DESCRIPTION OF PROJECT

FEB 25 2016

Project Type

[Check one]

[check one]

☒ General Long-term Care ☐ Specialized Long-term Care	☒ Establishment of a new LTC facility ☐ Establishment of new LTC services ☐ Expansion of an existing LTC facility or service ☐ Modernization of an existing facility
---	--

Narrative Description

Provide in the space below, a brief narrative description of the project. Explain **WHAT** is to be done, **NOT WHY** it is being done. If the project site does NOT have a street address, include a legal description of the site. Include the rationale regarding the project's classification as substantive or non-substantive.

Include: the number and type of beds involved; the actions proposed (establishment, expansion and/or modernization); the ESTIMATED total project cost and the funding source(s) for the project.

Transitional Care of Lake County, LLC, Innovative Health, LLC, IH Mundelein Owner, LLC and OnPointe Health Development, LLC (collectively, the "Applicants") seek authority from the Illinois Health Facilities and Services Review Board ("State Board") to establish a 185 bed skilled nursing facility to be located at 850 East U.S. Highway 45, Mundelein, Illinois 60060. The proposed Transitional Care of Lake County will consist of 73,271 GSF of clinical space and 16,729 GSF of non-clinical space for a total of 90,000 GSF.

Until recently, Winchester House was owned and operated by Lake County. Several years ago, Lake County realized the financial impact upon the community of continuing to operate Winchester House was untenable. The issues related, in part, to the overwhelming financial losses, along with the need for constructing an entirely new replacement facility. To evaluate the possible options available to allow for the continued provision of long term care to residents of Lake County, Lake County established the Winchester House Advisory Board (the "Advisory Board"). The Advisory Board recommended Lake County issue a Request for Proposal to solicit proposals from qualified entities in the private sector looking to: (1) enter into a lease to operate Winchester House for a term certain; (2) go through the Certificate of Need process to become the licensee; and (3) pursue regulatory approval for the establishment of a replacement facility by the end of the term of the lease. Lake County selected the Applicants' proposal for the lease and replacement of Winchester House as the most advantageous for Lake County.

The Applicants acknowledge there are no rules or regulations governing the relocation/replacement of skilled nursing facilities, and that such projects are classified as establishments of new health care facilities. The proposed project is the final phase of a three phase plan by Lake County to transfer ownership and operation of Winchester House to a private entity and to replace the existing facility with a modern, state of the art skilled nursing facility. On November 18, 2015, the State Board approved the change of ownership of Winchester House. On December 14, 2015, the transaction closed and the Illinois Department of Public Health ("IDPH") issued a license to Transitional Care of Lake County, LLC effective December 14, 2015 to operate Winchester House. This project proposes the relocation/replacement of Winchester House. If the State Board approves this project, upon the licensure of the proposed Transitional Care of Lake County, Winchester House will be discontinued, and all residents wishing to reside in the new facility will be transferred to the new facility.

Facility/Project Identification

Facility Name: Transitional Care of Lake County			
Street Address: 850 East U.S. Highway 45			
City and Zip Code: Mundelein, IL 60060			
County: Lake	Health Service Area:	Lake County	Health Planning Area: 8

Applicant /Co-Applicant Identification**[Provide for each co-applicant [refer to Part 1130.220].**

Exact Legal Name: Transitional Care of Lake County, LLC
Address: 6400 Shafer Court, Suite 600, Rosemont, Illinois 60018
Name of Registered Agent: Steven L. Baerson
Name of Chief Executive Officer: Brian Cloch
CEO Address: 6400 Shafer Court, Suite 600, Rosemont, Illinois 60018
Telephone Number:

Type of Ownership (Applicant/Co-Applicants)

☐ Non-profit Corporation	☐ Partnership
☐ For-profit Corporation	☐ Governmental
☒ Limited Liability Company	☐ Sole Proprietorship
☐ Other	

- o Corporations and limited liability companies must provide an **Illinois certificate of good standing**.
- o Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner.

Site Ownership

[Provide this information for each applicable site]

Exact Legal Name of Site Owner: IH Mundelein Owner, LLC
Address of Site Owner 6400 Shafer Court, Suite 600, Rosemont, Illinois 60018
Street Address or Legal Description of Site: 850 East U.S. Highway 45, Mundelein, IL 60060 See Attachment – 2A for Legal Description of the Site
Proof of ownership or control of the site is to be provided as . Examples of proof of ownership are property tax statement, tax assessor's documentation, deed, notarized statement of the corporation attesting to ownership, an option to lease, a letter of intent to lease or a lease.
APPEND DOCUMENTATION AS ATTACHMENT-2, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Operating Identity/Licensee

[Provide this information for each applicable facility, and insert after this page.]

Exact Legal Name: Transitional Care of Lake County, LLC	
Address: 6400 Shafer Court, Suite 600, Rosemont, IL 60018	
☐ Non-profit Corporation ☐ For-profit Corporation ☒ Limited Liability Company	☐ Partnership ☐ Governmental ☐ Sole Proprietorship
☐ Other	
- Corporations and limited liability companies must provide an Illinois Certificate of Good Standing. - Partnerships must provide the name of the state in which organized and the name and address of each partner specifying whether each is a general or limited partner. Persons with 5 percent or greater interest in the licensee must be identified with the % of ownership.	
APPEND DOCUMENTATION AS ATTACHMENT-3, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.	

Organizational Relationships

Provide (for each co-applicant) an organizational chart containing the name and relationship of any person or entity who is related (as defined in Part 1130.140). If the related person or entity is participating in the development or funding of the project, describe the interest and the amount and type of any financial contribution.

APPEND DOCUMENTATION AS ATTACHMENT-4, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Flood Plain Requirements

[Refer to application instructions.]

Provide documentation that the project complies with the requirements of Illinois Executive Order #2005-5 pertaining to construction activities in special flood hazard areas. As part of the flood plain requirements please provide a map of the proposed project location showing any identified floodplain areas. Floodplain maps can be printed at www.FEMA.gov or www.illinoisfloodmaps.org. **This map must be in a readable format.** In addition please provide a statement attesting that the project complies with the requirements of Illinois Executive Order #2005-5 (<http://www.hfsrb.illinois.gov>).

APPEND DOCUMENTATION AS **ATTACHMENT-5**, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Historic Resources Preservation Act Requirements

[Refer to application instructions.]

Provide documentation regarding compliance with the requirements of the Historic Resources Preservation Act.

APPEND DOCUMENTATION AS **ATTACHMENT-6**, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

State Agency Submittals NOT APPLICABLE

The following submittals are up- to- date, as applicable:

- ☐ All formal document requests such as IDPH Questionnaires and Annual Bed Reports been submitted
- ☐ All reports regarding outstanding permits

If the applicant fails to submit updated information for the requirements listed above, the application for permit will be deemed incomplete.

CERTIFICATION

The application must be signed by the authorized representative(s) of the applicant entity. The authorized representative(s) are:

- in the case of a corporation, any two of its officers or members of its Board of Directors;
- in the case of a limited liability company, any two of its managers or members (or the sole manager or member when two or more managers or members do not exist);
- in the case of a partnership, two of its general partners (or the sole general partner, when two or more general partners do not exist);
- in the case of estates and trusts, two of its beneficiaries (or the sole beneficiary when two or more beneficiaries do not exist); and
- in the case of a sole proprietor, the individual that is the proprietor.

This Application for Permit is filed on the behalf of Transitional Care of Lake County, LLC * in accordance with the requirements and procedures of the Illinois Health Facilities Planning Act. The undersigned certifies that he or she has the authority to execute and file this application for permit on behalf of the applicant entity. The undersigned further certifies that the data and information provided herein, and appended hereto, are complete and correct to the best of his or her knowledge and belief. The undersigned also certifies that the permit application fee required for this application is sent herewith or will be paid upon request.

SECTION II – PURPOSE OF THE PROJECT, AND ALTERNATIVES – INFORMATION REQUIREMENTS

This Section is applicable to ALL projects.

Criterion 1125.320 – Purpose of the Project

READ THE REVIEW CRITERION and provide the following required information:

PURPOSE OF PROJECT

1. Document that the project will provide health services that improve the health care or well-being of the market area population to be served.
2. Define the planning area or market area, or other, per the applicant's definition.
3. Identify the existing problems or issues that need to be addressed, as applicable and appropriate for the project.
4. Cite the sources of the information provided as documentation.
5. Detail how the project will address or improve the previously referenced issues, as well as the population's health status and well-being.
6. Provide goals with quantified and measurable objectives, with specific timeframes that relate to achieving the stated goals as appropriate.

For projects involving modernization, describe the conditions being upgraded if any. For facility projects, include statements of age and condition and regulatory citations if any. For equipment being replaced, include repair and maintenance records.

NOTE: Information regarding the "Purpose of the Project" will be included in the State Board Report. APPEND DOCUMENTATION AS ATTACHMENT 10, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. Each item (1-6) must be identified in Attachment 10.

Criterion 1125.330 – Alternatives

READ THE REVIEW CRITERION and provide the following required information:

ALTERNATIVES

1. Identify ALL of the alternatives to the proposed project:
Alternative options must include:
 - a. Proposing a project of greater or lesser scope and cost;
 - b. Pursuing a joint venture or similar arrangement with one or more providers or entities to meet all or a portion of the project's intended purposes; developing alternative settings to meet all or a portion of the project's intended purposes;
 - c. Utilizing other health care resources that are available to serve all or a portion of the population proposed to be served by the project; and
 - d. Provide the reasons why the chosen alternative was selected.
2. Documentation shall consist of a comparison of the project to alternative options. The comparison shall address issues of total costs, patient access, quality and financial benefits in both the short term (within one to three years after project completion) and long

term. This may vary by project or situation. **FOR EVERY ALTERNATIVE IDENTIFIED THE TOTAL PROJECT COST AND THE REASONS WHY THE ALTERNATIVE WAS REJECTED MUST BE PROVIDED.**

3. The applicant shall provide empirical evidence, including quantified outcome data that verifies improved quality of care, as available.

APPEND DOCUMENTATION AS ATTACHMENT-11, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION III – BED CAPACITY, UTILIZATION AND APPLICABLE REVIEW CRITERIA

This Section is applicable to all projects proposing establishment, expansion or modernization of LTC categories of service that are subject to CON review, as provided in the Illinois Health Facilities Planning Act [20 ILCS 3960]. It is comprised of information requirements for each LTC category of service, as well as charts for each service, indicating the review criteria that must be addressed for each action (establishment, expansion and modernization). After identifying the applicable review criteria for each category of service involved, read the criteria and provide the required information, AS APPLICABLE TO THE CRITERIA THAT MUST BE ADDRESSED:

Criterion 1125.510 – Introduction**Bed Capacity**

Applicants proposing to establish, expand and/or modernize General Long Term Care must submit the following information:

Indicate bed capacity changes by Service:

Category of Service	Total # Existing Beds*	Total # Beds After Project Completion
☒ General Long-Term Care	224 ¹	185
☐ Specialized Long-Term Care		
☐		

*Existing number of beds as authorized by IDPH and posted in the "LTC Bed Inventory" on the HFSRB website (www.hfrsb.illinois.gov). PLEASE NOTE: ANY bed capacity discrepancy from the Inventory will result in the application being deemed incomplete.

Utilization

Utilization for the most current CALENDAR YEAR:

Category of Service	Year	Admissions	Patient Days
☒ General Long Term Care	2014	273	62,536
☐ Specialized Long-Term Care			

¹Bed inventory at existing Winchester House

Applicable Review Criteria - Guide

The review criteria listed below must be addressed, per the LTC rules contained in 77 Ill. Adm. Code 1125. See HFSRB's website to view the subject criteria for each project type - (<http://hfsrb.illinois.gov>). To view LTC rules, click on "Board Administrative Rules" and then click on "77 Ill. Adm. Code 1125".

READ THE APPLICABLE REVIEW CRITERIA OUTLINED BELOW and submit the required documentation for the criteria, as described in SECTIONS IV and V:

GENERAL LONG-TERM CARE

PROJECT TYPE	REQUIRED REVIEW CRITERIA	
	Section	Subject
Establishment of Services or Facility	.520	Background of the Applicant
	.530(a)	Bed Need Determination
	.530(b)	Service to Planning Area Residents
	.540(a) or (b) + (c) + (d) or (e)	Service Demand – Establishment of General Long Term Care
	.570(a) & (b)	Service Accessibility
	.580(a) & (b)	Unnecessary Duplication & Maldistribution
	.580(c)	Impact of Project on Other Area Providers
	.590	Staffing Availability
	.600	Bed Capacity
	.610	Community Related Functions
	.620	Project Size
	.630	Zoning
	.640	Assurances
	.800	Estimated Total Project Cost
	Appendix A	Project Costs and Sources of Funds
	Appendix B	Related Project Costs
	Appendix C	Project Status and Completion Schedule
	Appendix D	Project Status and Completion Schedule

Expansion of Existing Services	.520	Background of the Applicant
	.530(b)	Service to Planning Area Residents
	.550(a) + (b) or (c)	Service Demand – Expansion of General Long-Term Care
	.590	Staffing Availability
	.600	Bed Capacity
	.620	Project Size
	.640	Assurances
	.560(a)(1) through (3)	Continuum of Care Components
	.590	Staffing Availability
	.600	Bed Capacity
	.610	Community Related Functions

	.630	Zoning
	.640	Assurances
	.800	Estimated Total Project Cost
	Appendix A	Project Costs and Sources of Funds
	Appendix B	Related Project Costs
	Appendix C	Project Status and Completion Schedule
	Appendix D	Project Status and Completion Schedule

Continuum of Care – Establishment or Expansion	.520	Background of the Applicant
	.560(a)(1) through (3)	Continuum of Care Components
	.590	Staffing Availability
	.600	Bed Capacity
	.610	Community Related Functions
	.630	Zoning
	.640	Assurances
	.800	Estimated Total Project Cost
	Appendix A	Project Costs and Sources of Funds
	Appendix B	Related Project Costs
	Appendix C	Project Status and Completion Schedule
	Appendix D	Project Status and Completion Schedule

Defined Population – Establishment or Expansion	.520	Background of the Applicant
	.560(b)(1) & (2)	Defined Population to be Served
	.590	Staffing Availability
	.600	Bed Capacity
	.610	Community Related Functions
	.630	Zoning
	.640	Assurances
	.800	Estimated Total Project Cost
	Appendix A	Project Costs and Sources of Funds
	Appendix B	Related Project Costs
	Appendix C	Project Status and Completion Schedule
	Appendix D	Project Status and Completion Schedule

Modernization	.650(a)	Deteriorated Facilities
	.650(b) & (c)	Documentation
	.650(d)	Utilization
	.600	Bed Capacity
	.610	Community Related Functions
	.620	Project Size
	.630	Zoning
	.800	Estimated Total Project Cost
	Appendix A	Project Costs and Sources of Funds
	Appendix B	Related Project Costs
	Appendix C	Project Status and Completion Schedule
	Appendix D	Project Status and Completion Schedule

SECTION IV - SERVICE SPECIFIC REVIEW CRITERIA**GENERAL LONG-TERM CARE****Criterion 1125.520 – Background of the Applicant****BACKGROUND OF APPLICANT**

The applicant shall provide:

1. A listing of all health care facilities owned or operated by the applicant, including licensing, and certification if applicable.
2. A certified listing of any adverse action taken against any facility owned and/or operated by the applicant during the three years prior to the filing of the application.
3. Authorization permitting HFSRB and DPH access to any documents necessary to verify the information submitted, including, but not limited to: official records of DPH or other State agencies; the licensing or certification records of other states, when applicable; and the records of nationally recognized accreditation organizations. **Failure to provide such authorization shall constitute an abandonment or withdrawal of the application without any further action by HFSRB.**
4. If, during a given calendar year, an applicant submits more than one application for permit, the documentation provided with the prior applications may be utilized to fulfill the information requirements of this criterion. In such instances, the applicant shall attest the information has been previously provided, cite the project number of the prior application, and certify that no changes have occurred regarding the information that has been previously provided. The applicant is able to submit amendments to previously submitted information, as needed, to update and/or clarify data.

APPEND DOCUMENTATION AS ATTACHMENT 12, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM. EACH ITEM (1-4) MUST BE IDENTIFIED IN ATTACHMENT 11.

Criterion 1125.530 - Planning Area Need

1. Identify the calculated number of beds needed (excess) in the planning area. See HFSRB website (<http://hfsrb.illinois.gov>) and click on "Health Facilities Inventories & Data".
2. Attest that the primary purpose of the project is to serve residents of the planning area and that at least 50% of the patients will come from within the planning area.
3. Provide letters from referral sources (hospitals, physicians, social services and others) that attest to total number of prospective residents (by zip code of residence) who have received care at existing LTC facilities located in the area during the 12-month period prior to submission of the application. Referral sources shall verify their projections and the methodology used, as described in Section 1125.540.

APPEND DOCUMENTATION AS ATTACHMENT 13, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.540 - Service Demand – Establishment of General Long Term Care

- **If the applicant is an existing facility wishing to establish this category of service or a new facility, #1 – 4 must be addressed. Requirements under #5 must also be addressed if applicable.**

- **If the applicant is not an existing facility and proposes to establish a new general LTC facility, the applicant shall submit the number of annual projected referrals.**

1. Document the number of referrals to other facilities, for each proposed category of service, for each of the latest two years. Documentation of the referrals shall include: resident/patient origin by zip code; name and specialty of referring physician or identification of another referral source; and name and location of the recipient LTC facility.
2. Provide letters from referral sources (hospitals, physicians, social services and others) that attest to total number of prospective residents (by zip code of residence) who have received care at existing LTC facilities located in the area during the 12-month period prior to submission of the application. Referral sources shall verify their projections and the methodology used.
3. Estimate the number of prospective residents whom the referral sources will refer annually to the applicant's facility within a 24-month period after project completion. Please note:
 - The anticipated number of referrals cannot exceed the referral sources' documented historical LTC caseload.
 - The percentage of project referrals used to justify the proposed expansion cannot exceed the historical percentage of applicant market share, within a 24-month period after project completion
 - Each referral letter shall contain the referral source's Chief Executive Officer's notarized signature, the typed or printed name of the referral source, and the referral source's address
4. Provide verification by the referral sources that the prospective resident referrals have not been used to support another pending or approved Certificate of Need (CON) application for the subject services.
5. **If a projected demand for service is based upon rapid population growth in the applicant facility's existing market area** (as experienced annually within the latest 24-month period), the projected service demand shall be determined as follows:
 - a. The applicant shall define the facility's market area based upon historical resident/patient origin data by zip code or census tract;
 - b. Population projections shall be produced, using, as a base, the population census or estimate for the most recent year, for county, incorporated place, township or community area, by the U.S. Bureau of the Census or IDPH;
 - c. Projections shall be for a maximum period of 10 years from the date the application is submitted;
 - d. Historical data used to calculate projections shall be for a number of years no less than the number of years projected;

- e. Projections shall contain documentation of population changes in terms of births, deaths and net migration for a period of time equal to or in excess of the projection horizon;
- f. Projections shall be for total population and specified age groups for the applicant's market area, as defined by HFSRB, for each category of service in the application (see the HFSRB Inventory); and
- g. Documentation on projection methodology, data sources, assumptions and special adjustments shall be submitted to HFSRB.

APPEND DOCUMENTATION AS ATTACHMENT- 14, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.550 - Service Demand – Expansion of General Long-Term Care

The applicant shall document #1 and either #2 or #3:

1. Historical Service Demand
 - a. An average annual occupancy rate that has equaled or exceeded occupancy standards for general LTC, as specified in Section 1125.210(c), for each of the latest two years.
 - b. If prospective residents have been referred to other facilities in order to receive the subject services, the applicant shall provide documentation of the referrals, including completed applications that could not be accepted due to lack of the subject service and documentation from referral sources, with identification of those patients by initials and date.
2. Projected Referrals

The applicant shall provide documentation as described in Section 1125.540(d).
3. **If a projected demand for service is based upon rapid population growth in the applicant facility's existing market area** (as experienced annually within the latest 24-month period), the projected service demand shall be determined as described in Section 1125.540 (e).

APPEND DOCUMENTATION AS ATTACHMENT- 15, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.560 - Variances to Computed Bed Need

Continuum of Care:

The applicant proposing a continuum of care project shall demonstrate the following:

1. The project will provide a continuum of care for a geriatric population that includes independent living and/or congregate housing (such as unlicensed apartments, high rises for the elderly and retirement villages) and related health and social services. The housing complex shall be on the same site as the health facility component of the project.
2. The proposal shall be for the purposes of and serve only the residents of the housing complex and shall be developed either after the housing complex has been established or as a part of a

total housing construction program, provided that the entire complex is one inseparable project, that there is a documented demand for the housing, and that the licensed beds will not be built first, but will be built concurrently with or after the residential units.

3. The applicant shall demonstrate that:
 - a. The proposed number of beds is needed. Documentation shall consist of a list of available patients/residents needing the proposed project. The proposed number of beds shall not exceed one licensed LTC bed for every five apartments or independent living units;
 - b. There is a provision in the facility's written operational policies assuring that a resident of the retirement community who is transferred to the LTC facility will not lose his/her apartment unit or be transferred to another LTC facility solely because of the resident's altered financial status or medical indigency; and
 - c. Admissions to the LTC unit will be limited to current residents of the independent living units and/or congregate housing.

Defined Population:

The applicant proposing a project for a defined population shall provide the following:

1. The applicant shall document that the proposed project will serve a defined population group of a religious, fraternal or ethnic nature from throughout the entire health service area or from a larger geographic service area (GSA) proposed to be served and that includes, at a minimum, the entire health service area in which the facility is or will be physically located.
2. The applicant shall document each of the following:
 - a. A description of the proposed religious, fraternal or ethnic group proposed to be served;
 - b. The boundaries of the GSA;
 - c. The number of individuals in the defined population who live within the proposed GSA, including the source of the figures;
 - d. That the proposed services do not exist in the GSA where the facility is or will be located;
 - e. That the services cannot be instituted at existing facilities within the GSA in sufficient numbers to accommodate the group's needs. The applicant shall specify each proposed service that is not available in the GSA's existing facilities and the basis for determining why that service could not be provided.
 - f. That at least 85% of the residents of the facility will be members of the defined population group. Documentation shall consist of a written admission policy insuring that the requirements of this subsection (b)(2)(F) will be met.
 - g. That the proposed project is either directly owned or sponsored by, or affiliated with, the religious, fraternal or ethnic group that has been defined as the population to be served by the project. The applicant shall provide legally binding documents that prove ownership, sponsorship or affiliation.

APPEND DOCUMENTATION AS ATTACHMENT- 16, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.570 - Service Accessibility

1. Service Restrictions

The applicant shall document that **at least one** of the following factors exists in the planning area, as applicable:

- The absence of the proposed service within the planning area;
- Access limitations due to payor status of patients/residents, including, but not limited to, individuals with LTC coverage through Medicare, Medicaid, managed care or charity care;
- Restrictive admission policies of existing providers; or
- The area population and existing care system exhibit indicators of medical care problems, such as an average family income level below the State average poverty level, or designation by the Secretary of Health and Human Services as a Health Professional Shortage Area, a Medically Underserved Area, or a Medically Underserved Population.

2. Additional documentation required:

The applicant shall provide the following documentation, as applicable, concerning existing restrictions to service access:

- a. The location and utilization of other planning area service providers;
- b. Patient/resident location information by zip code;
- c. Independent time-travel studies;
- d. Certification of a waiting list;
- e. Admission restrictions that exist in area providers;
- f. An assessment of area population characteristics that document that access problems exist;
- g. Most recently published IDPH Long Term Care Facilities Inventory and Data (see www.hfsrb.illinois.gov).

APPEND DOCUMENTATION AS ATTACHMENT-17 IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

1. The applicant shall provide the following information:
 - a. A list of all zip code areas that are located, in total or in part, within 30 minutes normal travel time of the project's site;
 - b. The total population of the identified zip code areas (based upon the most recent population numbers available for the State of Illinois); and
 - c. The names and locations of all existing or approved LTC facilities located within 30 minutes normal travel time from the project site that provide the categories of bed service that are proposed by the project.
2. The applicant shall document that the project will not result in maldistribution of services.
3. The applicant shall document that, within 24 months after project completion, the proposed project:
 - a. Will not lower the utilization of other area providers below the occupancy standards specified in Section 1125.210(c); and
 - b. Will not lower, to a further extent, the utilization of other area facilities that are currently (during the latest 12-month period) operating below the occupancy standards.

APPEND DOCUMENTATION AS ATTACHMENT-18, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.590 - Staffing Availability

1. For each category of service, document that relevant clinical and professional staffing needs for the proposed project were considered and that licensure and JCAHO staffing requirements can be met.
2. Provide the following documentation:
 - a. The name and qualification of the person currently filling the position, if applicable; and
 - b. Letters of interest from potential employees; and
 - c. Applications filed for each position; and
 - d. Signed contracts with the required staff; or
 - e. A narrative explanation of how the proposed staffing will be achieved.

APPEND DOCUMENTATION AS ATTACHMENT-19, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.600 Bed Capacity

The maximum bed capacity of a general LTC facility is 250 beds, unless the applicant documents that a larger facility would provide personalization of patient/resident care and documents provision of quality care based on the experience of the applicant and compliance with IDPH's licensure standards (77 Ill. Adm. Code: Chapter I, Subchapter c (Long-Term Care Facilities)) over a two-year period.

APPEND DOCUMENTATION AS ATTACHMENT- 20, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.610 - Community Related Functions

The applicant shall document cooperation with and the receipt of the endorsement of community groups in the town or municipality where the facility is or is proposed to be located, such as, but not limited to, social, economic or governmental organizations or other concerned parties or groups. Documentation shall consist of copies of all letters of support from those organizations.

APPEND DOCUMENTATION AS ATTACHMENT- 21, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.620 - Project Size

The applicant shall document that the amount of physical space proposed for the project is necessary and not excessive. The proposed gross square footage (GSF) cannot exceed the GSF standards as stated in Appendix A of 77 Ill. Adm. Code 1125 (LTC rules), unless the additional GSF can be justified by documenting one of the following:

1. Additional space is needed due to the scope of services provided, justified by clinical or operational needs, as supported by published data or studies;
2. The existing facility's physical configuration has constraints or impediments and requires an architectural design that results in a size exceeding the standards of Appendix A;
3. The project involves the conversion of existing bed space that results in excess square footage.

APPEND DOCUMENTATION AS ATTACHMENT- 22, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.630 - Zoning

The applicant shall document **one** of the following:

1. The property to be utilized has been zoned for the type of facility to be developed;
2. Zoning approval has been received; or
3. A variance in zoning for the project is to be sought.

APPEND DOCUMENTATION AS ATTACHMENT- 23, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.640 - Assurances

1. The applicant representative who signs the CON application shall submit a signed and dated statement attesting to the applicant's understanding that, by the second year of operation after the project completion, the applicant will achieve and maintain the occupancy standards specified in Section 1125.210(c) for each category of service involved in the proposal.
2. For beds that have been approved based upon representations for continuum of care (Section 1125.560(a)) or defined population (Section 1125.560(b)), the facility shall provide assurance that it will maintain admissions limitations as specified in those Sections for the life of the facility. To eliminate or modify the admissions limitations, prior approval of HFSRB will be required.

APPEND DOCUMENTATION AS ATTACHMENT- 24, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Criterion 1125.650 - Modernization

1. If the project involves modernization of a category of LTC bed service, the applicant shall document that the bed areas to be modernized are deteriorated or functionally obsolete and need to be replaced or modernized, due to such factors as, but not limited to:
 - a. High cost of maintenance;
 - b. non-compliance with licensing or life safety codes;
 - c. Changes in standards of care (e.g., private versus multiple bed rooms); or
 - d. Additional space for diagnostic or therapeutic purposes.
2. Documentation shall include the most recent:
 - a. IDPH and CMMS inspection reports; and
 - b. Accrediting agency reports.
3. Other documentation shall include the following, as applicable to the factors cited in the application:
 - a. Copies of maintenance reports;
 - b. Copies of citations for life safety code violations; and
 - c. Other pertinent reports and data.
4. Projects involving the replacement or modernization of a category of service or facility shall meet or exceed the occupancy standards for the categories of service, as specified in Section 1125.210(c).

APPEND DOCUMENTATION AS ATTACHMENT- 25, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

SECTION V – FINANCIAL AND ECONOMIC FEASIBILITY REVIEW**Criterion 1125.800 Estimated Total Project Cost**

The following Sections **DO NOT** need to be addressed by the applicants or co-applicants responsible for funding or guaranteeing the funding of the project if the applicant has a bond rating of A- or better from Fitch's or Standard and Poor's rating agencies, or A3 or better from Moody's (the rating shall be affirmed within the latest 18 month period prior to the submittal of the application):

- Availability of Funds – Review Criteria
- Financial Viability – Review Criteria
- Economic Feasibility – Review Criteria, subsection (a)

Availability of Funds

The applicant shall document that financial resources shall be available and be equal to or exceed the estimated total project cost plus any related project costs by providing evidence of sufficient financial resources from the following sources, as applicable: **Indicate the dollar amount to be provided from the following sources:**

<u>\$7,030,895</u>	a. Cash and Securities – statements (e.g., audited financial statements, letters from financial institutions, board resolutions) as to: 1) the amount of cash and securities available for the project, including the identification of any security, its value and availability of such funds; and 2) interest to be earned on depreciation account funds or to be earned on any asset from the date of applicant's submission through project completion;
_____	b. Pledges – for anticipated pledges, a summary of the anticipated pledges showing anticipated receipts and discounted value, estimated time table of gross receipts and related fundraising expenses, and a discussion of past fundraising experience.
_____	c. Gifts and Bequests – verification of the dollar amount, identification of any conditions of use, and the estimated time table of receipts;
<u>\$22,201,805</u>	d. Debt – a statement of the estimated terms and conditions (including the debt time period, variable or permanent interest rates over the debt time period, and the anticipated repayment schedule) for any interim and for the permanent financing proposed to fund the project, including: 1. For general obligation bonds, proof of passage of the required referendum or evidence that the governmental unit has the authority to issue the bonds and evidence of the dollar amount of the issue, including any discounting anticipated; 2. For revenue bonds, proof of the feasibility of securing the specified amount and interest rate; 3. For mortgages, a letter from the prospective lender attesting to the expectation of making the loan in the amount and time indicated, including the anticipated interest rate and any conditions associated with the mortgage, such as, but not limited to, adjustable interest rates, balloon payments, etc.; 4. For any lease, a copy of the lease, including all the terms and conditions, including any purchase options, any capital improvements to the property and provision of capital equipment; 5. For any option to lease, a copy of the option, including all terms and conditions.
_____	e. Governmental Appropriations – a copy of the appropriation Act or ordinance accompanied by a statement of funding availability from an official of the governmental unit. If funds are

	by a statement of funding availability from an official of the governmental unit. If funds are to be made available from subsequent fiscal years, a copy of a resolution or other action of the governmental unit attesting to this intent;
_____	f. Grants – a letter from the granting agency as to the availability of funds in terms of the amount and time of receipt;
_____	g. All Other Funds and Sources – verification of the amount and type of any other funds that will be used for the project.
\$29,232,700	TOTAL FUNDS AVAILABLE

APPEND DOCUMENTATION AS ATTACHMENT-27 IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Financial Viability

All the applicants and co-applicants shall be identified, specifying their roles in the project funding or guaranteeing the funding (sole responsibility or shared) and percentage of participation in that funding.

Financial Viability Waiver

The applicant is not required to submit financial viability ratios if:

1. "A" Bond rating or better
2. All of the projects capital expenditures are completely funded through internal sources
3. The applicant's current debt financing or projected debt financing is insured or anticipated to be insured by MBIA (Municipal Bond Insurance Association Inc.) or equivalent
4. The applicant provides a third party surety bond or performance bond letter of credit from an A rated guarantor.

See Section 1120.130 Financial Waiver for information to be provided

APPEND DOCUMENTATION AS ATTACHMENT-28 IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

1. The applicant or co-applicant that is responsible for funding or guaranteeing funding of the project shall provide viability ratios for the latest three years for which **audited financial statements are available and for the first full fiscal year at target utilization, but no more than two years following project completion.** When the applicant's facility does not have facility specific financial statements and the facility is a member of a health care system that has combined or consolidated financial statements, the system's viability ratios shall be provided. If the health care system includes one or more hospitals, the system's viability ratios shall be evaluated for conformance with the applicable hospital standards.

Provide Data for Projects Classified as:	Category A or Category B (last three years)		Category B (Projected)
Enter Historical and/or Projected Years:	Consolidated Year 2	Transitional Care of Lake County, LLC Year 2	IH Mundelein Owner, LLC Year 2
Current Ratio	3.6	2.8	N/A
Net Margin Percentage	8.1%	12.1%	-43.6%
Percent Debt to Total Capitalization	77.7%	N/A	77.7%
Projected Debt Service Coverage	2.97	N/A	1.13
Days Cash on Hand	22 days	3 Days	306 Days
Cushion Ratio	0.67	N/A	0.57

applicable line item amounts from the financial statements. Complete a separate table for each co-applicant and provide worksheets for each.

2. Variance

Applicants not in compliance with any of the viability ratios shall document that another organization, public or private, shall assume the legal responsibility to meet the debt obligations should the applicant default.

APPEND DOCUMENTATION AS ATTACHMENT 29, IN NUMERICAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

Economic Feasibility

This section is applicable to all projects

A. Reasonableness of Financing Arrangements

The applicant shall document the reasonableness of financing arrangements by submitting a notarized statement signed by an authorized representative that attests to one of the following:

1. That the total estimated project costs and related costs will be funded in total with cash and equivalents, including investment securities, unrestricted funds, received pledge receipts and funded depreciation; or
2. That the total estimated project costs and related costs will be funded in total or in part by borrowing because:
 - A. A portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order to maintain a current ratio of at least 1.5 times for LTC facilities; or
 - B. Borrowing is less costly than the liquidation of existing investments, and the existing investments being retained may be converted to cash or used to retire debt within a 60-day period.

B. Conditions of Debt Financing

This criterion is applicable only to projects that involve debt financing. The applicant shall document that the conditions of debt financing are reasonable by submitting a notarized statement signed by an authorized representative that attests to the following, as applicable:

1. That the selected form of debt financing for the project will be at the lowest net cost available;
2. That the selected form of debt financing will not be at the lowest net cost available, but is more advantageous due to such terms as prepayment privileges, no required mortgage, access to additional indebtedness, term (years), financing costs and other factors;
3. That the project involves (in total or in part) the leasing of equipment or facilities and that the expenses incurred with leasing a facility or equipment are less costly than constructing a new facility or purchasing new equipment.

C. Reasonableness of Project and Related Costs

Read the criterion and provide the following:

Identify each area impacted by the proposed project and provide a cost and square footage allocation for new construction and/or modernization using the following format (insert after this page).

COST AND GROSS SQUARE FEET BY SERVICE									
Area (list below)	A	B	C	D	E	F	G	H	Total Cost (G + H)
	Cost/Square Foot New	Mod.	Gross Sq. Ft. New	Circ.*	Gross Sq. Ft. Mod.	Circ.*	Const. \$ (A x C)	Mod. \$ (B x E)	
Contingency									
TOTALS									

* Include the percentage (%) of space for circulation

D. Projected Operating Costs

The applicant shall provide the projected direct annual operating costs (in current dollars per equivalent patient day or unit of service) for the first full fiscal year at target utilization but no more than two years following project completion. Direct cost means the fully allocated costs of salaries, benefits and supplies for the service.

E. Total Effect of the Project on Capital Costs

The applicant shall provide the total projected annual capital costs (in current dollars per equivalent patient day) for the first full fiscal year at target utilization but no more than two years following project completion.

APPEND DOCUMENTATION AS ATTACHMENT - 30, IN NUMERIC SEQUENTIAL ORDER AFTER THE LAST PAGE OF THE APPLICATION FORM.

APPENDIX A**Project Costs and Sources of Funds**

Complete the following table listing all costs associated with the project. When a project or any component of a project is to be accomplished by lease, donation, gift, or other means, the fair market or dollar value (refer to Part 1130.140) of the component must be included in the estimated project cost. If the project contains non-reviewable components that are not related to the provision of health care, complete the second column of the table below. Note, the use and sources of funds must equal.

Project Costs and Sources of Funds			
USE OF FUNDS	CLINICAL	NONCLINICAL	TOTAL
Preplanning Costs	\$300,000	\$10,700	\$310,700
Site Survey and Soil Investigation			
Site Preparation			
Off Site Work			
New Construction Contracts	\$17,600,000	\$3,815,000	\$21,415,000
Modernization Contracts			
Contingencies	\$352,000	\$50,000	\$402,000
Architectural/Engineering Fees	\$1,400,000	\$125,000	\$1,525,000
Consulting and Other Fees	\$1,270,000	\$290,000	\$1,560,000
Movable or Other Equipment (not in construction contracts)	\$1,475,000	\$480,000	\$1,955,000
Bond Issuance Expense (project related)			
Net Interest Expense During Construction (project related)	\$790,000	\$180,000	\$970,000
Fair Market Value of Leased Space or Equipment			
Other Costs To Be Capitalized	\$895,000	\$200,000	\$1,095,000
Acquisition of Building or Other Property (excluding land)			
TOTAL USES OF FUNDS	\$24,082,000	\$5,150,700	\$29,232,700
SOURCE OF FUNDS	CLINICAL	NONCLINICAL	TOTAL
Cash and Securities	\$5,792,076	\$1,238,819	\$7,030,895
Pledges			
Gifts and Bequests			
Bond Issues (project related)			
Mortgages	\$18,289,924	\$3,911,881	\$22,201,805
Leases (fair market value)			
Governmental Appropriations			
Grants			
Other Funds and Sources			
TOTAL SOURCES OF FUNDS	\$24,082,000	\$5,150,700	\$29,232,700

APPENDIX C

Related Project Costs

Provide the following information, as applicable, with respect to any land related to the project that will be or has been acquired during the last two calendar years:

Land acquisition is related to project ☒ Yes ☐ No
Purchase Price: \$ 2,500,000
Fair Market Value: \$ 2,500,000

The project involves the establishment of a new facility or a new category of service
☒ Yes ☐ No

If yes, provide the dollar amount of all **non-capitalized** operating start-up costs (including operating deficits through the first full fiscal year when the project achieves or exceeds the target utilization specified in Part 1100.

Estimated start-up costs and operating deficit cost is \$ \$0¹.

¹Proposed project is for the replacement/relocation of Winchester House. There will be no estimated start-up costs or operating deficit.

Project Status and Completion Schedules

Indicate the stage of the project's architectural drawings:

☐ None or not applicable ☐ Preliminary
☒ Schematics ☐ Final Working

Anticipated project completion date (refer to Part 1130.140): June 30, 2019

Indicate the following with respect to project expenditures or to obligation (refer to Part 1130.140):

- ☐ Purchase orders, leases or contracts pertaining to the project have been executed.
☐ Project obligation is contingent upon permit issuance. Provide a copy of the contingent "certification of obligation" document, highlighting any language related to CON Contingencies
☒ Project obligation will occur after permit issuance.

APPENDIX D**Cost/Space Requirements**

Provide in the following format, the department/area **DGSF** or the building/area **BGSF** and cost. The type of gross square footage either **DGSF** or **BGSF** must be identified. The sum of the department costs **MUST** equal the total estimated project costs. Indicate if any space is being reallocated for a different purpose. Include outside wall measurements plus the department's or area's portion of the surrounding circulation space. **Explain the use of any vacated space.**

Cost Space Table							
Dept. / Area	Cost	Gross Square Feet		Amount of Proposed Total Gross Square Feet That Is:			
		Existing	Proposed	New Const.	Modernized	As Is	Vacated Space
CLINICAL							
Patient Rooms/ Bathrooms/ Corridors	\$18,832,150		57,298	57,298			
Nurse Station/Med Prep	\$955,773		2,908	2,908			
Dining Room/Activity	\$2,243,174		6,825	6,825			
Physical Therapy	\$1,314,681		4,000	4,000			
Laundry	\$270,496		823	823			
Clean/Soiled Utility	\$465,726		1,417	1,417			
Total Clinical	\$24,082,000		73,271	73,271			
NON CLINICAL							
Office/ Administration	\$862,093		2,800	2,800			
Kitchen	\$580,374		1,885	1,885			
Employee Lounge	\$543,119		1,764	1,764			
Staff Lockers	\$307,891		1,000	1,000			
Mechanical	\$166,876		542	542			
Lobby/Vestibule	\$1,077,617		3,500	3,500			
Storage	\$381,168		1,238	1,238			
Public Corridor/Public Toilet	\$677,359		2,200	2,200			
Service Corridor	\$307,891		1,000	1,000			
Loading Bays/ Service Area	\$246,312		800	800			
Total Non-clinical	\$5,150,700		16,729	16,729			
TOTAL	\$29,232,700		90,000	90,000			

Section I, Identification, General Information, and Certification
Applicants

Certificates of Good Standing for the applicant, Transitional Care of Lake County, LLC, Innovative Health, LLC, IH Mundelein Owner, LLC and OnPointe Health Development, LLC are attached at Attachment – 1. Transitional Care of Lake County, LLC will be the operator/licensee of Transitional Care of Lake County; IH Mundelein Owner, LLC will own the building and the real estate for Transitional Care of Lake County. As the person with final control of the operator/licensee, Innovative Health, LLC is included as an co-applicant.

To all to whom these Presents Shall Come, Greeting:

I, Jesse White, Secretary of State of the State of Illinois, do hereby certify that I am the keeper of the records of the Department of Business Services. I certify that

TRANSITIONAL CARE OF LAKE COUNTY, LLC, HAVING ORGANIZED IN THE STATE OF ILLINOIS ON MAY 08, 2015, APPEARS TO HAVE COMPLIED WITH ALL PROVISIONS OF THE LIMITED LIABILITY COMPANY ACT OF THIS STATE, AND AS OF THIS DATE IS IN GOOD STANDING AS A DOMESTIC LIMITED LIABILITY COMPANY IN THE STATE OF ILLINOIS.

In Testimony Whereof, I hereto set
my hand and cause to be affixed the Great Seal of
the State of Illinois, this 20TH
day of JULY A.D. 2015 .

Jesse White

SECRETARY OF STATE

Site Ownership

The Letter of Intent between Transitional Care of Lake County, LLC and IH Mundelein Owner, LLC to lease the facility at 850 East U.S. Highway 45, Mundelein, IL 60060 is attached at Attachment – 2A.

The term sheet for the Transitional Care of Lake County lease is attached at Attachment – 2B.

Attached at Attachment – 2C is the legal description of the site of the proposed Transitional Care of Lake County.

NON-BINDING REAL ESTATE LEASE LETTER OF INTENT

February 11, 2016

Mr. Bradley S. Haber
Manager
Innovative Health, LLC
6400 Shafer Court, Suite 600
Rosemont, Illinois 60018

Re: Letter of Intent – Transitional Care of Lake County Lease

Dear Mr. Haber:

This Non-Binding Letter of Intent sets forth the material terms and conditions pursuant to which IH Mundelein Owner, LLC (“Lessor”) is prepared to lease the skilled nursing facility located at 850 East U.S. Highway 45, Mundelein, Illinois 60060 (“Subject Property”) to Transitional Care of Lake County, LLC (“Lessee”). This letter shall serve as a Non-Binding Letter of Intent to lease the Subject Property.

Proposed Terms and Conditions

- | | |
|--------------------|--|
| Space: | 73,271 gross square feet of clinical space and 16,729 gross square feet of non-clinical support space to be located at 850 East U.S. Highway 45, Mundelein, Illinois 60060. |
| Lease Term: | Initial term will be ten (10) years effective upon the later of the completion of construction or lessee occupancy. Lessor will grant Lessee two (2) renewal options each for a period of five (5) years. |
| Lease Rate: | The lease rate will be based upon the full amortization of the capitalized costs to construct the skilled nursing facility with a reasonable rate of return. The anticipated costs to build the skilled nursing facility are projected to be \$29,232,700. |
| Lease Contingency: | The lease shall be contingent upon Lessee’s receipt of a certificate of need permit for the establishment of a skilled nursing facility from the Illinois Health Facilities and Services Review Board. |

If the above terms and conditions are acceptable, please indicate your acceptance by executing a copy of this letter and returning it to me.

Sincerely,

IH MUNDELEIN OWNER, LLC

By: IHOP JV, LLC, its Managing Member

AGREED TO AND ACCEPTED THIS 11th DAY OF February 2016:

TRANSITIONAL CARE OF LAKE COUNTY, LLC

By:

Brian Cloch
Manager

February 22, 2016

RE: IH Mundelein Owner, LLC - 850 East U.S. Highway 45, Mundelein, Illinois

This non-binding term sheet ("Term Sheet") is delivered to the Illinois Health Facilities and Services Review Board in connection with the Tenant's (as defined below) application for a Certificate of Need (CON) permit from the Illinois Health Facilities and Services Review Board (HFSRB).

<u>PREMISES:</u>	850 East U.S. Highway 45, Mundelein, Illinois (the "Premises")
<u>TENANT:</u>	Transitional Care of Lake County, LLC
<u>LANDLORD:</u>	IH Mundelein Owner, LLC
<u>SPACE REQUIREMENTS:</u>	38,045 gross square feet of clinical space and 13,995 gross square feet of non-clinical support space.
<u>PRIMARY TERM:</u>	10 years effective upon the later of the completion of construction or lessee occupancy. Lessor will grant two five year renewal options.
<u>BASE RENT:</u>	A payment in amount sufficient to allow the Landlord to achieve a debt service coverage ratio (i.e lease coverage ratio) of not less than 1.0:1.0, subject to the determination of the construction lender. The Lease shall provide for annual increased based on the Consumer Price Index (CPI).
<u>ADDITIONAL EXPENSES:</u>	The Rent shall be paid absolutely net to Landlord, free of all impositions, assessments, utility charges, operating expenses, refurbishing's, insurance premiums or any other charge or expense in connection with the Leased Property. All expenses and charges, whether for upkeep, maintenance, repair, refurbishing, refurbishing, restoration, replacement, insurance premiums, taxes, utilities, and other operating or other charges of a like nature or otherwise, shall be paid by Tenant.
<u>LEASE CONTINGENCY:</u>	The Lease shall be contingent upon Lessee's receipt of a CON for the establishment of a skilled nursing facility from the Illinois Health Facilities and Services Review Board.
<u>LANDLORD'S MAINTENANCE:</u>	Landlord, at its sole cost and expense, shall be responsible for the structural and capitalized items (per

GAAP standards) for the Property.

**POSSESSION AND RENT
COMMENCEMENT:**

Landlord shall deliver Possession of the Premises to the Tenant with Landlord's work complete within 36 months of CON Board approval. Rent commencement shall be the date each of the following conditions have occurred:

- a. Construction improvements within the Premises have been completed in accordance with the final construction documents (except for nominal punch list items);
- b. A certificate of occupancy for the Premises shall have been obtained from the city or county;
- c. Tenant has obtained all necessary licenses and permits to operate its business; and
- d. Such other conditions as Landlord and Tenant shall reasonably determine.

LEASE FORM:

Landlord's standard lease form.

USE:

The operation of a skilled nursing facility and transitional care services, including all incidental, related and necessary elements and functions which may be necessary or desirable to render a complete program of treatment to patients of Tenant and related office and administrative uses or for any other lawful purpose.

Landlord shall verify that the Use is permitted within the building's zoning.

Landlord shall provide a copy of any CCR's or other documents that may impact tenancy.

PARKING:

In accordance with final zoning requirements.

BASE BUILDING:

Landlord shall deliver to the Premises, the building and all improvements.

OPTION TO RENEW:

Tenant desires two five-year options to renew the Lease. Option rent shall be at the rate from the year immediately preceding the renewal, as adjusted for the CPI.

**FAILURE TO DELIVER
PREMISES:**

If Landlord has not delivered the premises to Tenant with all base building items substantially completed with 36 months from later of lease execution or CON approval,

Tenant may elect to a) terminate the lease by written notice to Landlord or b) elect to receive two days of rent abatement for every day of delay beyond the 30 day delivery period.

HOLDING OVER:

Tenant shall be obligated to pay 110% for the then current rate.

TENANT SIGNAGE:

Tenant shall have the right to install building, monument and pylon signage at the Premises, subject to compliance with all applicable laws and regulations. Landlord, at Landlord's expense, will furnish Tenant with any standard building directory signage.

BUILDING HOURS:

Tenant requires building hours of 24 hours a day, seven days a week.

SUBLEASE/ASSIGNMENT:

Any assignment or sublease by Tenant of its interest in the Lease shall be subject to the prior written consent of Landlord, not to be unreasonably withheld.

CERTIFICATE OF NEED:

Tenant CON Obligation: Landlord and Tenant understand and agree that the establishment of any skilled nursing facility in the State of Illinois is subject to the requirements of the Illinois Health Facilities Planning Act, 20 ILCS 3960/1 et seq. and, thus, the Tenant cannot establish a skilled nursing facility on the Premises or execute a binding real estate lease in connection therewith unless Tenant obtains a Certificate of Need (CON) permit from the Illinois Health Facilities and Services Review Board (HFSRB). Based on the length of the HFSRB review process, Tenant does not expect to receive a CON permit prior to May 10, 2016. In light of the foregoing facts, the parties agree that they shall promptly proceed with due diligence to negotiate the terms of a definitive lease agreement and execute such agreement prior to approval of the CON permit provided, however, the lease shall not be binding on either party prior to approval of the CON permit. The lease agreement shall contain a contingency clause indicating that the lease agreement is not effective prior to CON permit approval and shall be further subject to the review and comment of the construction lender. Assuming CON approval is granted, the effective date of the lease agreement shall be the first day of the calendar month following CON permit approval. In the event that the HFSRB does not award Tenant a CON permit to

establish a skilled nursing facility on the Premises neither party shall have any further obligation to the other party with regard to the negotiations, lease, or Premises contemplated by this Term Sheet.

ROOF RIGHTS:

Tenant shall have the right to place a satellite dish on the roof at no additional fee.

DELIVERIES:

To be determined..

GOVERNMENTAL COMPLIANCE:

Landlord shall represent and warrant to Tenant that Landlord, at Landlord's sole expense, will cause the Premises, common areas, the building and parking facilities to be in full compliance with any governmental laws, ordinances, regulations or orders relating to, but not limited to, compliance with the Americans with Disabilities Act (ADA), and environmental conditions relating to the existence of asbestos and/or other hazardous materials, or soil and ground water conditions, and shall indemnify and hold Tenant harmless from any claims, liabilities and cost arising from environmental conditions not caused by the Tenant.

NO BROKERAGE FEE:

There is no brokerage fee due in connection with the Lease..

Re: Historic Preservation Act Determination – Winchester House

Dear Ms. Liebowitz:

This office represents Winchester House ("Requestor"). Pursuant to Section 4 of the Illinois State Agency Historic Resources Preservation Act, Requestor seeks a formal determination from the Illinois Historic Preservation Agency as to whether Requestor's proposed project to establish a one hundred eighty-five bed nursing facility located at 850 East U.S. Highway 45, Mundelein, IL 60060 ("Proposed Project") affects historic resources.

1. Project Description and Address

The Requestor is seeking a certificate of need from the Illinois Health Facilities and Services Review Board to establish a nursing facility located at 850 East U.S. Highway 45, Mundelein, IL 60060 020-4090 E New York Street, Aurora, IL 60504. The Proposed Project will involve the construction of a new building.

Topographical or Metropolitan Map

Section II, Purpose of the Project, and Alternatives.
Criterion 1125.320(b), Purpose of Project

Purpose of the Project

1. The Applicants seek authority from the State Board to establish a 185 bed skilled nursing facility to be located at 850 East U.S. Highway 45, Mundelein, Illinois 60060. The purpose of this project is to ensure the residents of Lake County continue to have access to quality long-term care services, and to ensure that there will be a continued commitment to the provision of care to the underserved and indigent residents of Lake County. The proposed project is the final phase of a three phase plan to transfer ownership and operation of Winchester House from Lake County to the Applicants and to replace the existing facility with a modern, state of the art skilled nursing facility.

Winchester House opened in 1847 as a poor farm and has since evolved into a long-term care facility providing 24-hour care. The existing buildings that make up the Winchester House complex date back to 1942, and the five-story care center dates back to 1970. Until recently, the County owned and operated Winchester House. Several years ago, the County realized its continued operation of Winchester House was untenable. The issues related, in part, to overwhelming financial losses and the need to construct a replacement facility.

To identify possible options for the continued provision of care, the County Board commissioned several studies relating to the Winchester House management and financial performance, its position in the skilled nursing services market, projections regarding future senior care demand, and the feasibility of a new replacement facility.

To properly evaluate this information, in 2007, the County Board established the Winchester House Advisory Board ("Advisory Board") to recommend, among other things, the best option(s) for constructing a new skilled nursing facility. The Advisory Board was comprised of Lake County residents who are industry professionals and also included two current Lake County Board members.

The Advisory Board spent a significant amount of time researching the changing healthcare environment in Illinois, the trends in utilization and reimbursement. With the help of the Advisory Board, Lake County analyzed available data to determine the best available options to ensure high quality care for current/future residents of Winchester House.

One of the first conclusions reached was that Winchester House was outdated and that the cost involved with renovating the existing facility or building a new replacement facility would not be fiscally responsible to the County taxpayers. The operation of Winchester House has consistently yielded a substantial financial loss for the County.

After all of the information was gathered, analyzed, and discussed, the Advisory Board presented its recommendation that the County issue a Request for Proposal ("RFP") to solicit proposals from qualified entities in the private sector looking to: (1) enter into a lease to operate Winchester House for a term certain; (2) go through the Certificate of Need process to become the licensee; and (3) pursue regulatory approval for the establishment of a replacement facility by the end of the term of the lease. This plan of action was the Advisory Board's plan to ensure that the existing residents of Winchester House would continue to receive quality care, that a quality operator could be identified which would commit to ensuring that every resident of Winchester House would continue to have a facility in which to receive care, and that the residents of Lake County would continue to have access to quality care at a new facility in the future.

RFPs were extended to 80 potential vendors. Based on the criteria set forth in the RFP for the Lease and Replacement of Winchester House, the conclusion was reached that the proposal submitted by Applicants was the most favorable for Lake County.

Lake County has coordinated with the staff of State Board regarding the design and results of the RFP process by seeking technical assistance. In May 2014, the County met with George Roate, Courtney Avery, and Frank Urso to ensure that all of the relevant considerations related to the potential of a County stepping out of the operation of a long-term care facility were being considered. Great insight was obtained which was then factored into the RFP process. In May 2015, another technical assistance meeting took place with Michael Constantino, George Roate, and Juan Morado to discuss the practical steps to be taken to execute the plan of action designed by the Advisory Board in a manner consistent with the requirements of the State Board.

As part of the lease, the Applicants committed to serving a Medicaid population. In the event the proposed facility is approved, the Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. The project outlined is the best path forward to ensure that when Lake County steps out of its role as a provider of long-term care services, that it has the least impact upon the community. Lake County's partnership with the Applicants is the best means of achieving that goal.

On November 17, 2015, the State Board approved the Applicants' application for the change of ownership of Winchester House. On December 14, 2015, the transaction closed, and IDPH issued a license to the Applicants to operate Winchester House. As noted, above the proposed project is the final phase of Lake County's plan to transition operations and ownership of Winchester House and to ensure underserved and indigent residents of Lake County have access to a modern, state of the art skilled nursing facility.

2. The market area is Planning Area 8 also known as Lake County Illinois. A map of the market area for the proposed facility is attached at Attachment – 11. The market area encompasses an approximate 30 mile radius around the proposed facility. The boundaries of the market area are as follows:
 - North approximately 30 minutes normal travel time to Antioch, Illinois.
 - Northeast approximately 30 minutes normal travel time to Beach Park, Illinois.
 - East approximately 19 minutes normal travel time to Lake Michigan.
 - Southeast approximately 30 minutes normal travel time to Niles, Illinois.
 - South approximately 30 minutes normal travel time to Itasca, Illinois.
 - Southwest approximately 30 minutes normal travel time to Hoffman Estates, Illinois.
 - West approximately 30 minutes normal travel time to Crystal Lake, Illinois.
 - Northwest approximately 30 minutes normal travel time to Spring Grove, Illinois.
3. The proposed project will ensure indigent and underserved residents of Lake County have access to high quality skilled nursing care. As noted above, the Applicants have committed to serve the Medicaid population in Lake County, and every resident of Winchester House will have the opportunity to transfer to the new facility.

Further, the proposed project will address the calculated excess of beds in Lake County. Winchester House is currently licensed for 224 skilled nursing beds; however, the proposed project is requesting 185 skilled nursing beds. This will return 39 beds to the inventory, reducing the number of excess beds in Lake County to 272 skilled nursing beds (or 13% reduction of excess beds).

4. The goal of the proposed project is to provide access to a high quality, state-of-the-art skilled nursing care to residents of Lake County. The Applicants anticipate that within two years of project completion, Transitional Care of Lake County will reach and maintain 90% utilization.

Section II, Purpose of the Project and Alternatives
Criterion 1125.330; Alternatives to the Proposed Project

Alternatives

1. Do Nothing

As the Advisory Board concluded the continued operation of Winchester House is not fiscally feasible. The condition of the physical plant has been maintained by utilizing the on-site efforts of dedicated employees, but has reached a point where the functional utility of the structure warrants replacement. Currently, Lake County is funding losses in excess of \$1 million annually. The financial impact of continued operation of an antiquated facility (or of implementing continued temporary solutions) is not financially prudent. Finally, the long-term interests of those residents utilizing Winchester House would be compromised by not taking affirmative action to provide for their present, as well as their future health needs.

2. Close Winchester House

As the Advisory Board concluded the continued operation of Winchester House is not fiscally feasible. Winchester House provides a needed and valuable service to the underserved and indigent residents of Lake County, and closure of Winchester House is not the preferred option. Closure of Winchester House without any organized plan to continue to provide care for indigent residents can have a notably adverse effect on access to care. For that reason, closing the facility and transferring the existing residents to other facilities is irresponsible from both a social and a health planning perspective.

3. Sell Winchester House

The Applicants lease Winchester House from Lake County and have no control over the physical plant. Due to the age and condition of the physical plant as stated above, sale of the physical plant is not an option. Accordingly, this is not an option for the Applicants.

6. Build a Replacement Facility

This option was selected because it proved to be the best balancing of the competing interests.

The Applicants are committed to the Medicaid population to ensure Lake County's underserved and indigent residents continue to have access to quality care. The proposed replacement facility will ensure Lake County residents have access to high quality, state-of-the-art skilled nursing facility operated by quality care givers. The Applicants have also committed that every resident of Winchester House who wants to reside the proposed replacement facility is able to transfer to the proposed replacement facility.

The cost of this alternative is \$29,232,700.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.520: Background of the Applicant

Background of the Applicant

1. Neither the Centers for Medicare and Medicaid Services nor the Illinois Department of Public Health ("IDPH") has taken any adverse action involving civil monetary penalties or restriction or termination of participation in the Medicare and Medicaid programs against any of the applicants, or against any Illinois health care facilities owned or operated by the Applicants, directly or indirectly, within three years preceding the filing of this application.
2. The Applicants have not previously owned or operated any health care facilities. Accordingly, this criterion is not applicable.
3. An authorization permitting the State Board and IDPH access to any documents necessary to verify information submitted, including but not limited to: official records of IDPH or other State agencies and the records of nationally recognized accreditation organizations is attached at Attachment – 12A.
4. The Applicant has not previously submitted an application for permit during this calendar year. Accordingly, this criterion is not applicable.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.530(a); Planning Area Need

1. The Applicants propose the relocation of the Winchester House, a 224 bed skilled nursing facility, (the "Existing Facility") from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. The replacement facility will have a bed complement of 185 beds. Accordingly, the propose project will reduce the number of excess skilled nursing beds in Lake County by 39 skilled nursing beds
2. The proposed project will meet the State Board's occupancy standard (90%) by the second year after project completion. Over the past 24 months, the average daily census at Winchester House has been 166 residents. As part of this project, the Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. Based upon historical census and assuming all Winchester House residents transfer to the proposed Transitional Care of Lake County, the facility will reach 90% utilization shortly after becoming operational.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.530(b); Service to Planning Area Residents

1. The primary purpose of the proposed project is to provide high quality skilled nursing services to the residents of Lake County and the surrounding area in a modern facility. As part of this project, The Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. Resident origin information for all admissions at Winchester House for the most recent 24 months is provided in Table 1125.530(b)(2). As shown in Table 1125.530(b)(2) below, 313 (or 90%) of admissions were residents who lived within 30 minutes of the proposed Transitional Care of Lake County.

Section III, Bed Capacity, Utilization and Applicable Review Criteria

Criterion 1125.540(b); Service Demand – Establishment of General Long Term Care

1. The Applicants seek authority from the State Board to relocate Winchester House, a 224 bed skilled nursing facility from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. The bed complement at the replacement facility is based upon historical utilization of Winchester House. Over the past 24 months, the average daily census at Winchester House has been 166 residents. Accordingly, the replacement facility will consist of 185 skilled nursing beds (a reduction of 39 skilled beds), which is necessary to accommodate historical service demand at Winchester House.
2. Letters from referral sources attesting to total number of prospective residents who have received care at existing skilled nursing facilities located in the area during the 12-month period prior to submission of this application and the estimated number of prospective residents whom the referral sources will refer annually to the applicant's facility within a 24-month period after project completion are attached at Attachment – 14. As shown in the referral source letters, in addition to the 166 Winchester House residents who are anticipated to transfer to the replacement facility, the Applicants anticipate an additional 80 residents will be referred to the proposed Transitional Care of Lake County.

Kathryn J. Olson
Chair
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson:

I am the manager of Transitional Care of Lake County, LLC ("TCLC"). I am writing in support of TCLC's proposed relocation of Winchester House. As you are aware on November 18, 2015, the Illinois Health Facilities and Services Review Board approved the change of ownership of Winchester House. As discussed in greater detail below, the change of ownership of Winchester House was the second phase of a multi-phase transition of the ownership and operations from Lake County to TCLC. The final phase of the transition, which this project proposes, is the relocation of Winchester House from its current location to 850 East U.S. Highway 45, Mundelein, Illinois.

Several years ago, Lake County realized the financial impact upon the community of continuing to operate Winchester House was untenable. The issues related, in part, to the overwhelming financial losses, along with the need for constructing an entirely new replacement facility. To evaluate the possible options available to allow for the continued provision of long term care to residents of Lake County, Lake County established the Winchester House Advisory Board (the "Advisory Board"). The Advisory Board recommended Lake County issue a Request for Proposal to solicit proposals from qualified entities in the private sector looking to: (1) enter into a lease to operate Winchester House for a term certain; (2) go through the Certificate of Need process to become the licensee; and (3) pursue regulatory approval for the establishment of a replacement facility by the end of the term of the lease. Lake County selected TCLC's proposal for the lease and replacement of Winchester House as the most advantageous for Lake County. The proposed project is the best path forward to ensure that when Lake County steps out of its role as a provider of long-term care services, it has the least impact upon the community.

TCLC proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House at 850 East U.S. Highway 45, Mundelein, Illinois. Over the past 24 months, the average daily census at Winchester House has been 166 residents. As part of the lease, TCLC has committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so.

A list of residents of who have received care at Winchester House over the past 24 months and are expected to transfer to the replacement facility is attached at Attachment – 1.

I attest to the best of my belief that all of the information in this letter is true and correct and that the prospective resident referrals have not been used to support another pending or approved Certificate of Need application.

I support the proposed relocation of Winchester House.

Sincerely,

Brian Cloch

Kathryn J. Olson
Chair
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson:

I am a physician practicing in Lake County. I am pleased to support the relocation of Winchester House a/k/a Transitional Care of Lake County. The proposed 185 bed replacement facility will directly benefit my patients.

Winchester House has been providing long term health care for the residents of Lake County for over 150 years. Winchester House opened in 1847 and is one of the oldest continuously operated health care centers in Northern Illinois. The existing building that houses the care center dates back to the 1970s and will soon reach a point where the functional utility of the building will warrant replacement.

The new state of the art replacement facility will benefit my patients who reside in Lake County. TCLC will implement programs designed to improve quality and reduce costs. Through value engineering, TCLC will redesign resident care to ensure residents of Lake County continue to have access to high quality skilled nursing home services in the future.

Over the past 12 months, I have referred 7 patients for skilled nursing care. A list of patients who have received care at existing facilities in the area over the past 12 months is provided at Attachment 7. I anticipate I will refer 5-10 patients annually to Transitional Care of Lake County within the first two years after project completion.

These patient referrals have not been used to support another pending or approved certificate of need application. The information in this letter is true and correct to the best of my knowledge.

I support the relocation of Winchester House.

Sincerely,

A list of patients who have received care at existing facilities in the area over the past 12 months is provided at Attachment 1. I anticipate I will refer 125 patients annually to Transitional Care of Lake County within the first two years after project completion.

These patient referrals have not been used to support another pending or approved certificate of need application. The information in this letter is true and correct to the best of my knowledge.

MOHINA GUPTA, M.D.
Board Certified In Internal Medicine

1870 W. Winchester Road, Suite 248
Libertyville, IL 60048
Telephone: (847) 281-8902

Estimated total		125

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.570); Service Accessibility

1. The Applicants seek authority from the State Board to relocate Winchester House, a 224 bed skilled nursing facility from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. Importantly, Winchester House serves indigent and underserved residents of Lake County. As discussed in greater detail in Criterion 1125.320(b), several years ago, the County realized its continued operation of Winchester House was untenable. The issues related, in part, to overwhelming financial losses and the need to construct a replacement facility.

The Advisory Board researched the changing healthcare environment in Illinois, the trends in utilization and reimbursement. Lake County, with the assistance of the Advisory Board, analyzed available data to determine the best available options to ensure high quality care for current/future residents of Winchester House. The County determined Winchester House was outdated and that the cost involved with renovating the existing facility or building a new replacement facility would not be fiscally responsible to the County taxpayers.

Based upon recommendation from the Advisory Board the County issued a RFP to qualified entities to operate the existing Winchester House for a term certain and commit to obtaining a CON for a replacement facility from the State Board. This plan ensures (1) existing residents of Winchester House continue to receive quality care; (2) residents of Winchester House would continue to have a facility in which to receive care; and (3) residents of Lake County would continue to have access to quality care at a new facility in the future. Based on the criteria set forth in the RFP for the Lease and Replacement of Winchester House, the conclusion was reached that the proposal submitted by the Applicants was the most favorable for Lake County.

As part of the lease, the Applicants committed to serving a Medicaid population. In the event the State Board approves the proposed facility, the Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. The project outlined is the best path forward to ensure that when Lake County steps out of its role as a provider of long-term care services, that it has the least impact upon the community.

the Applicants have expertise in value engineering and can implement programs designed to improve quality and reduce costs that are not available to Lake County. Through value engineering, the Applicants will redesign resident care and eliminate functional redundancies to ensure that the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

2. Attached at Attachment -17 is a list of all facilities within 45 minutes for the proposed Transitional Care of Lake County. Currently, there are 113 skilled nursing facilities within 45 minutes of the proposed Transitional Care of Lake County. Collectively, these facilities were operating at 79% as of December 31, 2014. As discussed in greater detail below, the proposed Transitional Care of Lake County is needed to ensure indigent and underserved residents of Lake County have continued access to high quality skilled nursing care.

- b. A list of existing and approved skilled nursing facilities located within 30 minutes normal travel time of the proposed skilled nursing facility is provided as Attachment – 18B.

2. **Maldistribution of Services**

The proposed skilled nursing facility will not result in a maldistribution of services. A maldistribution exists when an identified area has excess supply of facilities, beds and services characterized by such factors as, but not limited to: (1) ratio of beds to population exceeds one and one-half times the State Average; (2) historical utilization for existing facilities and services is below the State Board's utilization standard; or (3) insufficient population to provide the volume or caseload necessary to utilize the services proposed by the project at or above utilization standards. As discussed more fully below, the ratio of beds to population in the geographic service area is 67% of the State average, and the average utilization of existing skilled nursing facilities within the GSA is 78%. Accordingly, the proposed skilled nursing facility will not result in a maldistribution of services.

a. **Ratio of Beds to Population**

As shown in Table 1125.580(b) the ratio of beds to population is 67% of the State Average.

Table 1125.580(b)(1)				
Ratio of Beds to Population				
	Population	Beds	Beds to Population	Standard Met?
Geographic Service Area	1,567,096	8,221	1:191	Yes
State	12,830,632	100,146	1:128	

b. **Historic Utilization of Existing Facilities**

There are 51 skilled nursing facilities within 30 minutes the proposed Transitional Care of Lake County; collectively these facilities were operating at 78% as of December 31, 2014.

c. **Sufficient Population to Achieve Target Utilization**

The Applicants propose to establish a 185 bed skilled nursing facility. To achieve the State Board's 90% utilization standard within the first two years after project completion, the average daily census of 166 residents. All of the existing residents of Winchester House are projected to transfer to the proposed Transitional Care of Lake County. Average census of Winchester House for the past 24 months was 166 residents. Further, Dr. Art Pogre and Dr. Mohina Gupta have committed to refer at least 55 residents to the proposed Transitional Care of Lake County. Accordingly, there is sufficient population to achieve target utilization.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.580(c); Impact of Project on Other Area Providers

1. The proposed Transitional Care of Lake County will not lower the utilization of other area providers below the State Board occupancy standards. As set forth throughout this application, the Applicants seek authority from the State Board to relocate the existing Winchester House from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. the Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. No residents will transfer from other existing facilities to the proposed Transitional Care of Lake County.
2. The proposed Transitional Care of Lake County will not lower, to a further extent, the utilization of other area facilities that are currently (during the latest 12-month period) operating below the State Board occupancy standards. As set forth throughout this application, the Applicants seek authority from the State Board to relocate the existing Winchester House from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. the Applicants have committed that every resident of Winchester House wanting to reside in the new facility will have the opportunity to do so. No residents will transfer from other existing facilities to the proposed Transitional Care of Lake County.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.590: Staffing Availability

1. The Applicants seek authority from the State Board to relocate the existing Winchester House from its current location at 1125 North Milwaukee Avenue, Libertyville, Illinois approximately 7 miles (or less than 15 minutes) to 850 East U.S. Highway 45, Mundelein, Illinois. Winchester House is staffed in accordance with IDPH and Medicare staffing requirements. The Applicants anticipate the proposed facility will retain over 121 jobs in the local community.
2. Transitional Care of Lake County will be staffed as follows:

Director of Nursing	1 FTE
Assistant Director of Nursing	1 FTE
RN	15 FTE
LPN	13 FTE
CNA	38 FTE
Restorative Aide	2 FTE
Skin Care Nurse	1 FTE
MDS Supervisor	1 FTE
MDS Staff	2 FTE
Case Manager	1 FTE
Staffing Coordinator	1 FTE
P.M. Supervisor	1 FTE
Weekend Supervisor	1 FTE
Specialty Program Coordinator	1 FTE
Central Supply Clerk	1 FTE
Director of Activities	1 FTE
Activity Aides	4 FTE
Director of Resident Services	1 FTE
Social Services	2 FTE
Director of Maintenance	1 FTE
Maintenance	1.4 FTE
Marketing Director	1 FTE
Human Resources	1 FTE
Administrator	1 FTE
Business Office	2 FTE
Medical Records	1 FTE
Admissions Director	1 FTE
Admissions Staff	0.5 FTE
Nurse Liaison	1 FTE
Reception	4.2 FTE
Dietary Supervisor	1 FTE
Cooks	2 FTE
Dietary Aide	7 FTE
Housekeeping	6 FTE
Laundry	2 FTE
TOTAL	121.1 FTE

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.600; Bed Capacity

The maximum bed capacity of a general long-term care facility is 250 beds. The bed capacity for the proposed Transitional Care of Lake County is 185 beds. Accordingly, this criterion is met.

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.610; Community Related Functions

Attached at Attachment – 21 are letters from individuals and community groups from the Village of Mundelein and the surrounding areas endorsing the establishment of the proposed Transitional Care of Lake County.

February 9, 2016

Kathryn J. Olson
Chair
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson:

I have been a resident at Winchester House for 55 years. I am writing in support of Transitional Care of Lake County's ("Transitional Care") proposed relocation of Winchester House. The state of the art skilled nursing facility will provide residents of Winchester House with high quality skilled nursing care in a cost-effective manner that will ensure the long-term viability of Winchester House.

Winchester House has been providing long term health care for the residents of Lake County for over 150 years. Winchester House opened in 1847 and is one of the oldest continuously operated health care centers in Northern Illinois. The buildings that comprise Winchester House date back to 1942, and the care center dates back to 1970. While the maintenance staff at Winchester House has worked tirelessly to maintain the physical plant, it is reaching a point where the functional utility of the building will necessitate replacement.

Transitional Care proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House. It is my understanding that Transitional Care has committed to serving the Medicaid population and that any resident of Winchester House who wants to transfer to the new facility will have the opportunity to do so.

Transitional Care is experienced in value engineering and will implement programs designed to improve quality and reduce costs at Winchester House. It is my understanding that Transitional Care will redesign resident care and eliminate functional redundancies to ensure the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

I support the relocation of Winchester House.

Sincerely,

Resident
Winchester House
1125 North Milwaukee Avenue
Libertyville, Illinois 60048

Gregory Stahl

Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson:

I have been a resident at Winchester House for 15 years. I am writing in support of Transitional Care of Lake County's ("Transitional Care") proposed relocation of Winchester House. The state of the art skilled nursing facility will provide residents of Winchester House with high quality skilled nursing care in a cost-effective manner that will ensure the long-term viability of Winchester House.

Winchester House has been providing long term health care for the residents of Lake County for over 150 years. Winchester House opened in 1847 and is one of the oldest continuously operated health care centers in Northern Illinois. The buildings that comprise Winchester House date back to 1942, and the care center dates back to 1970. While the maintenance staff at Winchester House has worked tirelessly to maintain the physical plant, it is reaching a point where the functional utility of the building will necessitate replacement.

Transitional Care proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House. It is my understanding that Transitional Care has committed to serving the Medicaid population and that any resident of Winchester House who wants to transfer to the new facility will have the opportunity to do so.

Transitional Care is experienced in value engineering and will implement programs designed to improve quality and reduce costs at Winchester House. It is my understanding that Transitional Care will redesign resident care and eliminate functional redundancies to ensure the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

I support the relocation of Winchester House.

Sincerely,

Resident
Winchester House
1125 North Milwaukee Avenue
Libertyville, Illinois 60048

Helen McNatt

Kathryn J. Olson
Chair
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, 2nd Floor
Springfield, Illinois 62761

Dear Chair Olson:

I have been a resident at Winchester House for 3 years. I am writing in support of Transitional Care of Lake County's ("Transitional Care") proposed relocation of Winchester House. The state of the art skilled nursing facility will provide residents of Winchester House with high quality skilled nursing care in a cost-effective manner that will ensure the long-term viability of Winchester House.

Winchester House has been providing long term health care for the residents of Lake County for over 150 years. Winchester House opened in 1847 and is one of the oldest continuously operated health care centers in Northern Illinois. The buildings that comprise Winchester House date back to 1942, and the care center dates back to 1970. While the maintenance staff at Winchester House has worked tirelessly to maintain the physical plant, it is reaching a point where the functional utility of the building will necessitate replacement.

Transitional Care proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House. It is my understanding that Transitional Care has committed to serving the Medicaid population and that any resident of Winchester House who wants to transfer to the new facility will have the opportunity to do so.

Transitional Care is experienced in value engineering and will implement programs designed to improve quality and reduce costs at Winchester House. It is my understanding that Transitional Care will redesign resident care and eliminate functional redundancies to ensure the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

I support the relocation of Winchester House.

Sincerely,

Resident
Winchester House
1125 North Milwaukee Avenue
Libertyville, Illinois 60048

Ronald Bell

Transitional Care proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House. It is my understanding that Transitional Care has committed to serving the Medicaid population and that any resident of Winchester House who wants to transfer to the new facility will have the opportunity to do so.

Transitional Care is experienced in value engineering and will implement programs designed to improve quality and reduce costs at Winchester House. It is my understanding that Transitional Care will redesign resident care and eliminate functional redundancies to ensure the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

I support the relocation of Winchester House.

Sincerely,

Mary Lagerblade

Dear Chair Olson:

I have been a resident at Winchester House for ² years. I am writing in support of Transitional Care of Lake County's ("Transitional Care") proposed relocation of Winchester House. The state of the art skilled nursing facility will provide residents of Winchester House with high quality skilled nursing care in a cost-effective manner that will ensure the long-term viability of Winchester House.

Winchester House has been providing long term health care for the residents of Lake County for over 150 years. Winchester House opened in 1847 and is one of the oldest continuously operated health care centers in Northern Illinois. The buildings that comprise Winchester House date back to 1942, and the care center dates back to 1970. While the maintenance staff at Winchester House has worked tirelessly to maintain the physical plant, it is reaching a point where the functional utility of the building will necessitate replacement.

Transitional Care proposes to establish a 185 bed long term care facility to be located approximately 5 miles from Winchester House. It is my understanding that Transitional Care has committed to serving the Medicaid population and that any resident of Winchester House who wants to transfer to the new facility will have the opportunity to do so.

Transitional Care is experienced in value engineering and will implement programs designed to improve quality and reduce costs at Winchester House. It is my understanding that Transitional Care will redesign resident care and eliminate functional redundancies to ensure the residents of Lake County continue to have access to high quality skilled nursing home services in the future.

I support the relocation of Winchester House.

Sincerely,

 James McDonnell

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.620; Project Size

Size of Project

1. The Applicants propose to establish a 185-bed skilled facility. Pursuant to Section 1125, Appendix A of the State Board's rules, the State standard is 435-713 gross square feet per skilled nursing bed for a total of 80,475 – 131,905 gross square feet for 185 skilled nursing beds. The total gross square footage of the clinical space of the proposed Transitional Care of Lake County is 73,271 gross square feet (or 396 GSF per skilled nursing bed). Accordingly, the proposed facility is below the State standard per skilled nursing bed.
2. The gross square footage is in line with the BGSF standards in Appendix A.

SIZE OF PROJECT

DEPARTMENT/SERVICE	PROPOSED BGSF/DGSF	STATE STANDARD	DIFFERENCE	MET STANDARD?
General Long-Term Care	396 BGSF/Bed	435-713 BGSF/Bed	N/A	Below

Section III, Bed Capacity, Utilization and Applicable Review Criteria
Criterion 1125.630; Zoning

Attached at Attachment – 23 is a letter from the Village of Mundelein confirming the Applicants met with the Village of Mundelein regarding its proposal to construct a 185 bed skilled nursing facility at 850 East U.S. Highway 45, Mundelein, Illinois and zoning approval process could be conducted within 90-120 days after submission of a formal plan for the site.

RE: Proposed Transitional Care of Lake County
850 E US 45, Mundelein, IL 60060

Dear Ms. Avery:

This letter is to confirm that IH Mundelein Owner, LLC, met with the Village of Mundelein on January 22, 2016, to present their idea for a project at 850 East Route 45. Subsequently, the development team has submitted a Concept Plan for a new construction project named Transitional Care of Lake County. Transitional Care of Lake County proposes approximately 60 private beds specifically designed for short-term rehabilitation purposes, 50 beds for memory care, and 75 beds for long term care. The project proposes medical offices, nursing facilities, courtyards, and dedicated therapy space in each care area.

The subject property is zoned C-2 General Commercial Zoning District in the Village of Mundelein. This request will be processed through the Village's entitlement process and will be reviewed by the Mundelein Planning and Zoning Commission and Village Board for approvals.

We are continuing to work with IH Mundelein Owner, LLC, as they prepare to submit for a formal plan review process with the Village. I would expect that the zoning approval process could be conducted in approximately 90-120 days after formal submission.

Please contact me at (847) 949-3252 if you have any questions. I hope that this information is helpful.

Regards,

CAPITAL FUNDING, LLC

February 17, 2016

Mr. Brad Haber
IH Mundelein Owner, LLC
6400 Shafer Court, Suite 600
Rosemont, IL 60018

Re: Lake County

Dear Mr. Haber:

This proposal has been prepared to provide financing utilizing mortgage insurance issued by the United States Department of Housing and Urban Development ("HUD") through Section 232 of the National Housing Act for the proposed 185-bed skilled nursing facility known as Lake County. Notwithstanding the foregoing, the following term sheet structure is offered for discussion purposes, is subject to credit committee approval, and is not a commitment to lend. Capital Funding, LLC is hereafter referred to as Lender.

The terms and conditions discussed herein are non-binding and subject to change upon full underwriting of the loan request. Any future commitment to lend on this Project will first be subject to receipt of the required certificate of need, full underwriting and due diligence by Lender and approval by Lender; therefore, the terms and conditions below should not be construed as a binding obligation.

Oral agreements or commitments to loan money, extend credit or to forebear from enforcing repayment of a debt including promises to extend or renew such debt are not enforceable, regardless of the legal theory upon which it is based that is in any way related to the credit agreement. To protect you (Borrower(s)) and us (Lender) from misunderstanding or disappointment, any agreements we reach covering such matters are contained in this writing, which is the complete and exclusive statement of the agreement between us, except as we may later agree in writing to modify it.

The proposed terms are as follows:

Borrower:	IH Mundelein Owner, LLC
Loan Amount:	An amount equal to the lesser of: • 90% of HUD-approved construction costs • 80% of HUD-approved appraised 'as-stabilized' value The loan amount is estimated to be \$24,000,000.

Purpose:	The Loan shall be for the purpose of constructing a 185-bed skilled nursing facility known as Lake County.
Construction Loan Term:	Estimated to be 18 Months following initial endorsement of the credit instrument by FHA within which time final endorsement of the credit instrument by FHA shall be accomplished by the Mortgagor, subject to extensions consented to by FHA.
Permanent Loan Term:	40 Years or other term approved by HUD from the first payment of principal or other terms as set forth in the FHA Commitment.
Interest Rate:	Fixed Rate to be determined based on market conditions. Under market conditions as of February 12, 2016 the interest rate is approximately 4.50%.
Mortgage Insurance Premium:	0.77% on the outstanding balance paid monthly.
Recourse:	Non-recourse.
Fees:	A. Application fee of 0.30% of the total loan amount. B. Mortgage Banker Fee of 1.50% of the total loan amount. C. First year's Mortgage Insurance Premium equal to 0.77% of the total loan amount is paid to HUD from mortgage proceeds. D. GNMA Placement Fees of \$5,000.
Pre-payment:	Market pre-payment terms available and negotiated at the time of rate lock.
Collateral:	The Insured Loan shall be evidenced and secured by (1) a first mortgage lien on the land and improvements now and hereafter acquired or constructed thereon, (2) a chattel mortgage or security agreement creating a first mortgage lien on the furnishings and equipment to be located at the Project, and (3) the endorsement by FHA of the Insured Loan. The Insured Loan shall also be secured by a lien on the Project operator's: tangible and intangible personal property (including, but not limited to, cash and deposit accounts); to the extent assignable under applicable law, licenses, certificates, permits and other governmental approval necessary and required to operate the Project; the books and records of the Project; and accounts receivable. A Deposit Account Control Agreement will be required from the operator.

Loan to Value:	Not to exceed 80% (including funding of reserves and closing costs).
SPE Provision:	The Borrower and Operator will each be a single purpose entity.
Appraisal:	Project shall be appraised by an appraiser approved by Lender and such appraisal must be accepted by Lender (appraisal fees to be paid by Borrower).
No Other Encumbrances:	Borrower will not, without prior written consent of Lender and HUD, create, place or permit to be created or placed, or allow to remain any deed of trust, mortgage, voluntary or involuntary lien, security interest, encumbrance or charge against or covering the Project, or any part thereof, regardless of whether the same are expressly or otherwise subordinate to the lien or security interest created in Lender's deed of trust or mortgage. Borrower will cause any of such encumbrances that arise outside of the ordinary course of business and without the prior written consent of Lender to be promptly discharged and released.
Zoning:	Borrower will provide acceptable evidence that the Project is zoned for the intended use.
Skilled Nursing Facility State Requirements:	It is the Lender's understanding that a Certificate of Need is required by the state of Illinois. The Borrower will provide acceptable evidence that all required document/permits have been obtained to operate a skilled nursing facility.
Title Insurance:	Lender requires an ALTA lender's extended coverage title insurance commitment from a company acceptable to Lender ("Title Company") insuring Lender for the Loan Amount, evidencing Borrower's title to the Collateral and showing Lender's lien on the Project is or will be upon recordation of a valid first lien.
Plans/Specs:	A complete set of final working plans, including drawings, specifications, details and manuals, for the Project ("Plans"). Borrower represents and warrants that the Plans shall be in full accordance with all applicable statutes, law, ordinances, regulations and requirements of all governmental agencies including HUD having jurisdiction over the Project, including without limitation the Americans With Disabilities Act and any other statues, laws, ordinances, regulations and requirements dealing with access to real estate properties by persons with disabilities. All specialized drawings shall be signed by licensed engineers of the respective disciplines normally responsible for such drawings.

Contractors:	A list of all contractors, subcontractors and materialmen to be employed in connection with the Project. Said list shall provide a name and telephone number, a general description of the nature of the work to be performed, and an approximate dollar value of the services or material to be provided. Lender is hereby authorized to confirm this information.
Permits:	Copies of all permits required for each phase of the construction of the Project. Written confirmation from the suppliers including but not limited to water, storm and sanitary sewer, gas, electric and telephone utilities for the Project.
Budget:	A detailed budget showing a schedule of the estimated construction costs and the estimated timing of disbursements. Lender is hereby authorized to confirm this transaction.
Insurance	During the Construction Period, evidence the Project is covered by a Lender-approved construction policy (builder's risk policy) in an amount satisfactory to Lender and showing Lender and HUD as Loss Payee. Borrower shall also provide evidence that all appropriate contractors have Lender-required insurance.
Survey:	An ALTA survey (at Borrower's expense) showing that the Project, if constructed in accordance with the plans and specifications provided, shall lie wholly within the boundaries of the property described on Lender's deed of trust or mortgage without encroachment or violation of any zoning ordinances, building codes or regulations, or setback requirements. This survey must show the complete legal description and zoning of the Project.
Environmental:	A HUD-compliant report is required, which shall (a) be prepared by a qualified environmental engineer or consultant satisfactory to Lender, (b) be satisfactory in form and substance to Lender, (c) identify and evaluate any "recognized environmental condition" associated with the Project, (d) evaluate current and past uses of the Project and the Land.
Flood Insurance:	Should the Project at any time prior to the Closing Date or during the term of the Loan be deemed to be located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Borrower agrees to obtain and maintain federal flood insurance, if available, for the full unpaid principal balance of the Loan and any prior lines on the collateral, up to the maximum policy limits set forth under the National Flood Insurance Program, or as otherwise required by Lender. Flood insurance may be purchased under the national Flood Insurance Program or from

	private insurers; however, the amount of insurance must be approved by Lender. To the extent HUD deems any potential flood hazard to be a critical action, HUD may choose not to insure the loan.
Change Orders:	Borrower will fund into escrow 100% of the value of all change orders.
Disbursements on Loan:	Disbursements shall be made through Capital Funding, LLC. Updated title insurance endorsements insuring Lender against mechanics liens will be obtained with each disbursement. Borrower agrees to pay all fees and expenses related to these services, to the extent not funded through the mortgage.
Additional Requirements:	Other due diligence information may be required. Borrower shall provide all due diligence items reasonably requested by Lender and HUD; and all due diligence shall be subject to the approval of Lender in Lender's sole discretion. Approval of all due diligence, all Loan Documents, and all documentation associated with any other source of funding for the Project, shall be approved by Lender. Lender or HUD may require additional information to fully underwrite and approve the loan, and may change any conditions listed herein at its full discretion.

The Insured Loan will be made by Lender only upon compliance with each of the following conditions:

1. The Borrower shall have complied with all of the requirements of the FHA Commitment, the requirements of HUD's attorneys, and applicable FHA regulations and all of the requirements of Lender pursuant to this term sheet.
2. Lender shall have approved in its sole discretion the title company, bonding company, insurance companies and all loan documents, instruments, agreements, leases, organizational documents of Borrower and Operator entities, letters of credit, title, hazard insurance, malpractice and property policies, and such other documents required by FHA and Lender in connection with the financing transaction contemplated by this term sheet, which approval shall not be unreasonably withheld. Copies of such proposed documentation shall be submitted to Lender and its special counsel for review at least three weeks prior to the scheduled date of the FHA Endorsement.
3. All costs and expenses in connection with the financing transactions contemplated by this term sheet shall be paid by the Borrower or other party assuming liability for the payment thereof, including but not limited to: Third Party Reports (independent appraisal, property inspection and architectural and cost review, environmental assessment, feasibility and/or market study); the fees and expenses

of the special counsel in the transaction; recording costs; title company charges; survey charges; Borrower's legal fees. To the extent possible, these fees will be included in the mortgage and credited against any equity requirement or refunded at the closing.

4. This term sheet is contingent upon receipt of acceptable full market study performed by market analyst to be determined by Lender. Additionally, valuation will be driven by reconciliation to market comparables on per-day revenue rates as well as expense comparables. If market study or expense calculations, in Lender's opinion, does not support the project or underwriting, this term sheet will be modified as Lender deems appropriate, and can be terminated by Borrower with no penalties of fee payment obligations.

On or prior to the date of the FHA Endorsement, the Borrower shall have presented to Lender duly executed copies of its resolutions authorizing the Insured Loan transaction and all authorizations and approvals of governmental or quasi-governmental bodies which shall be required by law to consummate the transaction contemplated by this term sheet, in each case in form and substance satisfactory to Lender and the special counsel.

As a requirement for proper organization and planning, a member of Lender's staff shall be present whenever you meet with an FHA representative concerning the loan application. In addition, all correspondence from FHA should be cleared through Lender's office before transmittal of a reply. Copies of statements required of the sponsor and file copies of all correspondence between the Borrower and FHA shall be furnished to Lender's office.

Capital Funding, LLC ("CFG") is a leading provider of full-service, comprehensive financing solutions for multifamily properties and healthcare facilities across the country. Through the CFG family of companies, CFG offers bridge loans, HUD loans, commercial banking, working capital lending, purchase/leasebacks, spend management, investment advisory services and more.

Thank you for this opportunity. If you have any questions regarding the above, please do not hesitate to let me know.

Sincerely,

Karen Becker

Re: IH Mundelein Owner, LLC

Dear Brad:

Lake Forest Bank & Trust Company (Bank) is pleased to present the following proposal for financing the credit facility related to the purchase of the 11 acre property located at 850 E US Highway 45, Mundelein, IL, for further development into a 185 bed Skilled Nursing Facility. Please note this proposal is subject to final credit approval.

Facility I:

Borrower: IH Mundelein Owner, LLC

Loan Amount: Not to exceed 80% of Appraised Value

Purpose: Facilitate the purchase and development of the property located at 850 E US Highway 45, Mundelein, IL

Term: 3 Years

Interest Rate: Borrower's Option of:

- 30-Day LIBOR + 300bps, Floating.
- 4.05%, Fixed via a 2-Year SWAP¹
- 4.15%, Fixed via a 3-Year SWAP¹

¹ Subject to ECP regulations. All rates are subject to change on a daily basis.

Repayment:

1. Interest only for the first six months
2. Principal plus Interest due monthly, based on a 25 year amortization.
 - a. Principal payments to be rolled into a sinking fund.

Fee: 50bps

Collateral:

- First Mortgage and Assignment of Rents on real estate located at 850 E US Highway 45, Mundelein, IL
- First priority blanket lien on all business assets of IH Mundelein Owner, LLC

Guarantors: To be determined based on pending due diligence and credit analysis

Lake Forest Bank & Trust Co. | 727 North Bank Lane, Lake Forest, Illinois 60045
847-234-2882 | www.lakeforestbank.com

Covenants: Borrower must maintain a post distribution debt coverage ratio of not less than 1.20x, to be tested semi-annually on a trailing twelve month basis. Debt service coverage ratio is computed using EBITDAR, less Distributions, divided by all Opco Principal & Interest Payments and all Rent. EBITDAR is defined as earnings before Interest Expense, Income Tax Expense, Depreciation, Amortization, and all Rent.

Tracking Requirements:

1. Annual accountant prepared Reviewed Financial Statements due within 120 days after year-end.
2. Annual Personal Financial Statement of Guarantors, due 120 days after year-end.
3. Annual Personal Tax Returns of Guarantors, due 30 days after timely filing.
4. Quarterly company prepared financial, due within 30 days after each quarter-end.

Other Conditions:

- Satisfactory receipt and review of appraisal on real estate located at 850 E US Highway 45, Mundelein, IL
- Satisfactory receipt and review of environmental due diligence, including but not limited to an Environmental Phase 1 on real estate located at 850 E US Highway 45, Mundelein, IL
- All Credit Facilities will be cross-defaulted and cross-collateralized.
- Satisfactory receipt and review of flood determination.
- Borrower to maintain all corporate related deposit accounts at the Bank.
- Borrower to provide proof of insurance as required by Bank.
- Loan documents to be attorney prepared.
- Loan to be formally closed via a title company.
- Borrowers responsible for all out of pocket costs.

Brad, we appreciate the opportunity to provide this proposal for financing the purchase and development of the 11 acre property located at 850 E US Highway 45, Mundelein, IL. We look forward to furthering our relationship with Innovative Health and expanding our Bank's skilled nursing facility healthcare portfolio with this 185 bed facility. If you have any questions concerning this proposal or wish to have further discussion, please feel free to contact me directly.

Sincerely,

NON-BINDING REAL ESTATE LEASE LETTER OF INTENT

February 11, 2016

Mr. Bradley S. Haber
Manager
Innovative Health, LLC
6400 Shafer Court, Suite 600
Rosemont, Illinois 60018

Re: Letter of Intent – Transitional Care of Lake County Lease

Dear Mr. Haber:

This Non-Binding Letter of Intent sets forth the material terms and conditions pursuant to which IH Mundelein Owner, LLC (“Lessor”) is prepared to lease the skilled nursing facility located at 850 East U.S. Highway 45, Mundelein, Illinois 60060 (“Subject Property”) to Transitional Care of Lake County, LLC (“Lessee”). This letter shall serve as a Non-Binding Letter of Intent to lease the Subject Property.

Proposed Terms and Conditions

- Space: 73,271 gross square feet of clinical space and 16,729 gross square feet of non-clinical support space to be located at 850 East U.S. Highway 45, Mundelein, Illinois 60060.
- Lease Term: Initial term will be ten (10) years effective upon the later of the completion of construction or lessee occupancy. Lessor will grant Lessee two (2) renewal options each for a period of five (5) years.
- Lease Rate: The lease rate will be based upon the full amortization of the capitalized costs to construct the skilled nursing facility with a reasonable rate of return. The anticipated costs to build the skilled nursing facility are projected to be \$29,232,700.
- Lease Contingency: The lease shall be contingent upon Lessee’s receipt of a certificate of need permit for the establishment of a skilled nursing facility from the Illinois Health Facilities and Services Review Board.

If the above terms and conditions are acceptable, please indicate your acceptance by executing a copy of this letter and returning it to me.

Sincerely,

IH MUNDELEIN OWNER, LLC

AGREED TO AND ACCEPTED THIS 11th DAY OF February 2016:

TRANSITIONAL CARE OF LAKE COUNTY, LLC

By: 

Brian Cloch
Manager

February 22, 2016

RE: IH Mundelein Owner, LLC - 850 East U.S. Highway 45, Mundelein, Illinois

This non-binding term sheet ("Term Sheet") is delivered to the Illinois Health Facilities and Services Review Board in connection with the Tenant's (as defined below) application for a Certificate of Need (CON) permit from the Illinois Health Facilities and Services Review Board (HFSRB).

PREMISES: 850 East U.S. Highway 45, Mundelein, Illinois (the "Premises")

TENANT: Transitional Care of Lake County, LLC

LANDLORD: IH Mundelein Owner, LLC

SPACE REQUIREMENTS: 38,045 gross square feet of clinical space and 13,995 gross square feet of non-clinical support space.

PRIMARY TERM: 10 years effective upon the later of the completion of construction or lessee occupancy. Lessor will grant two five year renewal options.

BASE RENT: A payment in amount sufficient to allow the Landlord to achieve a debt service coverage ratio (i.e lease coverage ratio) of not less than 1.0:1.0, subject to the determination of the construction lender. The Lease shall provide for annual increased based on the Consumer Price Index (CPI).

ADDITIONAL EXPENSES: The Rent shall be paid absolutely net to Landlord, free of all impositions, assessments, utility charges, operating expenses, refurbishing's, insurance premiums or any other charge or expense in connection with the Leased Property. All expenses and charges, whether for upkeep, maintenance, repair, refurbishing, refurbishing, restoration, replacement, insurance premiums, taxes, utilities, and other operating or other charges of a like nature or otherwise, shall be paid by Tenant.

LEASE CONTINGENCY: The Lease shall be contingent upon Lessee's receipt of a CON for the establishment of a skilled nursing facility from the Illinois Health Facilities and Services Review Board.

LANDLORD'S MAINTENANCE: Landlord, at its sole cost and expense, shall be responsible for the structural and capitalized items (per

GAAP standards) for the Property.

**POSSESSION AND RENT
COMMENCEMENT:**

Landlord shall deliver Possession of the Premises to the Tenant with Landlord's work complete within 36 months of CON Board approval. Rent commencement shall be the date each of the following conditions have occurred:

- a. Construction improvements within the Premises have been completed in accordance with the final construction documents (except for nominal punch list items);
- b. A certificate of occupancy for the Premises shall have been obtained from the city or county;
- c. Tenant has obtained all necessary licenses and permits to operate its business; and
- d. Such other conditions as Landlord and Tenant shall reasonably determine.

LEASE FORM:

Landlord's standard lease form.

USE:

The operation of a skilled nursing facility and transitional care services, including all incidental, related and necessary elements and functions which may be necessary or desirable to render a complete program of treatment to patients of Tenant and related office and administrative uses or for any other lawful purpose.

Landlord shall verify that the Use is permitted within the building's zoning.

Landlord shall provide a copy of any CCR's or other documents that may impact tenancy.

PARKING:

In accordance with final zoning requirements.

BASE BUILDING:

Landlord shall deliver to the Premises, the building and all improvements.

OPTION TO RENEW:

Tenant desires two five-year options to renew the Lease. Option rent shall be at the rate from the year immediately preceding the renewal, as adjusted for the CPI.

**FAILURE TO DELIVER
PREMISES:**

If Landlord has not delivered the premises to Tenant with all base building items substantially completed with 36 months from later of lease execution or CON approval,

Tenant may elect to a) terminate the lease by written notice to Landlord or b) elect to receive two days of rent abatement for every day of delay beyond the 30 day delivery period.

HOLDING OVER:

Tenant shall be obligated to pay 110% for the then current rate.

TENANT SIGNAGE:

Tenant shall have the right to install building, monument and pylon signage at the Premises, subject to compliance with all applicable laws and regulations. Landlord, at Landlord's expense, will furnish Tenant with any standard building directory signage.

BUILDING HOURS:

Tenant requires building hours of 24 hours a day, seven days a week.

SUBLEASE/ASSIGNMENT:

Any assignment or sublease by Tenant of its interest in the Lease shall be subject to the prior written consent of Landlord, not to be unreasonably withheld.

CERTIFICATE OF NEED:

Tenant CON Obligation: Landlord and Tenant understand and agree that the establishment of any skilled nursing facility in the State of Illinois is subject to the requirements of the Illinois Health Facilities Planning Act, 20 ILCS 3960/1 et seq. and, thus, the Tenant cannot establish a skilled nursing facility on the Premises or execute a binding real estate lease in connection therewith unless Tenant obtains a Certificate of Need (CON) permit from the Illinois Health Facilities and Services Review Board (HFSRB). Based on the length of the HFSRB review process, Tenant does not expect to receive a CON permit prior to May 10, 2016. In light of the foregoing facts, the parties agree that they shall promptly proceed with due diligence to negotiate the terms of a definitive lease agreement and execute such agreement prior to approval of the CON permit provided, however, the lease shall not be binding on either party prior to approval of the CON permit. The lease agreement shall contain a contingency clause indicating that the lease agreement is not effective prior to CON permit approval and shall be further subject to the review and comment of the construction lender. Assuming CON approval is granted, the effective date of the lease agreement shall be the first day of the calendar month following CON permit approval. In the event that the HFSRB does not award Tenant a CON permit to

establish a skilled nursing facility on the Premises neither party shall have any further obligation to the other party with regard to the negotiations, lease, or Premises contemplated by this Term Sheet.

ROOF RIGHTS:

Tenant shall have the right to place a satellite dish on the roof at no additional fee.

DELIVERIES:

To be determined..

GOVERNMENTAL COMPLIANCE:

Landlord shall represent and warrant to Tenant that Landlord, at Landlord's sole expense, will cause the Premises, common areas, the building and parking facilities to be in full compliance with any governmental laws, ordinances, regulations or orders relating to, but not limited to, compliance with the Americans with Disabilities Act (ADA), and environmental conditions relating to the existence of asbestos and/or other hazardous materials, or soil and ground water conditions, and shall indemnify and hold Tenant harmless from any claims, liabilities and cost arising from environmental conditions not caused by the Tenant.

NO BROKERAGE FEE:

There is no brokerage fee due in connection with the Lease..

This project does not meet the State Board standards for Days of Cash on Hand or Cushion Ratio. The project proposes the relocation/replacement of Winchester House, an ongoing business, whose received due from third party payor include the State of Illinois, Medicare, private insurance carriers. Collections range from 45 days to over 180 days. In order to meet these ratios, the project would need to borrow additional funds, which would increase debt service and capital costs of this project. Accordingly, the Applicants request a waiver from these review criteria.

Re: Reasonableness of Financing Arrangements

Dear Chair Olson:

Pursuant to 77 Ill. Admin Code § 1125.800 , I hereby certify the following:

Financial resources will be available and be equal to or exceed the estimated total project cost and any related cost. The project and related costs will be funded in total or in part by borrowing because a portion or all of the cash and equivalents must be retained in the balance sheet asset accounts in order that the current ratio does not fall below 2.0 times.

I further certify pursuant to 77 Ill. Admin. Code §1120.140(b) that the selected form of debt financing for the project will be the lowest net cost available.

Sincerely,

Brian Cloch
Manager

COST AND GROSS SQUARE FEET BY DEPARTMENT OR SERVICE								
Department (list below)	A	B	C	D	E	F	G	H
	Cost/Square Foot New Mod.		Gross Sq. Ft. New Circ.*		Gross Sq. Ft. Mod. Circ.*		Const. \$ (A x C)	Mod. \$ (B x E)
Contingency	\$2.99		16,729				\$50,000	
Total Non-Clinical	\$231.04		16,729				\$3,865,000	
TOTALS	\$242.41		90,000				\$21,817,000	
* Include the percentage (%) of space for circulation								

2. As shown in Table 1125.800 below, the project costs are below the State Standard.

Table 1125.800			
	Proposed Project	State Standard	Above/Below State Standard
Preplanning Costs	\$300,000	1.8% x (New Construction + Contingencies + Equipment) = 1.8% x (\$17,600,000 + \$352,000 + \$1,475,000) = 1.8% x \$19,427,000 = \$349,686	Below State Standard
Construction & Contingencies	\$17,952,000	\$245.06 x 73,271 GSF = \$17,955,791	Below State Standard
Contingency	\$352,000	10% x New Construction = 10% x \$17,600,000 = \$1,760,000	Below State Standard
Architecture & Engineering Fees	\$1,400,000	5.64% - 8.48% x (New Construction + Contingencies) = 5.64% - 8.48% x \$17,952,000 = \$1,012,493 - \$1,522,330	Below State Standard
Consulting & Other Fees	\$1,270,000	No State Standard	No State Standard
Moveable & Other Equipment	\$1,475,000	\$7,983 per bed x 185 beds = \$1,476,855	Below State Standard
Construction Interest	\$790,000	No State Standard	No State Standard
Other Costs to be Capitalized	\$895,000	No State Standard	No State Standard

Section V, Financial and Economic Feasibility Review
Criterion 1120.310(d), Projected Operating Costs

Operating Expenses: \$14,034,196

Resident Days: 60,590 resident days

Operating Expense per Resident Days: \$231.62 per resident day

Section V, Financial and Economic Feasibility Review
Criterion 1120.310(e), Total Effect of Project on Capital Costs

Capital Costs:

Rent:	\$1,320,000
Depreciation:	\$ 60,000
Total Capital Costs:	\$1,380,000

Resident Days 60,590 resident days

Capital Costs per Patient Days: \$22.78 per resident day
