Re: Project #16-001 - Palos Community Hospital – Establish MOB

Dear Ms Friedman:

Kara I had sent this information request to you by email dated February 18th, 2016. This letter is a follow-up to that request.

1. What clinical services are currently located at the South Campus outpatient complex?
2. Page 5 of the application states "the MOB will contain physician offices and *diagnostic and treatment space* for a variety of medical specialties" I do not know what this refers to. Please explain.
3. The charity care chart has the same number for both charges and cost for charity care. Is this correct?

This project is scheduled to be heard at the March 29, 2016 State Board Meeting to be held in Bolingbrook, Illinois.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Mike Constantino".
