Within the last 12 months, MetroSouth Medical Center transferred 10 patients to Applewood. With our current software application we are unable to extract any additional data for 2013 transfers to nursing homes by zip code in our primary, secondary and tertiary markets.

We estimate the number of patients that MetroSouth Medical Center will refer within a 24 month period, after the project completion to Applewood, will be a minimum of 25 patients annually. This is a reasonable projection based on our historical data for referrals. These referrals have not been used to support any other pending or approved CON application for the subject services.

We commend your efforts to improve post-acute medical care and quality of life for the communities we serve.

Sincerely,

Brian Sinotte, FACHE
Chief Executive Officer

Julie M. Dykema 10/28/14

ATTACHMENT-13C

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued iii

Criterion 1125.550 - Service Demand – Expansion of General Long-Term Care

The applicant shall document #1 and either #2 or #3:

1. Historical Service Demand

- a. An average annual occupancy rate that has equaled or exceeded occupancy standards for general LTC, as specified in Section 1125.210(c), for each of the latest two years.

In CY2011, CY2012 and CY2013, the subject facility reported utilization rates of 89.7%, 87.3% and 89.3% respectively. Refer to **ATTACHMENT-15A** for the cited facilities most recent 3-year IDPH Profile. It should be noted that these use rate reflect effective full utilization based on gender, isolation and behavioral issues of the existing residents.

- b. If prospective residents have been referred to other facilities in order to receive the subject services, the applicant shall provide documentation of the referrals, including completed applications that could not be accepted due to lack of the subject service and documentation from referral sources, with identification of those patients by initials and date.

Appended as **ATTACHMENT-15B** is a listing of all (45) referrals turned away by the facility due to lack of bed availability over the most recent 12 months. (8 from November through December of 2013 and 37 from January through October of 2014). It should be noted that the facility did not track referrals being turned away prior to October 2013.

2. Projected Referrals

The applicant shall provide documentation as described in Section 1125.540(d).

Appended as **ATTACHMENT-15C**, are four physician/hospital referrals letters indicating that 286 annual referrals could be made to the facility upon project completion for the next two years.

ATTACHMENT-15

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued iv

3. If a projected demand for service is based upon rapid population growth in the applicant facility's existing market area (as experienced annually within the latest 24-month period), the projected service demand shall be determined as described in Section 1125.540 (e).

The need for this project is based upon the historical lack of accessibility of the existing population. Moreover, this geographic service area has not been experiencing a rapid population growth; therefore, this item is not germane.

Dianne C. O'Connor, Administrator
Applewood Nursing and Rehabilitation Center
18300 South Lavergne Avenue
Matteson, Illinois 60478

October 24, 2014

Dear Ms. O'Connor,

As Advocate South Suburban Hospital strives to provide the best experience for each patient we have the privilege of serving, solid relationships with key long-term care facilities are vital. To that end, Applewood Nursing and Rehabilitation Center has been identified as a strategic partner in our primary service area.

In 2013, we referred 50 cases to your facility and anticipate similar activity at your center while strengthening our relationship based on our common goal of safe, high-quality patient care. The expansion of Applewood Nursing and Rehabilitation Center will provide the continuity of care that is imperative to improved access and patient outcomes.

We applaud your efforts to expand your facility in order to enhance the quality of care to our community.

Richard Heim
President
Advocate South Suburban Hospital
17800 South Kedzie Avenue

To: Dianne O'Connor

Applewood Rehabilitation Center

This is a letter of acknowledgement for a planned addition and renovation involving seventeen private Medicare rooms, an enlarged therapy gym and enclosed outside courtyard gardens. Applewood plans to redecorate the existing rooms during the renovation as well so convalescence residents will also benefit. At present, they cannot always accommodate referrals due to one isolation/private room and many shared bathrooms.

Applewood is a good nursing home with a solid referral base. They are near major expressways. In addition to referrals from multiple nearby communities, they receive many referrals from Chicago hospitals.

A conservative estimate of referrals for the next 24 months would be 200 from our practice as a whole.

Thank you,

Michael Settecase, DO

Medical Director FPN

Dear Ms. O'Connor:

Franciscan St. James Health recommends the addition and renovation project which is proposed for Applewood Rehabilitation Center. We support your application for CON Board Approval.

Within the past 12 months, Franciscan St. James Health transferred 1,856 patients to existing skilled care facilities.

We estimate the number of patients that Franciscan St. James Health will refer annually within a 24 month period after the project completion to Applewood Rehabilitation Center will be an average of 111 per year. This is a reasonable expectation based on our historical referrals. These referrals have not been used to support another pending or approved CON application for the subject services.

We commend your efforts to improve the quality of care and quality of life for those served in our community.

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Arnie Kimmel
President and Regional Chief Operating Officer

MetroSouth
MEDICAL CENTER

Executive Office

12935 South Gregory Street, Blue Island, IL 60406-2428
T (708) 597-2000 • W MetroSouthMedicalCenter.com

October 28, 2014

Ms. Dianne O'Connor
Administrator
Applewood Rehabilitation Center
21020 Kostner Ave
Matteson, IL 60443

Dear Ms. O'Connor:

MetroSouth Medical Center recommends the addition and renovation project which is proposed for Applewood Rehabilitation Center. We support application for Certificate of Need (CON) Board approval.

Within the last 12 months, MetroSouth Medical Center transferred 10 patients to Applewood. With our current software application we are unable to extract any additional data for 2013 transfers to nursing homes by zip code in our primary, secondary and tertiary markets.

We estimate the number of patients that MetroSouth Medical Center will refer within a 24 month period, after the project completion to Applewood, will be a minimum of 25 patients annually. This is a reasonable projection based on our historical data for referrals. These referrals have not been used to support any other pending or approved CON application for the subject services.

We commend your efforts to improve post-acute medical care and quality of life for the communities we serve.

Sincerely,

Brian Sinotte, FACHE
Chief Executive Officer

Julie M. Dykema 10/28/14

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued v

Criterion 1125.590 - Staffing Availability

1. For each category of service, document that relevant clinical and professional staffing needs for the proposed project were considered and that licensure and JCAHO staffing requirements can be met.

Nursing care is the only category of service applicable. It should be known that this project includes the existing operations in good standing with IDPH and CMMS that meet all licensing requirements to include staffing. Moreover, upon project completion, the facility will maintain its good standing with IDPH and CMMS.

2. Provide the following documentation:
 - a. The name and qualification of the person currently filling the position, if applicable; and
 - b. Letters of interest from potential employees; and
 - c. Applications filed for each position; and
 - d. Signed contracts with the required staff; or
 - e. A narrative explanation of how the proposed staffing will be achieved.

Appended as **ATTACHMENT-19A**, is the existing and proposed staffing patterns for the Subject facility. This project will result in an increase of full time equivalents, from 90.4 full time equivalents to 116.47 full time equivalents, a net increase of 26.07 full time equivalents. Staffing for the Applicant has not been of issue and achieving the additional level is not expected to be either. The proposed staffing will be achieved in the following manner:

1. **Applewood Rehabilitation Center** will maintain a copy of applications for all candidates who apply for positions at the facility going forward. Applicants will be

ATTACHMENT-19

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued vi

contacted 90 days prior to opening to the opening of the unit to arrange for interviews, hiring and training.

2. The facility will be utilizing the consultant recruiting service at SIR Management in Lincolnwood, Illinois to identify potential candidates to fill all available positions and assist with recruitment. It is the Applicant's policy to promote from within whenever possible. SIR Management had 2,081 employees between the 14 locations it provides consulting services for.

3. Internet sources for posting and recruitment of candidates such as Career Builders, LinkedIn, Health Callings, and Indeed will be utilized.

4. Advertising for positions will be placed in the local newspaper.

5. A plan has been developed to determine the direct care staffing needs of the facility based on census and level of care. Staff will be hired as census increases to ensure the needs of the residents will be met and staffing regulations are complied with.

Finally, the Subject facility has on file a listing of employment applications by initials and position title applied for. From this listing along, the additional staffing level is achievable (please refer to **ATTACHMENT-19B** for the listing of employment applicants on file). Moreover and as a back-up plan, appended as **ATTACHMENT-19C** is a list of 2014 graduating nursing students for which job offers can be extended. Thus, staffing is not expected to be of issue.

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued vii

Criterion 1125.600 Bed Capacity

The maximum bed capacity of a general LTC facility is 250 beds, unless the applicant documents that a larger facility would provide personalization of patient/resident care and documents provision of quality care based on the experience of the applicant and compliance with IDPH's licensure standards (77 Ill. Adm. Code: Chapter I, Subchapter c (Long-Term Care Facilities)) over a two-year period.

This project is only for the addition of 39 nursing beds to an existing 115-bed long term care nursing facility. Upon project completion the licensed bed capacity will be 154 nursing beds. Therefore, as the proposed project is compliant with this criterion.

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued viii

Criterion 1125.610 - Community Related Functions

The applicant shall document cooperation with and the receipt of the endorsement of community groups in the town or municipality where the facility is or is proposed to be located, such as, but not limited to, social, economic or governmental organizations or other concerned parties or groups. Documentation shall consist of copies of all letters of support from those organizations.

Appended as **ATTACHMENT-21A** are eight (8) letters of support for the proposed addition to Applewood Rehabilitation Center. These letters are from Milton E. Jones, Senior Pastor, Heritage Baptist Church; L. A. Walton, Director of Care Management, The HOUSEpital Company; Sally A. Fuhrmann, Senior Director, Rich Township Senior Center; Rev. Michael J. Novick, Pastor, St. Lawrence O'Toole Parish; Emily M. Powell, Executive Director, Victory Centre; Lisa DiGiovanni, Director of Sales and Marketing, Prairie Green at Dixie Crossing; Tiffany Conner-McCrary, R.N., MS of TLC Health Care Institute; and Tess Hurley, Sales Manager, Victory Centre of Sierra Ridge.

I Timothy 3:15b

October 7, 2014

Dianne O'Connor
Applewood Rehabilitation Center
21020 Kostner Avenue
Matteson, IL 60443

Dear Mrs. O'Connor,

This is a letter of endorsement for Applewood Rehabilitation Center, a part of the community of Matteson since 1969. The community's desire is for this facility to be able to expand its services with the addition and renovation of their present physical campus. These upgrades and renovations would allow Applewood to meet all of the needs for those needing post-op therapy and convalescence. The convenience of having such a wonderful facility in Matteson makes it easier for families and friends to be near and to be an encouragement to those going through difficult transitions.

Our church has brought teens to visit residents on a regular basis. The staff does a great job of meeting the needs with what they have available. The facilities do need to be upgraded to meet the constantly changing demands of patients and their families. Whatever can be done to strengthen the care at Applewood would be much appreciated.

Thank you for your interest.

In Christ,

Milton E. Jones

To Whom It May Concern,

This letter is written as a much needed request for the expansion of Applewood Nursing and Rehabilitation Center. As you may be aware, the healthcare system is trying very diligently to make provisions for the rapidly increasing growing population of the aged. Currently without the needed resources, bed availability, transitional care expertise we in the South Suburban Region of Chicago will soon face a "silver tsunami", by which we have a disproportionate amount of aged people without the necessities of care and rehabilitation facilities.

I request of your assistance in Applewood Nursing and Rehabilitation Center to receive the much needed support to expand their facility. The impact of this support would greatly enhance the stability of an improved aging in place model. Whereby seniors and the disabled can receive treatment and return to their homes in a community that they have come to know and love.

Best Regards,

A handwritten signature in black ink, appearing to read 'L.A. Walton', is written over the printed name.

Dear Ms. O'Connor,

This is a letter of endorsement for Applewood Rehabilitation Center, a part of the community of Matteson since 1969. The community's desire is for this facility to be able to expand its services with the addition and renovation of their present physical campus. These upgrades and renovations would allow Applewood to meet all of the needs for those needing post-op therapy and convalescence. The convenience of having such a wonderful facility in Matteson makes it easier for families and friends to be near and to be an encouragement to those going through difficult transitions.

Over the years, I have noticed that the staff does a good job of meeting the needs with what they have available. My father was a resident in 2010, and received good, attentive care. The rehabilitation department is wonderful, and helps many of the seniors we know at our senior center.

Whatever can be done to strengthen the care at Applewood would be much appreciated. Thank you for your interest.

Sincerely,

Sally A. Fuhrmann, Senior Director

Dear Ms O'Connor,

This is a letter in support of Applewood's great work over the course of the last 40+ years in Matteson. I understand there is a hope to expand the facility by adding to and renovating the existing physical plant. I do hope that this work is able to take place so that your staff is better able to serve the needs of patients who are seeking post-op therapy and others who need more consistent care.

As a pastor of the Matteson community, I know very well the work Applewood does. Many of my parishioners have praised the work that you have done for their loved ones over time. I will be praying that whatever changes need to be made to strengthen Applewood, and its staff, will happen smoothly and very soon.

Peace and Blessings,

Rev. Michael J. Novick

Pastor, St. Lawrence O'Toole

Matteson, Illinois 60443

Dear Ms. O'Connor,

I am writing to endorse Applewood expanding its services for rehabilitation. Today most people would rather have private rooms and with your renovations that would meet the needs of present and future rehabilitation patients. Our community, Prairie Green at Dixie Crossing, has 144 apartments for supportive living and it would be nice to have this expansion done so close to us. The convenience of having such a wonderful facility in Matteson makes it easier for patients to rehabilitate in their own rooms.

If you have any further questions, please do not hesitate to call me at 708-754-5700.

Matteson, IL 60443

Dear Mrs. O'Connor

This letter is to express my support for the expansion of Applewood Rehabilitation. As an instructor for TLC Healthcare Institute, I have supervised clinicals for my students at Applewood for many years. I find Applewood to be an excellent facility but in dire need of private Medicare rooms, private bathrooms (to meet the needs of Medicare isolation patients) and a larger therapy gym. The gym should be adequately sized to match the outstanding service they provide. I believe that the expansion will provide an enhanced learning experience for the students during their clinicals as well as being an environment conducive to superior rehabilitation.

As a healthcare professional of 19 years working in a variety of healthcare settings and nursing homes, I have found Applewood to be exceptional. Their commitment to quality, compassion, and hard work is phenomenal. They care about the residents and I believe an expansion would provide a better quality of life for residents of the facility. The expansion would also provide economic growth for the community by creating new jobs and improve the Matteson community overall.

There is a need in this area for quality nursing homes. They are necessary to meet the demands of their referral sources from neighboring towns and hospitals in addition to all the Chicago area hospitals that refer patients to Applewood.

Sincerely yours,

Tiffany Conner-McCrary R.N., MS

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued ix

Criterion 1125.620 - Project Size

The applicant shall document that the amount of physical space proposed for the project is necessary and not excessive. The proposed gross square footage (GSF) cannot exceed the GSF standards as stated in Appendix A of 77 Ill. Adm. Code 1125 (LTC rules), unless the additional GSF can be justified by documenting one of the following:

Upon project completion, **Applewood Rehabilitation Center** will comprise 67,853 gross square feet of space for 154 nursing care beds. This equates to 440.60 gsf per bed upon project completion. It should be noted that the proposed project is in compliance with this criterion as the full bed compliment is within the range limit of 435-713 gross square feet per bed.

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued x

Criterion 1125.630 - Zoning

The applicant shall document **one** of the following:

1. The property to be utilized has been zoned for the type of facility to be developed;
2. Zoning approval has been received; or
3. A variance in zoning for the project is to be sought.

Appended as **ATTACHMENT-23A**, is letter from Legat Architects providing the status of the zoning request for the proposed project. Appended as **ATTACHMENT-23B**, is the signed Planned Unit Development (PUD) application for Matteson Community Development Department for the proposed project. The zoning approval letter will be submitted upon receipt.

Re: **Applewood Rehabilitation Center: Additions and Alterations**

Architect's Project Number: 211074.00

Certificate of Need Zoning Update

Dear Ms. Barrish:

The zoning process for the additions and alterations to Applewood Rehabilitation Center is underway. Preliminary stormwater drawings were submitted for review because of the large amount of site work associated with the compensatory storage. Once the comments are addressed and the zoning documents are finalized, the project will be submitted to the zoning board of appeals for approval. Permitting fees and the zoning application were submitted to the Village of Matteson with the preliminary stormwater drawings. I have attached the application for your use. Please let me know if you have any questions.

Please feel free to contact me at (630) 645-1914 or (847) 975-5626 should you have any questions. We appreciate the opportunity to work with Applewood Rehabilitation Center on this project.

Thank you.

Sincerely,

Community Development Department
Planning Division
4900 Village Commons
Matteson, IL 60443
(708) 283-4940

APPLICATION FOR PLANNED UNIT DEVELOPMENT (PUD)

The Planned Unit Development (PUD) approach provides the flexibility needed to promote innovative and creative land development that achieves the community vision outlined in the comprehensive plan. Within the framework of a PUD normal zoning standards may be modified. The resulting flexibility is intended to encourage developments that are more environmentally sensitive, economically viable, and aesthetically pleasing than might otherwise be possible if the standards of the underlying zoning district (s) were strictly enforced. The objectives of the PUD are to stimulate creative approaches to the residential, commercial and industrial development of land; to provide more efficient use of land; and to preserve or enhance natural features and provide open spaces areas.

Planned Unit Development (PUD) Review Fees

The Planned Unit Development (PUD) review fees are as follows. Contact the Planning Division with any questions concerning this fees schedule.

Preliminary or Final Planned Unit Development (PUD) (based on size of parcel)	0-5 acres: \$ 750
	6-10 acres \$1,200
	11-50 acres: \$2,250
	51-100 acres: \$3,000
	>100 acres: \$3,000 plus \$20 per add'l acre over 100
	More than 3 reviews : \$500 per add'l review

Additional Fees - Additional fees will apply for PUD application requests that also necessitate review of any of the following plans. Contact the Planning Division with any questions concerning the fees schedule.

Site Plan Review (based on size of parcel)	0-10 acres: \$ 500 11-40 acres \$1,000 > 40 acres: \$1,800
Landscape Plan Review (based on size of parcel)	More than 3 reviews of individual plans: \$100 per add'l review
Building Elevation Plan Review	\$500
Signage Plan Review	More than 3 reviews of individual plans: \$100 per add'l review
All four (4) Plan Reviews	Total of all individual plan review fees less \$500

ENGINEERING PLAN REVIEW & INSPECTION FEES SCHEDULE	
Filing Fees	
The following non-refundable filing fee shall be collected from the applicant at time of preliminary engineering plan review, whether for new construction, redevelopment or remodeling.	
0 to < 3 acres	\$ 1,330
3 to < 10 acres	\$ 3,325
10 to 35 acres	\$ 6,650
35 to 50 acres	\$10,640
50+ acres	\$19,950
The filing fee amount shall be deducted from the fee required at the time of recording the subdivision plat or issuance of a building permit, whichever occurs first.	
Plan Review Fees	
At the time of application for approval of the final engineering site improvement plans, the developer shall pay a fee sufficient to compensate the Village Engineer and/or his/her designee for examination of the final engineering plans and all supporting documents.	
In cases where engineering review costs exceed the amount collected, the Village will invoice directly for the additional amount.	
	2% of the design engineer's estimate of cost of the entire project.
Inspection Fees	
All improvements approved by the Village Engineer and/or his/her designee shall be inspected during the course of construction by the Village Engineer and/or his/her designee. As compensation for such inspection, the developer shall pay an inspection fee. Inspection fees shall be in addition to the Plan Review Fee.	
	3% of the design engineer's estimate of the cost of the entire project.

Submittal Requirements

An applicant shall refer to Section 159.62 Planned Unit Developments (Ordinance No.: 3036) & Plan Review Checklist for required plan information, as well as the Village's Zoning Ordinance, and Design and Development Guidelines when preparing the plans for submission.

NOTE: The submittal requirements are the minimum requirements for processing a PUD request, and that, from time to time, Staff, the Plan Commission or Village Board may require such other information that it deems necessary to determine if the proposed PUD meets the intent of the PUD objectives and/or the requirements of the zoning ordinance and subdivision regulations.

Complete Application Submittals: All documentation and plans required at the time of application need to be submitted together. Piecemeal submittals cannot be processed and will not be accepted.

Fax: 847-675-0555

Cell/Home Phone: 847-922-1777

Email: kbarrish@sirmanagement.com

Address and Legal Description of Property: 21020 Kostner Avenue, Matteson, IL 60443

Outlot C in Matteson Highlands unit 3, being a subdivision in the East half of the Northwest quarter and the East half of the West 1/2 of the Northwest 1/4 of section 22, Township 35 North, Range 13, east of the third principal meridian, in Cook County, Illinois. Commonly known as 21020 Kostner Avenue, Matteson, Illinois.

Permanent Index Number(s). (PIN): 31-22-114-023, 31-22-114-024, 31-22-114-025, 31-22-114-026

Zoning: C-4 Highway Commercial

Lot Dimensions: 286.60'x572.06'x335.60'x566.00' **Lot Area:** 191,804 S.F., 4.40 Acres

Present Use: Nursing Home

Requested Action/Use:

We request the approval of additions to the existing nursing home.

Narrative Statement stating what the petitioner is planning to construct on the property, evaluating the economic effects on adjoining property, the effect of such elements as noise, glare, odor, fumes and vibration on adjoining property, a discussion of the general compatibility with the adjacent and other properties in the district, the effect of traffic, and the relationship of the proposed use to the Comprehensive Plan:

We are planning on constructing 2 additions to the existing nursing home. The main addition that will fill in the area between the buildings will include a new main entrance, administration suite, physical therapy gym, ice cream shop/internet cafe, dinning room and 30 new resident rooms. The smaller addition will be a new kitchen on the Southwest corner of the site, because we are filling

ATTACHMENT-23B

between the existing buildings, there should not be any noise, glare odor, fumes or vibrations to the adjoining property. There are some additional parking that we are creating on the North side of the building for overflow on the days where more is needed. Traffic should not be affected as the staff requirement will not be greatly increased. The new addition will provide a new imagenot only for the facility but the neighborhood. The additions will increase the level of careoffered to the residents of the facility as well as the community.

Describe How the PUD:

1. Fulfills the objectives of the comprehensive plan and the land use policies of the Village and presents an innovative and creative approach to the development of land and living environments:

The land has already been developed as a nursing home. The proposed project enhances the services and quality of life of the residents of the facility. With a special use permit, nursing homes are an allowed use in a C-4 Zoing District.

2. Proposed land uses fulfill, or can reasonably expected to fulfill a need or demand for such uses within the Village:

Applewood Rehabilitation Center is the only nursing home in Matteson. The addition to the facility will increase the way of life for the existing residents as well as provide skilled care rehabilitation services for residents of the Village of Matteson.

3. Physical design of the PUD efficiently utilizes the land, adequately provides for transportation and public facilities, and preserves natural features of the site, and that the property is suitable for the proposed purposes and land uses:

The site is well suited for the proposed additions because the land has been used as a nursing home for over 40 years. The new parking adequately provides enough for the facility.

4. Exceptions to bulk and density regulations of the underlying zoning shall be solely for the purpose of promoting an efficient and coordinated site plan, no less beneficial to the residents or occupants of such development, as well as the neighboring property, than would be obtained under the bulk and density regulations of this ordinance for buildings developed on separate zoning lots:

The proposed additions meet the bulk and density requirements for commercial use districts.

5. Meets the requirements and standards of the Planned Unit Development regulations:

The facility is under single ownership or unified control, is consistent with the goals of the comprehensive plan, meet the designer criteria adopted by the Village and adequate utilities, road access, drainage, police and fire services already exist.

6. Provides Open spaces and recreational facilities:

The new addition provides 2 courtyards for the residents use. These courtyards will be landscaped and a walking path and patio for the residents use, will be provided.

7. Will have vehicular approaches to the property, which shall be so designed as not to create an undue interference with traffic on surrounding public streets or roads:

The vehicular approaches to the property are existing and we do not feel the addition will create an undue interference with traffic on surrounding public streets and roads.

8. Is compatible with the adjacent properties and the neighborhood, and along the periphery of the PUD yards or setbacks shall be provided that meet or exceed the regulations of the district in which the PUD is located:

The facility is an existing nursing home where the addition along the periphery meet or exceeds the required setbacks.

Estimated Date to Begin New Use/Construction: _____
(include a phasing schedule, if applicable)

The zoning process is working in tangent with the Illinois Department of Public Health's Certificate of Need (CON) process. The estimated start time in Spring 2014. Until the CON process is complete we will not have a phasing schedule. Once a phasing schedule is established, we will make this available to the Village of Matteson.

II. CERTIFICATIONS AND UNDERSTANDINGS:

I (We) certify that all of the statements and documents submitted as part of this application are true to the best of my (our) knowledge and belief.

I (We) consent to the entry in or upon the premises described in this application by any authorized official of the Village of Matteson for the purpose of inspection.

I (We) consent to pay the Village of Matteson all costs incurred for transcribing the public hearing on this application.

I (We) understand that no final action shall be taken by the Village Board subsequent to the public hearing until and upon payment of transcribing fees.

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued xi

Criterion 1125.640 – Assurances

1. The applicant representative who signs the CON application shall submit a signed and dated statement attesting to the applicant's understanding that, by the second year of operation after the project completion, the applicant will achieve and maintain the occupancy standards specified in Section 1125.210(c) for each category of service involved in the proposal.
2. For beds that have been approved based upon representations for continuum of care (Section 1125.560(a)) or defined population (Section 1125.560(b)), the facility shall provide assurance that it will maintain admissions limitations as specified in those Sections for the life of the facility. To eliminate or modify the admissions limitations, prior approval of HFSRB will be required.

Appended as **ATTACHMENT-24A**, is a letter signed by the Applicant addressing item number 1.

The proposed project is for the expansion of a free standing nursing care facility and not part of a continuum of care community (CCRC). Therefore, item number 2 above is not applicable to this project.

Matteson, IL 60443
Phone: 708-747-1300
Fax: 708-747-6282

October 6, 2014

Ms. Courtney Avery, Administrator
Health Facilities and Services Review Board
525 W. Jefferson St., 2nd Floor
Springfield, IL 62761

Dear Ms. Avery,

This is to certify that Applewood Rehabilitation Center understands and intends to maintain capacity of newly constructed unit at an in-house annual bed census of 90% or greater by the second year of operation after the project completion. The facility will provide sorely needed private rooms within this unit, which are currently often requested by consumers but that the facility is currently unable to provide. In addition, the proposed therapy gym will be of an adequate size to allow facility to provide additional equipment needed by therapists to properly treat a variety of diagnosed conditions thus allowing facility to accept a wider range of potential consumers.

Dianne O'Connor
Administrator
Applewood Rehabilitation Center

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued xii

Criterion 1125.650 - Modernization

1. If the project involves modernization of a category of LTC bed service, the applicant shall document that the bed areas to be modernized are deteriorated or functionally obsolete and need to be replaced or modernized, due to such factors as, but not limited to:
 - a. High cost of maintenance;
 - b. Non-compliance with licensing or life safety codes;
 - c. Changes in standards of care (e.g., private versus multiple bed rooms); or
 - d. Additional space for diagnostic or therapeutic purposes.

The facility appears to be in good repair although dated according to their architect. The facility is in compliance with all licensing and life safety codes; this Applicant fully sprinkled the facility ahead of the deadline (see 2013 cost report data appended as **ATTACHMENT-25A**). Since 2006 (8 years of history), this applicant has spent over \$787,000 in upkeep and improvements to the existing building. Thus, the issue appears to be not a change in the standards of care but the change in environment and amenities that are demanded by today's residents specifically those seeking Medicare rehabilitative or end of life services.

More specifically, **Applewood Rehabilitation Center** is currently less able to attract and accommodate many potential residents due to the following issues: The number of residents requiring isolation has risen due partly to the increased infection screenings done at hospitals. This facility consists of all but one two-bed rooms with a connecting bathroom. Should a resident require strict isolation, two two-bed rooms are often utilized to accommodate just one resident due to the fact that an isolated resident must have a private bathroom that cannot be shared with any other resident.

ATTACHMENT-25

SECTION IV – SERVICE SPECIFIC REVIEW CRITERIA Continued xiii

Additionally, potential residents are demanding private rooms with private bathrooms. Many potential admissions are not interested in recuperating in a semi-private room and sharing a toilet with up to three other patients.

The facility also lacks the space to provide a state of the art therapy gym and equipment as well as other therapy related lab-areas such as a home type bedroom, kitchen, and laundry room. These areas are needed by professional therapists to work with patients in a home-like environment in order to prepare them for their return to the community.

Finally, the building, although clean and well maintained, is lacking in the updates aesthetics that both families and residents desire. Collectively, for the aforementioned issues the modernization is being proposed.

2. Projects involving the replacement or modernization of a category of service or facility shall meet or exceed the occupancy standards for the categories of service, as specified in Section 1125.210(c).

The proposed project involves the modernization and expansion of the long-term nursing care category of service, as such, the 77 Illinois Administrative Code, Chapter II of Subchapter b, Section 1125.210(c) sets the target utilization rate at 90 percent. **Applewood Rehabilitation Center**, in the most recent three calendar years for which the State has published data, shows the average utilization at 89.7%, 87.3% and 89.3% respectively for CY2011, CY2012, and CY2013. Refer to **ATTACHMENT-25B** for the State's most recent three years of facility profiles for the Subject facility. It should be known that these occupancy rates are effectively full use rates due to beds not being available for gender, isolation and behavioral issues. Therefore, this project is in compliance with this criterion.

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW Continued i

Criterion 1125.800 Estimated Total Project Cost

The following Sections DO NOT need to be addressed by the applicants or co-applicants responsible for funding or guaranteeing the funding of the project if the applicant has a bond rating of A- or better from Fitch's or Standard and Poor's rating agencies, or A3 or better from Moody's (the rating shall be affirmed within the latest 18 month period prior to the submittal of the application):

- Availability of Funds – Review Criteria
- Financial Viability – Review Criteria
- Economic Feasibility – Review Criteria, subsection (a)

Availability of Funds

The applicant shall document that financial resources shall be available and be equal to or exceed the estimated total project cost plus any related project costs by providing evidence of sufficient financial resources from the following sources, as applicable: Indicate the dollar amount to be provided from the following sources:

- a. Cash and Securities – statements (e.g., audited financial statements, letters from financial institutions, board resolutions) as to:

The cash and securities that will be used to fund the project are coming out of the facility's existing cash and the cash generated through ongoing operations. Appended as **ATTACHMENT-27A** are copies of the Owner's and Operator's projected and historical financial statements for the most current three years and through the first full year at target utilization.

- d. Debt – a statement of the estimated terms and conditions (including the debt time period, variable or permanent interest rates over the debt time period, and the anticipated repayment schedule) for any interim and for the permanent financing proposed to fund the project, including:

3. For mortgages, a letter from the prospective lender attesting to the expectation of making the loan in the amount and time indicated, including the anticipated interest rate and any conditions associated with the mortgage, such as, but not limited to, adjustable interest rates, balloon payments, etc.;

ATTACHMENT-27

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW Continued ii

Appended as **ATTACHMENT-27B**, is a letter from The PrivateBank's Bluma Broner, Managing Director and Patrick Malone, Officer, providing the financing commitment with terms and conditions.

Appended as **ATTACHMENT-27C** is also a letter from The PrivateBank's Michael Monticello, Managing Director and Patrick Malone, Officer describing this long-standing history that The PrivateBank has with Applewood Rehabilitation Center and its strong intent to provide the project's financing. It should be known that The PrivateBank is the existing Mortgage holder for the facility.

**To the Members
Applewood Rehabilitation Center, LLC**

Independent Accountant's Review Report

We have reviewed the accompanying balance sheet of Applewood Rehabilitation Center, LLC (the "Company") (an Illinois Limited Liability Company) as of December 31, 2011, and the related statements of operations and cash flows for the initial period March 1, 2011 through December 31, 2011. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, with the exception of the matter described below, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

As more fully described in Note (3), accounting principles general accepted in the United States of America require that rent be recorded to expense on a straight-line basis over the life of the lease. The Company has recorded rent expense in accordance with the terms of the lease.

Our review was made primarily for the purpose of expressing a conclusion that there are no material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. The supplementary information included in the accompanying schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has not been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, but has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information, and accordingly, we do not express an opinion or provide any assurance on such supplementary information.

Frost, Rittenberg & Rothblatt, P.C.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (1) Nature of Operations and Summary of Significant Accounting Policies

A. Nature of Operations

Applewood Rehabilitation Center, LLC (the "Company") is an Illinois Limited Liability Company which operates a Long-Term Care facility located in Matteson, Illinois and is licensed by the Illinois Department of Public Health (IDPH) to operate 115 beds licensed for skilled nursing care. In addition, the Company has been certified by the Centers for Medicare and Medicaid Services (CMS) for 115 Medicare beds. The annual inspection for the Medicare beds is performed by the Illinois Department of Public Health (IDPH).

The Company was formed and began operations on March 1, 2011.

B. Form of Organization

The Company is a Limited Liability Company ("LLC"), which is governed by an Operating Agreement ("Agreement") and is managed by its owners ("Members"). The more significant provisions of the Agreement include:

Profit and Loss and cash distributions are in accordance with ownership,
There is a single class of Member,
The LLC is perpetual until an occurrence of a qualifying event.

C. Property and Equipment

Property and equipment are carried at cost. Depreciation is provided using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Leasehold improvements	20-40
Furniture, fixtures and equipment	10
Computer equipment	10

The Company reviews the recoverability of long-lived assets when circumstances dictate that the carrying amount may not be recoverable. The carrying amount of assets held and used is generally not recoverable if it exceeds the undiscounted sum of cash flows expected to result from the use and eventual disposition of the asset, or for assets held for sale if it exceeds market value. If the Company identifies impairment for long-lived assets to be held and used, the Company compares the assets' current carrying value to the assets' fair value. Fair value is based on current market values or discounted future cash flows. The Company records impairment when the carrying value exceeds fair value. There were no impairment indicators during the initial period from March 1, 2011 to December 31, 2011.

The Company has made expenditures of \$45,083 toward a potential facility renovation project. As of December 31, 2011, the Company has not made any commitments toward future construction.

See Independent Accountant's Review Report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (1) Nature of Operations and Summary of Significant Accounting Policies - Continued

D. Income Taxes

The Company has elected to be taxed as a Limited Liability Company. Under those provisions, the Company does not pay federal income taxes on its taxable income. Instead, the Members are liable for individual income taxes on their respective share of the Company's taxable income. The Company is liable for state replacement taxes and has net operating loss carryforwards of approximately \$2,229,000 that will be expiring on December 31, 2023. The tax returns of the Company are filed on the cash basis of accounting.

Deferred taxes are provided for based on the cumulative timing differences between income reported on the financial statements and the tax return. These differences relate primarily to the differences between the accrual and cash methods of recording revenues and expenses.

The Company accounts for any potential interest or penalties related to the possible future liabilities for unrecognized income tax benefits as interest/other expense.

E. Cash Flows

The Company considers cash equivalents to be all highly liquid investments with a maturity of three months or less when purchased.

Cash flows from operating activities reflect cash payments for interest of \$33,169 for the initial period from March 1, 2011 to December 31, 2011.

F. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. While actual results may differ from those estimates, management does not expect the differences, if any, to have a material effect on the financial statements.

G. Cash Balances in Excess of Insured Amounts

The Company maintains its cash in accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses due to these limits.

See Independent Accountant's Review Report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (1) Nature of Operations and Summary of Significant Accounting Policies - Continued

H. Advertising

The Company expenses advertising as incurred. Advertising expense was \$5,611 for the initial period from March 1, 2011 to December 31, 2011.

I. Subsequent Events

The Company evaluated all significant events or transactions that occurred through March 27, 2012, the date the financial statements were available to be issued. During this period, the Company did not have any material recognizable subsequent events.

See Independent Accountant's Review Report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (2) Revenue Recognition

Revenue and the related accounts receivable is recognized for each day a resident resides in the facility. The amounts are based on a reimbursement methodology determined by the rules and regulations of the applicable third-party payor or by the facility for private pay residents. The third-party payor rules and regulations and required record keeping and documentation requirements are complex and noncompliance may result in delay, adjustment or loss of revenue.

The majority of the Company's revenue is based on the rules of the following third-party payors:

Healthcare and Family Services (HFS) - the Medicaid Program - A daily rate is established utilizing three components - capital, support and nursing services. The Company's daily rate ranged from \$125.74 to \$154.72 during the initial period from March 1, 2011 through December 30, 2011. The capital and support rates are based on the annual cost report filings in accordance with HFS policy. The nursing component of the rate is determined by resident clinical documentation that is derived using mandated software and may increase or decrease on a quarterly basis. Amounts billed under the Medicaid program can take 60 to 120 days or more for collection. The amounts paid are subject to audit and are reviewed on a retroactive basis.

Centers for Medicare and Medicaid Services (CMS) - The Medicare program uses a Prospective Payment System (PPS) which is based upon the RUGS (Resource Utilization Groups) IV System. The RUG category, and therefore the amount of revenue, is determined by resident clinical documentation and level of care information that is derived using mandated software. The amounts paid are subject to post payment medical review and may be adjusted retroactively normally for a period of one to two years. Each RUG category is assigned a geographically adjusted federal reimbursement rate.

As a result of a law signed by Governor Quinn during February, 2011 and subsequently approved by CMS in early January, 2012 and retroactive to May, 2011, the Company has recorded a receivable and corresponding revenue for a retroactive Medicaid rate increase in the amount of \$524,000 and a payable and corresponding expense for a provider tax increase retroactive to May, 2011 in the amount of \$129,000, which results in a net increase in net income and members' equity of \$395,000. Any adjustment to this retroactive rate increase and provider tax increase will be reflected in the future periods' financial statements.

Estimates are made to provide for uncollectible amounts billed and for adjustments made by the above third-party payor, however, those estimates are subject to revision and the resulting change, shown as revision of prior accounting estimates on the Statement of Operations, may be significant. As of December 31, 2011, the Company has established a \$14,000 allowance for uncollectible accounts.

See Independent Accountant's Review Report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (3) Lease

The Company leases its facility from Applewood Property, LLC., a related entity. The lease expires on February 28, 2021. Under terms of the lease, the Company is required to pay base rent plus real estate taxes and property insurance. The monthly rent payment was \$47,222 for the initial period from March 1, 2011 to December 31, 2011, with annual increases occurring on March 1. The Company also made payments for real estate taxes totaling \$265,000 during the initial period from March 1, 2011 to December 31, 2011.

The approximate future minimum lease payments including real estate taxes are as follows:

2012	\$ 910,897
2013	942,378
2014	973,859
2015	1,005,341
2016	1,036,822
Thereafter	4,646,272
Total	\$ 9,515,569

Accounting principles generally accepted in the United States of America require that rent be recorded to expense on a straight-line basis over the life of the lease. Since lease commencement, the Company has recorded rent expense in accordance with the terms of the lease. If rent was recorded on a straight-line basis at December 31, 2011, liabilities would have increased by \$117,180 and member's equity would have decreased by \$117,180. Net income for the year ended December 31, 2011 would be decreased by \$117,180.

Note (4) Other Deposit

The Company advanced funds to an affiliated entity for an option to purchase the facility.

Note (5) Related Party Transactions

During the initial period from March 1, 2011 to December 31, 2011, the Company incurred costs of approximately \$558,000 from related entities for various operating expenses, administrative expenses, and consulting fees of \$297,734, which has been accrued at December 31, 2011.

An affiliate of the lessor has a minority interest in the Company.

See Independent Accountant's Review Report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2011

Note (6) Employee Benefit Plan

The Company participates in a Voluntary Employee Benefit Association (VEBA) to provide health insurance coverage for eligible employees. The VEBA provides coverage for numerous related entities through a combination of various options, which include limited self-funding and "stop-gap" insurance. Contributions to the Plan are at the discretion of the Board of Directors, provided that the contributions provide the VEBA with sufficient funds to meet its obligations. Contributions to the VEBA could vary significantly and the results of such variations could be material.

Note (7) Line of Credit

The Company has a \$2,400,000 revolving line of credit with Lake Forest Bank and Trust Company. The line of credit bears interest at prime (3.25% as of December 31, 2011), subject to a minimum rate of 5.5%. The line of credit matures on July 1, 2012 and is secured by substantially all assets of the Company with personal guarantees by certain members. The Company also is required to meet certain financial covenants. The Company had \$1,725,000 of borrowings outstanding at December 31, 2011.

See Independent Accountant's Review Report.

Independent Accountant's Review Report

We have reviewed the accompanying balance sheet of Applewood Rehabilitation Center, LLC (the "Company") (an Illinois Limited Liability Company) as of December 31, 2012, and the related statements of operations and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, with the exception of the matter described below, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

As more fully described in Note (3), accounting principles general accepted in the United States of America require that rent be recorded to expense on a straight-line basis over the life of the lease. The Company has recorded rent expense in accordance with the terms of the lease.

Our review was made primarily for the purpose of expressing a conclusion that there are no material modifications that should be made to the financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. The supplementary information included in the accompanying schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has not been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, but has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information, and accordingly, we do not express an opinion or provide any assurance on such supplementary information.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (1) Nature of Operations and Summary of Significant Accounting Policies

A. Nature of Operations

Applewood Rehabilitation Center, LLC (the "Company") is an Illinois Limited Liability Company which operates a Long-Term Care facility located in Matteson, Illinois and is licensed by the Illinois Department of Public Health (IDPH) to operate 115 beds licensed for skilled nursing care. In addition, the Company has been certified by the Centers for Medicare and Medicaid Services (CMS) for 115 Medicare beds. The annual inspection for the Medicare beds is performed by the Illinois Department of Public Health (IDPH).

B. Form of Organization

The Company is a Limited Liability Company ("LLC"), which is governed by an Operating Agreement ("Agreement") and is managed by its owners ("Members"). The more significant provisions of the Agreement include:

Profit and Loss and cash distributions are in accordance with ownership,
There is a single class of Member,
The LLC is perpetual until an occurrence of a qualifying event.

C. Property and Equipment

Property and equipment are carried at cost. Depreciation is provided using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Leasehold improvements	20-40
Furniture, fixtures and equipment	10
Computer equipment	10

The Company reviews the recoverability of long-lived assets when circumstances dictate that the carrying amount may not be recoverable. The carrying amount of assets held and used is generally not recoverable if it exceeds the undiscounted sum of cash flows expected to result from the use and eventual disposition of the asset, or for assets held for sale if it exceeds market value. If the Company identifies impairment for long-lived assets to be held and used, the Company compares the assets' current carrying value to the assets' fair value. Fair value is based on current market values or discounted future cash flows. The Company records impairment when the carrying value exceeds fair value. There were no impairment indicators during the year ended December 31, 2012.

The Company has made expenditures of \$49,352 toward a potential facility renovation project. As of December 31, 2012, the Company has not made any commitments toward future construction.

See independent accountant's review report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (1) Nature of Operations and Summary of Significant Accounting Policies - Continued

D. Income Taxes

The Company has elected to be taxed as a Limited Liability Company. Under those provisions, the Company does not pay federal income taxes on its taxable income. Instead, the Members are liable for individual income taxes on their respective share of the Company's taxable income. The Company is liable for state replacement taxes and has net operating loss carryforwards of approximately \$239,000 that will be expiring on December 31, 2023. The tax returns of the Company are filed on the cash basis of accounting.

Deferred taxes are provided for based on the cumulative timing differences between income reported on the financial statements and the tax return. These differences relate primarily to the differences between the accrual and cash methods of recording revenues and expenses.

The Company accounts for any potential interest or penalties related to the possible future liabilities for unrecognized income tax benefits as interest/other expense.

E. Revision of Prior Accounting Estimates

Revision of prior accounting estimates consists primarily of prior years' revenues and expenses, which for financial statement purposes have been segregated to present more meaningful "Per Resident Day" amounts.

F. Cash Flows

The Company considers cash equivalents to be all highly liquid investments with a maturity of three months or less when purchased.

Cash flows from operating activities reflect cash payments for interest of \$26,180 for the year ended December 31, 2012.

G. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. While actual results may differ from those estimates, management does not expect the differences, if any, to have a material effect on the financial statements.

See independent accountant's review report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (1) Nature of Operations and Summary of Significant Accounting Policies - Continued

H. Cash Balances in Excess of Insured Amounts

The Company maintains its cash in accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses due to these limits.

I. Advertising

The Company expenses advertising as incurred. Advertising expense was \$4,861 for the year ended December 31, 2012.

J. Subsequent Events

The Company evaluated all significant events or transactions that occurred through March 27, 2013, the date the financial statements were available to be issued. During this period, the Company did not have any material recognizable subsequent events.

See independent accountant's review report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (2) - Revenue Recognition

Revenue and the related accounts receivable is recognized for each day a resident resides in the facility. The amounts are based on a reimbursement methodology determined by the rules and regulations of the applicable third-party payor or by the facility for private pay residents. The third-party payor rules and regulations and required record keeping and documentation requirements are complex and noncompliance may result in delay, adjustment or loss of revenue.

The majority of the Company's revenue is based on the rules of the following third-party payors:

Healthcare and Family Services (HFS) - the Medicaid Program - A daily rate is established utilizing three components - capital, support and nursing services. The Company's daily rate ranged from \$151.47 to \$154.69 during the year ended December 31, 2012. The capital and support rates are based on the annual cost report filings in accordance with HFS policy. The nursing component of the rate is determined by resident clinical documentation that is derived using mandated software and may increase or decrease on a quarterly basis. Amounts billed under the Medicaid program can take 60 to 120 days or more for collection. The amounts paid are subject to audit and are reviewed on a retroactive basis.

Centers for Medicare and Medicaid Services (CMS) - The Medicare program uses a Prospective Payment System (PPS) which is based upon the RUGS (Resource Utilization Groups) IV System. The RUG category, and therefore the amount of revenue, is determined by resident clinical documentation and level of care information that is derived using mandated software. The amounts paid are subject to post payment medical review and may be adjusted retroactively normally for a period of one to two years. Each RUG category is assigned a geographically adjusted federal reimbursement rate.

Estimates are made to provide for uncollectible amounts billed and for adjustments made by the above third-party payors, however, those estimates are subject to revision and the resulting change, shown as revision of prior accounting estimates on the Statement of Operations, may be significant. As of December 31, 2012, the Company has established a \$110,000 allowance for uncollectible accounts.

See independent accountant's review report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (3) Lease

The Company leases its facility from Applewood Property, L.L.C., a related entity. The lease expires on February 28, 2021. Under terms of the lease, the Company is required to pay base rent plus real estate taxes and property insurance. The monthly rent payment was \$49,845 at December 31, 2012, with annual increases occurring on March 1. The Company also made payments for real estate taxes totaling \$318,000 during the year ended December 31, 2012.

The approximate future minimum lease payments including real estate taxes are as follows:

2013	\$ 942,378
2014	973,859
2015	1,005,341
2016	1,036,822
2017	1,068,303
Thereafter	3,577,969
Total	<u>\$ 8,604,672</u>

Accounting principles generally accepted in the United States of America require that rent be recorded to expense on a straight-line basis over the life of the lease. Since lease commencement, the Company has recorded rent expense in accordance with the terms of the lease. If rent was recorded on a straight-line basis at December 31, 2012, liabilities would have increased by \$231,562 and member's equity would have decreased by \$231,562. Net income for the year ended December 31, 2012 would be decreased by \$114,382.

Note (4) Other Deposit

The Company advanced funds to an affiliated entity for an option to purchase the facility.

Note (5) Related Party Transactions

During the year ended December 31, 2012, the Company incurred costs of approximately \$653,000 from related entities for various operating expenses, administrative expenses, and consulting fees of \$350,461 (which has been accrued in addition to 2011's unpaid portion for a total accrual of \$358,195 at December 31, 2012.)

See independent accountant's review report.

Applewood Rehabilitation Center, LLC
Notes to Financial Statements
December 31, 2012

Note (6) Employee Benefit Plan

A. Health and Welfare Plan

Through May 31, 2012, the Company participated in a Voluntary Employee Benefit Association (VEBA) to provide health insurance coverage for eligible employees. Contributions to the Plan were at the discretion of the Board of Directors, provided that the contributions provide the VEBA with sufficient funds to meet its obligations. Effective June 1, 2012, the Company withdrew from the VEBA.

Simultaneously, the Company together with other related entities, created its own partially self insured program. Management believes that premiums paid for the initial period ended December 31, 2012 are sufficient to cover any incurred but unreported claims of the new plan which have not been determined as of the date of this report.

B. Incentive Savings Plan

The Company has a 401(k) Plan covering eligible employees, which allows employee contributions under a deferred salary arrangement as described in Section 401(k) of the Internal Revenue Code. The Company paid \$4,392 in matching contributions to the Plan during 2012.

Note (7) Line of Credit

The Company has a \$2,400,000 revolving line of credit with Lake Forest Bank and Trust Company, which matures on October 1, 2013. The note is secured by substantially all assets of the Company and is guaranteed by certain shareholders. The note bears interest at prime (3.25% as of December 31, 2012), subject to a minimum rate of 5.00%. As of December 31, 2012, total borrowings outstanding on the line of credit were \$200,000. The line of credit requires the Company to meet certain financial covenants including a debt service coverage ratio.

See independent accountant's review report.

To The Managers and Members
Applewood Rehabilitation Center, LLC
21020 Kostner Avenue
Matteson, IL 60443

Gentlemen:

The accompanying Balance Sheet of Rock Island Nursing & Rehab Center as of December 31, 2013 and the related statements of income and expense for the periods then ended have been prepared by management who is responsible for their integrity and objectivity. These statements have not been compiled, reviewed or audited by outside accountants

Applewood Rehabilitation Center, LLC maintains an internal control structure designed to provide reasonable assurance that assets are safeguarded and that transactions are properly executed, recorded and summarized to produce reliable records and reports.

To the best of management's knowledge and belief, the statements and related information were prepared in conformity with generally accepted accounting principles, and are based on recorded transactions and management's best estimates and judgements.

Respectfully submitted,

THOMAS WINTER, C.P.A.
Chief Financial Officer

APPLEWOOD REHABILITATION CENTER, LLC
SELECTED DISCLOSURES
DECEMBER 31, 2013

(1) Summary of Significant Accounting Policies

- A. Applewood Rehabilitation Center, LLC is an Illinois Limited Liability Company in the Long Term Care industry. The majority of its revenue is received from the Illinois Department of Public Aid and Medicare (CMS) based upon the cost structure and the level of care provided each resident.
- B. The cost of property and equipment is depreciated over the estimated useful lives of the assets using various different methods for both financial reporting and income tax purposes.
- C. Prior Period Adjustments, consist primarily of revisions to prior year's billing amounts, which for financial statement presentation purposes have been segregated from income to present more meaningful "Per Patient Day" amounts.

- (2) The facility operated by Applewood Rehabilitation Center is leased from Applewood Property, LLC, a related party. The lease requires base rent be paid in equal installments of \$47,222 per month effective March, 2011 with annual increases during the 10 year term which expires 2/28/2021. The annual 2012 Real Estate Taxes paid in 2013 were \$342,196.

- (3) Applewood is licensed for 115 beds. The facility IDPA daily reimbursement rate is \$151.47 effective July 1, 2012. Effective July 1, 2011 IDPA began charging a Provider Assessment Fee of \$6.07 per non-Medicare Resident Bed.

- (4) During May 2011, the Company entered into a line of credit arrangement with Lake Forest Bank & Trust in which the assets of the Company including Accounts Receivable, are used to collateralize a line of credit. The note has a \$2,200,000 maximum, bears interest at prime (with a 5% floor) and matures in October 2014.

(5) Prior Year Adjustments consist of:	<u>Year-To-Date</u>	<u>Qtr-To-Date</u>
Prior Year Adjustments:		
Billing Adjustments & Expenses	\$ (27,666)	\$ 4,291
Ancillary Expense Adjustments	4,577	4,577
Group Health Insurance	891	0
Total	<u>\$ (22,198)</u>	<u>\$ 8,868</u>
Prior Quarter Adjustments:		
Billing Adjustments		<u>\$ 0</u>

(6) Property and Equipment acquisitions consist of:	<u>Year-To-Date</u>
Leasehold Improvements	\$ 35,576
Furniture & Equipment	100,590
Deposit on Fixed Assets	0
Construction Project Costs	190,828
Total	<u>\$ 326,994</u>

Re: Applewood Property, LLC (SIR Management)

Dear Mr. Barrish:

I have reviewed your financing request for a new addition to the Applewood Rehabilitation Center located in Matteson, Illinois. This is a project that The PrivateBank ("Lender") would be very interested in pursuing with you. This letter does not set forth all the terms and conditions of a future credit facility but rather is only an outline, in summary format, of the major points of understanding which will begin to form the basis of a credit facility.

SUMMARY OF TERMS AND CONDITIONS

Borrowers:	Applewood Property, LLC
Guarantors:	Eric Rothner \$5.0mln Limited Guarantee
Lender / Bank:	The PrivateBank and Trust Company
Construction Loan Credit Facility:	Lessor of \$9.0mln AND 75% as stabilized value in the form of a construction loan to finance the construction build out of a 115 bed facility to 154 beds in Matteson, IL.
Purpose:	To finance the build out construction and mini-permanent mortgage of the 159-bed Skilled Nursing Facility commonly known as Applewood Rehabilitation Center.
Maturity:	Interest only from closing through construction. The construction loan draw period will carry a term of 18-months. The mini-perm mortgage loan will carry a term of 42-months. The total term of the loan will be 60-months from closing.
Interest Rates:	One (1) Month LIBOR + 450 bps floating with a 50 bps LIBOR Floor.

Repayment: The CL Credit Facility will be interest only through the construction period (estimated to be 18 months). Upon conversion to the mini-permanent mortgage, the CL Credit Facility shall be amortized based upon a 25-year mortgage amortization with principal plus interest due monthly. Monthly principal based on proposed terms estimated at \$16,000.

Commitment Fee: 100 bps of final commitment amount.

Prepayment: The CL Borrowers may prepay amounts outstanding under in whole or in part (in minimum amounts to be agreed upon), with prior notice, subject to the provision below. The CL Credit Facility shall be subject to a prepayment penalty on the outstanding principal balance of the loan shall be as follows:

Year 1:	3.00% of the credit facility
Year 2:	3.00% of the credit facility
Year 3:	2.00% of the credit facility
Year 4:	1.00% of the credit facility
Year 5:	0.00% of the credit facility

Security: The CL Facility including any interest rate hedging, will be secured by a valid and perfected, first priority security interest in and lien upon substantially all of the tangible and intangible assets (real and personal) of the CL Borrowers whether now owned or hereafter acquired, including but not limited to cash, inventory, accounts receivable, leasehold improvements, equipment and specifically the first mortgage and assignments of rents and leases. The Borrowers shall provide a pledge of membership interests (It is assumed that mezzanine lender will request pledge of membership interests).

The total loan amount shall not exceed the lesser of 75% of the stabilized value reflected in the appraisal or \$9,000,000.

**Construction
Draws:**

The CL Credit Facility shall be processed through a title company. Monthly draws, with all supporting documents (invoices and lien waivers) attached with each draw request.

An inspecting architect engaged by the Bank will be required to review the initial construction budget, architectural drawings, zoning approvals, and specifications of the project. Thereafter, the inspecting architect will review the monthly draws and construction project on a monthly basis. Costs associated with inspecting architect shall be paid by the CL Borrower.

Initial Conditions: The closing of the CL Credit Facility will be subject to customary closing conditions, all in form and substance satisfactory to the Lender.

1. Operating accounts (main collection accounts) continue to be held at The PrivateBank for CL Borrower(s).
2. Copy of final construction budget and monthly draw schedule.
3. Zoning, county and city approvals must be in place prior to the first draw.
4. Satisfactory review of documentation showing the transfer of licenses to the new facility.
5. Borrower shall obtain a Guaranteed Maximum Pricing construction contract.

6. Copy of executed GMP construction contract between the CL Borrower and the contractor.
7. A phase I environmental report acceptable in form and content to The Lender. The report shall not indicate any adverse environmental conditions at the subject properties, as determined by The PrivateBank in its sole discretion.
8. The PrivateBank shall have received and approved a FIRREA compliant appraisal from an appraiser engaged by the Bank, with a loan-to-value ratio on a "stabilized value" not to exceed the higher of 75% or proposed loan amount.

**Financial
Covenants:**

Operating Company (Covenants tested quarterly on a three month ended basis).

1. Minimum quarterly EBITDAR tested after the greater of actual or 5% management fees will be required. The Minimum quarterly EBITDAR requirement will be as follows:
 - \$250thd stepping up to \$375thd after 9 months of construction.
2. Certificate of occupancy must be granted within 45 days of completion of construction.
3. No additional indebtedness without prior Bank consent.

Real Estate Entity (Covenants tested quarterly on an annual basis).

1. Distributions limited to 40% NI
2. Minimum Fixed Charge Coverage ratio of 1.05:1.00. Defined as (EBITDA - CAPEX) / (Principal and Interest of the Real Estate Companies + Taxes + Distributions/Advances).
3. No additional indebtedness without prior bank consent.

**Reporting
Requirements:**

1. Quarterly (monthly during construction) internally prepared financial statements for the Operator to include income statement and balance sheet within 45 days of quarter end (30 days from month end).
2. Annually internally prepared financial statements for the Real Estate Entity to include income statement and balance sheet within 45 days of quarter end.
3. During lease-up of the facility, monthly leasing reports (showing the move-in and move-outs), occupancy and census information shall be required with monthly financials.
4. Annual audited financial statements for the Operator within 120 days from fiscal year end.
5. Quarterly covenant compliance certificates for the Operator and Real Estate Entity within 45 days of quarter end.
6. Annual survey of the facility and any applicable plans of correction, if applicable.
7. Proof of payment of annual real estate taxes.

**Affirmative
Covenants:**

Those affirmative covenants customarily found in credit agreements for transactions of this nature, including without limitation, financial information (including audited annual financial statements with unqualified opinion,

monthly financial statements, monthly compliance certificates and monthly borrowing base certificates), use of proceeds, tax shelter registration, deposit accounts, corporate existence, employee plans, notice of default, environmental matters, litigation, payment of taxes and obligations, financial projections, compliance with laws, maintenance of property, insurance, inspection and further assurances.

Negative Covenants:

Those negative covenants customarily found in credit agreements for transactions of this nature, including without limitation lines of business, additional indebtedness, liens, guarantees, investments, cancellation of indebtedness, restricted payments, modification of certain agreements and instruments, inconsistent agreements, leases, consolidations, mergers and acquisitions, sale of assets, subsidiary dividends, transactions with affiliates and management fees.

Interest Rate Protection:

Borrowers shall have the ability to execute an interest rate hedge with the Lender for the CL Credit Facility commitment.

Insurance:

The Borrower(s) shall provide proof of commercially reasonable insurance acceptable to the Lender. The Lender shall be reasonably satisfied with the insurance (including, without limitation, property, liability, flood, earthquake and business interruption) to be maintained by the Borrower(s). Such property insurance shall name the Lender as Lender's loss payee and such liability insurance shall name the Lender as additional insured.

Expenses:

The Borrower(s) would reimburse the Bank for all out of pocket expenses incurred by the Bank related to this transaction, which shall include, but would not be limited to, all legal costs, appraisal fees, environmental report fees, title search, etc.

Indemnification:

Upon acceptance of this Term Sheet, the Borrower(s) agree to pay on demand all reasonable out-of-pocket costs and expenses of the Lender (including all field examination and appraisal costs, all reasonable fees and charges of any counsel to the Lender, the reasonable allocable cost of internal legal services of the Lender, all reasonable disbursements of such internal counsel and all court costs and similar legal expenses and any taxes) in connection with the preparation, execution and delivery, of this Term Sheet, whether or not the various credit facilities close.

Governing Law And Forum:

The loan documents will be governed by Illinois law. The Loan Parties will submit to the jurisdiction and venue of the federal and state courts located in Cook County in the State of Illinois and will waive any right to trial by jury.

Confidentiality:

The contents of this letter should not be shared with any third party without the Lender's prior written consent, except for advisors, management and regulatory bodies on a need-to-know basis. Under no circumstances are the terms of this letter to be shared with another lender or potential lender to the Borrower. All persons who are informed of the contents of this letter also need to be informed that such contents are confidential and cannot be disclosed without the Lender's prior written consent.

The terms and conditions discussed herein are non-binding and subject to change upon full underwriting of the loan request. Any future commitment to lend on this project will first be subject to receipt of the required certificate of need, full underwriting and due diligence by Lender and approval by The Private Bank Loan Committee; therefore, the terms and conditions below should not be construed as a binding obligation.

Oral agreements or commitments to loan money, extend credit or to forebear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable, regardless of the legal theory upon which it is based that is in any way related to the credit agreement. To protect you (Borrower(s)) and us (Lender) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

If you have any questions regarding the above, please do not hesitate to call.

October 20, 2014

Applewood Rehabilitation Center
c/o Tom Winter

To whom it may concern:

We have worked with Bryan Barrish and Michael Giannini for over 10 years on a variety of financings. They have been excellent customers, handling all accounts as agreed. In all of the loans, they and their affiliates have provided the equity necessary for a successful transaction.

The Bank would consider providing construction financing for the addition to the Applewood Rehabilitation Center, in Matteson, IL. The request for the construction loan is approximately \$9.0mln. The total would represent no more than 75% as complete / as stabilized value, secured by the subject facility. The contemplated terms include both construction and post construction financing. The underwriting process and due diligence would be done under this pretext.

It is important to note that this is not a commitment and that a commitment would be subject to the successful completion of a thorough due diligence and approval process, including finalization of terms and conditions, formal approval by the Bank's loan committee, and documentation acceptable to the Bank and its counsel in its sole discretion. Any final commitment would also require approval of the Certificate of Need from the Health Facilities and Services Review Board.

Please feel free to contact me as noted below.

Sincerely,

A handwritten signature in black ink, appearing to read "mmonticello".

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW Continued iii

Financial Viability

1. The applicant or co-applicant that is responsible for funding or guaranteeing funding of the project shall provide viability ratios for the latest three years for which **audited financial statements are available and for the first full fiscal year at target utilization, but no more than two years following project completion.** When the applicant's facility does not have facility specific financial statements and the facility is a member of a health care system that has combined or consolidated financial statements, the system's viability ratios shall be provided. If the health care system includes one or more hospitals, the system's viability ratios shall be evaluated for conformance with the applicable hospital standards.

The worksheets for the all viability ratios from both the ownership and operating entities as well as for the entities on a combined basis are appended as **ATTACHMENT-29A**. The corresponding financial statements are previously appended as **ATTACHMENT-27A**.

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW Continued iv

Economic Feasibility

This section is applicable to all projects

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

2. That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A. A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 1.5 times for LTC facilities; or
 - B. Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

Appended as **ATTACHMENT-30A**, is a letter from the owner addressing reasonableness of financing arrangements.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

1. That the selected form of debt financing for the project will be at the lowest net cost available;
2. That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
3. That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

Appended as **ATTACHMENT-30B** is a letter from the owner addressing the conditions of debt financing.

RE: Certificate of Need Application for
Applewood Property, LLC
reasonableness of financing arrangements

Dear Ms. Olson:

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

1. That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
2. That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A. A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 1.5 times for LTC facilities; or
 - B. Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

Respectfully,

David Aronin, Manager

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW Continued v**D. Projected Operating Costs**

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

	2019	
Salaries	\$4,474,000	
Benefits	\$ 912,000	
Supplies	\$ 388,000	
Patient Days @ 90%		50,589
Total/Operating Cost/PT Day	\$5,774,000	\$114.14

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

	2019	
Depreciation	\$327,000	
Interest Expense	\$552,000	
PT Days @ 90%		50,589
Total/Operating Cost/PT Day	\$879,000	\$17.38
