RE: Application for Certificate of Need for Alden Estates- Courts of New Lenox
Cedar Crossing Drive, New Lenox, Illinois
100 bed skilled Rehabilitation and Health Care
40 bed skilled Memory Care Facility

Dear Ms. Avery,

I am writing to support Alden's proposal to develop Alden Estates - Courts of New Lenox, a 100 bed skilled rehabilitation and health care center and Alden Courts of New Lenox a 40 bed skilled memory care facility. I believe there is a tremendous need for this level of care and this development will provide unique and much needed service to our growing community.

With Silver Cross Hospital being adjacent to this location, this development will be a terrific continuum of care for the village. As the population continues to age and grow in and around the New Lenox area, these services are very much needed.

Thank you for giving Alden's certificate of need application every consideration.

Respectfully,

A handwritten signature in black ink, appearing to read "Michael E. Hastings".
