SERVICES REVIEW BOARD

RE: Schaumburg Surgery Center (CON Project 16-007)

Dear Ms. Avery:

I am a patient of Barrington Orthopedic Specialists. I received orthopedic care from Dr. Cirrincione at his medical office in Schaumburg, Illinois. Dr. Cirrincione and his staff always provided me with compassionate, individualized orthopedic care. They are always friendly and do their best to find the most convenient location for my care.

I am writing this letter to express my support for the certificate of need application submitted by Schaumburg Surgery Center, an outpatient surgery center that will be owned by Barrington's doctors, including Dr. Cirrincione. I support this project because their treatment for a ruptured tendon was first class in repair and physical therapy. The convenience of the facility and accessibility helped to ease my recovery.

I ask the members of the Illinois Health Facilities and Services Review Board to support the CON application filed by Schaumburg Surgery Center. I believe the project will be beneficial for our community. Thank you, in advance, for your consideration.

Sincerely,

Michael D. Pefley
