RE: Permit Alteration: Project #16-005, Franciscan St. James Health Olympia Fields – Olympia Fields

Permit Holder: Franciscan Alliance, Inc. D/B/A Franciscan St. James Health - Franciscan Alliance, Inc.

Dear Mr. Kimmel:

On July 8, 2016 the Illinois Health Facilities and Services Review Board/Chairman approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to Increase Project GSF from 416,777 to 424,677 and increase costs from \$114,602,559 to \$121,597,906.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathy Olson".
