RE: Permit Renewal for Project #16-006 – Alden Estates of Bartlett
Permit Holders Alden Bartlett, LLC - Alden Estates of Bartlett, Inc. - Bartlett Investments I, LLC
- The Alden Group, Ltd.

Dear Ms. Schullo:

On December 10, 2019, the Illinois Health Facilities and Services Board approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until December 31, 2021. As a condition of the permit renewal the permit holders are required to submit semi-annual progress reports until such time as the project is completed. The first semi-annual progress report is due June 6, 2020 and every six months from that date until the project is completed.

Should the permit holder determine that it will be unable to complete the project by December 31, 2021; the permit holder may request another renewal of the permit. 77 IAC 1130.740 provides that the State Agency must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

If you should have any questions please contact Mike Constantino or George Roate at 217.782.3516 or Mike.Constantino@illinois.gov or George.Roate@illinois.gov
