Mike,

Thank you for your email noting the mistake in the project completion date and your patience as I learn the ropes of this new responsibility.

The funds for the Bolingbrook Older Adult Behavioral Unit (Project #15-019) were committed 9-29-15. Do you need that information included in the Notice of Project Completion letter or is this email sufficient?

Thank you!

Kim:

we received this correspondence from Mr. Mace and it appears there is an incorrect date on the first line we believe that should be December 30, 2015. Also I need to know the date the project was obligated or the funds were committed for the project. Any questions please call. thank you.
