RE: Support for DaVita HealthCare Partner Inc.'s proposed Park Manor Dialysis facility (Proj. No. 15-048) at the southeast corner of 95th and Colfax Avenue in Chicago

Dear Chair Olson:

Please accept this letter in support of DaVita HealthCare Partners Inc.'s application to establish Park Manor Dialysis, a 16 station dialysis facility to be located at the southeast corner of 95th and Colfax Avenue in Chicago. This new facility will allow residents of my ward access to necessary and critical medical services. We welcome DaVita's significant investment into the community and look forward its impact in our neighborhood.

Should you have any questions, please feel free to contact me to discuss further.

Sincerely,

Alderman Susan Sadlowski Garza
