RE: Notice of Completion - Project # 15-039
Rockford Memorial Hospital – Riverside Boulevard Campus

Dear Ms. Avery,

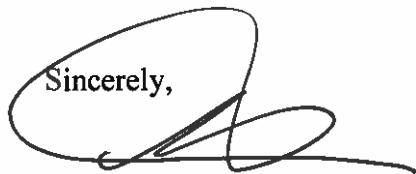

Please accept this document as notice of completion for the above-referenced project.

This project was approved by the State Board on November 18, 2015 and involves the establishment of a new hospital.

The first patient was admitted on Saturday, January 5, 2019.

As noted on our annual report which was submitted in December 2018, the legal name of Rockford Memorial Hospital is now “Javon Bea Hospital,” to honor the accomplishments of Javon R. Bea, Chief Executive Officer of Mercy Health Corporation. The name change was registered with the Illinois Secretary of State on September 27, 2018.

Sincerely,

Paul Van Den Heuvel
Vice President of Legal Affairs and General Counsel
