HFSRB Project Number 15-008 (the "Project")
Project Completion Letter

Dear Ms. Avery:

We are pleased to inform the Illinois Health Facilities and Services Review Board that project No. 15-008 has been completed.

The Illinois Department of Public Health provided us a letter dated March 28, 2019 that the facility had been certified and an email notice that the facility was approved for formal occupancy (**See Attached**). This project is compliant with the June 30, 2019 completion date specified in the permit renewal dated January 17, 2019. We are now in the process of gathering the final information to submit the final cost certification numbers with the allotted submission period.

Please contact me with any questions or if you require any further information.

Sincerely,

Thomas Winter
Chief Financial Officer
