Re: Project No. 15-026, Vista Medical Center - East

Dear Ms. Avery:

I represent Vista Medical Center – East (Vista) on the above project and am responding to your letter of December 12, 2019 to Mr. Norman Stephens, President and CEO of Vista. This letter is to advise that Vista will be filing a request for a second permit renewal as well as a 2019 annual progress report and plans to have both the renewal request and annual report submitted by the end of next week. Vista regrets having not submitted the renewal request and annual report earlier; a change in personnel resulted in those filing times being inadvertently missed.

Thank you for bringing these matters to our attention and we will be promptly responding.

Very truly yours,

BARNES & THORNBURG LLP
