RE: Permit Renewal for Project #15-049, Huntley Dialysis, Huntley
Permit Holder: Rhodes Dialysis, LLC and DaVita, Inc

Dear Mr. Sheets:

On January 24, 2018, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until August 31, 2018

Should the permit holder determine that it will be unable to complete the project by August 31, 2018, the permit holder may request another permit renewal. The State Board must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions about post permit requirements, please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
