- 1) That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
- 2) That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A) A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 2.0 times for hospitals and 1.5 times for all other facilities; or
 - B) Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

- 1) That the selected form of debt financing for the project will be at the lowest net cost available;
- 2) That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
- 3) That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

1. Identify each department or area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

* Include the percentage (%) of space for circulation									

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

Site Ownership

A copy of the proposed Commercial Center Individual Space Lease between 1644 E 53rd LLC and Hyde Park Surgical Center, LLC is attached at ATTACHMENT 2.

1644 E 53RD LLC

COMMERCIAL CENTER INDIVIDUAL SPACE LEASE

This Lease is made and executed on February __, 2015 by and between 1644 E 53rd LLC, herein referred to as **Lessor**, and Hyde Park Surgical Center, LLC herein referred to as **Lessee**.

This Lease is contingent on satisfaction of the following conditions (together, the "**Conditions**"): 1) issuance by the Illinois Health Facilities and Services Review Board of a Certificate of Need for Tenant to operate its business at the Premises (as defined below); and 2) obtaining an executed lease termination agreement (in form and content approved by Lessor) from Hyde Park Surgical Center, LLC (the "**Former Tenant**") for termination of its current lease at the Premises. If both of the Conditions are not satisfied prior to June 9, 2015, the Lessor, may terminate this Lease by written notice to Lessee in which event neither party will have any further obligations under this Lease.

SECTION ONE **DEMISE AND DESCRIPTION OF PREMISES**

Lessor leases to Lessee and Lessee leases and takes from Lessor that certain space, which space is herein referred to as the demised premises situated in the City of Chicago, County of Cook and State of Illinois, the area, location and description of which is more particularly described as **1644 East 53rd Street, Unit 108 East, Chicago, Illinois** consisting of approximately **2,400 square feet** (the "**Premises**"). The Premises are a portion of the building commonly known as 1644 E 53rd Street which is a commercial center ("**Commercial Center**") containing other stores and offices, a parking area, and common facilities for the use and benefit of all tenants of the building.

The term "common facilities" as used herein shall be construed to include those facilities within the Commercial Center for the nonexclusive use of Lessee in common with other authorized users, and shall include, but not be limited to sidewalks, planted areas and open means of ingress and egress.

Lessee acknowledges that Former Tenant currently operates the Foot and Ankle Clinic (the "**Foot Clinic**") in the space adjacent to the Premises that is commonly identified as Unit 108 (the "**Adjacent Space**"). In the event that Former Tenant vacates the Adjacent Space or assigns or subleases the Adjacent Space to a party unrelated to Lessee, Lessor shall have the right to separate the Premises and the Adjacent Space with partitions or a demising wall in which case Lessee will not have any access or control over the Adjacent Space and will not have direct access to 53rd Street. Lessor, at Lessor's cost, will repair any damage that it causes to the Premises as a result of dividing the Premises and the Adjacent Space. Lessor will provide Lessee a right of first offer with respect to the Adjacent Space prior to dividing the Premises and the Adjacent Space. Lessor shall notify Lessee in writing via certified mail of terms for lease of the Adjacent Space and Lessee shall have 14 days to accept in writing via certified mail. If Lessee does not accept Lessor's offer in writing per the previous sentence, then Lessee will have no further rights to the Adjacent Space and Lessor will have the right to divide the space and lease or develop the Adjacent Space in Lessor's sole discretion.

Lessee shall pay as additional rent, its prorated share of any increases in taxes within 130 days of the end of each calendar year. Lessor shall render a statement of the actual taxes incurred during the prior calendar year. All sums due Lessor shall be reflected on the next current billing statement rendered to Lessee by Lessor.

B. USE: Lessee and all those having business with it, will in common with the other tenants and their customers and others having business with them, have the right to use and enjoy the parking area and common facilities for their intended purposes, except that trucks belonging to Lessee shall be admitted to the parking area only upon Lessor's consent and subject to Lessor's rules and regulations hereinafter promulgated. Lessee shall use Lessee's best efforts to require suppliers of Lessee to make all deliveries to the rear of the Premises.

C. PARKING FACILITIES: Lessor reserves the right to rearrange, lease, assign, rent or relocate the parking and common areas. Parking facilities are not for the use of the employees, but only customers of the Commercial Center.

D. GOVERNING REGULATIONS: Lessee will comply and cause its employees and agents to comply with all rules and regulations adopted by Lessor in connection with the use of the parking area and common facilities, and with all supplements thereto and amendments thereof which Lessor may hereafter adopt. All such rules and regulations shall pertain to the safety, care, use and cleanliness of the parking area and common facilities and the preservation of good order therein and thereon. No rules or regulations now in effect or hereafter adopted shall be inconsistent with any provisions of this lease or unreasonably interfere with Lessee's use and enjoyment of the Premises.

All rules and regulations and supplements thereto and amendments thereof which Lessor may adopt shall be in writing and a copy thereof shall be delivered to Lessee.

E. VIOLATIONS OF REGULATIONS: If Lessee shall fail within seven (7) days after receipt of written notice of any violation by Lessee or its employees or agents of any such rules or regulations to cure such violation, such violation shall constitute a default under this lease.

SECTION
FOUR
ASSIGNMENT/SUBLETTING
RESTRICTIONS

Lessor's Consent Required.

A. Without first obtaining Lessor's prior written consent, Lessee shall not sublet all or any portion of the Premises, nor shall Lessee pledge, hypothecate or assign all or any of its interest in this Lease, whether for collateral purposes, by operation of law or otherwise. Any such subletting or assignment shall be referred to as a "Transfer," and the person to whom Lessee's interest is transferred shall be referred to as a "Transferee." For purposes of this Article XV, a Transfer shall include any change in the control of Lessee or any guarantor, if the same is a corporation (other than a corporation listed on a "national securities exchange" as defined in the Securities Exchange Act of 1934), partnership, limited liability company or other similar entity. For purposes of this Article XV, "control" shall mean the possession (directly or indirectly) of the power to direct or cause the direction of management and policies of the Lessee (or the guarantor, as the case may be) whether by ownership of securities or otherwise.

B. If Lessee desires the consent of Lessor to a Transfer, Lessee shall submit to Lessor, at least sixty (60) days prior to the proposed effective date of the Transfer, a written notice which includes such information as Lessor may require about the proposed Transfer and the Transferee. If Lessor does not terminate this Lease, in whole or in part, pursuant to Section 15.1(C), Lessor shall not unreasonably withhold its consent to any assignment or sublease. Lessor shall not be deemed to have unreasonably withheld its consent if, in the judgment of Lessor: (i) the Transferee is of a character, image or reputation which is not in keeping with the standards or criteria used by Lessor in leasing the Retail Development; (ii) the financial condition of the Transferee is such that it may not be able to perform its obligations in connection with this Lease; (iii) the purpose for which the Transferee intends to use the Premises or portion thereof differs in any way from the Permitted Use; (iv) the Transferee is a Lessee of the Development; (v) the Transfer is for less than all of the Premises; or (vi) any other bases which Lessor reasonably deems appropriate. If Lessor wrongfully withholds its consent to any Transfer, Lessee's sole and exclusive remedy therefor shall be to seek specific performance of Lessor's obligation to consent to such Transfer.

C. Lessor shall have the right to terminate this Lease as to that portion of the Premises covered by a Transfer. Lessor may exercise such right to terminate by giving notice to Lessee at any time within thirty (30) days after the date on which Lessee has furnished to Lessor all of the items required under Section 15.1(B) above. If Lessor exercises such right to terminate, Lessor shall be entitled to recover possession of, and Lessee shall surrender such portion of, the Premises (with appropriate demising partitions erected at the expense of Lessee) on the later of (i) the effective date of the proposed Transfer, or (ii) sixty (60) days after the date of Lessor's notice of termination. In the event Lessor exercises such right to terminate, Lessor shall have the right to enter into a lease with the proposed Transferee without incurring any liability to Lessee on account thereof. Notwithstanding anything to the contrary contained in this Lease, in the event Lessor exercise its right to terminate the lease in accordance with this Section, Lessee will have the right to rescind its notice of Transfer within five (5) days after receiving Lessor's notice of termination. In the

event Lessee rescinds its notice of Transfer, the Transfer may not occur and the Lease will remain in full force and effect.

D. Any Transfer by Lessee shall be only for the Permitted Use and for no other use or purpose. In no event shall any Transfer release or relieve Lessee from any of its obligations under this Lease, and any Transferee shall assume Lessee's obligations under this Lease. At least thirty (30) days prior to the effective date of the Transfer, the Transferee shall deliver to Lessor the proposed sublease, assignment and assumption agreement or other instrument evidencing the Transfer, which shall be subject to Lessor's approval, which shall not be unreasonably withheld. In the event of a Transfer (i) in the nature of an assignment, Lessee shall pay as Additional Rent to Lessor all monies and other consideration of every kind whatsoever paid or payable to Lessee for such Transfer and for all property transferred to the Transferee as part of the consideration including, without limitation, non-trade fixtures and other Leasehold Improvements, but excluding Lessee's Property (collectively, all of the foregoing shall be referred to as the "Transfer Consideration"); and (ii) in the nature of a sublease, Lessee shall pay as Additional Rent to Lessor along with the monthly payments of Rent due under this Lease, the Transfer Consideration less the Rent reserved under this Lease as reasonably determined by Lessor.

E. Any Transfer without Lessor's consent shall not be binding upon Lessor, and shall confer no rights upon any third person. Each such unpermitted Transfer shall, without notice or grace period of any kind, constitute a default by Lessee under this Lease. The acceptance by Lessor of the payment of Rent following any Transfer prohibited by this Article XV shall not be deemed to be either a consent by Lessor to any such Transfer or a waiver by Lessor of any remedy of Lessor under this Lease. Consent by Lessor to any one Transfer shall not constitute a waiver of the requirement for consent to any other Transfer. No reference in this Lease to assignees, Concessionaires, sublessees or licensees shall be deemed to be a consent by Lessor to the occupancy of the Premises by any such assignee, Concessionaire, subtenant or licensee. Lessee shall pay Lessor a review fee of \$1,000.00 in connection with any Transfer and shall reimburse Lessor for its reasonable out-of-pocket third party expenses actually incurred in connection with reviewing any proposed Transfer.

SECTION

OCCUPANCY AND ACCEPTANCE OF PREMISES

H. B. INSTALLATION OF EXTERIOR LIGHTING AND FIXTURES: Lessee shall not install any exterior lighting, exterior plumbing facilities, shades or awnings, amplifiers or similar devices, or use any advertising medium which may be heard or experienced outside the Premises such as loudspeakers, phonographs or radio broadcasts without Lessor's prior written consent.

Materials used in repair shall be as nearly like original materials as may then be reasonably procured in regular channels of supply.

Notwithstanding anything to the contrary contained in this Lease, it is understood and agreed by the parties that in the event the Premises, including any improvements, additions or betterments, shall be damaged or destroyed in whole or in part in any manner, and the receipt of any insurance proceeds or other reimbursement for such damage would result in the realization of taxable gain for federal or state purposes, the party hereto to whom such gain would be taxed shall have the right to take any and all action respecting such proceeds or reimbursements as may be necessary or enable such party to comply with any laws or regulations of the appropriate taxing authorities to the end that such gain will not be construed to entitle Lessor to delay the making of any repairs to or restoration of all or any part of the building or improvements in the event of damage or destruction.

for record fully pay and satisfy the same, and shall reimburse Lessor for all loss, damage and expense, including reasonable attorneys' fees which it may suffer or be put to by reason of any such claims of lien, demands, charges, encumbrances or litigation.

In the event Lessee shall fail to pay and fully discharge any claim, mechanic's lien, claims of lien, demand, charge, encumbrance or litigation, or should proceedings be instituted for the foreclosure of any lien or encumbrance, Lessor shall have the right, at its option, at any time after the expiration of such ten (10) day period to pay the same or any portion thereof, with or without the costs and expenses claimed by such claimant, and in making such payment, Lessor shall be the sole judge of the legality thereof. All amounts so paid by Lessor shall be repaid by Lessee to Lessor, on demand.

C. PERSONAL INJURIES; VIOLATION OF LAW: Lessee shall indemnify Lessor and the Premises against any cost, liability or expense arising out of any claims of any person or persons whatsoever by reason of the use or misuse of the Premises, parking area or common facilities by Lessee or any person or persons holding under Lessee, and shall indemnify Lessor against any penalty, damage or charge incurred or imposed by reason of any violation of law or ordinance by Lessee or any person or persons holding under Lessee, against any costs, damage or expense arising out of the death of or injury to any person or persons holding under Lessee.

SECTION NINETEEN **LESSOR'S RIGHT OF INSPECTION**

Lessor shall have access to the Premises, and each part thereof, during Lessee's regular business hours for the purpose of inspecting the same, making repairs and posting notices, which Lessor may deem to be for the protection of Lessor or the Premises.

SECTION TWENTY **DEFAULT**

A. LESSOR'S RIGHT TO REPOSSESS, OPERATE OR RELET: If the rental reserved by this lease or other charges to be paid hereunder by Lessee or any part thereof are not paid when due and shall remain unpaid for a period of five (5) days after notice thereof in writing, or if Lessee shall fail to promptly perform any other covenant, condition or provision by it to be performed hereunder, and such failure shall continue for a period of 30 days after notice in writing specifying the nature of such failure, or if Lessee abandons the Premises, or if Lessee breaches any obligation under this lease by it to be performed which cannot be cured, then, and in any such event, Lessee shall be deemed to be in default and Lessor, without further notice, may at its option re-enter and take possession of the Premises including all improvements thereon and fixtures and equipment located at, in or about the same, and take, operate or relet the same in whole or in part for the account of Lessee at such rental and on such agreement and conditions and to such tenant or tenants as Lessor in good faith may deem proper for a term not exceeding the unexpired period of the full term of this lease. Lessor shall receive all proceeds and rent accruing from such operation or reletting of the Premises or fixtures and

equipment, including reasonable attorneys' fees, commissions and collection fees, and any alterations or repairs reasonably necessary to enable Lessor to operate or relet the Premises or fixtures and equipment, and to the payment of all such amounts as may be due or become payable under the provisions of this lease, and the balance remaining, if any, at the expiration of the full term of this lease or on the sooner termination thereof by written notice of termination given by Lessor to Lessee shall be paid over to the Lessee.

B. REPOSSESSION OR RELETTING NOT A TERMINATION; LESSOR'S RIGHT TO TERMINATION NOT FORFEITED: No re-entry, repossession, operation or reletting of the Premises or of fixtures and equipment shall be construed as an election by Lessor to terminate this lease unless a written notice of such intention is given by Lessor to Lessee, and notwithstanding any such operation or reletting without terminating this lease, Lessor may at any time elect to terminate this lease in the event at such time Lessee remains in default hereunder.

C. LESSEE'S OBLIGATION TO PAY DEFICIENCIES: In the event the proceeds or rentals received by Lessor under the provisions of this section are insufficient to pay all costs and expenses and all amounts due and becoming due hereunder, Lessee shall pay to Lessor on demand such deficiency as may from time to time occur or exist.

D. LESSOR'S RIGHT TO PERFORM LESSEE'S DUTIES AT LESSEE'S COST: Notwithstanding any provision as to notice contained in this lease, if, in the judgment of Lessor, the continuance of any default by Lessee other than for the payment of money for the full period of the notice otherwise provided for will jeopardize the Premises or the rights of Lessor, Lessor may, without notice, elect to perform those acts in respect of which Lessee is in default, at the expense of Lessee, and Lessee shall thereupon reimburse Lessor.

E. LESSOR'S RIGHT TO TERMINATE LEASE: In the event of Lessee's default as stated herein, Lessor may, at its option without further notice, terminate this lease and any and all interest of Lessee hereunder, and may thereupon immediately re-enter and take possession of the Premises.

F. LESSOR'S RIGHT ON TERMINATION TO RECOVER AMOUNT EQUAL TO RENT RESERVED: If this lease is terminated by Lessor by reason of any default by Lessee, Lessor shall be entitled to recover from Lessee at the time of such termination the excess, if any, of the amount of rent reserved in this lease for the balance of the term thereof over the then reasonable rental value of the Premises for the same period. It is agreed that the "reasonable rental value" shall be the amount of rental, which Lessor can obtain as rent for the remaining balance of the term.

G. LESSOR'S REMEDIES CUMULATIVE: Each and all of the remedies given to Lessor in this lease or by law shall be cumulative and the exercise of one right or remedy by Lessor shall not impair its right to exercise any other right or remedy.

H. LESSEE'S WAIVER OF CLAIMS AGAINST LESSOR: Lessee hereby waives all claims or demands for damages that may be caused by Lessor in re-entering and taking possession of the Premises as hereinbefore provided, and all claims or demands for damages which may result from the destruction of or damage to the Premises and all claims or demands for damages or loss of property belonging to Lessee or to any other person, firm or corporation as may be in or on the Premises at the time of such re-entry.

I. LIMITATION OF NOTICE PERIOD BY GOVERNMENTAL ORDER: Notwithstanding any provision as to notice in this Section, if Lessee is required to comply with any governmental regulation or order within a period less than that to which Lessee would otherwise be entitled to notice, Lessee shall not be entitled to notice beyond the period within which such compliance may be required by such regulation or order.

SECTION TWENTY-ONE
EXPENSES OF ENFORCEMENT

Should Lessor incur any expense in enforcing any provision of this lease, Lessee shall pay all expenses so incurred including reasonable attorneys' fees.

SECTION TWENTY-TWO
EFFECT OF BANKRUPTCY

If at any time during the term of this lease there shall be filed by or against Lessee in any court, pursuant to any statute either of the United States or any state, petition in bankruptcy or insolvency, or for reorganization or for the appointment of a receiver or trustee of all or a portion of Lessee's property, or if Lessee makes an assignment for the benefit of creditors, Lessee shall have breached this lease and this lease, at the option of Lessor, exercised after expiration of the period provided below, may be cancelled and terminated provided such petition in bankruptcy or insolvency or for reorganization or for the appointment of a receiver or trustee shall continue for a period of 30 days. In such event, neither Lessee nor any person claiming through or under Lessee by virtue of any statute or of an order of any court shall be entitled to possession or to remain in possession of the Premises, but shall forthwith quit and surrender the Premises.

SECTION TWENTY-THREE
EMINENT DOMAIN

A. OVER CERTAIN PERCENTAGE TAKEN: In the event 33-1/3% or more of the area of the Premises shall be taken for public or quasi-public use, this lease shall terminate as of the date of the actual physical taking and the parties shall thereupon be released from any and all further liability hereunder.

B. LESS THAN CERTAIN PERCENTAGE TAKEN: In the event of a partial taking of less than 33-1/3% of the area of the Premises, Lessor shall, with reasonable diligence, proceed at its own expense to reconstruct or repair the Premises and place the same in a tenantable condition within 30 days after the date of the actual physical taking; provided, however, that if 33-1/3% or more of the area of the Commercial Center as a whole is taken, Lessor alternately may elect to terminate this lease notwithstanding that less than 33-1/3% of the area of the Premises were taken. In the event of such termination, the parties hereto shall be released from any and all further liability under this lease.

C. ABATEMENT OF RENT: During any reconstruction or repairing as hereinabove provided, Lessee shall be required to pay only that proportion of the fixed minimum monthly rental herein reserved as the area of the Premises remaining in a tenantable condition during such reconstruction or repairing bears to the entire area herein leased. On completion of such reconstruction or repairing, the fixed minimum monthly rental herein reserved shall be adjusted in the proportion that the reconstructed Premises bears to the original Premises bears to the original Premises, and thereafter, Lessee shall be required to pay such adjusted fixed minimum monthly rental in accordance with the provisions of this lease.

There shall be no abatement of any rental due until such time as there shall be an actual physical possession of that portion of the Premises taken, and in no event shall there be any change made in the method of computing the percentage rental and there shall be no reduction of percentage rental.

D. RIGHT TO CONDEMNATION AWARD: Any award made in any condemnation proceeding for the taking of any part or all of the Premises shall be the sole property of and be paid to Lessor and Lessee to the extent of Lessee's right to be compensated for fixtures and leasehold improvements. Further, this compensation right shall not affect Lessee's relocation

benefits or its right to damages for loss of goodwill or going concern value.

SECTION TWENTY-FOUR
GOVERNMENTAL INTERFERENCE WITH POSSESSION

Lessee shall not be released from its obligations hereunder should its possession of the Premises be interfered with or affected by reason of the passage or adoption of any law, ordinance, resolution, regulation or act of any legal or governmental authority, or any order of abatement or judgment preventing the use of the Premises made on the ground that the Premises or the business operated there from constitutes a nuisance.

SECTION TWENTY-FIVE
QUIET ENJOYMENT

Lessor hereby covenants and warrants that, subject to any trust deeds or mortgages now of record or hereafter placed on record, it is the owner of the Premises and that Lessee, on payment of rents herein provided for and performance of the provisions hereof on its part to be performed, shall and may peacefully possess and enjoy the Premises during the term hereof without any interruption or disturbance.

SECTION TWENTY-SIX WAIVER OF BREACH

No waiver of any breach or breaches of any provision of this lease shall be construed to be a waiver of any preceding or succeeding breach of such provision or of any other provision hereof.

SECTION TWENTY-SEVEN
TIME OF THE ESSENCE

Time is of the essence of each and every provision hereof.

SECTION TWENTY-EIGHT
HEADINGS FOR CONVENIENCE ONLY

The headings used herein are for convenience and shall not be resorted to for purposes of interpretation or construction hereof.

SECTION TWENTY-NINE
PRONOUNS

Feminine or neuter pronouns shall be substituted for those of masculine form or vice versa, and the plural shall be substituted for the singular number or vice versa in any place or places in which the context may require such substitution or substitutions.

SECTION THIRTY
AMENDMENTS TO BE IN WRITING

This lease may be modified or amended only by a writing duly authorized and executed by both Lessor and Lessee. It may not be amended or modified by oral agreements or understandings between the parties unless the same shall be reduced to writing duly authorized and executed by either Lessor or Lessee.

SECTION THIRTY-ONE
PARTIES BOUND

Each and every provision of this lease shall bind and shall inure to the benefit of the parties hereto and their legal representatives. The term "legal representatives" is used in this lease in its broadest possible meaning and includes, in addition to executors and administrators, every person, partnership, corporation or association succeeding to the interest or to any part of the interest in or to this lease or in or to the premises of either Lessor or Lessee herein, whether such succession results from the act of a party in interest, occurs by operation of the law, or is the effect of the operation of law together with the act of such party. Each and every agreement and condition of this lease by Lessee to be performed shall be binding on all assignees, subtenants, concessionaires and/or licensees of Lessee.

SECTION THIRTY-TWO
HOLDING OVER

No holding over and continuation of any business by Lessee after the expiration of the term shall be considered to be a renewal or extension of this lease unless written approval of such holdover and a definite agreement to such effect is signed by Lessor defining the length of such additional term. Any holdover without the consent of Lessor shall be considered to be a day-to-day tenancy at a rental of two times the daily rate of the fixed minimum monthly rental provided herein computed on the basis of a 30-day month.

SECTION THIRTY-THREE
NOTICES

All notices or demands of any kind which Lessor may be required or may desire to serve on Lessee under the terms of this lease may be served on Lessee as an alternative to personal service by leaving a copy of such demand or notice, or by mailing a copy thereof by registered or certified mail, postage prepaid, addressed to Lessee at the Premises or at such other address or addresses as may from time to time be designated by Lessee in writing to Lessor. Service shall be deemed complete at the time of the leaving of such notice as aforesaid or within five (5) days within mailing of same. Section III
Attachment 12
Criterion 1110.230(b), Purpose of Project

Purpose Statement

The Applicants seek a Certificate of Need from the Illinois Health Facilities & Services Review Board (the "Review Board") to allow the consummation of the proposed Transaction between Hyde Park Surgery Center, LLC (the "Seller") and Hyde Park Surgical Center, LLC (the "Buyer"), whereby the Buyer will acquire the Hyde Park Surgery Center (the "Surgery Center") from the Seller, pursuant to an Asset Purchase Agreement, a copy of which is attached at ATTACHMENT 19. The Buyer intends to maintain and enhance patient access to health care services in the service area through the recruitment of new physicians and increased coordination with other service area healthcare providers following the Transaction.

Supporting Statements & Documentation

1. This Project involves a change of ownership. Thus, the Surgery Center will remain open and continue to provide access to health care.
2. Darrel Saldanha, M.D., is an interventional pain management anesthesiologist. He currently has a thriving pain management practice (Midwest Anesthesia and Pain Specialists, S.C.) with six locations and six pain management physicians.
3. David Saldanha, M.D., is an interventional radiologist. He currently has a thriving interventional radiology practice.
4. If this Project is approved by the Review Board, Darrel Saldanha and David Saldanha intend to treat their own patients and to recruit new physicians to the Surgery Center.
5. If this Project is approved by the Review Board, the Buyer, Darrel Saldanha and David Saldanha intend to make additional capital expenditures at the Surgery Center in the future to meet the equipment needs of their own practices and the practices of the newly recruited physicians.
6. The Surgery Center is currently located in Health Service Area 6. Because this Project involves a change of ownership, the Health Service Area will not change.
7. Thus, this Project will actually improve access to healthcare in the service area.

Section III

Attachment 13

Criterion 1110.230(c), Alternatives to Proposed Project

The Applicants reviewed no less than four other alternatives before electing to file this Certificate of Need. As discussed below, the primary options reviewed included: (i) purchase another surgery center; (ii) purchase less than a controlling interest in the Hyde Park Surgery Center (the "Surgery Center"); (iii) do nothing; or (iv) purchase the Surgery Center and obtain a Certificate of Need. The last option is the only real viable option for the Applicants. Accordingly, it was chosen as the preferred option.

Alternative #1: Purchase Another Surgery Center

The Applicants have been actively searching for a surgery center to purchase in order to treat their own patients in a licensed surgery center setting. Just as importantly, the Surgery Center is well managed, well maintained, has an extensive compliance program and provides quality care to its patients. Darrel Saldanha is currently on the medical staff at the Surgery Center and is personally familiar with the internal working of the Surgery Center and the quality of care provided at the Surgery Center. In addition, the Seller negotiated in good faith and demonstrated a clear desire to facilitate a transaction.

For all of these reasons, the Applicants elected to move forward with the Seller and execute the Asset Purchase Agreement (versus purchasing another surgery center).

Alternative #2: Purchase Less Than a Controlling Interest

The Seller and the Applicants specifically explored a non-controlling interest transaction. For a variety of reasons, that option was rejected by both the Seller and the Applicants. In particular, the Applicants wanted the flexibility to recruit additional physicians to the Surgery Center and offer said physicians ownership interests in the Surgery Center in the future.

Alternative #3: Do Nothing

As was mentioned in Alternative #1, the Applicants have been actively searching for a surgery center to purchase and the Seller was desirous of selling the Surgery Center. If the "do nothing" alternative were chosen, neither the Applicants nor the Seller would have achieved their objectives.

Alternative #4: Purchase the Surgery Center

In the final analysis, and in light of the significant issues expressed in the other alternatives, the Applicants and the Seller elected to execute the Asset Purchase Agreement, thereby facilitating the sale of the Surgery Center to the Applicants.

Section VI
Attachment 19

Criterion 1110.240, Mergers, Consolidations and Acquisitions/Changes of Ownership

Criterion 1110.240(b), Impact Statement

1. Transaction Documents. The executed Asset Purchase Agreement (the "Asset Purchase Agreement") between Hyde Park Surgery Center, LLC (the "Seller") and Hyde Park Surgical Center, LLC (the "Buyer") is attached at ATTACHMENT 19. The Asset Purchase Agreement contains the appropriate contingency language regarding approval by the Review Board. See Sections 13 and 23(F) of the Asset Purchase Agreement ("Buyer and Seller acknowledge and agree that the transactions set forth in this Agreement shall be subject to approval by the IHFSRB.")
2. Services Currently Offered. The Hyde Park Surgery Center (the "Surgery Center") is currently licensed as an ambulatory surgical treatment center with one operating room. Following the Transaction, the Surgery Center will continue to be licensed as a multi-specialty ambulatory surgical treatment center with one operating room.
3. Operating Entity. Hyde Park Surgical Center, LLC will be the operating entity following the Transaction.
4. Reason for Transaction. The Seller has indicated a desire to sell the Surgery Center and the Buyer has indicated a desire to purchase the Surgery Center. The Buyer intends to maintain and enhance patient access to health care services in the service area through the recruitment of new physicians and increased coordination with other service area healthcare providers.
5. Anticipated Additions or Reductions of Employees. No significant additions or reductions in the number of clinical employees at the Surgery Center are anticipated now or for the next two years as a result of the Transaction. All current employees at the Surgery Center will be retained for 60 days following the Transaction.
6. Cost-Benefit Analysis. This is an arms length financial transaction between Hyde Park Surgery Center, LLC and Hyde Park Surgical Center, LLC. Under the terms of the Transaction, Hyde Park Surgical Center, LLC will purchase the Hyde Park Surgery Center from Hyde Park Surgery Center, LLC for \$1,300,000. The Transaction satisfies the desire of Hyde Park Surgery Center, LLC to sell the Hyde Park Surgery Center; as well as satisfying the desire of Hyde Park Surgical Center, LLC to purchase the Hyde Park Surgery Center.

If during the term of this Commitment, the Borrower files or has filed against it a petition for the appointment of a receiver of all or any part of the subject project, or an assignment for the benefit of creditors, or for bankruptcy or insolvency, or for liquidation under the proceedings of any federal or state insolvency law, the Lender may at its option, terminate this commitment by written notice thereof delivered to the Borrower.
4. 5. In the event the Lender is named in any legal action brought against the Borrower and/or the Lender for actions occurring during or after the period of the Loan (other than due to direct acts of the Lender), the Borrower shall indemnify and hold the Lender fully harmless for any and all claims arising out of or resulting from any such claim, and all expenses of the Lender which shall include but not be limited to reasonable attorney's fees. This section shall apply to any and all environmental cause of action that may be brought. This indemnity shall extend to all successor and assigns of the Lender.
6. This Commitment is subject to full compliance with all applicable state and federal laws and regulations, which may govern the Lender and other institutions of like type and to comply with all formal directives of state regulations and rules. In the event that this Commitment must be cancelled due to the action of a government agency the Commitment fee due the Lender, if any, shall be refunded less any reasonable expense incurred by the Lender.
