RE: Alteration to Permit #15-038

Dear Mr. Van Den Heuvel:

The letter you sent dated October 2, 2019 notifying the Illinois Health Facilities and Services Review Board (IHFSRB) of an alteration to Permit #15-038 was received and accepted. Your letter describes a change in the medical surgical units that are to be modernized you considered necessary to report to IHFSRB within 30 days after the alteration, but which do not require the approval of IHFSRB prior to implementation. Your letter stated there would be no increase in the size of the project, the amount of space to be allocated to medical surgical units, or the project cost.

Based on the information you provided, this alteration has been appropriately reported to IHFSRB and do not require State Board approval. This determination is made in accordance with Section 1130.750 c) and d) of IHFSRB rules.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in blue ink that reads "Courtney Avery".
