RE: Completion of Project #16-017

Dear Ms. Olson:

This letter serves as written notification of the completion of Project #16-017, the construction of the Griffin Medical Office Building in Pekin, Illinois. A Certificate of Occupancy was granted on January 24, 2018 and the building was occupied shortly thereafter. A final project cost report will be filed, along with the requested certifications, once all project-related expenses have been paid. We expect to file the report well in advance of the July 2, 2018 deadline.

Should you require additional information, please contact me at 309-672-4521.

Sincerely,

Terry Waters
Regional Vice President
