**Re: Project #16-014, St. Clara's Manor,
Lincoln**

Dear Mr. Roate:

Please accept this request for an expedited review of the above referenced project. The Applicant filed the project in good faith in accordance with the published dates for which a project must be deemed complete in order to be tentatively heard by the Board. In doing so, it has scheduled the project around being considered in June and delay from that date could throw off the timeline and consequently the project budget.

Thank you for your consideration on this item. If you have any questions, please do not hesitate to contact me.

Sincerely,

John P. Kniery
