**Re: Project # 15-060 Establishment of Comprehensive Physical Rehabilitation
Category of Service**

Dear Ms. Olson,

Under the requirements of Section 1130.720, Obligation, please be informed the above referenced project, which was approved by the Illinois Health Facilities and Service Review Board on March 29, 2016, has been obligated. A construction contract in the amount of \$964,800 was signed on June 23, 2016. This amount represents 64% of the total permit project costs, more than the one-third required under this section.

The project's scope, cost, design and services described within our Certificate of Need application are in compliance with that which IHFPB approved on March 29, 2016. Loyola University Health System has the financial resources to meet the obligations under the terms of the contract.

Should you have any questions regarding this project, please contact Armand Andreoni at (708) 216-4600.

Sincerely Yours,

Daniel J. Post
