**Re: Annual Progress Report-Transitional Care of Lake County, Mundelein
Project #16-012**

Dear Ms. Avery:

On June 21, 2016, the Illinois Health Facilities and Services Review Board ("HFSRB") approved Project #16-012, a project to construct and establish a 185 bed general long term category of service to be located at 850 East U.S. Highway, Mundelein, Illinois. The purpose of this letter is to provide an annual progress report pursuant to 77 Ill. Admin. Code 1130.760.

Status of the Project and Costs

The construction of the project is complete. The Illinois Department of Public Health ("IDPH") Division of Life Safety and Construction completed their life safety survey and it was successfully passed (letter enclosed). The Permit Holders anticipate a licensure survey imminently, and upon passing that survey a license will be issued. The project was completed in accordance with the terms of the permit letter issued by the HFSRB. We expect to file a timely final cost report as we complete reconciling costs and expenses for the project.

If you have any questions or need any additional information regarding the project or this permit renewal request, please feel free to contact me at 312-212-4967.

Very truly yours,

BENESCH, FRIEDLANDER,
COPLAN & ARONOFF LLP
