RE: Alden Estates-Courts of New Lenox-Skilled Nursing Facility

Dear Ms. Avery:

It is my understanding that a proposed 140 bed rehabilitation and health care center and a skilled memory care facility, respectively, is coming before the Board for a second time.

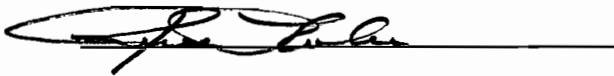

I fully support this development and I strongly urge the Committee to approve this proposal.

These services are needed in New Lenox as our community currently does not have any skilled nursing facility in our town. As such, my mother-in-law had to find a skilled nursing facility services more than 15 miles away. This was a great hardship on me and my family.

I would definitely welcome this much needed addition of a skilled nursing facility in our Community, New Lenox.

Thank you.

Sincerely,
