Re: Project 15-019
Adventist Bolingbrook Hospital Letter of Support

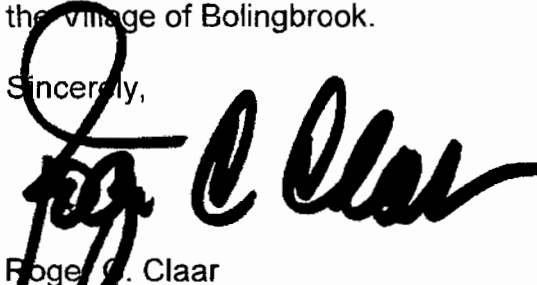

Dear Ms. Avery:

Please accept this letter of support as an absolute endorsement on the part of the Village of Bolingbrook for Adventist Bolingbrook Hospital's plans to provide inpatient psychiatric services.

Bolingbrook is a rapidly growing community that benefits in many ways from having Adventist Bolingbrook Hospital easily accessible to our residents. The hospital, aside from being a major employer, has always been a supporter of our community, and is an active participant in a variety of community endeavors.

Through its plans, the hospital will be expanding the services easily available to Bolingbrook residents, and continuing in its role as an asset to the village of Bolingbrook.

Sincerely,

Roger C. Claar
